PANHANDLE EASTERN PIPE LINE COMPANY

On March 29, 1999, CMS Energy Corporation ("CMS ENERGY") acquired all of the outstanding common stock of Panhandle, its principal consolidated subsidiaries, Trunkline Gas Company ("TRUNKLINE") and Pan Gas Storage Company ("PAN GAS STORAGE"), as well as Panhandle's affiliates, Panhandle Storage Company ("PANHANDLE STORAGE") and Trunkline LNG Company ("TRUNKLINE LNG"), from subsidiaries of Duke Energy Corporation. As a result of a corporate reorganization at that time, Panhandle Storage and Trunkline LNG became direct, wholly-owned subsidiaries of Panhandle. See "-- Acquisition by CMS Energy Corporation."

We are primarily engaged in the transportation of natural gas in interstate commerce. We operate one of the nation's largest natural gas pipeline networks, providing customers in the Southwest and Midwest with a comprehensive array of transportation and storage services. This interconnected 10,400 mile system accesses virtually all major natural gas supply regions in the United States.

Our Panhandle transmission system consists of a system of four large-diameter parallel pipelines, extending approximately 1,300 miles from producing areas in the Anadarko Basin of Texas, Oklahoma and Kansas through Missouri, Illinois, Indiana and Ohio into Michigan.

Our Trunkline transmission system consists of a system of three large-diameter parallel pipelines, extending approximately 1,400 miles from the Gulf Coast areas of Texas and Louisiana through Arkansas, Mississippi, Tennessee, Kentucky, Illinois and Indiana to a point on the Indiana-Michigan border. We also own and operate two offshore Louisiana natural gas supply systems consisting of 337 miles of pipeline extending approximately 81 miles into the Gulf of Mexico.

We own and operate five underground gas storage fields located in Illinois, Michigan, Kansas, Oklahoma and Louisiana with a combined maximum working storage capacity of 70 billion cubic feet.

We own a liquified natural gas ("LNG") regasification plant and related LNG tanker port, unloading facilities and LNG and gas storage facilities located at Lake Charles, Louisiana. The LNG plant has the capacity to deliver 700 million cubic feet per day but has been operated on a limited basis for a number of years.

Our Panhandle transmission system's major customers include approximately 20 utilities located in the Midwest market area that encompasses large portions of Michigan, Ohio, Indiana, Illinois and Missouri. Our Trunkline transmission system's major customers include eight utilities located in portions of Illinois, Indiana, Michigan, Ohio and Tennessee.

Our rates and operations are subject to regulation by the Federal Energy Regulatory Commission. For more information on this regulation, please see our annual report on Form 10-K for the year ended December 31, 1998, which is incorporated by reference into this Prospectus.

Panhandle is a Delaware corporation organized in 1929. Its principal offices are located at 5444 Westheimer Court, Houston, Texas 77056-5306, and its telephone number is 713-989-7000.

The above information about us is not comprehensive. For additional information about our business and affairs, including our consolidated financial statements and related notes, management's discussion and analysis, pending environmental, legal and regulatory proceedings and descriptions of certain laws and regulations to which we are subject, you should refer to the documents which are or incorporated by reference in this Prospectus. See "Where to Find More Information."

ACQUISITION BY CMS ENERGY CORPORATION

On March 29, 1999, CMS Energy acquired all of our outstanding common stock from Duke Energy Corporation ("DUKE ENERGY"). CMS Energy paid \$1.9 billion in cash to Duke Energy and assumed \$300 million of our existing debt.

CMS Energy is a leading diversified energy company operating in the United States and around the world. CMS Energy's two principal subsidiaries are Consumers Energy Company ("CONSUMERS") and CMS Enterprises Company ("ENTERPRISES"). Consumers is a public utility that provides natural gas and electricity to almost six million of the nine and one-half million residents in Michigan's Lower Peninsula. Enterprises, through subsidiaries, is engaged in several domestic and international energy businesses including:

- Natural gas transmission, storage and processing;
- Independent power production;
- Oil and gas exploration and production;
- International energy distribution; and
- Energy marketing, services and trading.

Our acquisition by CMS Energy excluded certain of our non-strategic assets. See "Unaudited Pro Forma Financial Information" for a description of restructuring, realignment and elimination of certain activities between us and Duke Energy prior to the closing of the acquisition.

Pursuant to the stock purchase agreement between subsidiaries of Duke Energy and CMS Energy, Duke Energy has agreed to investigate and remedy environmental damage to some of our properties. Duke Energy has agreed to continue its clean-up effort at these properties post acquisition and to defend and indemnify us against certain future environmental litigation and claims.

THE NOTE OFFERING

The Notes..... On March 29, 1999, CMS Holding sold \$300 million principal amount of 6.125% Senior Notes due 2004; \$200 million principal amount of 6.500% Senior Notes Due 2009; and \$300 million principal amount of 7.000% Senior Notes due 2029 (collectively, the "NOTES"). On June 15, 1999, CMS Holding merged into Panhandle and the obligations of CMS Holding under the Notes and the related indenture were assumed by us. The Notes were offered to qualified institutional buyers under Rule 144A as well as certain qualified foreign purchasers pursuant to Regulation S.

Registration Rights

Agreement..... We executed a Registration Rights Agreement which provides that we will grant certain registration and exchange rights to Note holders. As a result, we have filed a registration statement with the SEC which will permit you to exchange the Notes for new notes which are registered under the Securities Act of 1933. The transfer restrictions will be removed from the new notes. We are conducting the exchange offer to satisfy our obligations with respect to certain exchange and registration rights. Except for a few limited circumstances, these rights will terminate when the exchange offer ends.

Guarantee..... All payments under the Notes issued by CMS Holding were irrevocably and unconditionally guaranteed by us. This guarantee was terminated when CMS Holding merged with and into us.

Currently outstanding are \$300 million aggregate principal amount of 6.125% Senior Notes due 2004; \$200 million principal amount of 6.500% Senior Notes due 2009; and \$300 million principal amount of 7.000% Senior Notes due 2029. The Notes may be tendered only in integral amounts of \$1,000.

- Resale of Exchange Notes..... Based on SEC no action letters, we believe that after the exchange offer you may offer and sell the Exchange Notes without registration under the Securities Act of 1933 so long as:
- You acquire the Exchange Notes in the ordinary course of business.
 - When the exchange offer begins you do not have an arrangement with another person to participate in a distribution of the Exchange Notes.
 - You are not engaged in a distribution of, nor do you intend to distribute, the Exchange Notes.

When you tender the Notes we will ask you to represent to us that:

- You are not our affiliate.
- You will acquire the Exchange Notes in the ordinary course of business.
- When the exchange offer begins you are not engaged in nor do you have plans with another person to be engaged in a distribution of the Exchange Notes.

If you are unable to make these representations, you will be required to comply with the registration and prospectus delivery requirements under the Securities Act of 1933 in connection with any secondary resale transaction.

If you are a broker-dealer and receive Exchange Notes for your own account, you must acknowledge that you will deliver a prospectus if you resell the Exchange Notes. You may use this Prospectus as it is amended from time to time when you resell Exchange Notes which were acquired from market-making or trading activities. For a year after the Expiration Date we will make this Prospectus available to any broker-dealer in connection with such a resale. See "Plan of Distribution."

If necessary, we will cooperate with you to register and qualify the Exchange Notes for offer or sale without any restrictions or limitations under state "blue sky" laws.

- Consequences of Failure to Exchange Notes..... If you do not exchange your Notes during the exchange offer you will no longer be entitled to registration rights. You will not be able to offer or sell the Notes unless

Procedures for Tendering Notes.....	If you wish to participate in the exchange offer you must complete, sign and date the letter of transmittal or a facsimile copy and mail it or deliver it to the exchange agent along with any necessary documentation. Instructions and the address of the exchange agent will be on the letter of transmittal and can be found in this Prospectus. See "The Exchange Offer--Procedures for Tendering" and "--Exchange Agent." RISK FACTORS

In addition to the information set forth in this Prospectus, you should carefully consider the risks described below before making an investment in the Exchange Notes. The risks described below are not the only ones facing us. Additional risks not presently known to us or that we currently deem immaterial may also impair our business operations.

DOMESTIC COMPETITION AND REGULATORY RESTRUCTURING

Federal and state regulation of natural gas interstate pipelines has changed dramatically in the last two decades and could continue to change over the next several years. In general, such regulatory changes have resulted and will continue to result in increased competition in our business. In order to meet competitive challenges, we will need to adapt our marketing strategies, the type of transportation and storage services we offer to our customers and our pricing and rate responses to competitive forces in order to maintain and grow our business. We will also need to respond to changes in state regulation in our market area that allow direct sales to all retail end-user customers or, at least, broader customer classes than now allowed. We are not able to predict the financial consequences of these changes at this time, but they could have a material adverse effect on our financial results.

Federal Energy Regulatory Commission ("FERC") policy allows the issuance of certificates authorizing the construction of new interstate pipelines which are competitive with existing pipelines. A number of new pipeline and pipeline expansion projects have been approved or are pending approval by the FERC in order to transport large additional volumes of natural gas to the Midwest from Canada. These pipelines will be able to compete with us. Increased competition could reduce the volumes of gas transported by us to our existing markets or cause us to lower rates in order to meet competition. This could have a material adverse effect on our financial results.

NO PUBLIC MARKET FOR THE EXCHANGE NOTES

There is no active trading market for the Exchange Notes and this market may never develop. If any of the Exchange Notes are traded after their initial issuance, they may trade at a discount from their initial offering price. Factors that could cause the Exchange Notes to trade at a discount are:

- an increase in prevailing interest rates;
- a decline in our credit worthiness;
- a weakness in the market for similar securities; and
- declining general economic conditions.

Although we have entered into a registration rights agreement with the Donaldson, Lufkin & Jenrette Securities Corporation, Barclays Capital Inc, Chase Securities Inc, NationsBanc Montgomery Securities LLC, First Chicago Capital Markets, Inc., Salomon Smith Barney Inc., and SG Cowen Securities Corporation (collectively the "INITIAL PURCHASERS") under which we are obligated to file a registration statement and to use our best efforts to have it declared effective, which would allow you to exchange the Notes for

Exchange Notes which are registered under the Securities Act of 1933, we cannot assure you that the registration statement although filed will be declared effective, that the exchange will occur, or that an active market for the Exchange Notes will develop. The liquidity of, and trading markets for, the Exchange Notes may also be adversely affected by declines in the markets for high-yield securities generally.

RISK OF YEAR 2000 NONCOMPLIANCE

Many existing computer programs were designed and developed without considering the upcoming change in the century, which could lead to the failure of computer applications or create erroneous results by or at the year 2000. This issue is referred to as the "YEAR 2000 ISSUE." The Year 2000 Issue is a broad business issue, whose impact extends beyond traditional computer hardware and software to possible failure of automated plant systems and instrumentation as well as to business third parties. Also, there can be no guarantee that third parties of business importance to us will successfully reprogram or replace, and test, all of their own computer hardware, software and process control systems to ensure such systems are Year 2000 compliant. Failure by us, third parties of business importance to us and/or other constituents such as governments to become Year 2000 compliant on a timely basis could have a material adverse effect on our financial position and results of operations.

RESULTS COULD DIFFER MATERIALLY FROM CERTAIN FORWARD-LOOKING STATEMENTS

From time to time, we may make statements regarding our assumptions, projections, expectations, intentions or beliefs about future events. These statements are intended as "forward-looking statements" under the Private Securities Litigation Reform Act of 1995. We caution that these statements may and often do vary from actual results and the differences between these statements and actual results can be material. Accordingly, we cannot assure you that actual results will not differ materially from those expressed or implied by the forward-looking statements. Some of the factors that could cause actual achievements and events to differ materially from those expressed or implied in any forward-looking statements are:

- entry of competing pipelines into our markets and competitive strategies of competing pipelines, including rate and other pricing practices;
- state and federal legislative and regulatory initiatives that affect cost and investment recovery, have an impact on rate structures, and affect the speed and degree to which competition enters the natural gas industry;
- the weather and other natural phenomena;
- the timing and extent of changes in prices of commodities (primarily natural gas and competing fuels) and interest rates;
- changes in environmental and other laws and regulations to which we and our subsidiaries are subject or other external factors over which we have no control;
- the results of financing efforts;
- expansion and other growth opportunities; and

- the effect of accounting policies issued periodically by accounting standard-setting bodies.

These factors are discussed more completely in our filings with the SEC, including our annual report on Form 10-K for the year ended December 31, 1998, and our quarterly report on Form 10-Q for the quarter ended March 31, 1999 which are incorporated by reference into this Prospectus.

USE OF PROCEEDS

There will be no net proceeds payable to us from the issuance of the Exchange Notes. The net proceeds from the sale of the Notes, together with funds from CMS Energy, were used to fund CMS Energy's acquisition of the Panhandle Companies.

RATIO OF EARNINGS TO FIXED CHARGES

The consolidated ratio of earnings to fixed charges for each of the years ended December 31, 1994 through 1998 and the three months ended March 31, 1999 is as follows:

	YEAR ENDED DECEMBER 31,					THREE MONTHS
	1994	1995	1996	1997	1998	ENDED MARCH 31, 1999
Ratio of earnings to fixed charges.....	4.7	4.8	2.9	2.6	2.7	3.7

For the purpose of computing the ratio, earnings represent net income before income taxes, net interest charges and the estimated interest portions of lease rentals.

THE COMPANY

We are an indirectly wholly owned subsidiary of CMS Energy. We and our subsidiaries are primarily engaged in the interstate transportation and storage of natural gas. Our interstate natural gas transmission and storage operations are subject to the rules and regulations of the FERC. We were incorporated in Delaware in 1929.

On March 29, 1999, CMS Energy acquired all of our outstanding common stock and the outstanding common stock of our principal consolidated subsidiaries, Trunkline and Pan Gas Storage, as well as our affiliates, Panhandle Storage and Trunkline from subsidiaries of Duke Energy Corporation. Panhandle Storage and Trunkline LNG became our direct, wholly-owned subsidiaries. CMS Energy paid \$1.9 billion in cash to Duke Energy Corporation and assumed \$300 million of existing Panhandle debt.

NATURAL GAS TRANSMISSION

We own approximately 10,400 miles of interstate pipeline systems. Panhandle's natural gas transmission system, which consists of four large-diameter parallel pipelines and 13 mainline compressor stations, extends a distance of approximately 1,300 miles from producing areas in the Anadarko Basin of Texas, Oklahoma and Kansas through the state of Missouri, Illinois, Indiana and Ohio into Michigan. Trunkline's transmission system extends approximately 1,400 miles from the Gulf Coast areas of Texas and Louisiana through the states of Arkansas, Mississippi, Tennessee, Kentucky, Illinois and Indiana to a point on the Indiana-Michigan border. The system consists principally of three large-diameter parallel pipelines, 18 mainline compressor stations and one offshore compressor platform.

Trunkline also owns and operates two offshore Louisiana gas supply systems consisting of 337 miles of pipeline extending approximately 81 miles into the Gulf of Mexico.

Our throughput volumes for the years 1994 to 1998 were 1,186 Tbtu, 1,182 Tbtu, 1,319 Tbtu, 1,279 Tbtu and 1,141 Tbtu, respectively. A substantial majority of delivered volumes of our interstate pipelines represents gas transported under long-term service agreements with local distribution company (LDC) customers in the pipelines' market areas. Firm transportation services are also provided under contract to gas marketers, producers, other pipelines, electric power generators and a variety of end-users. In addition, the pipelines offer both firm and interruptible transportation to customers on a short-term or seasonal basis. Demand for gas transmission on our pipeline systems is seasonal, with the highest throughput occurring during the colder periods in the first and fourth quarters.

(a) Trillion British thermal units

Panhandle's major customers include 20 utilities located in the Midwest market area that encompasses large portions of Michigan, Ohio, Indiana, Illinois and Missouri. Trunkline's major customers include eight utilities located in portions of Tennessee, Missouri, Illinois, Indiana and Michigan.

NATURAL GAS STORAGE AND LNG FACILITY

Our Pan Gas Storage subsidiary also owns and operates three underground storage fields located in Illinois, Michigan and Oklahoma with working gas capacity of 31 Bcf. Pan Gas Storage is also the owner and operator of a 26 Bcf storage field in Kansas. Trunkline owns and operates one 13 Bcf storage field in Louisiana. Since the implementation of Order 636, Panhandle, Trunkline and Pan Gas Storage each provide firm and interruptible storage on an open-access basis. See "Regulation" below. In addition to owning and operating storage fields, Panhandle also leases storage capacity. Panhandle and Trunkline have retained the right to use up to 15 Bcf and 10 Bcf, respectively, of their storage capacity for system needs.

Our subsidiary, Trunkline LNG, owns a LNG regasification plant and related LNG tanker port, unloading facilities and LNG and gas storage facilities located at Lake Charles, Louisiana. The LNG plant has the capacity to deliver 700 million cubic feet per day but has been operated on a limited basis for a number of years.

REGULATION

The FERC has authority to regulate rates and charges for natural gas transported in or stored for interstate commerce or sold by a natural gas company in interstate commerce for resale. The FERC also has authority over the construction and operation of pipeline and related facilities utilized in the transportation and sale of natural gas in interstate commerce, including the extension, enlargement or abandonment of such facilities. Panhandle Trunkline and Pan Gas Storage hold certificates of public convenience and necessity issued by the FERC, authorizing them to construct and operate the pipelines, facilities and properties now in operation for which such certificates are required, and to transport and store natural gas in interstate commerce.

Our pipelines operate as open-access transporters of natural gas. In 1992, the FERC issued Order 636, which requires open-access pipelines to provide firm and interruptible transportation services on an equal basis for all gas supplies, whether purchased from the pipeline or from another gas supplier. To implement this requirement, Order 636 provided, among other things, for mandatory unbundling of services that historically had been provided by pipelines into separate open-access transportation, sales and storage services. Order 636 allows pipelines to recover eligible costs, known as "transition costs," resulting from the implementation of Order 636.

Regulation of the importation and exportation of natural gas is vested in the Secretary of Energy, who has delegated various aspects of this jurisdiction to Office of Fossil Fuels of the Department of Energy.

We are also subject to the Natural Gas Pipeline Safety Act of 1968, which regulates gas pipeline safety requirements, and to the Hazardous Liquid Pipeline Safety Act of 1979, which regulates oil and petroleum pipelines.

DESCRIPTION OF THE EXCHANGE NOTES

The 2004 Exchange Notes, 2009 Exchange Notes and 2029 Exchange Notes will be issued as one series of debt securities under an Indenture dated March 29, 1999 (the "BASE INDENTURE") and supplemented by a First Supplemental Indenture, also dated March 29, 1999 establishing the Exchange Notes (the "SUPPLEMENTAL INDENTURE") among us, CMS Panhandle Holdings Company ("CMS HOLDING") and Bank One Trust Company, NA, successor to NBD Bank, as Trustee (the "TRUSTEE"). The Base Indenture and the Supplemental Indenture are hereinafter referred to collectively as the "INDENTURE." On June 15, 1999 CMS Holding merged with and into Panhandle and all obligations of CMS Holding under the Indenture were assumed by us. The following summaries of certain provisions of the Indenture, the Exchange Notes and the Registration Rights Agreement (as defined herein) do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the respective documents, including the definitions therein of certain terms. Certain capitalized terms used in this "Description of the Exchange Notes" shall have the meanings respectively set forth in the Indenture or the Registration Rights Agreement, as applicable. Wherever particular defined terms of the Indenture are referred to, such defined terms are incorporated herein by reference as part of the statement made, and the statement is qualified in its entirety by such reference. Copies of the Indenture are available from the Trustee upon request.

The 2004 Exchange Notes will be limited in aggregate principal amount of \$300 million, the 2009 Exchange Notes will be limited in aggregate principal amount of \$200 million and the 2029 Exchange Notes will be limited in aggregate principal amount of \$300 million. The Indenture does not limit the aggregate principal amount of debt securities that may be issued thereunder and provides that debt securities may be issued thereunder, from time to time, in one or more series. The Exchange Notes and all other debt securities hereafter issued under the Indenture are collectively referred to herein as the "SECURITIES."

GENERAL

The Exchange Notes will be unsecured debt securities of Panhandle and will rank pari passu with all senior unsecured debt of Panhandle and senior to all subordinated debt of Panhandle. Panhandle does not currently have any subordinated debt.

The Exchange Notes will be issued in the form of one or more Global Exchange Notes, in registered form, without coupons, in denominations of \$1,000 or an integral multiple thereof as described under "-- Book-Entry; Delivery; Form and Transfer." The Global Exchange Notes will be registered in the name of a nominee of DTC. Each Global Exchange Note (and any Exchange Note issued in exchange therefor) will be subject to certain restrictions on transfer set forth therein as described under "-- Book-Entry; Delivery; Form and Transfer -- Transfers of Interests in Global Exchange Notes for Certificated Exchange Notes." Except as set forth herein under "-- Book-Entry; Delivery; Form and Transfer -- Transfers of Interests in Global Exchange Notes for Certificated Exchange Notes," owners of beneficial interests in a Global Exchange Note will not be entitled to have Exchange Notes registered in their names, will not receive or be entitled to receive physical delivery of any such Exchange Note and will not be considered the registered holder thereof under the Indenture.

Because the 2004 Exchange Notes, the 2009 Exchange Notes and the 2029 Exchange Notes are treated as one series and one class of securities for the purposes of the

Indenture, certain actions to be taken by the holders of the Exchange Notes pursuant to the terms of the Indenture may be taken by the holders of the specified percentage of the aggregate principal amount of all the Exchange Notes then outstanding, combined. As a result of voting together as holders of one series of Securities with respect to matters covered by the Indenture, the holders of one or two of the three tranches of the Exchange Notes (i.e., the 2004 Exchange Notes, the 2009 Exchange Notes and the 2029 Exchange Notes) will likely be able to determine the outcome of holder actions without obtaining the consent of holders of the other tranche(s) of Exchange Notes. Future issuances of Securities under the Indenture may be aggregated with the Exchange Notes for voting purposes and could further affect the ability of the holders of the Exchange Notes to effect the outcome of holder actions.

