Item 1.01. Entry into a Material Definitive Agreement.*Restated HFOTCO Credit Agreement*

On August 19, 2014, HFOTCO LLC, doing business as Houston Fuel Oil Terminal Company LLC (“HFOTCO”), and Buffalo Gulf Coast Terminals LLC (“BGCT”), entered into a Credit Agreement (as amended from time to time, the “Existing HFOTCO Credit Agreement”) providing for a \$550.0 million term loan facility and a \$75.0 million senior secured revolving facility (the “HFOTCO Revolving Facility”). SemGroup Corporation (the “Company”) indirectly acquired all of the equity interests of HFOTCO and BGCT on July 17, 2017 and each entity became an indirect wholly owned subsidiary of the Company as of and from such date. On June 26, 2018, HFOTCO and BGCT entered into an Amendment and Restatement Agreement (the “Amendment and Restatement Agreement”), together with Toronto Dominion (Texas) LLC (“TD”), as administrative agent and Morgan Stanley Senior Funding, Inc. (“Morgan Stanley”), as existing agent. Pursuant to the Amendment and Restatement Agreement, Morgan Stanley resigned as agent under the Credit Agreement, and the Existing HFOTCO Credit Agreement was amended and restated in its entirety (as so amended and restated, the “Restated HFOTCO Credit Agreement”), and TD was appointed as agent under the Restated HFOTCO Credit Agreement.

The Restated HFOTCO Credit Agreement increases the aggregate term loans incurred thereunder to \$600 million, terminates the HFOTCO Revolving Facility, and extends the maturity date of the term loans to June 26, 2025 (the “Maturity Date”). In addition, HFOTCO may incur additional term loans in an aggregate amount not to exceed the greater of \$120 million and a dollar amount equivalent to 100% of trailing twelve month Ike-Adjusted EBITDA of HFOTCO at the time of determination, plus additional amounts subject to satisfaction of certain leverage-based criteria, subject to receiving commitments for such additional term loans from either new lenders or increased commitments from existing lenders.

At HFOTCO’s option, the term loans will bear interest at the Eurodollar rate or an alternate base rate (“ABR”), plus, in each case, an applicable margin of 2.75% relating to any term loans accruing interest at the Eurodollar rate and 1.75% relating to term loans accruing interest at ABR.

The Restated HFOTCO Credit Agreement includes customary representations and warranties and affirmative and negative covenants, which were made only for the purposes of the Restated HFOTCO Credit Agreement and as of the specific date (or dates) set forth therein, and may be subject to certain limitations as agreed upon by the contracting parties, and apply only to BGCT, HFOTCO and any subsidiaries of HFOTCO party to the Restated HFOTCO Credit Agreement. Such limitations include the creation of new liens, indebtedness, making of certain restricted payments and payments on indebtedness, making certain dispositions, making material changes in business activities, making fundamental changes including liquidations, mergers or consolidations, making certain investments, entering into certain transactions with affiliates, making amendments to material agreements, modifying the fiscal year, dealing with hazardous materials in certain ways, entering into certain hedging arrangements, entering into certain restrictive agreements, and funding or engaging in sanctioned activities.

The Restated HFOTCO Credit Agreement includes customary events of default, including events of default relating to inaccuracy of representations and warranties in any material respect when made or when deemed made, non-payment of principal and other amounts owing under the Restated HFOTCO Credit Agreement, including, in respect of, violation of covenants, cross acceleration to any material indebtedness of BGCT, HFOTCO and its subsidiaries, bankruptcy and insolvency events, certain unsatisfied judgments, certain ERISA events, certain invalidities of loan documents and the occurrence of a change of control. A default under the Restated HFOTCO Credit Agreement would permit the participating banks to require immediate repayment of any outstanding loans with interest and any unpaid accrued fees, and subject to intercreditor arrangements with the holders of the IKE Bonds referred to below, exercise other rights and remedies.

The Restated HFOTCO Credit Agreement is guaranteed by BGCT and any future material domestic subsidiary of HFOTCO, and secured by a lien on substantially all of the property and assets of HFOTCO and the other loan parties, subject to customary exceptions and subject to intercreditor arrangements with the holders of the IKE Bonds referred to below.

