

SEC Declares Registration Statement on Form S-4 “Effective” in Proposed Acquisition of Williams by Energy Transfer

May 25, 2016

Williams Schedules June 27, 2016 Special Meeting for Stockholders to Vote on Pending Transaction

Merger Also Subject to Other Closing Conditions

DALLAS--(BUSINESS WIRE)--May 25, 2016-- Energy Transfer Equity, L.P. (NYSE: ETE) (“ETE” or the “Partnership”) today announced that, in connection with ETE’s pending acquisition of The Williams Companies, Inc. (NYSE: WMB) (“Williams”), the registration statement of Energy Transfer Corp LP (“ETC”) on Form S-4 has been declared “effective” by the U.S. Securities and Exchange Commission (“SEC”).

Williams separately today announced that it has scheduled a special meeting of stockholders for Williams stockholders to vote on the transaction with ETE. The special meeting of stockholders will be held on June 27, 2016 at 9:00 a.m. (Central Daylight Time) at the Williams Resource Center Theater, One Williams Center, Tulsa, Oklahoma. Williams’ stockholders of record as of the close of business on May 19, 2016 are entitled to vote at the meeting.

The registration statement for ETC containing the proxy statement/prospectus is available through the SEC’s website at www.sec.gov, via Williams’ IR website at <http://investor.williams.com/>, or via ETE’s IR website at www.energytransfer.com. Williams announced that it expects to begin mailing the proxy statement/prospectus to stockholders today. Investors holding shares in brokerage accounts should receive proxy statements/prospectuses from their broker. The proxy statement/prospectus provides important information about the proposed transaction, as well as voting instructions.

In addition to the receipt of Williams stockholder approval, the transaction remains subject to a number of closing conditions, including the receipt by ETC and Williams of a tax opinion from Latham & Watkins LLP (“Latham”) that the contribution of Williams’ assets by ETC to ETE should qualify as an exchange to which Section 721(a) of the Internal Revenue Code applies. Latham has advised ETE that it would not be able to deliver this tax opinion were the opinion requested as of the date of the proxy statement/prospectus. ETE believes that there is a substantial risk that the closing condition relating to this tax opinion will not be met, and that it is unlikely that ETC would waive the closing condition. Williams believes that the contribution should qualify as an exchange to which Section 721(a) of the Internal Revenue Code applies, and would be willing to waive the condition to closing that Williams receive this tax opinion. Williams has filed a lawsuit against ETE in the Delaware Court of Chancery seeking, among other remedies, a declaratory judgment and injunction preventing ETE from terminating or otherwise avoiding its obligations under the merger agreement due to any failure of Latham to deliver the 721 tax opinion to ETC and Williams. ETE has filed its affirmative defenses and counterclaim and seeks, among other things, a declaratory judgment that, in the event Latham fails to deliver the 721 tax opinion prior to the outside date of June 28, 2016 set forth in the merger agreement, ETE will be entitled to terminate the merger agreement without liability due to the failure of a closing condition. The parties have agreed to expedited proceedings, with a trial scheduled to be held June 20 and June 21, 2016. Williams’ stockholders are encouraged to read the proxy statement/prospectus in its entirety, including the section entitled “Recent Developments,” for additional information regarding the foregoing.