PAYMENT AND MATURITY

The 2004 Exchange Notes will mature on March 15, 2004, the 2009 Exchange Notes will mature on July 15, 2009 and the 2029 Exchange Notes will mature on July 15, 2029, in each case unless redeemed earlier by Panhandle as described below, and will bear interest at the rate of 6.125%, 6.500% and 7.000%, respectively, per annum. At the relevant maturity date, Panhandle will pay the aggregate principal amount of the then outstanding Exchange Notes which have come due.

Each Exchange Note will bear interest from the original date of issue of the Notes. Interest on the 2004 Exchange Notes will be payable semiannually in arrears on March 15 and September 15, commencing September 15, 1999, and at maturity. Interest on the 2009 Exchange Notes and the 2029 Exchange Notes will be payable semiannually in arrears on January 15, and July 15, commencing January 15, 2000, and at maturity. So long as Exchange Notes are held in the form of one or more Global Exchange Notes, payments of principal, premium, interest and liquidated damages (as defined herein), if any, will be payable through the facilities of DTC.

Payment of any interest due on the Exchange Notes will be made to the Persons in whose name the Exchange Notes are registered at the close of business on the Record Date for such interest payments. The record dates for the 2004 Exchange Notes shall be the March 1 or September 1 preceding the applicable payment date, and the record dates for the 2009 Exchange Notes and the 2029 Exchange Notes shall be the January 1 or July 1 preceding the applicable payment date. In any case where any interest payment date, repurchase date or maturity of any Exchange Note will not be a Business Day (as hereinafter defined) at any place of payment, then payment of interest or principal (and premium, if any) need not be made on that date, but may be made on the next succeeding Business Day at such place of payment with the same force and effect as if made on the interest payment date, repurchase date or at maturity; and no interest will accrue on the amount so payable for the period from and after such interest payment date, redemption date, repurchase date or maturity, as the case may be, to such Business Day.

REDEMPTION

Each of the Exchange Notes will be redeemable at the option of Panhandle at any time and from time to time, in whole or in part, upon not less than 30 nor more than 45 days notice to each holder of such Exchange Notes, at a redemption price equal to the Make-Whole Price of such Exchange Notes. "MAKE-WHOLE PRICE" means an amount equal to the greater of (1) 100% of the principal amount of the Exchange Notes to be

redeemed and (2) as determined by an Independent Investment Banker, the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus, in each case, accrued and unpaid interest thereon to the date of redemption. Unless there is a default in the payment of the redemption price, on and after the date of redemption, interest will cease to accrue on Exchange Notes or portions thereof called for redemption.

"ADJUSTED TREASURY RATE" means, with respect to any date of redemption, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price at such date of redemption, plus 15 basis points (0.15%) in the case of the 2004 Exchange Notes, 25 basis points (0.25%) in the case of the 2009 Exchange Notes and 40 basis points (0.40%) in the case of the 2029 Exchange Notes.

"COMPARABLE TREASURY PRICE" means, with respect to any date of redemption, (1) the average of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) on the third Business Day preceding such date of redemption, as set forth in the daily statistical release (or any successor release) published by the Federal Reserve Bank of New York and designated "Composite 3:30 p.m. Quotations for U.S. Government Securities," or (2) if such release (or any successor release) is not published or does not contain such prices on such Business Day, (A) the average of the Reference Treasury Dealer Quotations for such date of redemption, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (B) if the Trustee obtains fewer than three such Reference Treasury Dealer Quotations, the average of both such Reference Treasury Dealer Quotations.

"REFERENCE TREASURY DEALER" means, for the Exchange Notes, each of Donaldson, Lufkin & Jenrette Securities Corporation, Barclays Capital Inc., Chase Securities Inc., NationsBanc Montgomery Securities LLC, First Chicago Capital Markets, Inc., Salomon Smith Barney Inc. and SG Cowen Securities Corporation and their respective successors; provided, however, that if any of the foregoing shall not be a primary U.S. Government securities dealer in New York City (a "PRIMARY TREASURY DEALER"), Panhandle shall substitute therefor another Primary Treasury Dealer.

"REFERENCE TREASURY DEALER QUOTATIONS" means, with respect to each Reference Treasury Dealer and any date of redemption, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the trustee by

such Reference Treasury Dealer at 5:00 p.m. on the third Business Day preceding such date of redemption.

Panhandle may purchase the Exchange Notes in the open market, by tender or otherwise. Exchange Notes so purchased may be held, resold or surrendered to the Trustee for cancellation. If applicable, Panhandle will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the "EXCHANGE ACT"), and other securities laws and regulations in connection with any such purchase.

No sinking fund is provided for the Exchange Notes.

LIMITATION ON RESTRICTED PAYMENTS

The Indenture provides that, so long as any of the Exchange Notes are outstanding and until either:

- (1) such Exchange Notes are rated Baa1 (or an equivalent rating) or higher by Moody's and BBB+ (or an equivalent rating) or higher by Standard & Poor's; or
- (2) so long as Panhandle is a Subsidiary of CMS Energy, the long-term senior unsecured debt rating of CMS Energy is rated Baa3 (or an equivalent rating) or higher by Moody's and BBB- (or an equivalent rating) or higher by Standard & Poor's;

in each case at which time Panhandle will be permanently released from the provisions described in this "Limitation on Restricted Payments," Panhandle will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

- (1) declare or pay any dividend or make any distribution on the Capital Stock of Panhandle to the direct or indirect holders of its Capital Stock (except dividends or distributions payable solely in its Non-Convertible Capital Stock or in options, warrants or other rights to purchase such Non-Convertible Capital Stock and except dividends or distributions payable to Panhandle or a Subsidiary);
- (2) purchase, redeem or otherwise acquire or retire for value any Capital Stock of Panhandle; or
- (3) make any Loan to CMS Energy or any of its affiliates that is not a Subsidiary of Panhandle;

(any such dividend, distribution, purchase, redemption, other acquisition or retirement described in (1) through (3) above being hereinafter referred to as a "RESTRICTED

PAYMENT"), unless at the time Panhandle or such Restricted Subsidiary makes such Restricted Payment and after giving effect thereto:

- (1) no Event of Default, and no event that with the lapse of time or the giving of notice or both would constitute an Event of Default, shall have occurred and be continuing (or would result therefrom);
- (2) Panhandle's Fixed Charge Coverage Ratio is greater than or equal to 2.2; and
- (3) Panhandle's Leverage Ratio is less than or equal to 55%

Notwithstanding the foregoing, Panhandle or any of its Restricted Subsidiaries may declare, make or pay any Restricted Payment, if at the time Panhandle or such Restricted Subsidiary makes such Restricted Payment and after giving effect thereto:

(1) no Event of Default, and no event that with the lapse of time or the giving of notice or both would constitute an Event of Default, shall have occurred and be continuing (or would result therefrom); and

(2) the aggregate amount of such Restricted Payment and all other Restricted Payments made since the date of issuance of the Exchange Notes would not exceed the sum of:

(a) \$50 million;

(b) 75% of Adjusted Consolidated Net Income accumulated since the date of issuance of the Exchange Notes to the end of the most recent fiscal quarter ending at least 45 days prior to the date of such Restricted Payment; and

(c) the aggregate net cash proceeds received by Panhandle after the date of issuance of the Exchange Notes from capital contributions or the issuance of Capital Stock of Panhandle to a person who is not a Subsidiary of Panhandle, or from the issuance to such a person of options, warrants or other rights to acquire such Capital Stock of Panhandle.

None of the foregoing provisions will prohibit:

(1) dividends or other distributions paid in respect of any class of Capital Stock issued by Panhandle in connection with the acquisition of any business or assets by Panhandle or a Restricted Subsidiary where the dividends or other distributions with respect to such Capital Stock are payable solely from the net earnings of such business or assets;

(2) any purchase or redemption of Capital Stock of Panhandle made by exchange for, or out of the proceeds of the substantially concurrent sale of, Non-Convertible Capital Stock of Panhandle; or

(3) dividends paid within 60 days after the date of declaration thereof if at such date of declaration such dividends would have complied with this covenant.

LIMITATION ON LIENS

The Indenture provides that Panhandle will not, nor will it permit any Restricted Subsidiary to, create, assume, incur or suffer to exist any Lien upon any Principal Property, whether owned or leased on the date of the Indenture or thereafter acquired, to

secure any Debt of Panhandle or any other Person (other than the Exchange Notes), without in any such case making effective provision whereby all of the Exchange Notes outstanding shall be secured equally and ratably with, or prior to, such Debt so long as such Debt shall be so secured. There is excluded from this restriction:

- (1) any Lien upon any property or assets of Panhandle or any Restricted Subsidiary in existence on the date of the Indenture or created pursuant to an "after-acquired property" clause or similar term in existence on the date of the Indenture or any mortgage, pledge agreement, security agreement or other similar instrument in existence on the date of the Indenture;
- (2) any Lien upon any property or assets created at the time of acquisition of such property or assets by Panhandle or any Restricted Subsidiary or within 18 months after such time to secure all or a portion of the purchase price for such property or assets or Debt incurred to finance such purchase price, whether such Debt was incurred prior to, at the time of or within 18 months of such acquisition;
- (3) any Lien upon any property or assets existing thereon at the time of the acquisition thereof by Panhandle or any Restricted Subsidiary (whether or not the obligations secured thereby are assumed by Panhandle or any Restricted Subsidiary);
- (4) any Lien upon any property or assets of a Person existing thereon at the time such Person becomes a Restricted Subsidiary by acquisition, merger or otherwise (whether or not such Lien was created in anticipation of such acquisition);
- (5) any Lien securing obligations assumed by Panhandle or any Restricted Subsidiary existing at the time of the acquisition by Panhandle or any Restricted Subsidiary of the property or assets subject to such Lien or at the time of the acquisition of the Person which owns such property or assets;
- (6) any Lien on property to secure all or part of the cost of construction or improvements thereon or to secure Debt incurred prior to, at the time of, or within 18 months after completion of such construction or making of such improvements, to provide funds for any such purpose;
- (7) any Lien in favor of Panhandle or any Restricted Subsidiary;
- (8) any Lien created or assumed by Panhandle or any Restricted Subsidiary in connection with the issuance of Debt the interest on which is excludable from gross income of the holder of such Debt pursuant to the Internal Revenue Code of 1986, as amended, or any successor statute, for the purpose of financing, in whole or in part, the acquisition or construction of property or assets to be used by Panhandle or any Subsidiary;
- (9) any Lien upon property or assets of any foreign Restricted Subsidiary to secure Debt of that foreign Restricted Subsidiary;
- (10) Permitted Liens;
- (11) any Lien created by any program providing for the financing, sale or other disposition of trade or other receivables classified as current assets in accordance with United States generally accepted accounting principles entered into by Panhandle or by a Subsidiary of Panhandle, provided that such program is on terms customary for similar transactions, or any document executed by any Subsidiary in connection

therewith, provided that such Lien is limited to the trade or other receivables in respect of which such program is created or exists, and the proceeds thereof;

(12) any Lien upon any additions, improvements, replacements, repairs, fixtures, appurtenances or component parts thereof attaching to or required to be attached to property or assets pursuant to the terms of any mortgage, pledge agreement, security agreement or other similar instrument, creating a Lien upon such property or assets permitted by clauses (1) through (11), inclusive, above; or

(13) any extension, renewal, refinancing, refunding or replacement (or successive extensions, renewals, refinancing, refundings or replacements) of any Lien, in whole or in part, that is referred to in clauses (1) through (6), inclusive, above (and liens related thereto referred to in clause (12)), or of any Debt secured thereby; provided, however, that the principal amount of Debt secured thereby shall not exceed the greater of the principal amount of Debt so secured at the time of such extension, renewal, refinancing, refunding or replacement and the original principal amount of Debt so secured (plus in each case the aggregate amount of premiums, other payments, costs and expenses paid or incurred in connection with such extension, renewal, refinancing, refunding or replacement); provided further, however, that such extension, renewal, refinancing, refunding or replacement shall be limited to all or a part of the property (including improvements, alterations and repairs on such property) subject to the encumbrance so extended, renewed, refinanced, refunded or replaced (plus improvements, alterations and repairs on such property).

Notwithstanding the foregoing, under the Indenture, Panhandle may, and may permit any Restricted Subsidiary to, create, assume, incur, or suffer to exist any Lien upon any Principal Property to secure Debt of Panhandle or any Person (other than the Exchange Notes) that is not otherwise excepted by clauses (1) through (8), inclusive, above without securing the Exchange Notes issued under the Indenture, provided that the aggregate principal amount of all Debt then outstanding secured by such Lien and all similar Liens, together with all net sale proceeds from Sale-Leaseback Transactions (excluding Sale-Leaseback Transactions permitted by clauses (1) through (4), inclusive, of the first paragraph of the restriction on sale-leasebacks covenant described below) does not exceed the greater of 15% of Consolidated Net Tangible Assets or 15% of Total Capital.

RESTRICTION ON SALE-LEASEBACKS

The Indenture provides that Panhandle will not, nor will it permit any Restricted Subsidiary to, engage in a Sale-Leaseback Transaction, unless:

- (1) such Sale-Leaseback Transaction occurs within 18 months from the date of acquisition of the Principal Property subject thereto or the date of the completion of construction or commencement of full operations on such Principal Property, whichever is later;
- (2) the Sale-Leaseback Transaction involves a lease for a period, including renewals, of not more than four years;
- (3) Panhandle or such Restricted Subsidiary would be entitled to incur Debt secured by a Lien on the Principal Property subject thereto in a principal amount equal to or exceeding the net sale proceeds from such Sale-Leaseback Transaction without securing the Exchange Notes; or

(4) Panhandle or such Restricted Subsidiary, within an 18-month period after such Sale-Leaseback Transaction, applies or causes to be applied an amount not less than the net sale proceeds from such Sale-Leaseback Transaction to (A) the repayment, redemption or retirement of Funded Debt of Panhandle or any Subsidiary, or (B) investment in another Principal Property or in a Subsidiary of Panhandle which owns another Principal Property.

Notwithstanding the foregoing, under the Indenture, Panhandle may, and may permit any Restricted Subsidiary to, effect any Sale-Leaseback Transaction that is not otherwise excepted by clauses (1) through (4), inclusive, of the above paragraph, provided that the net sale proceeds from such Sale-Leaseback Transaction, together with the aggregate principal amount of outstanding Debt (other than the Exchange Notes) secured by Liens upon Principal Properties not excepted by clauses (1) through (13), inclusive, of the first paragraph of the limitation on liens covenant described above, do not exceed the greater of 15% of the Consolidated Net Tangible Assets or 15% of Total Capital.

EVENTS OF DEFAULT

Any one of the following events constitutes an Event of Default under the Indenture with respect to the Exchange Notes:

- (1) default in the payment of the principal of, or premium, if any, on any Exchange Note at its maturity;
- (2) default in the payment of any interest or Liquidated Damages on any Exchange Note when it becomes due and payable and continuance of such default for a period of 60 days;
- (3) default in the performance, or breach, of any term, covenant or warranty contained in the Indenture with respect to the Exchange Notes for a period of 90 days upon giving written notice as provided in the Indenture; or
- (4) the occurrence of certain events of bankruptcy.

If an Event of Default with respect to the Exchange Notes occurs and is continuing, either the Trustee or the holders of at least 33% in aggregate principal amount of the outstanding Exchange Notes by notice as provided in the Indenture may declare the principal amount of all the Exchange Notes to be due and payable immediately. At any time after a declaration of acceleration with respect to the Exchange Notes has been made, but before a judgment or decree for payment of money has been obtained by the Trustee, the holders of a majority in aggregate principal amount of the outstanding Exchange Notes, under certain circumstances, may rescind and annul such acceleration.

The Indenture provides that, subject to the duty of the Trustee during default to act with the required standard of care, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the holders, unless such holders shall have offered to the Trustee reasonable indemnity. Subject to such provisions for the indemnification of the Trustee, the holders of a majority in aggregate principal amount of the outstanding Exchange Notes have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Exchange Notes; provided, however, that

the Trustee shall not be obligated to take any action unduly prejudicial to holders not joining in such direction or involving the Trustee in personal liability.

The holders of a majority in aggregate principal amount of the outstanding Exchange Notes may, on behalf of all holders of Exchange Notes, waive any past default under the Indenture with respect to any Exchange Notes, except a default:

(1) in the payment of principal of, or premium, if any, or any interest on any Exchange Note; or

(2) in respect of a covenant or provision of the Indenture which cannot be modified or amended without the consent of the holder of each outstanding Exchange Note affected.

Panhandle is required to furnish to the Trustee annually a statement as to the performance by it of its obligations under the Indenture and as to any default in such performance.

LEGAL AND COVENANT DEFEASANCE

The Indenture provides that Panhandle will be discharged from any and all obligations in respect of the outstanding Exchange Notes (excluding, however, certain obligations, such as the obligation to register the transfer or exchange of such outstanding Exchange Notes, to replace stolen, lost, mutilated or destroyed certificates, and to maintain paying agencies) on the 123rd day following the deposit referred to in the following clause (1), subject to the following conditions: (1) the irrevocable deposit, in trust, of cash or U.S. Government Obligations (or a combination thereof) which through the payment of interest and principal thereof in accordance with their terms will provide cash in an amount sufficient to pay the principal and interest and premium, if any, on the outstanding Exchange Notes and any mandatory sinking fund payments, in each case, on the stated maturity of such payments in accordance with the terms of the Indenture and the outstanding Exchange Notes or on any redemption date established pursuant to clause (3) below; (2) receipt by Panhandle of an Opinion of Counsel based on the fact that (A) Panhandle has received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of the Indenture, there has been a change in the applicable federal income tax law, in either case, to the effect that, and confirming that, the holders of the Exchange Notes will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit and defeasance had not occurred; (3) if any Exchange Notes are to be redeemed prior to stated maturity (other than from mandatory sinking fund payments or analogous payments), notice of such redemption shall have been duly given pursuant to the Indenture or provision therefor satisfactory to the Trustee shall have been made; (4) no Event of Default or event which with notice or lapse of time or both would become an Event of Default will have occurred and be continuing on the date of such deposit; and (5) Panhandle's delivery to the Trustee of an Officers' Certificate and an Opinion of Counsel, each stating that the conditions precedent under the Indenture have been complied with.

Under the Indenture, Panhandle also may discharge its obligations referred to above under "-- Limitation on Restricted Payments," "-- Limitation on Liens," "-- Restriction on Sale-Leasebacks," "-- Limitation on Other Business Activities" and "-- Consolidation,

Merger and Sale of Assets," as well as certain of their obligations relating to reporting obligations under the Indenture, in respect of the Exchange Notes on the 123rd day following the deposit referred to in clause (1) in the immediately preceding paragraph, subject to satisfaction of the conditions described in clauses (1), (3), (4) and (5) in the immediately preceding paragraph with respect to the Exchange Notes and the delivery of an Opinion of Counsel confirming that the holders of the Exchange Notes will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and covenant defeasance and will be subject to Federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit and covenant defeasance had not occurred.

MODIFICATION AND WAIVER

Modifications and amendments of the Indenture may be made by Panhandle and the Trustee with the consent of the holders of a majority in aggregate principal amount of the outstanding Exchange Notes, provided, however, that no such modification or amendment may, without consent of the holder of each outstanding Exchange Note affected thereby:

- (1) change the Stated Maturity of the principal of, or the time of payment of any installment of principal of or interest on, any Exchange Note;
- (2) reduce the principal amount of, or premium or interest on, any Exchange Note;
- (3) change the coin or currency in which any Exchange Note or any premium or interest thereon is payable;
- (4) reduce the percentage in principal amount of outstanding Exchange Notes, the consent of whose holders is required for modification or amendment of the Indenture or for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults; or
- (5) modify any of the above provisions.

The holders of a majority in aggregate principal amount of the outstanding Exchange Notes may, on behalf of the holders of all Exchange Notes, waive, insofar as the Exchange Notes are concerned, compliance by Panhandle with certain restrictive provisions of the Indenture.

CONSOLIDATION, MERGER AND SALE OF ASSETS

Panhandle, without the consent of the holders of any of the outstanding Exchange Notes, may consolidate with or merge into, or convey, transfer or lease its assets substantially as an entirety to, any Person which is a corporation, partnership or trust organized and validly existing under the laws of any domestic jurisdiction, provided that any successor Person assumes Panhandle's obligations on the Exchange Notes and under the Indenture, that after giving effect to the transaction no Event of Default, and no event which, after notice or lapse of time, would become an Event of Default, shall have occurred and be continuing, and that certain other conditions are met.

GOVERNING LAW

The Indenture and the Exchange Notes will be governed by, and construed in accordance with, the laws of the State of New York.

REGARDING THE TRUSTEE

Panhandle and certain of its affiliates from time to time borrow money from, and maintain deposit accounts and conduct certain banking transactions with, the Trustee or its affiliates in the ordinary course of their business.

BOOK-ENTRY; DELIVERY; FORM AND TRANSFER

The Exchange Notes which are exchanged for Notes which were sold to qualified institutional buyers ("QIB'S") will be issued initially in the form of one or more registered global Exchange Notes without interest coupons (collectively the "GLOBAL EXCHANGE NOTES"). Upon issuance, the U.S. Global Exchange Notes will be deposited with the Trustee, as custodian for DTC, and registered in the name of DTC or its nominee, in each case for credit to the accounts of DTC's Direct and Indirect Participants (as defined below).

The Global Exchange Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee in certain limited circumstances. Beneficial interests in the Global Exchange Notes may be exchanged for Exchange Notes in certificated form in certain limited circumstances. See "-- Transfer of Interests in Global Exchange Notes for Certificated Exchange Notes."