The foregoing description of the Restated HFOTCO Credit Amendment does not purport to be complete and is qualified in its entirety by reference to the Restated HFOTCO Credit Amendment, a copy of which is included in the Amendment and Restatement Agreement which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

Amendments to Continuing Covenant Agreement

As previously disclosed, in 2010, 2011 and 2012, HFOTCO issued \$75 million, \$50 million and \$100 million, respectively, of limited obligation revenue bonds due November 1, 2050 (the “IKE Bonds”). The IKE Bonds were issued by the Harris County Industrial Development Corporation, a non-profit corporation organized with the approval of Harris County, Texas, and existing pursuant to the Development Corporation Act, Chapter 501, Texas Local Government Code, under Section 704, Heartland Disaster Relief Act of 2008. In connection with such IKE Bonds, HFOTCO entered into a Continuing Covenant Agreement dated August 19, 2014. On June 26, 2018, in connection with entry into the Restated HFOTCO Credit Agreement, BGCT and HFOTCO entered into an amendment to the Continuing Covenant Agreement (the “Second CCA Amendment”), together with Bank of America, N.A., as administrative agent for the bondholders, and certain bondholders, pursuant to which the bondholders agreed to modify certain covenants under the Continuing Covenant Agreement, consistent with the Restated HFOTCO Credit Agreement.

The foregoing description of the Second CCA Amendment does not purport to be complete and is qualified in its entirety by reference to the Second CCA Amendment, a copy of which is attached as Exhibit 10.2 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

Item 1.02. Termination of a Material Definitive Agreement.

On June 26, 2018, HFOTCO amended the Existing HFOTCO Credit Agreement to terminate the HFOTCO Revolving Facility. The information set forth in Item 1.01 is hereby incorporated into this Item 1.02 by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is hereby incorporated into this Item 2.03 by reference.

Item 9.01. Financial Statements and Exhibits.

WHEREAS, each bank or other financial institution or entity identified on the signature pages hereto as a Lender (each, a “New Lender”) has agreed severally, on the terms and conditions set forth herein and in the Restated Credit Agreement, to make Tranche B Term Loans (such Loans by New Lenders, “New Term Loans”) and to become, if not already, a Lender for all purposes under the Restated Credit Agreement;

WHEREAS, the proceeds of the New Term Loans will be used, in part, by the Borrower to repay in full the outstanding principal amount of the Existing Term Loans and all other Indebtedness under the Credit Agreement (other than Continued (Cashless) Term Loans);

WHEREAS, the Continuing Term Lenders and the New Lenders, which collectively constitute the Lenders, are severally willing to continue their Existing Term Loans as Tranche B Term Loans and/or to make Tranche B Term Loans, as the case may be, subject to the terms and conditions set forth in this Agreement, having identical terms and being of the same Class (collectively, the “Tranche B Term Facility.”);

WHEREAS, TD Securities (USA) LLC and Wells Fargo Securities, LLC have agreed to act as the lead arrangers and bookrunners for the Tranche B Term Facility, Wells Fargo Bank, N.A. has agreed to act as syndication agent for the Tranche B Term Facility, and Morgan Stanley and Merrill Lynch, Pierce, Fenner & Smith Incorporated have agreed to act as co-arrangers and co-documentation agents for the Tranche B Term Facility;

Now therefore, the parties hereto therefore agree as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms are used herein as defined in the Restated Credit Agreement (as defined herein).

SECTION 2. Amendments to the Existing Credit Agreement.

(a) The Existing Credit Agreement is, effective as of the Effective Date, hereby amended in its entirety to be as set forth in Exhibit A hereto (the Existing Credit Agreement, as amended hereby, the “Restated Credit Agreement”).

(b) Schedules 1.01, 2.01, 3.02, 3.05, 3.08(b), 3.08(c), 3.14, 6.01, 6.02, 6.07, 6.13 and 9.01 to the Existing Credit Agreement are hereby amended and restated in their entirety in the respective forms set forth in Exhibit B hereto.

(c) Exhibits A through K to the Existing Credit Agreement are hereby amended and restated in their entirety in the respective forms set forth in Exhibit C hereto.