DEPOSITARY PROCEDURES

DTC has advised Panhandle that DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "Direct Participants") and to facilitate the clearance and settlement of transactions in those securities between Direct Participants through electronic book-entry changes in accounts of Participants. The Direct Participants include securities brokers and dealers (including the Initial Purchasers), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities that clear through or maintain a direct or indirect, custodial relationship with a Direct Participant (collectively, the "Indirect Participants"). DTC may hold securities beneficially owned by other persons only through the Direct Participants or Indirect Participants, and such other persons' ownership interest and transfer of ownership interest will be recorded only on the records of the appropriate Direct Participant and/or Indirect Participant, and not on the records maintained by DTC.

DTC has also advised Panhandle that, pursuant to DTC's procedures, (1) upon deposit of the Global Exchange Notes, DTC will credit the accounts of the Direct Participants designated by the Initial Purchasers with portions of the principal amount of the Global Exchange Notes allocated by the Initial Purchasers to such Direct Participants, and (2) DTC will maintain records of the ownership interests of such Direct Participants in the Global Exchange Notes and the transfer of ownership interests by and between Direct Participants. DTC will not maintain records of the ownership interests of, or the transfer of ownership interests by and between, Indirect Participants or other owners of beneficial interests in the Global Exchange Notes. Direct Participants and Indirect Participants must maintain their own records of the ownership interests of, and the transfer of ownership interests by and between, Indirect Participants and other owners of beneficial interests in the Global Exchange Notes.

The laws of some states require that certain persons take physical delivery in definitive, certificated form, of securities that they own. This may limit or curtail the ability to transfer beneficial interests in a Global Exchange Note to such persons. Because DTC can act only on behalf of Direct Participants, which in turn act on behalf of Indirect Participants and others, the ability of a person having a beneficial interest in a Global Exchange Note to pledge such interest to persons or entities that are not Direct Participants in DTC, or to otherwise take actions in respect of such interests, may be affected by the lack of physical certificates evidencing such interests. For certain other restrictions on the transferability of the Exchange Notes see "-- Transfers of Interests in Global Exchange Notes for Certificated Exchange Notes."

EXCEPT AS DESCRIBED IN "-- TRANSFERS OF INTERESTS IN GLOBAL EXCHANGE NOTES FOR CERTIFICATED EXCHANGE NOTES," OWNERS OF BENEFICIAL INTERESTS IN THE GLOBAL EXCHANGE NOTES WILL NOT HAVE EXCHANGE NOTES REGISTERED IN THEIR NAMES, WILL NOT RECEIVE PHYSICAL DELIVERY OF EXCHANGE NOTES IN CERTIFICATED FORM AND WILL NOT BE CONSIDERED THE REGISTERED OWNERS OR HOLDERS THEREOF UNDER THE INDENTURE FOR ANY PURPOSE.

Under the terms of the Indenture, Panhandle and the Trustee will treat the persons in whose names the Exchange Notes are registered (including Exchange Notes represented by Global Exchange Notes) as the owners thereof for the purpose of receiving payments and for any and all other purposes whatsoever. Payments in respect of the principal, premium, Liquidated Damages, if any, and interest on Global Exchange Notes registered in the name of DTC or its nominee will be payable by the Trustee to DTC or its nominee as the registered holder under the Indenture. Consequently, neither Panhandle, the Trustee nor any agent of Panhandle or the Trustee has or will have any responsibility or liability for (1) any aspect of DTC's records or any Direct Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interests in the Global Exchange Notes or for maintaining, supervising or reviewing any of DTC's records or any Direct Participant's or Indirect Participant's records relating to the beneficial ownership interests in any Global Exchange Note or (2) any other matter relating to the actions and practices of DTC or any of its Direct Participants or Indirect Participants.

DTC has advised Panhandle that its current payment practice (for payments of principal, interest and the like) with respect to securities such as the Exchange Notes is to credit the accounts of the relevant Direct Participants with such payment on the payment date in amounts proportionate to such Direct Participant's respective ownership interests in the Global Exchange Notes as shown on DTC's records. Payments by Direct Participants and Indirect Participants to the beneficial owners of the Exchange Notes will be governed by standing instructions and customary practices between them and will not be the responsibility of DTC, the Trustee or Panhandle. Neither Panhandle nor the Trustee will be liable for any delay by DTC or its Direct Participants or Indirect Participants in identifying the beneficial owners of the Exchange Notes, and Panhandle and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee as the registered owner of the Exchange Notes for all purposes.

The Global Exchange Notes will trade in DTC's Same-day Funds Settlement System and, therefore, transfers between Direct Participants in DTC will be effected in accordance with DTC's procedures, and will be settled in immediately available funds. Transfers between Indirect Participants who hold an interest through a Direct Participant will be effected in accordance with the procedures of such Direct Participant but generally will settle in immediately available funds.

DTC has advised Panhandle that it will take any action permitted to be taken by a holder of Exchange Notes only at the direction of one or more Direct Participants to whose account interests in the Global Exchange Notes are credited and only in respect of such portion of the aggregate principal amount of the Exchange Notes as to which such Direct Participant or Direct Participants has or have given direction. However, if there is an Event of Default with respect to the Exchange Notes, DTC reserves the right to exchange Global Exchange Notes (without the direction of one or more of its Direct Participants) for legended Exchange Notes in certificated form, and to distribute such certificated forms of Exchange Notes to its Direct Participants. See "-- Transfers of Interests in Global Exchange Notes for Certificated Exchange Notes."

Although DTC has agreed to the foregoing procedures to facilitate transfers of interests in Global Exchange Notes among Direct Participants, they are under no obligation to perform or to continue to perform such procedures, and such procedures may be discontinued at any time. None of the Initial Purchasers or the Trustee will have any responsibility for the performance by DTC or its respective Direct and Indirect Participants of their respective obligations under the rules and procedures governing any of their operations.

The information in this section concerning DTC and its book-entry system has been obtained from sources that Panhandle believes to be reliable, but Panhandle does not take any responsibility for the accuracy thereof.

TRANSFERS OF INTERESTS IN GLOBAL EXCHANGE NOTES FOR CERTIFICATED EXCHANGE NOTES

An entire Global Exchange Note may be exchanged for Certificated Exchange Notes if (1) (a) DTC notifies Panhandle that it is unwilling or unable to continue as Depository for the Global Exchange Notes or Panhandle determines that DTC is unable to act as such Depository and Panhandle thereupon fails to appoint a successor depository within 90 days or (b) DTC has ceased to be a clearing agency registered under the Exchange Act, (2) Panhandle at its option, notifies the Trustee in writing that it elects to cause the issuance of Certificated Exchange Notes or (3) there shall have occurred and be continuing a Default or an Event of Default with respect to the Exchange Notes. In any such case, Panhandle will notify the Trustee in writing that, upon surrender by the Direct and Indirect Participants of their interest in such Global Exchange Note, Certificated Exchange Notes will be issued to each person that such Direct and Indirect Participants and the DTC identify as being the beneficial owner of the related Exchange Notes.

Beneficial interests in Global Exchange Notes held by any Direct or Indirect Participant may be exchanged for Certificated Exchange Notes upon request to DTC, by such Direct Participant (for itself or on behalf of an Indirect Participant), to the Trustee in accordance with customary DTC procedures. Certificated Exchange Notes delivered in exchange for any beneficial interest in any Global Exchange Note will be registered in the names, and issued in any approved denominations, requested by DTC on behalf of such Direct or Indirect Participants (in accordance with DTC's customary procedures).

Neither Panhandle nor the Trustee will be liable for any delay by the holder of the Global Exchange Notes or DTC in identifying the beneficial owners of Exchange Notes, and Panhandle and the Trustee may conclusively rely on, and will be protected in relying on, instructions from the holder of the Global Exchange Note or DTC for all purposes.

CERTIFICATED EXCHANGE NOTES

Certificated Exchange Notes may be exchangeable for other Certificated Exchange Notes of any authorized denominations and of a like aggregate principal amount and tenor. Certificated Exchange Notes may be presented for exchange, and may be presented for registration of transfer (duly endorsed, or accompanied by a duly executed written instrument of transfer), at the designated office of the Trustee in Detroit, Michigan (the "SECURITY REGISTRAR"). The Security Registrar will not charge a service charge for any registration of transfer or exchange of Exchange Notes; however, Panhandle may require payment by a holder of a sum sufficient to cover any tax, assessment or other governmental charge payable in connection therewith, as described in the Indenture. Such transfer or exchange will be effected upon the Security Registrar or such other transfer agent, as the case may be, being satisfied with the documents of title and identity of the person making the request. Panhandle may at any time designate additional transfer agents with respect to the Exchange Notes.

Panhandle shall not be required to (a) issue, exchange or register the transfer of any Certificated Exchange Note for a period of 15 days next preceding the mailing of notice of redemption of such Exchange Note or (b) exchange or register the transfer of any Certificated Exchange Note or portion thereof selected, called or being called for redemption, except in the case of any Certificated Exchange Note to be redeemed in part, the portion thereof not so to be redeemed.

If a Certificated Exchange Note is mutilated, destroyed, lost or stolen, it may be replaced at the office of the Security Registrar upon payment by the holder of such expenses as may be incurred by Panhandle and the Security Registrar in connection therewith and the furnishing of such evidence and indemnity as Panhandle and the Security Registrar may require. Mutilated Exchange Notes must be surrendered before new Exchange Notes will be issued.

SAME DAY SETTLEMENT

Payments in respect of the Exchange Notes represented by the Global Exchange Notes (including principal, premium, if any, interest and Liquidated Damages, if any) will be made by wire transfer of immediately available same day funds to the accounts specified by the holder of interests in such Global Exchange Note. Principal, premium, if any, and interest and Liquidated Damages, if any, on all Certificated Exchange Notes in registered form will be payable at the office or agency of the Trustee in The City of New York, except that, at the option of Panhandle, payment of any interest and Liquidated Damages, if any, may be made (1) by check mailed to the address of the Person entitled thereto as such address shall appear in the security register or (2) by wire transfer to an account maintained by the Person entitled thereto as specified in the security register.

THE EXCHANGE OFFER

REGISTRATION RIGHTS; LIQUIDATED DAMAGES

The Notes were sold by CMS Holding on March 29, 1999, pursuant to the Purchase Agreement dated March 23, 1999 (the "PURCHASE AGREEMENT") by and among CMS Holding, Panhandle and the Initial Purchasers and were subsequently offered by the Initial Purchasers to qualified institutional buyers pursuant to Rule 144A that are accredited investors in a manner exempt from registration under the Securities Act as well as to purchasers pursuant to Regulation S under the Securities Act.

The summary herein of certain provisions of the Registration Rights Agreement does not purport to be complete and reference is made to the provisions of the Registration Rights Agreement which has been filed as an exhibit to the Exchange Offer Registration Statement and a copy of which is available as set forth in "Where to Find More Information."

CMS Holding, Panhandle and the Initial Purchasers entered into the Registration Rights Agreement pursuant to which CMS Holding and Panhandle agreed to file with the SEC a registration statement (the "EXCHANGE OFFER REGISTRATION STATEMENT") on the appropriate form under the Securities Act with respect to the offer to exchange the 2004 Notes, 2009 Notes and 2029 Notes for a new series of notes (the "EXCHANGE NOTES"), registered under the Securities Act with terms substantially identical to those of the 2004 Notes, 2009 Notes and 2029 Notes (the "EXCHANGE OFFER") (except that the Exchange Notes will not contain terms with respect to transfer restrictions). On June 15, 1999 CMS Holding merged with and into Panhandle and all obligations of CMS Holding under the Registration Rights Agreement were assumed by Panhandle. Upon the effectiveness of the Exchange Offer Registration Statement, Panhandle will offer Exchange Notes pursuant to the Exchange Offer in exchange for Transfer Restricted Securities (as defined herein) to the holders of Transfer Restricted Securities who are able to make certain representations. If (1) Panhandle is not required to file the Exchange Offer Registration Statement or permitted to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or SEC policy or (2) any holder of Transfer Restricted Securities notifies Panhandle that (A) it is prohibited by law or SEC policy from participating in the Exchange Offer or (B) it may not resell the Exchange Notes acquired by it in the Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales or (C) it is a broker-dealer and owns Notes acquired directly from CMS Holding or Panhandle or an affiliate of CMS Holding or Panhandle, Panhandle will file with the SEC a shelf registration statement (the "SHELF REGISTRATION STATEMENT") to cover resales of the Notes by the holders thereof who satisfy certain conditions relating to the provision of information in connection with the Shelf Registration Statement. Panhandle will use its best efforts to cause the applicable registration statement to be declared effective as promptly as possible by the SEC. For purposes of the foregoing, "TRANSFER RESTRICTED SECURITIES" means each Note until (1) the date on which such Note has been exchanged by a person other than a broker-dealer for an Exchange Note in the Exchange Offer, (2) following the exchange by a broker-dealer in the Exchange Offer of a Note for an Exchange Note, the date on which such an Exchange Note is sold to a purchaser who receives from such broker-dealer on or prior to the date of such sale a copy of the this Prospectus, (3) the date on which such Note has been effectively registered under the Securities Act and disposed of in accordance with the

Shelf Registration Statement, or (4) the date on which such Note is eligible to be distributed to the public pursuant to Rule 144 under the Securities Act.

On June 15, 1999, CMS Holding merged with and into Panhandle and all obligations of CMS Holding under the Registration Rights Agreement were assumed by Panhandle. Therefore, the following description of the Registration Rights Agreement which describes joint obligations of CMS Holding and Panhandle refers only to Panhandle's obligations since pursuant to its merger with CMS Holding it has assumed all of CMS Holding's obligations under the Registration Rights Agreement. The Registration Rights Agreement provides that (1) Panhandle will file an Exchange Offer Registration Statement with the SEC on or prior to 90 days after the Closing, (2) Panhandle will use its best efforts to have the Exchange Offer Registration Statement declared effective by the SEC on or prior to 180 days after the Closing Date, (3) unless the Exchange Offer would not be permitted by applicable law or SEC policy, Panhandle will commence the Exchange Offer and use its best efforts to issue on or prior to 30 business days after the date on which the Exchange Offer Registration Statement was declared effective by the SEC, Exchange Notes in exchange for all Notes tendered prior thereto in the Exchange Offer and (4) if obligated to file the Shelf Registration Statement, Panhandle will file the Shelf Registration Statement with the SEC on or prior to 60 days after such filing obligation arises and to use its best efforts to cause the Shelf Registration to be declared effective by the SEC on or prior to 120 days after the date on which Panhandle becomes obligated to file such Shelf Registration Statement. Except as provided in the next paragraph, if (a) Panhandle fails to file any of the Registration Statements required by the Registration Rights Agreement on or before the date specified for such filing, (b) any of such Registration Statements are not declared effective by the SEC on or prior to the date specified for such effectiveness (the "EFFECTIVENESS TARGET DATE"), (c) Panhandle fails to consummate the Exchange Offer within 30 business days after the Registration Statement is first declared effective with respect to the Exchange Offer Registration Statement or (d) the Shelf Registration Statement or the Exchange Offer Registration Statement is declared effective but thereafter ceases to be effective or usable in connection with resales of Transfer Restricted Securities during the periods specified in the Registration Rights Agreement (each such event referred to in clauses (a) through (d) above being a "Registration Default"), then Panhandle will pay liquidated damages to each holder of Notes, with respect to the first 90-day period immediately following the occurrence of the first Registration Default in an amount equal to \$0.05 per week per \$1,000 principal amount of Notes held by such holder. The amount of the Liquidated Damages will increase by an additional \$0.05 per week per \$1,000 principal amount of Notes with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of Liquidated Damages of \$0.25 per week per \$1,000 principal amount of Notes. All accrued Liquidated Damages will be paid by Panhandle on each interest payment date to the Depository by wire transfer of immediately available funds or by federal funds check and to holders of certificated securities by mailing checks to their registered addresses. Following the cure of all Registration Defaults the accrual of Liquidated Damages will cease.

Holders of Notes will be required to make certain representations to Panhandle (as described in the Registration Rights Agreement) in order to participate in the Exchange Offer and will be required to deliver information to be used in connection with the Shelf Registration Statement and to provide comments on the Shelf Registration Statement within the time periods set forth in the Registration Rights Agreement in order to have

their Notes included in the Shelf Registration Statement and benefit from the provisions regarding Liquidated Damages set forth above.

Any Notes that remain outstanding after the consummation of the Exchange Offer, together with all Exchange Notes issued in connection with the Exchange Offer, will be treated as a single series of securities under the Indenture.

EXPIRATION DATE; EXTENSIONS; AMENDMENTS; TERMINATION

The term "EXPIRATION DATE" shall mean _____, 1999, unless Panhandle, in its sole discretion, extends the Exchange Offer, in which case the term "Expiration Date" shall mean the latest date to which the Exchange Offer is extended.

To extend the Expiration Date, Panhandle will notify the Exchange Agent of any extension by oral or written notice and will notify the holders of the Exchange Notes by means of a press release or other public announcement prior to 9:00 a.m., New York City time, on the next business day after the previously scheduled Expiration Date. Such announcement may state that Panhandle is extending the Exchange Offer for a specified period of time.

Panhandle reserves the right (i) to delay acceptance of any Notes, to extend the Exchange Offer or to terminate the Exchange Offer and not permit acceptance of Notes not previously accepted if any of the conditions set forth herein under "-- Conditions" shall have occurred and shall not have been waived by Panhandle, by giving oral or written notice of such delay, extension or termination to the Exchange Agent, or (ii) to amend the terms of the Exchange Offer in any manner deemed by it to be advantageous to the holders of the Notes. Any such delay in acceptance, extension, termination or amendment will be followed as promptly as practicable by oral or written notice thereof to the Exchange Agent. If the Exchange Offer is amended in a manner determined by Panhandle to constitute a material change, Panhandle will promptly disclose such amendment in a manner reasonably calculated to inform the holders of the Notes of such amendment.

Without limiting the manner in which Panhandle may choose to make public announcement of any delay, extension, amendment or termination of the Exchange Offer, Panhandle shall have no obligations to publish, advertise, or otherwise communicate any such public announcement, other than by making a timely release to an appropriate news agency.

INTEREST ON THE EXCHANGE NOTES

The Exchange Notes will accrue interest for the 2004 Exchange Notes at a rate of 6.125% per annum, for the 2009 Exchange Notes at a rate of 6.500% per annum and for the 2029 Exchange Notes at a rate of 7.000% per annum. Interest on the Exchange Notes will accrue from the last date on which interest was paid on the Notes, or, if no interest has been paid on such Notes, from March 29, 1999, the date of issuance of the Notes for which the Exchange Offer is being made. Interest on the 2004 Exchange Notes is payable semiannually on March 15 and September 15, commencing on September 15, 1999. Interest on the 2009 and 2029 Exchange Notes is payable semiannually on January 15 and July 15 each year commencing January 15, 2000.

PROCEDURES FOR TENDERING

To tender in the Exchange Offer, a holder must complete, sign and date the Letter of Transmittal, or a facsimile thereof, have the signatures thereon medallion guaranteed if required by the Letter of Transmittal, and mail or otherwise deliver such Letter of Transmittal or such facsimile, together with any other required documents, to the Exchange Agent prior to 5:00 p.m., New York City time, on the Expiration Date. In addition, either (i) a timely confirmation of a book-entry transfer (a "BOOK-ENTRY CONFIRMATION") of such Notes into the Exchange Agent's account at The Depository (the "BOOK-ENTRY TRANSFER FACILITY") pursuant to the procedure for book-entry transfer described below, must be received by the Exchange Agent prior to the Expiration Date or (ii) the holder must comply with the guaranteed delivery procedures described below. THE METHOD OF DELIVERY OF LETTERS OF TRANSMITTAL AND ALL OTHER REQUIRED DOCUMENTS TO THE EXCHANGE AGENT IS AT THE ELECTION AND RISK OF THE HOLDERS. IF SUCH DELIVERY IS BY MAIL, IT IS RECOMMENDED THAT REGISTERED MAIL, PROPERLY INSURED, WITH RETURN RECEIPT REQUESTED, BE USED. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ASSURE TIMELY DELIVERY TO THE EXCHANGE AGENT BEFORE THE EXPIRATION DATE. NO LETTERS OF TRANSMITTAL OR OTHER REQUIRED DOCUMENTS SHOULD BE SENT TO PANHANDLE. Delivery of all documents must be made to the Exchange Agent at its address set forth below. Holders may also request their respective brokers, dealers, commercial banks, trust companies or nominees to effect such tender for such holders.

The tender by a holder of Notes will constitute an agreement between such holder and Panhandle in accordance with the terms and subject to the conditions set forth herein and in the Letter of Transmittal. Any beneficial owner whose Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and who wishes to tender should contact such registered holder promptly and instruct such registered holder to tender on his behalf.

Signatures on a Letter of Transmittal or a notice of withdrawal, as the case may be, must be medallion guaranteed by any member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc., a commercial bank or trust company having an office or correspondent in the United States or an "eligible guarantor" institution within the meaning of Rule 17Ad-15 under the Exchange Act (each an "ELIGIBLE INSTITUTION") unless the Notes tendered pursuant thereto are tendered for the account of an Eligible Institution.

If the Letter of Transmittal is signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations, or others acting in a fiduciary or representative capacity, such person should so indicate when signing, and unless waived by Panhandle, evidence satisfactory to Panhandle of their authority to so act must be submitted with the Letter of Transmittal.

All questions as to the validity, form, eligibility (including time of receipt) and withdrawal of the tendered Notes will be determined by Panhandle, in its sole discretion, which determination will be final and binding. Panhandle reserves the absolute right to reject any and all Notes not properly tendered or any Notes which, if accepted, would, in the opinion of counsel for Panhandle, be unlawful. Panhandle also reserves the absolute right to waive any irregularities or conditions of tender as to particular Notes. Panhandle's interpretation of the terms and conditions of the Exchange Offer (including the

instructions in the Letter of Transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Notes must be cured within such time as Panhandle shall determine. Neither Panhandle, the Exchange Agent nor any other person shall be under any duty to give notification of defects or irregularities with respect to tenders of Notes, nor shall any of them incur any liability for failure to give such notification. Tenders of Notes will not be deemed to have been made until such irregularities have been cured or waived. Any Notes received by the Exchange Agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned without cost to such holder by the Exchange Agent, unless otherwise provided in the Letter of Transmittal, as soon as practicable following the Expiration Date.