SECTION 3. Amendment to Guaranty Agreement and other Loan Documents. The Guaranty Agreement and other Loan Documents are hereby amended to replace all references to Morgan Stanley as Administrative Agent with TD. As of the Effective Date, (a) Morgan Stanley hereby resigns as Existing Agent, and Morgan Stanley Senior Funding, Inc. is hereby discharged from its duties and obligations under the Existing Credit Agreement and the other Loan Documents (as defined in the Existing Credit Agreement) in such capacity and (b) TD is hereby appointed as Administrative Agent, TD hereby accepts its appointment as Administrative Agent, and TD is hereby vested with all the rights, powers, discretion and privileges as Administrative Agent as described under each Loan Document, and TD hereby assumes the obligations, responsibilities and duties as Administrative Agent, in accordance with the terms of the Loan Documents. The Loan Parties shall pay to Morgan Stanley in its capacity as Existing Agent, no later than the Effective Date, all unpaid accrued fees (including Agent Fees (as defined in the Existing

Credit Agreement)) and all expenses owed to Morgan Stanley in such capacity, under the Existing Credit Agreement as of the Effective Date. The provisions of Article VIII and Section 9.05 of the Existing Credit Agreement shall continue in effect for the benefit of Morgan Stanley in its capacity as Existing Agent, in respect of any actions taken or omitted to be taken by it while it was acting in such capacity.

SECTION 4. Representations and Warranties; No Default. The Borrower hereby certifies that, immediately before and after giving effect to this Agreement, (a) each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents are true and correct in all material respects (and in all respects if qualified by materiality) on and as of such date as if made on and as of such date (except for such representations and warranties expressly stated to be made as of a specific earlier date, in which case such representations and warranties were true and correct as of such earlier date) and (b) no Default or Event of Default has occurred and is continuing.

SECTION 5. Conditions to Effectiveness. This Agreement and the Tranche B Term Facility shall become effective when the conditions set forth in Section 4.01 of the Restated Credit Agreement have been satisfied (such date, the "Effective Date"). Notwithstanding any other provisions of this Agreement or the Restated Credit Agreement to the contrary, the Administrative Agent may appoint a fronting lender to act as the sole New Lender for purposes of facilitating funding on the Effective Date. Accordingly, any signature page submitted by or on behalf of a New Lender other than such fronting lender will be deemed ineffective unless accepted by the Administrative Agent in its sole discretion.

SECTION 6. Effect on the Loan Documents; Miscellaneous. Except as expressly provided herein or in the Restated Credit Agreement, all of the terms and provisions of the Existing Credit Agreement and the other Loan Documents are and shall remain in full force and effect. This Agreement shall constitute a Loan Document for all purposes of the Restated Credit Agreement and the other Loan Documents. Provisions of this Agreement are deemed incorporated into the Restated Credit Agreement as if fully set forth therein. It is the intent of the parties hereto, and the parties hereto agree, that this Agreement shall not constitute a novation of the Existing Credit Agreement, any other Loan Document or any of the rights, obligations or liabilities thereunder, and shall not serve to discharge or release any Lien under the Loan Documents.

SECTION 7. Reaffirmation. Each of the Loan Parties hereby:

(a) consents to this Agreement and the transactions related thereto and hereby confirms its guarantees, pledges, grants of security interests, acknowledgments, obligations and consents under the Security Agreement and the other Security Documents and Loan Documents to which it is a party and agrees that notwithstanding the effectiveness of this Agreement and the consummation of the transactions related thereto, such guarantees, pledges, grants of security interests, acknowledgments, obligations and consents shall be, and continue to be, in full force and effect;

(b) ratifies the Security Documents and the other Loan Documents to which it is a party;

(c) confirms that all of the Liens and security interests created and arising under the Security Documents remain in full force and effect on a continuous basis, unimpaired, uninterrupted and undischarged, and having the same perfected status and priority as collateral security for the Obligations, in each case as existed prior to giving effect to this Agreement;

(d) agrees that each of the representations and warranties made by each Loan Party in the Security Documents is true and correct as to it in all material respects on and as of the date hereof (unless any such representation or warranty expressly relates to a given date, in which case such representation or warranty was true and correct in all material respects as of such given date); and

(e) agrees that it shall take any action reasonably requested by the Administrative Agent in order to confirm or effect the intent of this Agreement.

SECTION 8. Tranche B Term Loans.