In addition, Panhandle reserves the right, in its sole discretion, subject to the provisions of the Indenture, to purchase or make offers for any Notes that remain outstanding subsequent to the Expiration Date or, as set forth under "-- Conditions," to terminate the Exchange Offer in accordance with the terms of the Registration Rights Agreement, and to the extent permitted by applicable law, purchase Notes in the open market, in privately negotiated transactions or otherwise. The terms of any such purchases or offers could differ from the terms of the Exchange Offer.

ACCEPTANCE OF NOTES FOR EXCHANGE; DELIVERY OF EXCHANGE NOTES

Upon satisfaction or waiver of all of the conditions to the Exchange Offer, all Notes properly tendered will be accepted promptly after the Expiration Date, and the Exchange Notes will be issued promptly after acceptance of the Notes. See "-- Conditions." For purposes of the Exchange Offer, Notes shall be deemed to have been accepted as validly tendered for exchange when, as and if Panhandle has given oral or written notice thereof to the Exchange Agent.

In all cases, issuance of Exchange Notes for Notes that are accepted for exchange pursuant to the Exchange Offer will be made only after timely receipt by the Exchange Agent of a Book-Entry Confirmation of such Notes into the Exchange Agent's account at the Book-Entry Transfer Facility, a properly completed and duly executed Letter of Transmittal and all other required documents. If any tendered Notes are not accepted for any reason set forth in the terms and conditions of the Exchange Offer, such unaccepted or such nonexchanged Notes will be credited to an account maintained with such Book-Entry Transfer Facility as promptly as practicable after the expiration or termination of the Exchange Offer.

BOOK-ENTRY TRANSFER

The Exchange Agent will make a request to establish an account with respect to the Notes at the Book-Entry Transfer Facility for purposes of the Exchange Offer within two business days after the date of this Prospectus. Any financial institution that is a participant in the Book-Entry Transfer Facility's systems may make book-entry delivery of Notes by causing the Book-Entry Transfer Facility to transfer such Notes into the Exchange Agent's account at the Book-Entry Transfer Facility in accordance with such Book-Entry Transfer Facility's procedures for transfer. However, the Letter of Transmittal (or facsimile) thereof with any required signature guarantees and any other required documents must, in any case, be transmitted to and received by the Exchange Agent at

one of the addresses set forth under "-- Exchange Agent" on or prior to the Expiration Date or the guaranteed delivery procedures described below must be complied with.

GUARANTEED DELIVERY PROCEDURES

If the procedures for book-entry transfer cannot be completed on a timely basis, a tender may be effected if (i) the tender is made through an Eligible Institution, (ii) prior to the Expiration Date, the Exchange Agent receives from such Eligible Institution a properly completed and duly executed Letter of Transmittal (or a facsimile thereof) and Notice of Guaranteed Delivery, substantially in the form provided by Panhandle (by facsimile transmission, mail or hand delivery), setting forth the name and address of the holder of Notes and the amount of Notes tendered, stating that the tender is being made thereby and guaranteeing that within three New York Stock Exchange, Inc. ("NYSE") trading days after the date of execution of the Notice of Guaranteed Delivery, a Book-Entry Confirmation and any other documents required by the Letter of Transmittal will be deposited by the Eligible Institution with the Exchange Agent, and (iii) a Book-Entry Confirmation and all other documents required by the Letter of Transmittal are received by the Exchange Agent within three NYSE trading days after the date of execution of the Notice of Guaranteed Delivery.

WITHDRAWAL OF TENDERS

Tenders of Notes may be withdrawn at any time prior to 5:00 p.m., New York City time, on the Expiration Date.

For a withdrawal to be effective, a written notice of withdrawal must be received by the Exchange Agent prior to 5:00 p.m., New York City time, on the Expiration Date at one of the addresses set forth under "-- Exchange Agent." Any such notice of withdrawal must specify the name and number of the account at the Book-Entry Transfer Facility from which the Notes were tendered, identify the principal amount of the Notes to be withdrawn, and specify the name and number of the account at the Book-Entry Transfer Facility to be credited with the withdrawn Notes and otherwise comply with the procedures of such Book-Entry Transfer Facility. All questions as to the validity, form and eligibility (including time of receipt) of such notice will be determined by Panhandle, whose determination shall be final and binding on all parties. Any Notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the Exchange Offer. Any Notes which have been tendered for exchange but which are not exchanged for any reason will be credited to an account maintained with such Book-Entry Transfer Facility for the Notes as soon as practicable after withdrawal, rejection of tender or termination of the Exchange Offer. Properly withdrawn Notes may be retendered by following one of the procedures described under "-- Procedures for Tendering" and "-- Book-Entry Transfer" at any time on or prior to the Expiration Date.

CONDITIONS

Notwithstanding any other term of the Exchange Offer, Notes will not be required to be accepted for exchange, nor will Exchange Notes be issued in exchange for any Notes, and Panhandle may terminate or amend the Exchange Offer as provided herein before the acceptance of such Notes, if, because of any change in law, or applicable interpretations thereof by the SEC, Panhandle determines that it is not permitted to effect the Exchange Offer. Panhandle has no obligation to, and will not knowingly, permit acceptance of

tenders of Notes from affiliates of Panhandle or from any other holder or holders who are not eligible to participate in the Exchange Offer under applicable law or interpretations thereof by the Staff of the SEC, or if the Exchange Notes to be received by such holder or holders of Notes in the Exchange Offer, upon receipt, will not be tradable by such holder without restriction under the Securities Act and the Exchange Act and without material restrictions under the "blue sky" or securities laws of substantially all of the states of the United States.

FEES AND EXPENSES

The expenses of soliciting tenders pursuant to the Exchange Offer will be borne by Panhandle. The principal solicitation for tenders pursuant to the Exchange Offer is being made by mail; however, additional solicitations may be made by telegraph, telephone, telecopy or in person by officers and regular employees of Panhandle.

Panhandle will not make any payments to brokers, dealers or other persons soliciting acceptances of the Exchange Offer. Panhandle, however, will pay the Exchange Agent reasonable and customary fees for its services and will reimburse the Exchange Agent for its reasonable out-of-pocket expenses in connection therewith.

The expenses to be incurred in connection with the Exchange Offer will be paid by Panhandle, including fees and expenses of the Exchange Agent and the Trustee, and accounting, legal, printing and related fees and expenses.

Panhandle will pay all transfer taxes, if any, applicable to the exchange of Notes pursuant to the Exchange Offer. If, however, Exchange Notes or Notes for principal amounts not tendered or accepted for exchange are to be registered or issued in the name of any person other than the registered holder of the Notes tendered, or if tendered Notes are registered in the name of any person other than the person signing the Letter of Transmittal, or if a transfer tax is imposed for any reason other than the exchange of Notes pursuant to the Exchange Offer, then the amount of any such transfer taxes

(whether imposed on the registered holder or any other persons) will be payable by the tendering holder. If satisfactory evidence of payment of such taxes or exemption therefrom is not submitted with the Letter of Transmittal, the amount of such transfer taxes will be billed directly to such tendering holder.

RESALE OF EXCHANGE NOTES

Based on an interpretation by the staff of the SEC set forth in no-action letters issued to third parties, Panhandle believes that Exchange Notes issued pursuant to the Exchange Offer in exchange for Notes may be offered for resale, resold and otherwise transferred by any owner of such Exchange Notes (other than any such owner which is an "affiliate" of Panhandle within the meaning of Rule 405 under the Securities Act) without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that such Exchange Notes are acquired in the ordinary course of such owner's business and such owner does not intend to participate, and has no arrangement or understanding with any person to participate, in the distribution of such Exchange Notes. Any owner of Notes who tenders in the Exchange Offer with the intention to participate, or for the purpose of participating, in a distribution of the Exchange Notes may not rely on the position of the staff of the SEC enunciated in Exxon Capital Holdings Corporation (available May 13, 1998, as interpreted in the SEC's letter to Shearman & Sterling dated July 2, 1993), Morgan Stanley & Co., Incorporated (available June 5, 1991), Warnaco, Inc. (available June 5, 1991), and Epic Properties, Inc. (available October 21, 1991) or similar no-action letters (collectively the "NO-ACTION LETTERS") but rather must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction. In addition, any such resale transaction should be covered by an effective registration statement containing the selling security holders information required by Item 507 of Regulation S-K of the Securities Act. Each broker-dealer that receives Exchange Notes for its own account in exchange for Notes, where such Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, may be a statutory underwriter and must acknowledge that it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Notes.

By tendering in the Exchange Offer, each Holder (or DTC participant, in the case of tenders of interests in the Global Notes held by DTC) will represent to Panhandle (which representation may be contained the Letter of Transmittal) to the effect that (A) it is not an affiliate of Panhandle, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Notes to be issued in the Exchange Offer and (C) it is acquiring the Exchange Notes in its ordinary course of business. Each Holder will acknowledge and agree that any broker-dealer and any such Holder using the Exchange Offer to participate in a distribution of the Exchange Notes acquired in the Exchange Offer (1) could not under SEC policy as in effect on the date of the Registration Rights Agreement rely on the position of the SEC enunciated in the No-Action Letters, and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Notes obtained by such Holder in exchange for Notes acquired by such Holder directly from Panhandle or an affiliate thereof.

To comply with the securities laws of certain jurisdictions, it may be necessary to qualify for sale or to register the Exchange Notes prior to offering or selling such Exchange Notes. Panhandle has agreed, pursuant to the Registration Rights Agreement and subject to certain specified limitations therein, to cooperate with selling Holders or underwriters in connection with the registration and qualification of the Exchange Notes for offer or sale under the securities or "blue sky" laws of such jurisdictions as may be necessary to permit the holders of Exchange Notes to trade the Exchange Notes without any restrictions or limitations under the securities laws of the several states of the United States.

CONSEQUENCES OF FAILURE TO EXCHANGE

Holders of Notes who do not exchange their Notes for Exchange Notes pursuant to the Exchange Offer will continue to be subject to the restrictions on transfer of such Notes as set forth in the legend thereon as a consequence of the issuance of the Notes pursuant to exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws. In general, the Notes may not be registered under the Securities Act, except pursuant a transaction not subject to, the Securities Act and applicable state securities laws. Panhandle does not currently anticipate that it will register the Notes under the Securities Act. To the extent that Notes are tendered and accepted in the Exchange Offer, the trading market for untendered and tendered but unaccepted Notes could be adversely affected.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

DESCRIPTION OF CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE EXCHANGE OF NOTES FOR EXCHANGE NOTES

The following summary describes the principal United States federal income tax consequences to holders who exchange Notes for Exchange Notes pursuant to the Exchange Offer. This summary is intended to address the beneficial owners of Notes that are citizens or residents of the United States, corporations, partnerships or other entities created or organized in or under the laws of the United States or any State or the District of Columbia, or estates or trusts that are not foreign estates or trusts for United States federal income tax purposes, in each case, that hold the Notes as capital assets.

The exchange of Notes for Exchange Notes pursuant to the Exchange Offer will not constitute a taxable exchange for United States federal income tax purposes. As a result, a holder of a Note whose Note is accepted in the Exchange Offer will not recognize gain or loss on the exchange. A tendering holder's tax basis in the Exchange Notes received pursuant to the Exchange Offer will be the same as such holder's tax basis in the Notes surrendered therefor. A tendering holder's holding period for the Exchange Notes received pursuant to the Exchange Offer will include its holding period for the Notes surrendered therefor.

ALL HOLDERS OF NOTES ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS REGARDING THE UNITED STATES FEDERAL, STATE AND LOCAL TAX CONSEQUENCES OF THE EXCHANGE OF NOTES FOR EXCHANGE NOTES, AND OF THE OWNERSHIP AND DISPOSITION OF

EXCHANGE NOTES RECEIVED IN THE EXCHANGE OFFER IN LIGHT OF THEIR OWN PARTICULAR CIRCUMSTANCES.

DESCRIPTION OF CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF AN INVESTMENT IN THE EXCHANGE NOTES

The following is a summary of the material United States federal income tax consequences of the acquisition, ownership and disposition of the Notes or the Exchange Notes by a United States Holder (as defined below). This summary deals only with the United States Holders that will hold the Notes or the Exchange Notes as capital assets. The discussion does not cover all aspects of federal taxation that may be relevant to, or the actual tax effect that any of the matters described herein will have on, the acquisition, ownership or disposition of the Notes or the Exchange Notes by particular investors, and does not address state, local, foreign or other tax laws. In particular, this summary does not discuss all of the tax considerations that may be relevant to certain types of investors subject to special treatment under the federal income tax laws (such as banks, insurance companies, investors liable for the alternative minimum tax, individual retirement accounts and other tax-deferred accounts, tax-exempt organizations, dealers in securities or currencies, investors that will hold the Notes or the Exchange Notes as part of straddles, hedging transactions or conversion transactions for federal tax purposes or investors whose functional currency is not United States Dollars). Furthermore, the discussion below is based on provisions of the Internal Revenue Code of 1986, as amended, and regulations, rulings, and judicial decisions thereunder as of the date hereof, and such authorities may be repealed, revoked or modified so as to result in U.S. federal income tax consequences different from those discussed below.

PERSONS CONSIDERING THE PURCHASE, OWNERSHIP, OR DISPOSITION OF EXCHANGE NOTES SHOULD CONSULT THEIR OWN TAX ADVISORS CONCERNING THE U.S. FEDERAL INCOME TAX CONSEQUENCES IN LIGHT OF THEIR PARTICULAR SITUATIONS AS WELL AS ANY CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL OR INTERNATIONAL TAXING JURISDICTION.

As used herein, the term "UNITED STATES HOLDER" means a beneficial owner of the Notes or the Exchange Notes that is (i) a citizen or resident of the United States for United States federal income tax purposes, (ii) a corporation created or organized under the laws of the United States or any State thereof, (iii) a person or entity that is otherwise subject to United States federal income tax on a net income basis in respect of income derived from the Notes or the Exchange Notes, or (iv) a partnership to the extent the interest therein is owned by a person who is described in clause (i), (ii) or (iii) of this paragraph.

INTEREST

Interest paid on a Note or an Exchange Note will be taxable to a United States Holder as ordinary income at the time it is received or accrued, depending on the holder's method of accounting for tax purposes.

PURCHASE, SALE, EXCHANGE, RETIREMENT AND REDEMPTION OF THE EXCHANGE NOTES

In general (with certain exceptions described below) a United States Holder's tax basis in an Exchange Note will equal the price paid for the Notes for which such Exchange Note was exchanged pursuant to the Exchange Offer. A United States Holder generally will recognize gain or loss on the sale, exchange, retirement, redemption or other disposition of a Note or an Exchange Note (or portion thereof) equal to the difference between the amount realized on such disposition and the United States Holder's tax basis in the Note or the Exchange Note (or portion thereof). Except to the extent attributable to accrued but unpaid interest, gain or loss recognized on such disposition of a Note or an Exchange Note will be capital gain or loss. Under the "Taxpayer Relief Act of 1997" (the "TAXPAYER ACT") the maximum rate applicable to long-term capital gains of individuals has been reduced to 20%. However, the Taxpayer Act also extends the holding period for long-term capital gains to 18 months for capital assets disposed of after July 28, 1997. Gain on capital assets held between 12 months and 18 months are subject to tax at a maximum rate of 28%. Any such gain will generally be United States source gain.

BOND PREMIUM

If a United States Holder acquires an Exchange Note or has acquired a Note, in each case, for an amount more than its redemption price, the Holder may elect to amortize such bond premium on a yield to maturity basis. Once made, such an election applies to all bonds (other than bonds the interest on which is excludable from gross income) held by the United States Holder at the beginning of the first taxable year to which the election applies or thereafter acquired by the United States Holder, unless the IRS consents to a revocation of the election. The basis of an Exchange Note will be reduced by any amortizable bond premium taken as a deduction.

MARKET DISCOUNT

The purchase of an Exchange Note or the purchase of a Note other than at original issue may be affected by the market discount provisions of the Code. These rules generally provide that, subject to a statutorily defined de minimis exception, if a United States Holder purchases an Exchange Note (or purchased a Note) at a "market discount," as defined below, and thereafter recognizes gain upon a disposition of the Exchange Note (including dispositions by gift or redemption), the lesser of such gain (or appreciation, in the case of a gift) or the portion of the market discount that has accrued ("ACCRUED MARKET DISCOUNT") while the Exchange Note (and its predecessor Note, if any) was held by such United States Holder will be treated as ordinary interest income at the time of disposition rather than as capital gain. For an Exchange Note or a Note, "MARKET DISCOUNT" is the excess of the stated redemption price at maturity over the tax basis immediately after its acquisition by a United States Holder. Market discount generally will accrue ratably during the period from the date of acquisition to the maturity date of the Exchange Note, unless the United States Holder elects to accrue such discount on the basis of the constant yield method. Such an election applies only to the Exchange Note with respect to which it is made and is irrevocable.

In lieu of including the accrued market discount income at the time of disposition, a United States Holder of an Exchange Note acquired at a market discount (or acquired in exchange for a Note acquired at a market discount) may elect to include the accrued market discount in income currently either ratably or using the constant yield method.

Once made, such an election applies to all other obligations that the United States Holder purchases at a market discount during the taxable year for which the election is made and in all subsequent taxable years of the United States Holder, unless the Internal Revenue Service consents to a revocation of the election. If an election is made to include accrued market discount in income currently, the basis of an Exchange Note (or, where applicable, a predecessor Note) in the hands of the United States Holder will be increased by the accrued market discount thereon as it is includible in income. A United States Holder of a market discount Exchange Note who does not elect to include market discount in income currently generally will be required to defer deductions for interest on borrowings allocable to such Exchange Note, if any, in an amount not exceeding the accrued market discount on such Exchange Note until the maturity or disposition of such Exchange Note.

BACKUP WITHHOLDING AND INFORMATION REPORTING

Payments of interest and principal on, and the proceeds of sale or other disposition of the Notes or the Exchange Notes payable to a United States Holder, may be subject to information reporting requirements and backup withholding at a rate of 31% will apply to such payments if the United States Holder fails to provide an accurate taxpayer identification number or to report all interest and dividends required to be shown on its federal income tax returns. Certain United States Holders (including, among others, corporations) are not subject to backup withholding. United States Holders should consult their tax advisors as to their qualification for exemption from backup withholding and the procedure for obtaining such an exemption.

PLAN OF DISTRIBUTION

Each broker-dealer that receives Exchange Notes for its own account pursuant the Exchange Offer must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes. This Prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connections with resales of the Exchange Notes received in exchange for the Notes where such Notes were acquired as a result of market-making activities or other trading activities. Panhandle has agreed that, starting on the Expiration Date and ending on the close of business on the first anniversary of the Expiration Date, it will make this Prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale.

Panhandle will not receive any proceeds from any sale of the Exchange Notes by broker-dealers. The Exchange Notes received by broker-dealers for their own account pursuant to the Exchange Offer may be sold from time to time in one or more transactions in the over-the counter market, in negotiated transaction, through the writing of options on the Exchange Notes or a combination of such methods of resale, at market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer and/or the purchasers of any such Exchange Notes. Any broker-dealer that resells Exchange Notes that were received by it for its own account pursuant to the Exchange Offer and any broker or dealer that participates in a distribution of such Exchange Notes may be deemed to be an "UNDERWRITER" within the meaning of the Securities Act and any profit of any such resale of Exchange Notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The Letter of Transmittal states that

by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "UNDERWRITER" within the meaning of the Securities Act.

For a period of one year after the Expiration Date, Panhandle will promptly send additional copies of this Prospectus and any amendment or supplement to this Prospectus to any broker-dealer that requests such documents in the Letter of Transmittal. Panhandle has agreed to pay all expenses incident to the Exchange Offer and will indemnify the holders of the Exchange Notes against certain liabilities, including liabilities under the Securities Act.

LEGAL MATTERS

Opinions as to the legality of the Exchange Notes will be rendered for Panhandle by Michael D. Van Hemert, Assistant General Counsel for CMS Energy. As of March 31, 1999, Mr. Van Hemert beneficially owned approximately 2,889 shares of CMS Energy Common Stock.

EXPERTS

The financial statements incorporated in this Prospectus by reference from Panhandle's Annual Report on Form 10-K have been audited by Deloitte & Touche LLP, independent auditors, as stated in their report, which is incorporated herein by reference, and have been so incorporated in reliance upon the report of such firm given upon their authority as experts in accounting and auditing.

The consolidated financial statements of Panhandle, for the year ended December 31, 1996, incorporated by reference in this Prospectus, have been audited by KPMG LLP, independent certified public accountants, as indicated in their report thereon. Such financial statements have been incorporated by reference in reliance upon the reports of KPMG LLP.

With respect to the unaudited interim consolidated financial information for the period ended March 31, 1999 Arthur Andersen LLP has applied limited procedures in accordance with professional standards for a review of such information. However, their separate report thereon states that they did not audit and they did not express an opinion on that interim consolidated financial information. Accordingly, the degree of reliance on their report on that information should be restricted in light of the limited nature of the review procedures applied. In addition, the accountants are not subject to the liability provisions of Section 11 of the Securities Act, for their reports on the unaudited interim consolidated financial information because those reports are not a "REPORT" or "PART" of the registration statement prepared or certified by the accountants within the meaning of Sections 7 and 11 of the Securities Act.

Future consolidated financial statements of Panhandle and the reports thereon of Arthur Andersen LLP also will be incorporated by reference in this Prospectus in reliance upon the authority of that firm as experts in giving those reports to the extent that said firm has audited said consolidated financial statements and consented to the use of their reports thereon.