(a) Subject to the terms and conditions set forth herein (i) each Continuing Term Lender that elected “Cashless Settlement Option” agrees to continue all of its Existing Term Loans as a Tranche B Term Loan on the Effective Date in a principal amount equal to such Continuing Term Lender’s Tranche B Term Loan Commitment (as defined below), by cashless settlement as set forth in such Continuing Lender’s Lender Election and (ii) each Continuing Term Lender that elected “Assignment Settlement Option” agrees to have all of its Existing Term Loans repaid on the Effective Date, and to purchase by assignment Tranche B Term Loans in a principal amount equal to such Continuing Term Lender’s Tranche B Term Loan Commitment. Each such Continued Term Loan shall be deemed to be made pursuant to, and in accordance with, Section 2.01 of the Restated Credit Agreement.

(b) Each New Lender will make New Loans on the Effective Date by making available to the Administrative Agent, in the manner contemplated by Section 2.01 of the Restated Credit Agreement, an amount in U.S. dollars equal to its Tranche B Term Loan Commitment.

(c) The “Tranche B Term Loan Commitment” of any (i) Continuing Term Lender will be the amount of its Existing Term Loans as set forth in the Register of the Existing Credit Agreement as of the Effective Date (or such lesser amount as notified to such Lender by the Administrative Agent prior to the Effective Date), which shall be (x) continued as an equal amount of Tranche B Term Loans for Continuing Term Lenders that elect a cashless settlement option or (y) repaid on the Effective Date for Continuing Term Lenders that elect an assignment settlement option with Tranche B Term Loans in an equal amount repurchased by assignment, in each case, as set forth on Schedule 2.01, as amended hereby and (ii) New Lender will be such amount (not exceeding any commitment offered by such New Lender) allocated to it by the Administrative Agent and set forth on Schedule 2.01, as amended hereby. The commitments of the New Lenders, the continuation undertakings of the Continuing (Cashless) Term Lenders and the purchase by assignment undertakings of Continuing (Assignment) Term Lenders are several, and no such Lender will be responsible for any other such Lender’s failure to acquire by continuation, make or purchase by assignment its Tranche B Term Loan.

(d) In connection with the continuation and funding of the Tranche B Term Loans on the Effective Date, all accrued and unpaid principal, interest, fees and other amounts owing under the Existing Credit Agreement immediately prior to the Effective Date shall be paid, repaid or replaced, as the case may be, in full by the Tranche B Term Loans.

(e) The cashless and assignment settlements of Continued Term Loans may be implemented pursuant to other procedures specified by the Administrative Agent. For the avoidance of doubt, the Lenders hereby acknowledge and agree that, at the sole option of the Administrative Agent, any Lender with Existing Term Loans that are prepaid as contemplated hereby shall, automatically upon receipt of the amount necessary to purchase such Lender’s Existing Term Loans so replaced, at par, and pay all accrued interest thereon, be deemed to have assigned such Loans pursuant to a form of Assignment and Acceptance and, accordingly, no other action by the Lenders, the Administrative Agent or the Loan Parties shall be required in connection therewith.

SECTION 9. Expenses. The Borrower shall pay and reimburse the Administrative Agent for all reasonable out-of-pocket expenses incurred in connection with the preparation and delivery of this Agreement, including, without limitation, the reasonable fees and disbursements of one counsel to the Administrative Agent in each applicable jurisdiction.

SECTION 10. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission (e.g., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 11. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

- (d) all references herein to Articles, Sections, Exhibits, Schedules, recitals and the preamble shall be deemed references to Articles and Sections of, and Exhibits, Schedules, recitals and the preamble to, this Agreement unless the context shall otherwise require;
- (e) the term “or” is not exclusive;

(f) except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that (i) if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Effective Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith and (ii) notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to any election under Accounting Standards Codification 825-10-25, or any successor thereto, to value any Indebtedness of the Parent or any Subsidiary at “fair value”, as defined therein;

(g) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties (whether real or personal), including cash, Equity Interests, securities, revenues, accounts, leasehold interests and contract rights;

(h) references to agreements or other contractual obligations shall, unless otherwise specified, be deemed to refer to such agreements or contractual obligations as amended, supplemented, restated or otherwise modified from time to time (subject to any applicable restrictions in the Loan Documents);

(i) unless otherwise indicated, all references to the time of a day in a Loan Document shall refer to New York, New York time; and

(j) all *pro forma* computations required to be made hereunder giving effect to any Specified Transaction, Permitted Acquisition or other transaction (i) shall be calculated after giving *pro forma* effect thereto (and, in the case of any *pro forma* computations made hereunder to determine whether such Specified Transaction, Permitted Acquisition or other transaction is permitted to be consummated hereunder, to any other such transaction consummated since the first day of the period covered by any component of such *pro forma* computation and on or prior to the date of such computation) as if such transaction had occurred on the first day of the period of four consecutive Fiscal Quarters ending with the most recent Fiscal Quarter for which financial statements shall have been delivered pursuant to Section 5.04(a) or 5.04(b) (or, prior to the delivery of any such financial statements, ending with the last Fiscal Quarter included in the unaudited financial statements referred to in Section 3.06(b)), and, to the extent applicable, to the historical earnings and cash flows associated with the assets acquired or disposed of and any related incurrence or reduction of Indebtedness, all in accordance with Article 11 of Regulation S-X under the Securities Act, and (ii) in the case of any Acquisition, may reflect *pro forma* adjustments for cost savings and synergies (net of continuing associated expenses) to the extent such cost savings or synergies, as the case may be, have been realized or are reasonably expected to be realized within 365 days following such Acquisition, provided that (A) the Parent and the Borrower shall have delivered to the

Administrative Agent a certificate of the chief financial officer of the Parent and the Borrower, in form and substance reasonably satisfactory to the Administrative Agent, certifying that such cost savings or synergies meet the requirements set forth in this clause (ii), together with reasonably detailed evidence in support thereof, (B) any adjustment to EBITDA for any period of four consecutive Fiscal Quarters of the Parent as a result of such cost savings or synergies shall be subject to the Aggregate Cap and (C) if any cost savings or synergies included in any *pro forma* calculations based on the expectation that such cost savings or synergies will be realized within 365 days following such acquisition shall at any time cease to be reasonably expected to be so realized within such period, then on and after such time *pro forma* calculations required to be made hereunder shall not reflect such cost savings or synergies. If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Hedge Agreement applicable to such Indebtedness if such Hedge Agreement has a remaining term in excess of 12 months).

Section 1.03 Classification of Loans and Borrowings. For purposes of this Agreement, Loans and Borrowings may be classified and referred to by Class (e.g., a “Term Loan” or “Term Borrowing”) or by Type (e.g., a “Eurodollar Loan” or “Eurodollar Borrowing”) or by Class and Type (e.g., a “Eurodollar Term Loan” or “Eurodollar Term Borrowing”).

Section 1.04 Limited Condition Transaction. Solely for the purpose of (i) measuring, testing availability under, or determining compliance with any provision that requires the calculation of, any applicable ratios and baskets (including, for the avoidance of doubt, any basket measured as a percentage of IKE-Adjusted EBITDA or consolidated total assets and, for the avoidance of doubt including with respect to the incurrence of any Indebtedness (including any Incremental Term Commitments or Incremental Term Loans), Liens, the making of any Acquisitions or other Investments, Restricted Payments, prepayments of subordinated or junior Indebtedness, asset sales, fundamental changes or the designation or redesignation of any Restricted Subsidiaries or Unrestricted Subsidiaries, in each case, in connection with a Limited Condition Transaction) or (ii) determining compliance with the representations and warranties or the occurrence of any Default or Event of Default, in each case, in connection with a Limited Condition Transaction, if the Borrower makes a LCT Election, the applicable date of determination in determining whether any such acquisition (or similar investment) is permitted shall be deemed to be the LCT Test Date, and if, after giving effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith as if they had occurred as of the applicable date of determination, ending prior to the LCT Test Date on a *pro forma* basis, the Borrower could have taken such action on the relevant LCT Test Date in compliance with any such ratio, basket or other requirements, such ratio, basket or other requirements shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the financial ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such financial ratio or basket (including fluctuations of the target of any Limited Condition Transaction) solely as a result of fluctuations in IKE-Adjusted EBITDA or consolidated total assets (as opposed to any incurrence, Disposition or Restricted Payment) or currency exchange rates, at or prior to the consummation of the relevant transaction or action, such baskets or financial ratios will not be deemed to have been exceeded as a result of such

fluctuations. If the Borrower has made a LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket (other than in connection with availability to make a Restricted Payment) on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated and tested on a *pro forma* basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of debt and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated.