UNAUDITED PRO FORMA FINANCIAL INFORMATION

UNAUDITED PRO FORMA COMBINED FINANCIAL STATEMENTS
OF PANHANDLE EASTERN PIPE LINE COMPANY

The following Unaudited Pro Forma Combined Financial Statements (the "PRO FORMA FINANCIAL STATEMENTS") of Panhandle Eastern Pipe Line Company illustrate the effects of: (1) various restructuring, realignment, and elimination of activities between the Panhandle Companies (as defined below) and Duke Energy Corporation and its subsidiaries ("DUKE ENERGY") prior to the closing of the acquisition (the "ACQUISITION") of Panhandle Eastern Pipe Line Company ("PANHANDLE") and its principal subsidiaries, Trunkline Gas Company and Pan Gas Storage Company, and its affiliates Panhandle Storage Company and Trunkline LNG Company (collectively, the "PANHANDLE COMPANIES") by CMS Energy Corporation ("CMS Energy"); (2) the adjustments resulting from the Acquisition by CMS Energy; and (3) the public issuance of \$800 million of Notes by CMS Panhandle Holding Company (the "NOTES") ("CMS HOLDING") which were completed to facilitate the Acquisition (the "Financing Transaction"). The \$1.1 billion balance of the cash purchase price was paid with an equity contribution from CMS Energy. The Unaudited Pro Forma Combined Balance Sheets have been prepared as if such transactions occurred on the balance sheet date; the Unaudited Pro Forma Combined Income Statements have been prepared as if such transactions occurred as of January 1, 1998.

The Pro Forma Financial Statements reflect CMS Energy acquiring all of the common stock of the Panhandle Companies. The Pro Forma Financial Statements also reflect, prior to the Acquisition, the transfer of Panhandle's interest in Northern Border Pipeline Company and certain non-operating assets to other subsidiaries of Duke Energy, and the elimination of certain intercompany accounts, including advances, between Panhandle and Duke Energy. The purchase price for the common stock of the Panhandle Companies was \$1.9 billion in cash. The Panhandle Companies will have approximately \$1.1 billion of debt outstanding after the closing of the Acquisition. This indebtedness includes approximately \$300 million of existing debt and the debt incurred in the Financing Transaction. CMS Energy's acquisition of the Panhandle Companies was accounted for under the purchase method.

A final determination of required purchase accounting adjustments, including the allocation of the purchase price to the assets acquired and liabilities assumed based on their respective fair values, and the final determination of estimated remaining useful lives of the acquired property, plant and equipment, have not yet been made. Accordingly, the pro forma accounting adjustments made in connection with the development of the Pro Forma Financial Statements are preliminary and have been made solely for purposes of developing the pro forma combined financial information. However, CMS Energy management believes that the pro forma adjustments and the underlying assumptions reasonably present the significant effects of the Acquisition and the Financing Transactions. In addition, CMS Energy will undertake studies to determine the fair value of assets and liabilities and estimated remaining useful lives of the acquired property, plant and equipment of the Panhandle Companies and will revise the accounting adjustments upon completion of those studies. The actual financial position and results of operations of the combined entity will differ, perhaps significantly, from the pro forma amounts reflected herein because of a variety of factors, including access to additional information, changes in value and changes in operating results between the dates of the Pro Forma Financial Statements and the Acquisition date. The Pro Forma Financial Statements are not

necessarily indicative of actual operating results or financial position had the Acquisition and the Financing Transactions occurred as of the dates indicated above, nor do they purport to indicate operating results or financial position which may be attained in the future.

The significant adjustments to pro forma net income reflect (1) higher depreciation and amortization expense to give effect to the allocation of excess purchase price amortized over 40 years and the fair value of net assets acquired related to property, plant and equipment prospectively depreciated over a revised estimated average remaining life of 40 years, (2) elimination of pension and rental income, and (3) lower interest expense from the cancellation of certain indebtedness between Panhandle and Duke Energy and additional interest expense reflecting the new debt issuance of CMS Holding.

The significant adjustments to the pro forma financial position reflect (1) elimination of the advances to Duke Energy and the notes payable to Duke Energy, (2) increases to property, plant and equipment and accrued liabilities for the purchase price allocation, (3) recognition of goodwill in the fair value calculation, (4) decreases in taxes and other liabilities assumed by Duke Energy, and (5) increases in long-term debt and common stockholder's equity in connection with the Acquisition and the Financing Transactions.

The Panhandle Companies' financial statements utilized in the preparation of the Pro Forma Financial Statements are based upon financial statements and information obtained from Duke Energy and Panhandle.

The Pro Forma Financial Statements should be read in conjunction with the historical financial statements and notes thereto of Panhandle included in Panhandle's annual report on Form 10-K for the year ended December 31, 1998 delivered with this Prospectus and the documents incorporated by reference herein, and the notes to the Pro Forma Financial Statements included elsewhere herein. The pro forma adjustments do not reflect any potential operating efficiencies or cost savings which management believes may be achievable with respect to the combined companies.

PART II. INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The following resolution was adopted by the Board of Directors of Panhandle Eastern Pipe Line Company on March 29, 1999:

RESOLVED: That effective upon adoption of this resolution, the Company shall indemnify to the full extent permitted by law every person (including the estate, heirs and legal representatives of such person in the event of the decease, incompetency, insolvency or bankruptcy of such person) who is or was a director, officer, partner, trustee, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all liability, costs, expenses, including attorneys' fees, judgments, penalties, fines and amounts paid in settlement, incurred by or imposed upon the person in connection with or resulting from any claim or any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative, investigative or of whatever nature, arising from the person's service or capacity as, or by reason of the fact that the person is or was, a director, officer, partner, trustee, employee or agent of the Company or is or was serving at the request of the Company as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Such right of indemnification shall not be deemed exclusive of any other rights to which the person may be entitled under statute, bylaw, agreement, vote of shareholders or otherwise.

PANHANDLE'S BYLAWS PROVIDE:

The Company may purchase and maintain liability insurance, to the full extent permitted by law, on behalf of any person who is or was a director, officer, employee or agent of the Company or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity.

Article SEVENTH of the Articles of Incorporation reads:

A director shall not be personally liable to the Corporation or its shareholders for monetary damages for breach of duty as a director except to the extent such exemption from liability or limitation thereof is not permitted under the Delaware General Corporation Law as presently in effect or as the same may hereafter be amended.

No amendment, modification or repeal of this Article SEVENTH shall adversely affect any right or protection that exists at the time of such amendment, modification or repeal.

Section 145 of the General Corporation Law of the State of Delaware (the "Delaware Law") empowers a Delaware corporation to indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was an officer or director of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity

may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such officer or director acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, and, for criminal proceedings, had no reasonable cause to believe his or her conduct was illegal. A Delaware corporation may indemnify officers and directors against expenses (including attorneys' fees) in connection with the defense or settlement of an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses which such officer or director actually and reasonably incurred.

Officers and directors are covered within the specified monetary limits by insurance against certain losses arising from claims made by reason of their being directors or officers of Panhandle or of Panhandle's subsidiaries and Panhandle's officers and directors are indemnified against such losses by reason of their being or having been directors or officers or another corporation, partnership, joint venture, trust or other enterprise at Panhandle's request.

When such certificates are countersigned by a transfer agent or registered by a registrar, the signatures of any such Chairman of the Board, Vice Chairman, President, Vice President, Treasurer, Assistant Treasurer, Secretary or Assistant Secretary may be facsimiles. In the case any officer, who shall have signed or whose facsimile signature shall have been placed on any such certificate, shall cease to be such officer of the Company before such certificate shall have been issued by the Company, such certificate may nevertheless be issued by the Company with the same effect as if the person, who signed such certificate or whose facsimile signature shall have been placed thereon, were such officer of the Company at the date of issue.

Each certificate shall set forth on its face or back or state that the Company will furnish to a shareholder upon request and without charge a full statement of the designations, relative rights, preferences and limitations of the shares of stock of each class authorized to be issued and of each series so far as the same have been prescribed and the authority of the Board of Directors to designate and prescribe the relative rights, preferences and limitations of other series.

Section 2 - Stock Records: The shares of stock of the Company shall be transferable on the stock records of the Company in person or by proxy duly authorized and upon surrender and cancellation of the old certificates therefor.

The Board of Directors may fix a date preceding the date fixed for any meeting of the shareholders or any dividend payment date or the date for the allotment of rights or the date when any change, conversion or exchange of stock shall go into effect or the date for any other action, as the record date for the determination of the shareholders entitled to notice of and to vote at such meeting or to receive payment of such dividend or to receive such allotment of rights or to exercise such rights in respect of any such change, conversion or exchange of stock or to take such other action, as the case may be, notwithstanding any transfer of shares on the records of the Company or otherwise after any such record date fixed as aforesaid. The record date so fixed by the Board shall not be more than sixty (60) nor less than ten (10) days before the date of the meeting of the shareholders, nor more than sixty (60) days before any other action. If the Board of Directors does not fix a date of record, as aforesaid, the record date shall be as provided by law.

Section 3 - Stock: The designations, relative rights, preferences, limitations and voting powers, or restrictions, or qualifications of the shares of the Company's stock shall be as set forth in the Articles of Incorporation of the Company.

Section 4 - Replacing Certificates: In case of the alleged loss, theft or destruction of any certificate of shares of stock and the submission of proper proof thereof, a new certificate may be issued in lieu thereof upon delivery to the Company by the owner or their legal representative of a bond of indemnity against any claim that may be made against the Company on account of such alleged lost, stolen or destroyed certificate or such issuance of a new certificate.

ARTICLE XII: DIVIDENDS AND DISTRIBUTIONS

Section 1 - Declaration and Payment: Subject to the provisions of applicable law and the Articles of Incorporation of the Company, the Board of Directors may from time to time declare and pay dividends, or make other distributions, on its outstanding shares of stock.

ARTICLE XIII: AUTHORIZED SIGNATURES

ARTICLE XV: AMENDMENTS OF BYLAWS

SECTION 3. REGISTERED EXCHANGE OFFER

(a) Unless the Exchange Offer shall not be permitted by applicable federal law (after the procedures set forth in Section 6(a)(i) below have been complied with), the Company shall (i) cause to be filed with the Commission as soon as practicable after the Closing Date, but in no event later than 90 days after the Closing Date, the Exchange Offer Registration Statement, (ii) use its best efforts to cause such Exchange Offer Registration Statement to become effective at the earliest possible time, but in no event later than 180 days after the Closing Date, (iii) in connection with the foregoing, (A) file all preeffective amendments to such Exchange Offer Registration Statement as may be necessary in order to cause such Exchange Offer Registration Statement to become effective, (B) file, if applicable, a post-effective amendment to such Exchange Offer Registration Statement pursuant to Rule 430A under the Act and (C) cause all necessary filings, if any, in connection with the registration and qualification of the Exchange Notes to be made under the Blue Sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer, and (iv) upon the effectiveness of such Exchange Offer Registration Statement, commence and consummate the Exchange Offer. The Exchange Offer shall be on the appropriate form permitting registration of the Exchange Notes to be offered in exchange for the Senior Notes that are Transfer Restricted Securities and to permit sales of Broker-Dealer Transfer Restricted Securities by Restricted Broker-Dealers as contemplated by Section 3(c) below.

(b) The Company shall use its best efforts to cause the Exchange Offer Registration Statement to be effective continuously, and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; provided, however, that in no event shall such period be less than 20 Business Days. The Company shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Notes shall be included in the Exchange Offer Registration Statement. The Company shall use its best efforts to cause the Exchange Offer to be consummated on the earliest practicable date after the Exchange Offer Registration Statement has become effective, but in no event later than 30 Business Days thereafter.

(c) The Company shall include a "Plan of Distribution" section in the Prospectus contained in the Exchange Offer Registration Statement and indicate therein that any Restricted Broker-Dealer who holds Senior Notes that are Transfer Restricted Securities and that were acquired for the account of such Broker-Dealer as a result of market-making activities or other trading activities, may exchange such Senior Notes (other than Transfer Restricted Securities acquired directly from the Company or any Affiliate of the Company) pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an "underwriter" within the meaning of the Act and must, therefore, deliver a prospectus meeting the requirements of the Act in connection with its initial sale of each Exchange Note received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such "Plan of Distribution" section shall also contain all other information with respect to such sales of Broker-Dealer Transfer Restricted Securities by Restricted Broker-Dealers that the Commission may require in order to permit such sales pursuant thereto, but such "Plan of Distribution" shall not name any such Broker-Dealer or disclose the amount of Notes held by any such Broker-Dealer, except to the extent required by the Commission as a result of a change in policy after the date of this Agreement.

The Company shall use its best efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) below to the extent necessary to ensure that it is available for sales of Broker-Dealer Transfer Restricted Securities by Restricted Broker-Dealers, and to ensure that such Registration Statement conforms with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of one year from the date on which the Exchange Offer is consummated.

The Company shall promptly provide sufficient copies of the latest version of such Prospectus to such Restricted Broker-Dealers promptly upon request, and in no event later than one day after such request, at any time during such one-year period in order to facilitate such sales.

SECTION 4. SHELF REGISTRATION

(a) Shelf Registration. If (i) the Company is not required to file an Exchange Offer Registration Statement with respect to the Exchange Notes because the Exchange Offer is not permitted by applicable law or Commission policy (after the procedures set forth in Section 6(a)(i) below have been complied with) or (ii) if any Holder of Transfer Restricted Securities shall notify the Company within 20 Business Days following the Consummation of the Exchange Offer that (A) such Holder was prohibited by law or Commission policy from participating in the Exchange Offer or (B) such Holder may not resell the Exchange Notes acquired by it in the Exchange Offer to the public without delivering a prospectus and the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder or (C) such Holder is a Broker-Dealer and holds Senior Notes acquired directly from the Company or one of its affiliates, then the Company shall (x) cause to be filed on or prior to 60 days after the date on which the Company determines that it is not required to file the Exchange Offer Registration Statement pursuant to clause (i) above or 60 days after the date on which the Company receives the notice specified in clause (ii) above a shelf registration statement pursuant to Rule 415 under the Act (which may be an amendment to the Exchange Offer Registration Statement (in either event, the "Shelf Registration Statement")), relating to all Transfer Restricted Securities the Holders of which shall have provided the information required pursuant to Section 4(b) hereof, and shall (y) use its best efforts to cause such Shelf Registration Statement to become effective on or prior to 120 days after the date on which the Company becomes obligated to file such Shelf Registration Statement. If, after the Company has filed an Exchange Offer Registration Statement which satisfies the requirements of Section 3(a) above, the Company is required to file and make effective a Shelf Registration Statement solely because the Exchange Offer shall not be permitted under applicable federal law, then the filing of the Exchange Offer Registration Statement shall be deemed to satisfy the requirements of clause (x) above. Such an event shall have no effect on the requirements of clause (y) above. The Company shall use its best efforts to keep the Shelf Registration Statement discussed in this Section 4(a) continuously effective, supplemented and amended as required by and subject to the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for sales of Transfer Restricted Securities by the Holders thereof entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years (as extended pursuant to Section 6(c)(i)) following the date on which such Shelf Registration Statement first becomes effective under the Act.

(b) Provision by Holders of Certain Information in Connection with the Shelf Registration Statement. No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Company in writing, within 20 days after receipt of a request therefor, such information specified in item 507 of Regulation S-K under the Act for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. No Holder of Transfer Restricted Securities shall be entitled to Liquidated Damages pursuant to Section 5 hereof unless and until such Holder shall have used its best

efforts to provide all such information. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. LIQUIDATED DAMAGES

If (i) any Registration Statement required by this Agreement is not filed with the Commission on or prior to the date specified for such filing in this Agreement, (ii) any such Registration Statement has not been declared effective by the Commission on or prior to the date specified for such effectiveness in this Agreement, (iii) the Exchange Offer has not been consummated within 30 Business Days after the Exchange Offer Registration Statement is first declared effective by the Commission or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose without being succeeded within fifteen business days by a post-effective amendment to such Registration Statement that cures such failure and that is itself declared effective within five business days (each such event referred to in clauses (i) through (iv), a "Registration Default"), then the Company agrees to pay liquidated damages to each Holder of Transfer Restricted Securities with respect to the first 90-day period immediately following the occurrence of such Registration Default, in an amount equal to \$.05 per week per \$1,000 principal amount of Transfer Restricted Securities held by such Holder for each week or portion thereof that the Registration Default continues. The amount of the liquidated damages shall increase by an additional \$.05 per week per \$1,000 in principal amount of Transfer Restricted Securities with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of liquidated damages of \$.25 per week per \$1,000 principal amount of Transfer Restricted Securities. Notwithstanding anything to the contrary set forth herein, (1) upon filing of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of (i) above, (2) upon the effectiveness of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of (ii) above, (3) upon consummation of the Exchange Offer, in the case of (iii) above, or (4) upon the filing of a post-effective amendment to the Registration Statement or an additional Registration Statement that causes the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement) to again be declared effective or made usable in the case of (iv) above, the liquidated damages payable with respect to the Transfer Restricted Securities as a result of such clause (i), (ii), (iii) or (iv), as applicable, shall cease.

All accrued liquidated damages shall be paid to the Global Note Holder by wire transfer of immediately available funds or by federal funds check and to Holders of Certificated Securities by mailing checks to their registered addresses on each Damages Payment Date. All obligations of the Company set forth in the preceding paragraph that are outstanding with respect to any Transfer Restricted Security at the time such security ceases to be a Transfer Restricted Security shall survive until such time as all such obligations with respect to such security shall have been satisfied in full.

SECTION 6. REGISTRATION PROCEDURES

(a) Exchange Offer Registration Statement. In connection with the Exchange Offer, the Company shall comply with all applicable provisions of Section 6(c) below, shall use its best efforts to effect such exchange and to permit the sale of Broker-Dealer Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all of the following provisions:

(i) If, following the date hereof, there has been published a change in Commission policy with respect to exchange offers such as the Exchange Offer, such that in the reasonable opinion of counsel to the Company there is a substantial question as to whether the Exchange Offer is permitted by applicable federal law, the Company hereby agrees to seek a no-action letter or other favorable decision from the Commission allowing the Company to consummate an Exchange Offer for such Senior Notes. The Company hereby agrees to pursue the issuance of such a decision to the Commission staff level. In connection with the foregoing, the Company hereby agrees to take all such other actions as are reasonably requested by the Commission or otherwise required in connection with the issuance of such decision, including without limitation (A) participating in telephonic conferences with the Commission, (B) delivering to the Commission staff an analysis prepared by counsel to the Company setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursuing a resolution (which need not be favorable) by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish upon the request of the Company, prior to the consummation of the Exchange Offer, a written representation to the Company (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of the Company, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Notes to be issued in the Exchange Offer and (C) it is acquiring the Exchange Notes in its ordinary course of business. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (including, if applicable, any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Act in connection with a secondary resale transaction and that such a secondary

resale transaction must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Notes obtained by such Holder in exchange for Senior Notes acquired by such Holder directly from the Company or an affiliate thereof.

(iii) Prior to effectiveness of the Exchange Offer

Registration Statement, the Company shall provide a supplemental letter to the Commission (A) stating that the Company is registering the Exchange Offer in reliance on the position of the Commission enunciated in Exxon Capital Holding Corporation (available May 13, 1988), Morgan Stanley and Co., Inc. (available June 5, 1991) and, if applicable, any no-action letter obtained pursuant to clause (i) above, (B) including a representation that the Company has not entered into any arrangement or understanding with any Person to distribute the Exchange Notes to be received in the Exchange Offer and that, to the best of the Company's information and belief, each Holder participating in the Exchange Offer is acquiring the Exchange Notes in its ordinary course of business and has no arrangement or understanding with any Person to participate in the distribution of the Exchange Notes received in the Exchange Offer and (C) any other undertaking or representation required by the Commission as set forth in any no-action letter obtained pursuant to clause (i) above.

(b) Shelf Registration Statement. In connection with the Shelf

Registration Statement, the Company shall comply with all the provisions of Section 6(c) below and shall use its best efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof (as indicated in the information furnished to the Company pursuant to Section 4(b) hereof), and pursuant thereto the Company will prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof within the time periods and otherwise in accordance with the provisions hereof.

(c) General Provisions. In connection with any Registration Statement

and any related Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities (including, without limitation, any Exchange Offer Registration Statement and the related Prospectus, to the extent that the same are required to be available to permit sales of Broker-Dealer Transfer Restricted Securities by Restricted Broker-Dealers), the Company shall:

(i) use its best efforts to keep such Registration Statement continuously effective and provide all requisite financial statements for the period specified in Section 3 or 4 of this Agreement, as applicable. Upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Transfer

Restricted Securities during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement, (1) in the case of clause (A), correcting any such misstatement or omission, and (2) in the case of clauses (A) and (B), use its best efforts to cause such amendment to be declared effective and such Registration statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter.

(ii) prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Act, and to comply fully with Rules 424, 430A and 462, as applicable, under the Act in a timely manner; and comply with the provisions of the Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriter(s) if any, and selling Holders promptly and, if requested by such Persons, confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement in order to make the statements therein not misleading, or that requires the making of any additions to or changes in the Prospectus in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or Blue Sky laws, the Company shall use its best efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) furnish to the Initial Purchaser(s) each selling Holder named in any Registration Statement or Prospectus and each of the underwriter(s) in connection with such sale, if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement), which documents will be subject to the review and comment of such Holders and underwriter(s) in connection with such sale, if any, for a period of at least five Business Days, and the Company will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) to which the selling Holders of the Transfer Restricted Securities covered by such Registration Statement or the underwriter(s) in connection with such sale, if any, shall reasonably object within five Business Days after the receipt thereof;

(v) promptly prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus, provide copies of such document to the selling Holders and to the underwriter(s) in connection with such sale, if any, make the Company's representatives available for discussion of such document and other customary due diligence matters, and include such information in such document prior to the filing thereof as such selling Holders or underwriter(s) if any, reasonably may request;

(vi) make available at reasonable times for inspection by the selling Holders, any managing underwriter participating in any disposition pursuant to such Registration Statement and any attorney or accountant retained by such selling Holders or any of such underwriter(s), all financial and other records, material corporate documents and properties of the Company and cause the Company's officers, directors and employees to supply all information reasonably requested by any such Holder, underwriter, attorney or accountant in connection with such Registration Statement or any posteffective amendment thereto subsequent to the filing thereof and prior to its effectiveness;

(vii) if requested by any selling Holders or the underwriter(s) in connection with such sale, if any, promptly include in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s) if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities, information with respect to the principal amount of Transfer Restricted Securities being sold to such underwriter(s) the purchase price being paid therefor and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Company is notified of the matters to be included in such Prospectus supplement or post-effective amendment;

(viii) furnish to each selling Holder and each of the underwriter(s) in connection

with such sale, if any, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(ix) deliver to each selling Holder and each of the underwriter(s) if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; the Company hereby consents to the use (in accordance with law) of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(x) enter into such agreements (including an underwriting agreement) and make such representations and warranties and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Registration Statement contemplated by this Agreement as may be reasonably requested by any Holder of Transfer Restricted Securities or underwriter in connection with any sale or resale pursuant to any Registration Statement contemplated by this Agreement, and in such connection, whether or not an underwriting agreement is entered into and whether or not the registration is an Underwritten Registration, the Company shall:

(A) furnish (or in the case of paragraphs (2) and (3), use its best efforts to furnish) to each selling Holder and each underwriter, if any, upon the effectiveness of the Shelf Registration Statement and to each Restricted Broker-Dealer upon Consummation of the Exchange Offer:

(1) a certificate, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, signed on behalf of the Company by (x) the President or any Vice President and (y) a principal financial or accounting officer of the Company, confirming, as of the date thereof, the matters set forth in paragraphs (a) through (d) of Section 9 of the Purchase Agreement and such other similar matters as the Holders, underwriter(s) and/or Restricted Broker Dealers may reasonably request;

(2) an opinion, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, of counsel for the Company covering matters similar to those set forth in paragraph (f) of Section 9 of the Purchase Agreement and such other matters as the Holders, underwriters and/or Restricted Broker Dealers may reasonably request, and in any event

including a statement to the effect that such counsel has participated in conferences with officers and other representatives of the Company, representatives of the independent public accountants for the Company and have considered the matters required to be stated therein and the statements contained therein, although such counsel has not independently verified the accuracy, completeness or fairness of such statements; and that such counsel advises that, on the basis of the foregoing (relying as to materiality to a large extent upon facts provided to such counsel by officers and other representatives of the Company and without independent check or verification), no facts came to such counsel's attention that caused such counsel to believe that the applicable Registration Statement, at the time such Registration Statement or any post-effective amendment thereto became effective and, in the case of the Exchange Offer Registration Statement, as of the date of Consummation of the Exchange Offer, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that the Prospectus contained in such Registration Statement as of its date and, in the case of the opinion dated the date of Consummation of the Exchange Offer, as of the date of Consummation, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Without limiting the foregoing, such counsel may state further that such counsel assumes no responsibility for, and has not independently verified, the accuracy, completeness or fairness of the financial statements, notes and schedules and other financial data included in any Registration Statement contemplated by this Agreement or the related Prospectus; and

(3) a customary comfort letter, dated as of the date of effectiveness of the Shelf Registration Statement or the date of Consummation of the Exchange Offer, as the case may be, from the Company's independent accountants, in the customary form and covering matters of the type customarily covered in comfort letters to underwriters in connection with primary underwritten offerings, and affirming the matters set forth in the comfort letters delivered pursuant to Section 10 of the Purchase Agreement, without exception.

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, in connection with any sale or resale pursuant to any Shelf Registration Statement, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by the selling Holders, the underwriter(s) if any, and Restricted Broker Dealers, if any, to evidence compliance with clause (A) above and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company pursuant to this clause (C).

The above shall be done at each closing under such underwriting or similar agreement, as and to the extent required thereunder, and if at any time the representations and warranties of the Company contemplated in (A)(1) above cease to be true and correct, the Company shall so advise the underwriter(s), if any, the selling Holders and each Restricted Broker-Dealer promptly and, if requested by such Persons, shall confirm such advice in writing;

(xi) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders, the underwriter(s) if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the securities or Blue Sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the applicable Registration Statement; provided, however, that the Company shall not be required to register or qualify as a foreign corporation where it is not now so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not now so subject;

(xii) issue, upon the request of any Holder of Senior Notes covered by any Shelf Registration Statement contemplated by this Agreement, Exchange Notes having an aggregate principal amount equal to the aggregate principal amount of Senior Notes surrendered to the Company by such Holder in exchange therefor or being sold by such Holder; such Series B Notes to be registered in the name of such Holder or in the name of the purchaser(s) of such Notes, as the case may be; in return, the Senior Notes held by such Holder shall be surrendered to the Company for cancellation;

(xiii) in connection with any sale of Transfer Restricted Securities that will result in such securities no longer being Transfer Restricted Securities, cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and to register such Transfer Restricted Securities in such denominations and such names as the Holders or the underwriter(s), if any, may request at least two Business Days prior to such sale of Transfer Restricted Securities;

(xiv) use its best efforts to cause the disposition of the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller

or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in clause (xi) above;

(xv) subject to Section 6(c)(i), if any fact or event contemplated by Section 6(c)(iii)(D) above shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(xvi) provide a CUSIP number for all Transfer Restricted Securities not later than the effective date of a Registration Statement covering such Transfer Restricted Securities and provide the Trustee under the Indenture with printed certificates for the Transfer Restricted Securities which are in a form eligible for deposit with the Depository Trust Company;

(xvii) cooperate and assist in any filings required to be made with the NASD and in the performance of any due diligence investigation by any underwriter (including any "qualified independent underwriter") that is required to be retained in accordance with the rules and regulations of the NASD, and use its best efforts to cause such Registration Statement to become effective and approved by such governmental agencies or authorities as may be necessary to enable the Holders selling Transfer Restricted Securities to consummate the disposition of such Transfer Restricted Securities;

(xviii) otherwise use its best efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders with regard to any applicable Registration Statement, as soon as practicable, a consolidated earnings statement meeting the requirements of Rule 158 (which need not be audited) covering a twelve-month period beginning after the effective date of the Registration Statement (as such term is defined in paragraph (c) of Rule 158 under the Act);

(xix) cause the Indenture to be qualified under the TIA not later than the effective date of the first Registration Statement required by this Agreement and, in connection therewith, cooperate with the Trustee and the Holders of Notes to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the TIA; and execute and use its best efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner; and

(xx) provide promptly to each Holder upon request each document filed with the

Commission pursuant to the requirements of Section 13 or Section 15(d) of the Exchange Act.

(d) Restrictions on Holders. Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of the notice referred to in Section 6(c)(i) or any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xv) hereof, or until it is advised in writing by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus (the "Advice"). If so directed by the Company, each Holder will deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of either such notice. In the event the Company shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(i) or Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xv) hereof or shall have received the Advice.

SECTION 7. REGISTRATION EXPENSES

(a) All expenses incident to the Company's performance of or compliance with this Agreement will be borne by the Company, regardless of whether a Registration Statement becomes effective, including without limitation: (i) all registration and filing fees; (ii) all fees and expenses of compliance with federal securities and state Blue Sky or securities laws; (iii) all expenses of printing (including printing certificates for the Exchange Notes to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company and (other than in connection with the Exchange Offer) the Holders of Transfer Restricted Securities; (v) all application and filing fees, if any, in connection with listing the Notes on a national securities exchange or automated quotation system pursuant to the requirements hereof; and (vi) all fees and disbursements of independent certified public accountants of the Company (including the expenses of any special audit and comfort letters required by or incident to such performance).

The Company will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Company.

(b) In connection with the Shelf Registration Statement, the Company will reimburse the

Holders of Transfer Restricted Securities registered pursuant to the Shelf Registration Statement, for the reasonable fees and disbursements of not more than one counsel, who shall be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit the Shelf Registration Statement is being prepared in consultation with the Company.

SECTION 8. INDEMNIFICATION AND CONTRIBUTION

Indemnification. (a) The Company agrees, to the extent permitted by law, to indemnify and hold harmless each Holder and each person, if any, who controls any Holder within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act or otherwise ("Indemnified Holder"), and to reimburse the Holders and such controlling person or persons, if any, for any legal or other expenses incurred by them in connection with defending any action, suit or proceeding (including governmental investigations) as provided in Section 8(c) hereof, insofar as such losses, claims, damages, liabilities or actions, suits or proceedings (including governmental investigations) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, or, if any Registration Statement shall be amended or supplemented, in the Registration Statement as so amended or supplemented, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon any such untrue statement or alleged untrue statement or omission or alleged omission which was made in the Registration Statement or in the Registration Statement as so amended or supplemented, in reliance upon and in conformity with information furnished in writing to the Company by, any Holder expressly for use therein.

The Company's indemnity agreement contained in this Section 8(a), and the covenants, representations and warranties of the Company contained in this Agreement, shall remain in full force and effect regardless of any investigation made by or on behalf of any person, and the indemnity agreement contained in this Section 8 shall survive any termination of this Agreement. The liabilities of the Company in this Section 8(a) are in addition to any other liabilities of the Company under this Agreement or otherwise.

(b) Each Holder agrees, severally and not jointly, to the extent permitted by law, to indemnify, hold harmless and reimburse the Company and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, to the same extent and upon the same terms as the indemnity agreement of the Company set forth in Section 8(a) hereof, but only with respect to alleged untrue statements or omissions made in the Registration Statement or in the Registration Statement, as amended or supplemented, (if applicable) in reliance upon and in conformity with information furnished in writing to the Company by such Holder expressly for use therein.

The indemnity agreement on the part of each Holder contained in this Section 8(b) shall remain in full force and effect regardless of any investigation made by or on behalf of the Company or any other person, and the indemnity agreement contained in this Section 8(b) shall survive any termination of this Agreement.

(c) If a claim is made or an action, suit or proceeding (including governmental investigations) is commenced or threatened against any person as to which indemnity may be sought under Section 8(a) or 8(b), such person (the "Indemnified Person") shall notify the person against whom such indemnity may be sought (the "Indemnifying Person ") promptly after any assertion of such claim threatening to institute an action, suit or proceeding or if such an action, suit or proceeding is commenced against such Indemnified Person, promptly after such Indemnified Person shall have been served with a summons or other first legal process, giving information as to the nature and basis of the claim. Failure to so notify the Indemnifying Person shall not, however, relieve the Indemnifying Person from any liability which it may have on account of the indemnity under Section 8(a) or 8(b) if the Indemnifying Person has not been prejudiced in any material respect by such failure. Subject to the immediately succeeding sentence, the Indemnifying Person shall assume the defense of any such litigation or proceeding, including the employment of counsel and the payment of all expenses, with such counsel being designated, subject to the immediately succeeding sentence, in writing by a majority in principal amount of the Holders in the case of parties indemnified pursuant to Section 8(b) and by the Company in the case of parties indemnified pursuant to Section 8(a). Any Indemnified Person shall have the right to participate in such litigation or proceeding and to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include (x) the Indemnifying Person and (y) the Indemnified Person and, in the written opinion of counsel to such Indemnified Person, representation of both parties by the same counsel would be inappropriate due to actual or likely conflicts of interest between them, in either of which cases the reasonable fees and expenses of counsel (including disbursements) for such Indemnified Person shall be reimbursed by the Indemnifying Person to the Indemnified Person. If there is a conflict as described in clause (ii) above, and the Indemnified Persons have participated in the litigation or proceeding utilizing separate counsel whose fees and expenses have been reimbursed by the Indemnifying Person and the Indemnified Persons, or any of them, are found to be such fees and expenses of such separate counsel as the Indemnifying Person shall have reimbursed. It is understood that the Indemnifying Person shall not, in connection with any litigation or proceeding or related litigation or proceedings in the same jurisdiction as to which the Indemnified Persons are entitled to such separate representation, be liable under this Agreement for the reasonable fees and out-of-pocket expenses of more than one separate firm (together with not more than one appropriate local counsel) for all such Indemnified Persons. Subject to the next paragraph, all such fees and expenses shall be reimbursed by payment to the Indemnified Persons of such reasonable fees and expenses of counsel promptly after payment thereof by the Indemnified Persons.

In furtherance of the requirement above that fees and expenses of any separate counsel for the Indemnified Persons shall be reasonable, the Holders and the Company agree that the Indemnifying Person's obligations to pay such fees and expenses shall be conditioned upon the following:

(1) in case separate counsel is proposed to be retained by the Indemnified Persons pursuant to clause (ii) of the preceding paragraph, the Indemnified Persons shall in good faith fully consult with the Indemnifying Person in advance as to the selection of such counsel;

(2) reimbursable fees and expenses of such separate counsel shall be detailed and supported in a manner reasonably acceptable to the Indemnifying Person (but nothing herein shall be deemed to require the furnishing to the Indemnifying Person of any information, including without limitation, computer print-outs of lawyers' daily time entries, to the extent that, in the judgment of such counsel, furnishing such information might reasonably be expected to result in a waiver of any attorney-client privilege); and

(3) the Company and the Holders shall cooperate in monitoring and controlling the fees and expenses of separate counsel for Indemnified Persons for which the Indemnifying Person is liable hereunder, and the Indemnified Person shall use every reasonable effort to cause such separate counsel to minimize the duplication of activities as between themselves and counsel to the Indemnifying Person.

The Indemnifying Person shall not be liable for any settlement of any litigation or proceeding effected without the written consent of the Indemnifying Person, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees, subject to the provisions of this Section 8, to indemnify the Indemnified Person from and against any loss, damage, liability or expenses by reason of such settlement or judgment. The Indemnifying Person shall not, without the prior written consent of the Indemnified Persons, effect any settlement of any pending or threatened litigation, proceeding or claim in respect of which indemnity has been properly sought by the Indemnified Persons hereunder, unless such settlement includes an unconditional release by the claimant of all Indemnified Persons from all liability with respect to claims which are the subject matter of such litigation, proceeding or claim.

Contribution. If the indemnification provided for in this Section 8 is unavailable to or insufficient to hold harmless an Indemnified Person under this Section 8 in respect of any losses, claims, damages or liabilities (or actions, suits or proceedings (including governmental investigations) in respect thereof) referred to therein, then each Indemnifying Person under this Section 8 shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Indemnifying Person on the one hand and the Indemnified Person on the other from the sale of the Transfer Restricted Securities. If,

however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each Indemnifying Person shall contribute to such amount paid or payable by such Indemnified Person in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of each Indemnifying Person, if any, on the one hand and the Indemnified Person on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions, suits or proceedings (including governmental investigations) in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Holders on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 8. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages or liabilities (or actions, suits or proceedings (including governmental proceedings) in respect thereof) referred to above in this Section 8 shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Person in connection with investigating or defending any such action, suits or proceedings (including governmental proceedings) or claim, provided that the provisions of Section 8 have been complied with (in all material respects) in respect of any separate counsel for such Indemnified Person. Notwithstanding the provisions of this Section 8, no Holder shall be required to contribute any amount greater than the excess of the amount by which the total received by such Holder with respect to the sale of its Transfer Restricted Securities pursuant to a Registration Statement exceeds the sum of (A) the amount paid by such Holder for such Transfer Restricted Securities plus (B) the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Holders' obligations in this Section 8 to contribute are several in proportion to their respective underwriting obligations and not joint.

The agreement with respect to contribution contained in this Section 8 hereof shall remain in full force and effect regardless of any investigation made by or on behalf of the Company or any Holder, and shall survive any termination of this Agreement.

SECTION 9. RULE 144A

The Company hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding and during any period in which the Company is not subject to Section 13 or 15(d) of the Securities Exchange Act, to make available, upon request of any Holder of Transfer Restricted Securities, to any Holder or beneficial owner of Transfer Restricted

Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities designated by such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A.

SECTION 10. UNDERWRITTEN REGISTRATIONS

No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in customary underwriting arrangements entered into in connection therewith and (b) completes and executes all reasonable questionnaires, powers of attorney, and other documents required under the terms of such underwriting arrangements.

SECTION 11. SELECTION OF UNDERWRITERS

For any Underwritten Offering, the investment banker or investment bankers and manager or managers for any Underwritten Offering that will administer such offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; provided, that such investment bankers and managers must be reasonably satisfactory to the Company. The Holders of Transfer Restricted Securities included in any such Underwritten Offering shall be responsible for paying all underwriting or placement fees charged, or costs or expenses incurred, by such investment bankers and managers in connection with such Underwritten Offering. Such investment bankers and managers are referred to herein as the "underwriters."

SECTION 12. MISCELLANEOUS

(a) Remedies. Each Holder, in addition to being entitled to exercise all rights provided herein, in the Indenture, the Purchase Agreement or granted by law, including recovery of liquidated or other damages, will be entitled to specific performance of its rights under this Agreement. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by them of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) No Inconsistent Agreements. The Company will not, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The Company has not previously entered into any agreement granting any registration rights with respect to its securities to any Person. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's securities under any agreement in effect on the date hereof.

(c) Adjustments Affecting the Notes. The Company will not take any action, or voluntarily permit any change to occur, with respect to the Notes that would materially and adversely affect the ability of the Holders to consummate any Exchange Offer.

(d) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless (i) in the case of Section 5 hereof and this Section 12(d)(i), the Company has obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, the Company has obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities. Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities subject to such Exchange Offer.

(e) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telex, telecopier, or air courier guaranteeing overnight delivery:

(i) if to a Holder, at the address set forth on the records of the Registrar under the Indenture, with a copy to the Registrar under the Indenture; and

Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee at the address specified in the Indenture.

(f) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties, including without limitation and without the need for an express assignment, subsequent Holders of Transfer Restricted Securities; provided, however, that this Agreement shall not inure to the benefit of or be binding upon a successor or assign of a Holder unless and to the extent such successor or assign acquired Transfer Restricted Securities directly from such Holder.

(g) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(h) Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(i) Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICT OF LAW RULES THEREOF.

(j) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

(k) Entire Agreement. This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein with respect to the registration rights granted with respect to the Transfer Restricted Securities. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Panhandle Eastern Pipe Line Company
5444 Westheimer Court
Houston, Texas 77056-5306

Ladies and Gentlemen:

I am the Assistant General Counsel of CMS Energy Corporation, a Michigan corporation ("CMS Energy"), and have acted as special counsel to Panhandle Eastern Pipe Line Company ("Panhandle"), an indirect wholly owned subsidiary of CMS Energy, in connection with the Registration Statement on Form S-4 (the "Registration Statement") being filed by Panhandle with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), relating to the registration of \$300 million of 6.125% Senior Notes Due 2004; \$200 million of 6.500% Senior Notes Due 2009; and \$300 million of 7.000% Senior Notes Due 2029 (collectively, the "Exchange Notes"). The Exchange Notes will be issued under the Indenture dated as of March 29, 1999 between Panhandle and Bank One Trust Company, NA, successor to, NBD Bank, as trustee (the "Trustee"), as further supplemented by a First Supplemental Indenture also dated as of March 29, 1999 (collectively, the "Indenture"). The Exchange Notes are being exchanged for all of the outstanding \$300 million of 6.125% Senior Notes Due 2004; \$200 million of 6.500% Senior Notes Due 2009; and \$300 million of 7.00% Senior Notes Due 2029 issued by CMS Panhandle Holding Company which has merged with and into Panhandle (collectively, the "Notes") pursuant to an Exchange Offer. Capitalized terms not otherwise defined herein have the respective meanings specified in the Registration Statement.

In rendering this opinion, I have examined and relied upon a copy of the Registration Statement. I have also examined, or have arranged for the examination by an attorney or attorneys under my general supervision, originals, or copies of originals certified to my satisfaction, of such agreements, documents, certificates and other statements of governmental officials and other instruments, and have examined such questions of law and have satisfied myself as to such matters of fact, as I have considered relevant and necessary as a basis for this opinion. I have assumed the authenticity of all documents submitted to me as originals, the genuineness of all signatures, the legal capacity of all natural persons and the conformity with the original documents of any copies thereof submitted to me for examination.

Based on the foregoing it is my opinion that:

1. Panhandle is duly incorporated and validly existing under the laws of the State of Delaware.
2. Panhandle has the corporate power and authority to authorize and deliver the Exchange Notes pursuant to the Indenture.
3. The Exchange Notes will be legally issued and binding obligations of Panhandle (except to the extent enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws affecting the enforcement of creditors' rights generally and by the effect of general principles of equity, regardless of whether enforceability is considered in a proceeding in equity or at law) when (i) the Registration Statement, as finally amended (including any necessary post-effective amendments) shall have become effective under the Securities Act, and the Indenture shall have been qualified under the Trust Indenture Act; (ii) an appropriate prospectus with respect to the Exchange Notes shall have been filed with the Commission pursuant to Rule 424 under the Securities Act; and (iii) the Exchange Notes shall be duly authenticated by the Trustee and the Exchange Notes shall have been delivered to those holders of Notes in exchange for such Notes pursuant to the Exchange Offer.

For purposes of this opinion, I have assumed that there will be no changes in the laws currently applicable to Panhandle and that such laws will be the only laws applicable to Panhandle.

I do not find it necessary for the purposes of this opinion to cover, and accordingly I express no opinion as to, the application of the securities or blue sky laws of the various states to the issuance of the Exchange Notes.

I am a member of the bar of the State of Michigan and I express no opinion as to the laws of any jurisdiction other than the State of Michigan and the federal law of the United States of America.

I hereby consent to the filing of this opinion as an exhibit to Panhandle's Registration Statement relating to the Exchange Notes and to all references to me included in or made apart of the Registration Statement.

Very truly yours,

EXHIBIT 1

A COPY OF THE ARTICLES OF ASSOCIATION OF THE
TRUSTEE NOW IN EFFECTAMENDED AND RESTATED
ARTICLES OF ASSOCIATION
OF
BANK ONE TRUST COMPANY, NA

FIRST. The title of this Association shall be BANK ONE TRUST COMPANY, NA.