ARTICLE II. THE CREDITS

Section 2.01 Commitments. Subject to the terms and conditions set forth herein, each Lender severally agrees to make Tranche B Term Loans in Dollars to the Borrower, in each case on the Effective Date, in an aggregate principal amount that will not result in (i) such Lender's Tranche B Term Loans exceeding such Lender's Tranche B Term Commitment or (ii) the aggregate principal amount of all Tranche B Term Loans exceeding the aggregate Tranche B Term Commitments of all Lenders; provided such amount shall be issued with an original issue discount of 0.25% of par. Amounts repaid or prepaid in respect of Tranche B Term Loans may not be re-borrowed.

Section 2.02 Loans and Borrowings Generally.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith.

(c) Each Eurodollar Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than \$1,000,000. Each ABR Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than \$1,000,000. Borrowings of more than one Class and Type may be outstanding at the same time; provided that there shall not at any time be more than a total of six (6) Eurodollar Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Eurodollar Borrowing if the Interest Period requested therefor would end after the Maturity Date applicable thereto.

Section 2.03 Requests for Borrowings.

(a) To request a Tranche B Term Loan Borrowing on the Effective Date, or any Incremental Term Loan on the effective date of the applicable Incremental Facility Agreement, the Borrower shall notify the Administrative Agent of such request by delivering by hand or telecopy to the Administrative Agent, a written Borrowing Request signed by the Borrower (i) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of the proposed Borrowing or (ii) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of the proposed Borrowing.

(b) Each such Borrowing Request shall be irrevocable and delivery thereof shall be confirmed promptly by telephone to the Administrative Agent. The written (including by email) and telephonic Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (iv) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto; and
- (v) the account to which the proceeds of such Borrowing are to be disbursed (if applicable) or other applicable account information.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of the Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 [Reserved].

Section 2.05 [Reserved].

Section 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds, in Dollars, by 12:00 noon, New York City time, to the account of the Administrative Agent designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to the account or accounts of the Borrower designated by the Borrower in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.06 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (x) the Federal Funds Effective Rate and (y) a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to ABR Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.07 Interest Elections.

(a) The Loans comprising each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing as a Borrowing of the same Type and, in the case of a Eurodollar Borrowing, may elect the Interest Period therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election by delivering a written Interest Election Request by hand, telecopy or email by the time that the Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be confirmed promptly by telephone.

(c) Each telephonic and written (including by email) Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) each Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election.

If any such Interest Election Request made by the Borrower requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period, the Borrower shall be deemed to have continued such Borrowing as a Eurodollar Borrowing having a one-month Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default under clause (g) or (h) of Section 7.01 has occurred and is continuing with respect to the Parent or the Borrower, or if any other Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of a Majority in Interest of Lenders of any Class, so notifies the Borrower, then, so long as such Event of Default is continuing, (A) no outstanding Borrowing of such Class may be converted to or continued as a Eurodollar Borrowing and (B) unless repaid, each Eurodollar Borrowing of such Class shall automatically be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.08 Termination of Commitments. The Tranche B Term Commitments shall automatically terminate at 5:00 p.m., New York City time, on the Effective Date.

Section 2.09 Repayment of Loans Generally; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender, the then unpaid principal amount of each Term Loan on such dates and in such amounts as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice records evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent, on behalf of the Borrower, shall maintain a register (the “Register”) in which it shall record (i) the names and addresses of the Lenders and the Commitments of each Lender, (ii) the amount of each Loan made hereunder, the Class and Type thereof and each Interest Period applicable thereto, (iii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iv) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof.

(d) The entries made in the records maintained pursuant to paragraph (b) or (c) of this Section 2.09 shall be prima facie evidence of the existence and amounts of the obligations recorded therein, and shall be conclusive absent manifest error; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. The Borrower and the Lender Parties shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender Party at any reasonable time and from time to time upon reasonable prior notice.

(e) Any Lender may request that Loans of any Class made by it to the Borrower be evidenced by a promissory note substantially in the form of Exhibit E. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the applicable form. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or to such payee and its registered assigns).