SECOND. The main office of the Association shall be in the City of Columbus, County of Franklin, State of Ohio.

The business of the Association will be limited to the fiduciary powers and the support of activities incidental to the exercise of those powers. The Association will not expand or alter its business beyond that stated in this article without the prior approval of the Comptroller of the Currency.

THIRD. The Board of Directors of this Association shall consist of not less than five nor more than twenty-five persons, the exact number to be fixed and determined from time to time by resolution of a majority of the full Board of Directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the Association, or of a holding company owning the Association, with an aggregate par, fair market or equity value of not less than \$1,000, as of either (i) the date of purchase, (ii) the date the person became a director, or (iii) the date of that person's most recent election to the Board of Directors, whichever is more recent. Any combination of common or preferred stock of the Association or holding company may be used.

Any vacancy in the Board of Directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The Board of Directors may not increase the number of directors between meetings of shareholders to a number which: (1) exceeds by more than two the number of directors last elected by shareholders where the number was 15 or less; or (2) exceeds by more than four the number of directors last elected by shareholders where the number was 16 or more, but in no event shall the number of directors exceed 25.

Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office.

Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualifies or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the Board of Directors, without voting power or power of final decision in matters concerning the business of the Association, may be appointed by resolution of a majority of the full Board of Directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the Association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the Board of Directors may designate, on the day of each year specified therefor in the Bylaws or, if that day falls on a legal holiday in the state in which the Association is located, on the next following banking day. If no election is held on the day fixed or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the Board of Directors or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases at least 10 days advance notice of the meeting shall be given to the shareholders by first class mail.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares such shareholder owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by such shareholder. If the issuance of preferred stock with voting rights has been authorized by a vote of shareholders owning a majority of the common stock of the association, preferred shareholders will have cumulative voting rights and will be included within the same class as common shareholders, for purposes of elections of directors.

A director may resign at any time by delivering written notice to the Board of Directors, its chairperson, or to the Association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove him or her is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause, provided, however, that a director may not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal.

FIFTH. The authorized amount of capital stock of this Association shall be eighty thousand shares of common stock of the par value of ten dollars (\$10.00) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States.

No holder of shares of the capital stock of any class of the Association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the Association, whether now or hereafter authorized, or to any obligations convertible into stock of the Association, issued or sold, nor any right of subscription to any thereof other than such, if any, as the Board of Directors, in its discretion, may from time to time

determine and at such price as the Board of Directors may from time to time fix. Unless otherwise specified in the Articles of Association or required by law, (1) all matters requiring shareholder action, including amendments to the Articles of Association, must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in the Articles of Association or required by law, all shares of voting stock shall be voted together as a class on any matters requiring shareholder approval. If a proposed amendment would affect two or more classes or series in the same or a substantially similar way, all the classes or series so affected must vote together as a single voting group on the proposed amendment.

Shares of the same class or series may be issued as a dividend on a pro rata basis and without consideration. Shares of another class or series may be issued as share dividends in respect of a class or series of stock if approved by a majority of the votes entitled to be cast by the class or series to be issued unless there are no outstanding shares of the class or series to be issued. Unless otherwise provided by the Board of Directors, the record date for determining shareholders entitled to a share dividend shall be the date the Board of Directors authorizes the share dividend.

Unless otherwise provided in the Bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

If a shareholder is entitled to fractional shares pursuant to preemptive rights, a stock dividend, consolidation or merger, reverse stock split or otherwise, the Association may: (a) issue fractional shares or; (b) in lieu of the issuance of fractional shares, issue script or warrants entitling the holder to receive a full share upon surrendering enough script or warrants to equal a full share; (c) if there is an established and active market in the Association's stock, make reasonable arrangements to provide the shareholder with an opportunity to realize a fair price through sale of the fraction, or purchase of the additional fraction required for a full share; (d) remit the cash equivalent of the fraction to the shareholder; or (e) sell full shares representing all the fractions at public auction or to the highest bidder after having solicited and received sealed bids from at least three licensed stock brokers, and distribute the proceeds pro rata to shareholders who otherwise would be entitled to the fractional shares. The holder of a fractional share is entitled to exercise the rights for shareholder, including the right to vote, to receive dividends, and to participate in the assets of the Association upon liquidation, in proportion to the fractional interest. The holder of script or warrants is not entitled to any of these rights unless the script or warrants explicitly provide for such rights. The script or warrants may be subject to such additional conditions as: (1) that the script or warrants will become void if not exchanged for full shares before a specified date; and (2) that the shares for which the script or warrants are exchangeable may be sold at the option of the Association and the proceeds paid to scripsholders.

The Association, at any time and from time to time, may authorize and issue debt obligations, whether or not subordinated, without the approval of the shareholders. Obligations classified as debt, whether or not subordinated, which may be issued by the Association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The Board of Directors shall appoint one of its members president of this Association, and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the Association, and such other officers and employees as may be required to transact the business of this Association. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the Board of Directors in accordance with the Bylaws. The Board of Directors shall have the power to:

- (1) Define the duties of the officers, employees, and agents of the Association.
- (2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the Association.
- (3) Fix the compensation and enter into employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- (4) Dismiss officers and employees.
- (5) Require bonds from officers and employees and to fix the penalty thereof.
- (6) Ratify written policies authorized by the Association's management or committees of the board.
- (7) Regulate the manner in which any increase or decrease of the capital of the Association shall be made, provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the association in accordance with law, and nothing shall raise or lower from two-thirds the percentage for shareholder approval to increase or reduce the capital.
- (8) Manage and administer the business and affairs of the Association.
- (9) Adopt initial Bylaws, not inconsistent with law or the Articles of Association, for managing the business and regulating the affairs of the Association.
- (10) Amend or repeal Bylaws, except to the extent that the Articles of Association reserve this power in whole or in part to shareholders.
- (11) Make contracts.
- (12) Generally perform all acts that are legal for a Board of Directors to perform.

SEVENTH. The Board of Directors shall have the power to change the location of the main office of this Association to any other place within the limits of the City of Columbus, State of Ohio, without the approval of the shareholders; and shall have the power to change the location of the main office of this Association to any other place outside the limits of the City of Columbus, State of Ohio, but not more than thirty miles beyond such limits, with the affirmative vote of shareholders owning two-thirds of the stock of the Association, subject to receipt of a certificate of approval from the Comptroller of the Currency. The Board of Directors shall have the power to establish or change the location of any branch or branches of the Association to any other location permitted under applicable law without the approval of the shareholders, subject to approval by the Office of the Comptroller of the Currency. The Board of Directors shall have the power to establish or change the location of any nonbranch office or facility of the Association without the approval of the shareholders.

EIGHTH. The corporate existence of this Association shall continue until termination according to the laws of the United States.

NINTH. The Board of Directors of this Association, or any shareholders owning, in the aggregate, not less than 20 percent of the stock of this Association, may call a special meeting of shareholders at any time. Unless otherwise provided by the Bylaws or the laws of the United States, or waived by shareholders, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given by first-class mail, postage prepaid, mailed at least 10, and no more than 60, days prior to the date of the meeting to each shareholder of record at his/her address as shown upon the books of this Association. Unless otherwise provided by the Bylaws, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. The Association shall provide indemnification as set forth below:

Every person who is or was a Director, officer or employee of the Association or of any other corporation which he served as a Director, officer or employee at the request of the Association as part of his regularly assigned duties may be indemnified by the Association in accordance with the provisions of this Article against all liability (including, without limitation, judgments, fines, penalties, and settlements) and all reasonable expenses (including, without limitation, attorneys' fees and investigative expenses) that may be incurred or paid by him in connection with any claim, action, suit or proceeding, whether civil, criminal or administrative (all referred to hereafter in this Article as "Claims") or in connection with any appeal relating thereto in which he may become involved as a party or otherwise or with which he may be threatened by reason of his being or having been a Director, officer or employee of the Association or such other corporation, or by reason of any action taken or omitted by him in his capacity as such Director, officer or employee, whether or not he continues to be such at the time such liability or expenses are incurred; provided that nothing contained in this Article shall be construed to permit indemnification of any such person who is adjudged guilty of, or liable for, willful misconduct, gross neglect of duty or criminal acts, unless, at the time such indemnification is sought, such indemnification in such instance is permissible under applicable law and regulations, including published rulings of the Comptroller of the Currency or other appropriate

supervisory or regulatory authority; and provided further that there shall be no indemnification of Directors, officers, or employees against expenses, penalties, or other payments incurred in an administrative proceeding or action instituted by an appropriate regulatory agency which proceeding or action results in a final order assessing civil money penalties or requiring affirmative action by an individual or individuals in the form of payments to the Association.

Every person who may be indemnified under the provisions of this Article and who has been wholly successful on the merits with respect to any Claim shall be entitled to indemnification as of right. Except as provided in the preceding sentence, any indemnification under this Article shall be at the sole discretion of the Board of Directors and shall be made only if the Board of Directors or the Executive Committee acting by a quorum consisting of Directors who are not parties to such Claim shall find or if independent legal counsel (who may be the regular counsel of the Association) selected by the Board of Directors or Executive Committee whether or not a disinterested quorum exists shall render their opinion that in view of all of the circumstances then surrounding the Claim, such indemnification is equitable and in the best interests of the Association. Among the circumstances to be taken into consideration in arriving at such a finding or opinion is the existence or non-existence of a contract of insurance or indemnity under which the Association would be wholly or partially reimbursed for such indemnification, but the existence or non-existence of such insurance is not the sole circumstance to be considered nor shall it be wholly determinative of whether such indemnification shall be made. In addition to such finding or opinion, no indemnification under this Article shall be made unless the Board of Directors or the Executive Committee acting by a quorum consisting of Directors who are not parties to such Claim shall find or if independent legal counsel (who may be the regular counsel of the Association) selected by the Board of Directors or Executive Committee whether or not a disinterested quorum exists shall render their opinion that the Directors, officer or employee acted in good faith in what he reasonably believed to be the best interests of the Association or such other corporation and further in the case of any criminal action or proceeding, that the Director, officer or employee reasonably believed his conduct to be lawful. Determination of any Claim by judgment adverse to a Director, officer or employee by settlement with or without Court approval or conviction upon a plea of guilty or of nolo contendere or its equivalent shall not create a presumption that a Director, officer or employee failed to meet the standards of conduct set forth in this Article. Expenses incurred with respect to any Claim may be advanced by the Association prior to the final disposition thereof upon receipt of an undertaking satisfactory to the Association by or on behalf of the recipient to repay such amount unless it is ultimately determined that he is entitled to indemnification under this Article.

The rights of indemnification provided in this Article shall be in addition to any rights to which any Director, officer or employee may otherwise be entitled by contract or as a matter of law. Every person who shall act as a Director, officer or employee of this Association shall be conclusively presumed to be doing so in reliance upon the right of indemnification provided for in this Article.

ELEVENTH. These Articles of Association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of this Association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount. The Association's Board of Directors may propose one or more amendments to the Articles of Association for submission to the shareholders. .

MEETINGS OF SHAREHOLDERS

SECTION 1.01. ANNUAL MEETING. The regular annual meeting of the shareholders of the Bank for the election of Directors and for the transaction of such business as may properly come before the meeting shall be held at its main office, or other convenient place duly authorized by the Board of Directors, on the same day upon which any regular or special Board meeting is held from and including the first Monday of January to, and including, the fourth Monday of February of each year, or on the next succeeding banking day, if the day fixed falls on a legal holiday. If from any cause, an election of Directors is not made on the day fixed for the regular meeting of the shareholders or, in the event of a legal holiday, on the next succeeding banking day, the Board of Directors shall order the election to be held on some subsequent day, as soon thereafter as practicable, according to the provisions of law; and notice thereof shall be given in the manner herein provided for the annual meeting. Notice of such annual meeting shall be given by or under the direction of the Secretary, or such other officer as may be designated by the Chief Executive Officer, by first-class mail, postage prepaid, to all shareholders of record of the Bank at their respective addresses as shown upon the books of the Bank mailed not less than ten days prior to the date fixed for such meeting.

SECTION 1.02. SPECIAL MEETINGS. A special meeting of the shareholders of the Bank may be called at any time by the Board of Directors or by any three or more shareholders owning, in the aggregate, not less than ten percent of the stock of the Bank. Notice of any special meeting of the shareholders called by the Board of Directors, stating the time, place and purpose of the meeting, shall be given by or under the direction of the Secretary, or such other officer as is designated by the Chief Executive Officer, by first-class mail, postage prepaid, to all shareholders of record of the Bank at their respective addresses as shown upon the books of the Bank mailed not less than ten days prior to the date fixed for such meeting. Any special meeting of shareholders shall be conducted and its proceedings recorded in the manner prescribed in these By-Laws for annual meetings of shareholders.

SECTION 1.03. SECRETARY OF MEETING OF SHAREHOLDERS. The Board of Directors may designate a person to be the secretary of the meeting of shareholders. In the absence of a presiding officer, as designated by these By-Laws, the Board of Directors may designate a person to act as the presiding officer. In the event the Board of Directors fails to designate a person to preside at a meeting of shareholders and a secretary of such meeting, the shareholders present or represented shall elect a person to preside and a person to serve as secretary of the meeting. The secretary of the meeting of shareholders shall cause the returns made by the judges of election and other proceedings to be recorded in the minute books of the Bank. The presiding officer shall notify the Directors-elect of their election and to meet forthwith for the organization of the new Board of Directors. The minutes of the meeting shall be signed by the presiding officer and the secretary designated for the meeting.

SECTION 1.04. JUDGES OF ELECTION. The Board of Directors may appoint as many as three shareholders to be judges of the election, who shall hold and conduct the same, and who shall, after the election has been held, notify, in writing over their signatures, the secretary of the meeting of shareholders of the result thereof and the names of the Directors elected; provided, however, that upon failure for any reason of any judge or judges of election, so appointed by the Directors, to serve, the presiding officer of the meeting shall appoint other shareholders or their proxies to fill the vacancies. The judges of election, at the request of the chairman of the meeting, shall act as tellers of any other vote by ballot taken at such meeting, and shall notify, in writing over their signature, the secretary of the Board of Directors of the result thereof.

SECTION 1.05. PROXIES. In all elections of Directors, each shareholder of record, who is qualified to vote under the provisions of Federal Law, shall have the right to vote the number of shares of record in such shareholder's name for as many persons as there are Directors to be elected, or to cumulate such shares as provided by Federal Law. In deciding all other questions at meetings of shareholders, each shareholder shall be entitled to one vote on each share of stock of record in such shareholder's name. Shareholders may vote by proxy duly authorized in writing. All proxies used at the annual meeting shall be secured for that meeting only, or any adjournment thereof, and shall be dated, if not dated by the shareholder, as of the date of the receipt thereof. No officer or employee of this Bank may act as proxy.

SECTION 1.06. QUORUM. Holders of record of a majority of the shares of the capital stock of the Bank, eligible to be voted, present either in person or by proxy, shall constitute a quorum for the transaction of business at any meeting of shareholders, but shareholders present at any meeting and constituting less than a quorum may, without further notice, adjourn the meeting from time to time until a quorum is obtained. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the Articles of Association.

ARTICLE II DIRECTORS

SECTION 2.01. QUALIFICATIONS. Each Director shall have the qualifications prescribed by law. No person elected as a Director may exercise any of the powers of office until such Director has taken the oath of such office.

SECTION 2.02. VACANCIES. Directors of the Bank shall hold office for one year or until their successors are elected and qualified. Any vacancy in the Board shall be filled by

appointment of the remaining Directors, and any Director so appointed shall hold office until the next election.

SECTION 2.03. ORGANIZATION MEETING. The Directors elected by the shareholders shall meet for organization of the new Board of Directors at the time and place fixed by the presiding officer of the annual meeting. If at the time fixed for such meeting there is no quorum present, the Directors in attendance may adjourn from time to time until a quorum is obtained. A majority of the number of Directors elected by the shareholders shall constitute a quorum for the transaction of business.

SECTION 2.04. REGULAR MEETINGS. The regular meetings of the Board of Directors shall be held at such date, time and place as the Board may previously designate, or should the Board fail to so designate, at such date, time and place as the Chairman of the Board, Chief Executive Officer, or President may fix. Whenever a quorum is not present, the Directors in attendance shall adjourn the meeting to a time not later than the date fixed by the By-Laws for the next succeeding regular meeting of the Board. Members of the Board of Directors may participate in such meetings through use of conference telephone or similar communications equipment, so long as all members participating in such meetings can hear one another.

SECTION 2.05. SPECIAL MEETINGS. Special meetings of the Board of Directors shall be held at the call of the Chairman of the Board, Chief Executive Officer, or President, or at the request of two or more Directors. Any special meeting may be held at such place and at such time as may be fixed in the call. Written or oral notice shall be given to each Director not later than the day next preceding the day on which the special meeting is to be held, which notice may be waived in writing. The presence of a Director at any meeting of the Board of Directors shall be deemed a waiver of notice thereof by such Director. Whenever a quorum is not present, the Directors in attendance shall adjourn the special meeting from day to day until a quorum is obtained. Members of the Board of Directors may participate in such meetings through use of conference telephone or similar communications equipment, so long as all members participating in such meetings can hear one another.

SECTION 2.06. QUORUM. A majority of the Directors shall constitute a quorum at any meeting, except when otherwise provided by law; but a lesser number may adjourn any meeting, from time-to-time, and the meeting may be held, as adjourned, without further notice. When, however, less than a quorum as herein defined, but at least one-third and not less than two of the authorized number of Directors are present at a meeting of the Directors, business of the Bank may be transacted and matters before the Board approved or disapproved by the unanimous vote of the Directors present.

SECTION 2.07. COMPENSATION. Each member of the Board of Directors shall receive such fees for attendance at Board and Board committee meetings and such fees for service as a Director, irrespective of meeting attendance, as from time to time are fixed by resolution of the Board; provided, however, that payment hereunder shall not be made to a Director for meetings attended and/or Board service which are not for the Bank's sole

benefit and which are concurrent and duplicative with meetings attended or Board service for an affiliate of the Bank for which the Director receives payment; and provided further that fees hereunder shall not be paid in the case of any Director in the regular employment of the Bank or of one of its affiliates. Each member of the Board of Directors, whether or not such Director is in the regular employment of the Bank or of one of its affiliates, shall be reimbursed for travel expenses incident to attendance at Board and Board committee meetings.

SECTION 2.08. EXECUTIVE COMMITTEE. There may be a standing committee of the Board of Directors known as the Executive Committee which shall possess and exercise, when the Board is not in session, all the powers of the Board that may lawfully be delegated. The Executive Committee shall consist of at least three Board members, one of whom shall be the Chairman of the Board, Chief Executive Officer or the President. The other members of the Executive Committee shall be appointed by the Chairman of the Board, the Chief Executive Officer, or the President, with the approval of the Board, and who shall continue as members of the Executive Committee until their successors are appointed, provided, however, that any member of the Executive Committee may be removed by the Board upon a majority vote thereof at any regular or special meeting of the Board. The Chairman, Chief Executive Officer, or President shall fill any vacancy in the Executive Committee by the appointment of another Director, subject to the approval of the Board of Directors. The Executive Committee shall meet at the call of the Chairman, Chief Executive Officer, or President or any two members thereof at such time or times and place as may be designated. In the event of the absence of any member or members of the Executive Committee, the presiding member may appoint a member or members of the Board to fill the place or places of such absent member or members to serve during such absence. Two members of the Executive Committee shall constitute a quorum. When neither the Chairman of the Board, the Chief Executive Officer, nor President are present, the Executive Committee shall appoint a presiding officer. The Executive Committee shall report its proceedings and the action taken by it to the Board of Directors.

SECTION 2.09. OTHER COMMITTEES. The Board of Directors may appoint such special committees from time to time as are in its judgment necessary in the interest of the Bank.

ARTICLE III OFFICERS, MANAGEMENT STAFF AND EMPLOYEES

SECTION 3.01. OFFICERS AND MANAGEMENT STAFF.

(a) The executive officers of the Bank shall include a Chairman of the Board, Chief Executive Officer, President, Chief Financial Officer, Secretary, Security Officer, and may include one or more Senior Managing Directors or Managing Directors. The Chairman of the Board, Chief Executive Officer, and the President shall be elected by the Board from their own number. Such officers as the Board shall elect from their own number shall hold office from the date of their election as officers until the organization meeting of the Board of Directors following the next annual meeting of shareholders, provided, however, that such officers may be relieved of their duties at any time by action of the Board of Directors, in which event all the powers incident to their office shall immediately terminate. The Chairman of the Board, Chief Executive Officer, or the President shall preside at all meetings of shareholders and meetings of the Board of Directors.

(b) The management staff of the Bank shall include officers elected by the Board, officers appointed by the Chairman of the Board, the Chief Executive Officer, the President, any Senior Managing Director, any Managing Director, the Chief Financial Officer, and such other persons in the employment of the Bank who, pursuant to authorization by a duly authorized officer of the Bank, perform management functions and have management responsibilities. Any two or more offices may be held by the same person except that no person shall hold the office of Chairman of the Board, Chief Executive Officer and/or President and at the same time also hold the office of Secretary.

(c) Except as provided in the case of the elected officers who are members of the Board, all officers and employees, whether elected or appointed, shall hold office at the pleasure of the Board. Except as otherwise limited by law or these By-Laws, the Board assigns to the Chairman of the Board, the Chief Executive Officer, the President, any Senior Managing Director, any Managing Director, the Chief Financial Officer, and/or each of their respective designees the authority to control all personnel, including elected and appointed officers and employees of the Bank, to employ or direct the employment of such officers and employees as he or she may deem necessary, including the fixing of salaries and the dismissal of such officers and employees at pleasure, and to define and prescribe the duties and responsibilities of all officers and employees of the Bank, subject to such further limitations and directions as he or she may from time to time deem appropriate.

(d) The Chairman of the Board, the Chief Executive Officer, the President, any Senior Managing Director, any Managing Director, the Chief Financial Officer, and any other officer of the Bank, to the extent that such officer is authorized in writing by the Chairman of the Board, the Chief Executive Officer, the President, any Senior Managing Director, any Managing Director, or the Chief Financial Officer may appoint persons other than officers who are in employment of the Bank to serve in management positions and in connection therewith, the appointing officer may assign such title, salary, responsibilities and functions as are deemed appropriate, provided, however, that nothing contained herein shall be construed as placing any limitation on the authority of the Chairman of the Board, the Chief Executive Officer, the President, any Senior Managing Director, any Managing Director, or the Chief Financial Officer as provided in this and other sections of these By-Laws.

(e) The Senior Managing Directors and the Managing Directors of the Bank shall have general and active authority over the management of the business of the Bank, shall see that all orders and resolutions of the Board of Directors are carried into effect, and shall do or cause to be done all things necessary or proper to carry on the business of the Bank in accordance with provisions of applicable law and regulations. Each Senior Managing Director and Managing Director shall perform all duties incident to his or her office and such other and further duties, as may from time to time be required by the Chief Executive Officer, the President, the Board of Directors, or the shareholders. The specification of authority in these By-Laws wherever and to whomever granted shall not be construed to limit in any manner the general powers of delegation granted to a Senior Managing Director or a Managing Director in conducting the business of the Bank. In the absence of a Senior Managing Director or a Managing Director, such officer as is designated by the Senior Managing Director or the Managing Director shall be vested with all the powers and perform all the duties of the Senior Managing Director or the Managing Director as defined by these By-Laws.

The Managing Director shall fill any vacancy in the Investment Management and Trust Committee by the appointment of another capable and experienced officer of the Bank. Each Investment Management and Trust Committee shall meet at such date, time and place as the Managing Director shall fix. In the event of the absence of any member or members of the Investment Management and Trust Committee, the Managing Director may, in his or her discretion, appoint another officer of the Bank to fill the place or places of such absent member or members to serve during such absence. A majority of each Investment Management and Trust Committee shall constitute a quorum. Each Investment Management and Trust Committee shall carry out the policies of the Bank, as adopted by the Board of Directors, which shall be formulated and executed in accordance with State and Federal Law, Regulations of the Comptroller of the Currency, and sound fiduciary principles. In carrying out the policies of the Bank, each Investment Management and Trust Committee is hereby authorized to establish management teams whose duties and responsibilities shall be specifically set forth in the policies of the Bank. Each such management team shall report such proceedings and the actions taken thereby to the Investment Management and Trust Committee. Each Managing Director shall then report such proceedings and the actions taken thereby to the Board of Directors.

Ladies and Gentlemen:

Upon the terms and subject to the conditions of the Exchange Offer, the undersigned hereby tenders to the Company the principal amount of the Notes indicated above. Subject to, and effective upon, the acceptance for exchange of such Notes tendered hereby, the undersigned hereby exchanges, assigns and transfers to, or upon the order of, the Company all right, title and interest in and to such Notes as are being tendered hereby, including all rights to accrued and unpaid interest thereon as of the Expiration Date. The undersigned hereby irrevocably constitutes and appoints the Exchange Agent the true and lawful agent and attorney-in-fact of the undersigned (with full knowledge that said Exchange Agent acts as the agent of the Company in connection with the Exchange Offer) to cause the Notes to be assigned, transferred and exchanged. The undersigned represents and warrants that it has full power and authority to tender, exchange, assign and transfer the Notes and to acquire Exchange Notes issuable upon the exchange of such tendered Notes, and that when the same are accepted for exchange, the Company will acquire good and unencumbered title to the tendered Notes, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim.

The undersigned represents to the Company that (A) it is not an affiliate of the Company, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Notes to be issued in the Exchange Offer and (C) it is acquiring the Exchange Notes in its ordinary course of business. If the undersigned or the person receiving the Exchange Notes covered hereby is a broker-dealer that is receiving the Exchange Notes for its own account in exchange for Notes that were acquired as a result of market-making activities or other trading activities, the undersigned acknowledges that it or such other person will deliver a prospectus in connection with any resale of such Exchange Notes; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. The undersigned and any such other person acknowledges that, if they are participating in the Exchange Offer for the purpose of distributing the Exchange Notes, (i) they cannot rely on the position of the staff of the Securities and Exchange Commission enunciated in Exxon Capital Holdings Corporation (available May 13, 1988) as interpreted in the Securities and Exchange Commission's letter to Shearman & Sterling dated July 2, 1993, Morgan Stanley & Co., Incorporated (available June 5, 1991), Warnaco, Inc. (available June 5, 1991), and Epic Properties, Inc. (available October 21, 1991 or similar no-action letters and, in the absence of an exemption therefrom, must comply with the registration and prospectus delivery requirements of the Securities Act in connection with the resale transaction and (ii) failure to comply with such requirements in such instance could result in the undersigned or any such other person incurring liability under the Securities Act for which such persons are not indemnified by the Company. If the undersigned or the person receiving the Exchange Notes covered by this letter is an affiliate (as defined under Rule 405 of the Securities Act) of the Company, the undersigned represents to the Company that the undersigned understands and acknowledges that such Exchange Notes may not be offered for resale, resold or otherwise transferred by the undersigned or such other person without registration under the Securities Act or an exemption therefrom.

The undersigned also warrants that it will, upon request, execute and deliver any additional documents deemed by the Exchange Agent or the Company to be necessary or desirable to complete the exchange, assignment and transfer of tendered Notes or transfer ownership of such Notes on the account books maintained by a book-entry facility. The undersigned further agrees that acceptance of any tendered Notes by the Company and the issuance of Exchange Notes in exchange therefor shall constitute performance in full by the Company of its obligations under the Registration Rights Agreement and that the Company shall have no further obligations or liabilities thereunder for the registration of the Notes or the Exchange Notes.

The Exchange Offer is subject to certain conditions set forth in the Prospectus under the caption "The Exchange Offer -- Conditions." The undersigned recognizes that as a result of these conditions (which may be waived, in whole or in part, by the Company), as more particularly set forth in the Prospectus, the Company may not be required to exchange any of the Notes tendered hereby and, in such event, the Notes not exchanged will be returned to the undersigned at the address shown below the signature of the undersigned.

All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the undersigned and every obligation of the undersigned hereunder shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned. Tendered Notes may be withdrawn at any time prior to the Expiration Date.

Unless otherwise indicated in the box entitled "Special Registration Instructions" or the box entitled "Special Delivery Instructions" in this Letter of Transmittal, certificates for all Exchange Notes delivered in exchange for tendered Notes, and any Notes delivered herewith but not exchanged, will be registered in the name of the undersigned and shall be delivered to the undersigned at the address shown below the signature of the undersigned. If an Exchange Note is to be issued to a person other than the person(s) signing this Letter of Transmittal, or if the Exchange Note is to be mailed to someone other than the person(s) signing this Letter of Transmittal or to the person(s) signing this Letter of Transmittal at an address different than the address shown on this Letter of Transmittal, the appropriate boxes of this Letter of Transmittal should be completed. INSTRUCTIONS

FORMING PART OF THE TERMS AND
CONDITIONS OF THE EXCHANGE OFFER

1. Delivery of this Letter of Transmittal and Certificates. All physically delivered Notes or confirmations of any book-entry transfer to the Exchange Agent's account at a book-entry transfer facility of Notes tendered by book-entry transfer, as well as a properly completed and duly executed copy of this Letter of Transmittal or facsimile thereof, and any other documents required by this Letter of Transmittal, must be received by the Exchange Agent at the address set forth herein on or prior to the Expiration Date (as defined in the Prospectus). The method of delivery of this Letter of Transmittal, the Notes and any other required documents is at the election and risk of the Holder, and except as otherwise provided below, the delivery will be deemed made only when actually received by the Exchange Agent. If such delivery is by mail, it is suggested that registered mail with return receipt requested, properly insured, be used.

No alternative, conditional, irregular or contingent tenders will be accepted. All tendering Holders, by execution of this Letter of Transmittal (or facsimile thereof), shall waive any right to receive notice of the acceptance of the Notes for exchange.

Delivery to an address other than as set forth herein, or instructions via a facsimile number other than the ones set forth herein, will not constitute a valid delivery.

2. Guaranteed Delivery Procedures. Holders who wish to tender their Notes, but whose Notes are not immediately available and thus cannot deliver their Notes, the Letter of Transmittal or any other required documents to the Exchange Agent (or comply with the procedures for book-entry transfer) on or prior to the Expiration Date, may effect a tender if:

(a) the tender is made through a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc., a commercial bank or trust company having an office or correspondent in the United States or an "eligible guarantor institution" within the meaning of Rule 17Ad-15 under the Exchange Act (an "Eligible Institution");

(b) prior to the Expiration Date, the Exchange Agent receives from such Eligible Institution a properly completed and duly executed Notice of Guaranteed Delivery (by facsimile transmission, mail or hand delivery) setting forth the name and address of the Holder, the registration number(s) of such Notes and the principal amount of Notes tendered, stating that the tender is being made thereby and guaranteeing that, within three New York Stock Exchange trading days after the Expiration Date, the Letter of Transmittal (or facsimile thereof), together with the Notes (or a confirmation of book-entry transfer of such Notes into the Exchange Agent's account at the Depository) and any other documents required by the Letter of Transmittal, will be deposited by the Eligible Institution with the Exchange Agent; and

(c) such properly completed and executed Letter of Transmittal (or facsimile thereof), as well as all tendered Notes in proper form for transfer (or a confirmation of book-entry transfer of such Notes into the Exchange Agent's account at the Depository) and all other documents required by the Letter of Transmittal, are received by the Exchange Agent within three New York Stock Exchange trading days after the Expiration Date.

Any Holder who wishes to tender Notes pursuant to the guaranteed delivery procedures described above must ensure that the Exchange Agent receives the Notice of Guaranteed Delivery relating to such Notes prior to the Expiration Date. Failure to complete the guaranteed delivery procedures outlined above will not, of itself, affect the validity or effect a revocation of any Letter of Transmittal form properly completed and executed by a Holder who attempted to use the guaranteed delivery procedures.

3. Partial Tenders; Withdrawals. If less than the entire principal amount of Notes evidenced by a submitted certificate is tendered, the tendering Holder should fill in the principal amount tendered in the column entitled "Principal Amount Tendered" of the box entitled "Description of Notes Tendered Hereby." A newly issued Note for the principal amount of Notes submitted but not tendered will be sent to such Holder as soon as practicable after the Expiration Date. All Notes delivered to the Exchange Agent will be deemed to have been tendered in full unless otherwise indicated.

Notes tendered pursuant to the Exchange Offer may be withdrawn at any time prior to the Expiration Date, after which tenders of Notes are irrevocable. To be effective, a written telegraphic or facsimile transmission notice of

withdrawal must be timely received by the Exchange Agent. Any such notice of withdrawal must (i) specify the name of the person having deposited the Notes to be withdrawn (the "Depositor"), (ii) identify the Notes to be withdrawn (including the registration number(s) and principal amount of such Notes or, in the case of Notes transferred by book-entry transfer, the name and number of the account at the Depository to be credited), (iii) be signed by the Holder in the same manner as the original signature on this Letter of Transmittal (including any required Medallion Guarantees) or be accompanied by documents of transfer sufficient to have the Trustee with respect to the Notes register the transfer of such Notes into the name of the person withdrawing the tender and (iv) specify the name in which any such Notes are to be registered, if different from that of the Depositor. All questions as to the validity, form and eligibility (including time of receipt) of such notices will be determined by the Company, whose determination shall be final and binding on all parties. Any Notes so withdrawn will be deemed not to have been validly tendered for purposes of the Exchange Offer and no Exchange Notes will be issued with respect thereto unless the Notes so withdrawn are validly retendered. Any Notes which have been tendered but which are not accepted for exchange, will be returned to the Holder thereof without cost to such Holder, or will be credited to an account maintained with the Depository, as soon as practicable after withdrawal, rejection of tender or termination of Exchange Offer.

4. Signature on this Letter of Transmittal; Written Instruments and Endorsements; Medallion Guarantee. If this Letter of Transmittal is signed by the registered Holder(s) of the Notes tendered hereby, the signature must correspond with the name(s) as written on the face of the certificates without alteration or enlargement or any change whatsoever. If this Letter of Transmittal is signed by a participant in the Depository, the signature must correspond with the name as it appears on the security position listing as the owner of the Notes.

If any of the Notes tendered hereby are owned of record by two or more joint owners, all such owners must sign this Letter of Transmittal.

If a number of Notes registered in different names is tendered, it will be necessary to complete, sign and submit as many separate copies of this Letter of Transmittal as there are different registrations of Notes.

Signatures on this Letter of Transmittal or on a notice of withdrawal, as the case may be, must be Medallion Guaranteed by an Eligible Institution unless the Notes tendered hereby are tendered (i) by a registered Holder who has not completed the box entitled "Special Registration Instructions" or "Special Delivery Instructions" on the Letter of Transmittal or (ii) for the account of an Eligible Institution.

If this Letter of Transmittal is signed by the registered Holder or Holders of Notes (which term, for the purposes described herein, shall include a participant in the Depository whose name appears on a security listing as the owner of the Notes) listed and tendered hereby, no endorsements of the tendered Notes or separate written instruments of transfer or exchange are required. In any other case, the registered Holder (or acting Holder) must either properly endorse the Notes or transmit properly completed bond powers with this Letter of Transmittal (in either case, executed exactly as the name(s) of the registered Holder(s) appear(s) on the Notes, and, with respect to a participant in the Depository whose name appears on a security position listing as the owner of Notes, exactly as the name of the participant appears on such security position listing), with the signature on the Notes or bond power guaranteed by an Eligible Institution (except where the Notes are tendered for the account of an Eligible Institution).

If this Letter of Transmittal, any certificates or separate written instruments of transfer or exchange are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and, unless waived by the Company, proper evidence satisfactory to the Company of their authority to so act must be submitted.

5. Special Registration and Delivery Instructions. Tendering Holders should indicate, in the applicable box, the name and address (or account at the Depository) in which the Exchange Notes or substitute Notes for principal amounts not tendered or not accepted for exchange are to be issued (or deposited), if different from the names and addresses or accounts of the person signing this Letter of Transmittal. In the case of issuance in a different name, the employer identification number or social security number of the person named must also be indicated and the tendering Holder should complete the applicable box.

If no instructions are given, the Exchange Notes (and any Notes not tendered or not accepted) will be issued in the name of and sent to the acting Holder of the Notes or deposited at such Holder's account at the Depository.

6. Transfer Taxes. The Company shall pay all transfer taxes, if any, applicable to the transfer and exchange of Notes to it or its order pursuant to the Exchange Offer. If a transfer tax is imposed for any other reason other than the transfer and exchange of Notes to the Company or its order pursuant to the Exchange Offer, the amount of any such transfer taxes (whether imposed on the registered Holder or any other person) will be payable by the tendering Holder. If satisfactory evidence of payment of such taxes or exception therefrom is not submitted herewith, the amount of such transfer taxes will be collected from the tendering Holder by the Exchange Agent.

Except as provided in this Instruction 6, it will not be necessary for transfer stamps to be affixed to the Notes listed in this Letter of Transmittal.

7. Waiver of Conditions. The Company reserves the right, in its reasonable judgment, to waive, in whole or in part, any of the conditions to the Exchange Offer set forth in the Prospectus.

8. Mutilated, Lost, Stolen or Destroyed Notes. Any Holder whose Notes have been mutilated, lost, stolen or destroyed should contact the Exchange Agent at the address indicated above for further instructions.

9. Requests for Assistance or Additional Copies. Questions relating to the procedure for tendering as well as requests for additional copies of the Prospectus and this Letter of Transmittal, may be directed to the Exchange Agent at the address and telephone number set forth above. In addition, all questions relating to the Exchange Offer, as well as requests for assistance or additional copies of the Prospectus and this Letter of Transmittal, may be directed to Panhandle Eastern Pipe Line Company, 5444 Westheimer Court, Houston, Texas 77056-5306, Attention: Controller, telephone (713) 989-7000.

10. Validity and Form. All questions as to the validity, form, eligibility (including time of receipt), acceptance of tendered Notes and withdrawal of tendered Notes will be determined by the Company in its sole discretion, which determination will be final and binding. The Company reserves the absolute right to reject any and all Notes not properly tendered or any Notes the Company's acceptance of which would, in the opinion of counsel for the Company, be unlawful. The Company also reserves the right, in its reasonable judgment, to waive any defects, irregularities or conditions of tender as to particular Notes. The Company's interpretation of the terms and conditions of the Exchange Offer (including the instructions in this Letter of Transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Notes must be cured within such time as the Company shall determine. Although the Company intends to notify Holders of defects or irregularities with respect to tenders of Notes, neither the Company, the Exchange Agent nor any other person shall incur any liability for failure to give such notification. Tenders of Notes will not be deemed to have been made until such defects or irregularities have been cured or waived. Any Notes received by the Exchange Agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the Exchange Agent to the tendering Holder as soon as practicable following the Expiration Date.

IMPORTANT TAX INFORMATION

Under federal income tax law, a Holder tendering Notes is required to provide the Exchange Agent with such Holder's correct TIN on Substitute Form W-9 above. If such Holder is an individual, the TIN is the Holder's social security number. The Certificate of Awaiting Taxpayer Identification Number should be completed if the tendering Holder has not been issued a TIN and has applied for a number or intends to apply for a number in the near future. If the Exchange Agent is not provided with the correct TIN, the Holder may be subject to a \$50 penalty imposed by the Internal Revenue Service. In addition, payments that are made to such Holder with respect to tendered Notes may be subject to backup withholding of 31%.

Certain Holders (including, among others, all domestic corporations and certain foreign individuals and foreign entities) are not subject to these backup withholding and reporting requirements. In order for a foreign individual to qualify as an exempt recipient, such individual must submit a statement, signed under penalties of perjury, attesting to such individual's exempt status. Forms of such statements can be obtained from the Depository. See the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 for additional instructions.

If backup withholding applies, the Exchange Agent is required to withhold 31% of any amounts otherwise payable to the Holder. Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding

will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained from the Internal Revenue Service.

PURPOSE OF SUBSTITUTE FORM W-9

To prevent backup withholding on payments that are made to a Holder with respect to Notes tendered for exchange, the Holder is required to notify the Exchange Agent of his or her correct TIN by completing the form herein certifying that the TIN provided on Substitute Form W-9 is correct (or that such Holder is awaiting a TIN) and that (i) each Holder is exempt, (ii) such Holder has not been notified by the Internal Revenue Service that he or she is subject to backup withholding as a result of failure to report all interest or dividends or (iii) the Internal Revenue Service has notified such Holder that he or she is no longer subject to backup withholding.

WHAT NUMBER TO GIVE THE EXCHANGE AGENT

Each Holder is required to give the Exchange Agent the social security number or employer identification number of the record Holder(s) of the Notes. If Notes are in more than one name or are not in the name of the actual Holder, consult the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 for additional guidance on which number to report. If the tendering Holder has not been issued a TIN and has applied for a number or intends to apply for a number in the near future, the stockholder should write "Applied For" in the space provided for in the TIN in Part I, and sign and date the Substitute Form W-9. If "Applied For" is written in Part I and the Depository is not provided with a TIN within 60 days, the Depository will withhold 31% of all payments of the purchase price to such stockholder until a TIN is provided to the Depository.

IMPORTANT: THIS LETTER OF TRANSMITTAL OR A FACSIMILE THEREOF (TOGETHER WITH NOTES OR CONFIRMATION OF BOOK-ENTRY TRANSFER AND ALL OTHER REQUIRED DOCUMENTS) OR A NOTICE OF GUARANTEED DELIVERY MUST BE RECEIVED BY THE EXCHANGE AGENT ON OR PRIOR TO THE EXPIRATION DATE.

PAYEES EXEMPT FROM BACKUP WITHHOLDING

Payees specifically exempted from backup withholding include the following:

- A corporation.

- Payments of patronage dividends where the amount received is not paid in money.
- Payments made by certain foreign organizations.
- Section 404(k) payments made by an ESOP.

Exempt payees described above should file Form W-9 to avoid possible erroneous backup withholding. FILE THIS FORM WITH THE PAYER, FURNISH YOUR TAXPAYER IDENTIFICATION NUMBER, WRITE "EXEMPT" IN PART II OF THE FORM, AND RETURN IT TO THE PAYER. IF THE PAYMENTS ARE INTEREST, DIVIDENDS, OR PATRONAGE DIVIDENDS, ALSO SIGN AND DATE THE FORM.

Certain payments other than interest, dividends, and patronage dividends, that are not subject to information reporting are also not subject to backup withholding. For details, see the regulations under sections 6041, 6041A(a), 6045, and 6050A.

PRIVACY ACT NOTICE.--Section 6109 requires most recipients of dividend, interest, or other payments to give taxpayer identification numbers to payers who must report the payments to IRS. IRS uses the numbers for identification purposes. Payers must be given the number whether or not recipients are required to file tax returns. Beginning January 1, 1993, payers must generally withhold 31% of taxable interest, dividend, and certain other payments to a payee who does not furnish a taxpayer identification number to a payer. Certain penalties may also apply.

PENALTIES

(1) **PENALTY FOR FAILURE TO FURNISH TAXPAYER IDENTIFICATION NUMBER.**--If you fail to furnish your taxpayer identification number to a payer, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

(2) **FAILURE TO REPORT CERTAIN DIVIDEND AND INTEREST PAYMENTS.**--If you fail to include any portion of an includible payment for interest, dividends, or patronage dividends in gross income, such failure will be treated as being due to negligence and will be subject to a penalty of 5% on any portion of an underpayment attributable to that failure unless there is a clear and convincing evidence to the contrary.

(3) **CIVIL PENALTY FOR FALSE INFORMATION WITH RESPECT TO WITHHOLDING.**--If you make a false state with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.

(4) **CRIMINAL PENALTY FOR FALSIFYING INFORMATION.**--Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.