Section 2.10 Repayment of Loans; Application of Prepayments.

(a) Subject to adjustment pursuant to paragraph (c) or (d) of this Section 2.10, the Borrower shall repay outstanding Tranche B Term Loans in consecutive quarterly installments on each Quarterly Date (commencing on September 30, 2018) in a principal amount equal to (i) \$600,000,000 multiplied by (ii) 0.25%, with the remainder payable on the Tranche B Term Maturity Date. The Borrower shall repay Incremental Term Loans of any Series in such amounts and on such date or dates as shall be specified therefor in the Incremental Facility Agreement establishing the Incremental Term Commitments of such Series (as such amounts may be adjusted pursuant to paragraph (c) of this Section or pursuant to such Incremental Facility Agreement).

(b) To the extent not previously paid, (i) all Tranche B Term Loans shall be due and payable on the Tranche B Term Maturity Date and (ii) all Incremental Term Loans of any Series shall be due and payable on the Incremental Term Maturity Date applicable thereto.

(c) Voluntary prepayments of the Term Loans made pursuant to Section 2.11(a) shall be applied as directed by the Borrower to the remaining amortization payments. Mandatory prepayments of the Term Loans made pursuant to Section 2.11(b) or otherwise shall be applied *pro rata* to the remaining amortization payments. Voluntary and mandatory prepayments of Term Loans may not be re-borrowed.

(d) Prior to any voluntary repayment of any Borrowing of any Class hereunder, the Borrower shall select the Borrowing or Borrowings of the applicable Class to be prepaid in the notice of such prepayment delivered pursuant to clause (e) of this Section.

(e) The Borrower shall notify the Administrative Agent in writing of any prepayment hereunder by delivering to the Administrative Agent a notice in the form of Exhibit J not later than 12:00 noon, New York City time, (i) in the case of an ABR Borrowing, one Business Day before the date of such repayment and (ii) in the case of a Eurodollar Borrowing, three Business Days before the date of such repayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of prepayment of Term Borrowings pursuant to paragraph (a) of this Section may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Voluntary and mandatory repayments of Borrowings shall be accompanied by accrued interest on the amount repaid and, in the case of prepayments of Eurodollar Borrowings, any amounts payable pursuant to Section 2.16.

Section 2.11 Prepayment of Loans.

(a) Voluntary Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty (but subject to clause (c) below and Section 2.16), in an aggregate principal amount that is (i) in the case of an ABR Borrowing, an integral multiple of \$100,000 and not less than \$1,000,000 or, if less, the amount outstanding or (ii) in the case of a Eurodollar Borrowing, an integral multiple of \$500,000 and not less than \$3,000,000 or, if less, the amount outstanding, in each case subject to prior notice in accordance with Section 2.10(e).

(b) Mandatory Prepayments. The Borrower shall make the following mandatory prepayments:

(i) [Reserved].

(ii) No later than the fifth Business Day following the date of receipt by the Parent or any Restricted Subsidiary of any Net Recovery Proceeds exceeding \$1,000,000, the Borrower shall apply all such Net Recovery Proceeds (A) first, to the redemption or repurchase of the outstanding Bonds and (B) second, to the prepayment of

Term Loans in accordance with Section 2.10(c) (provided that the Borrower may apply a portion of the Net Recovery Proceeds to be applied in accordance with this clause (B) to redeem or repurchase Permitted First Lien Refinancing Debt in an amount not to exceed the Specified Redemption Amount); provided, that, in the case of any Recovery Event (other than any Recovery Event in respect of a Total Loss), if the Borrower shall, prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer of the Borrower to the effect that the Borrower intends to cause the Net Recovery Proceeds with respect to such Recovery Event (or a portion of such Net Recovery Proceeds specified in such certificate) to be applied within 365 days after receipt of such Net Recovery Proceeds to acquire real property, equipment or other tangible long-term assets to be used in the business of the Borrower or the other Restricted Subsidiaries or to demolish, repair or restore the real property or equipment damaged as a result of a casualty, then no prepayment shall be required pursuant to this paragraph in respect of such Net Recovery Proceeds (or the portion of such Net Recovery Proceeds specified in such certificate, if applicable) except to the extent of any such Net Recovery Proceeds that have not been so applied by the end of such 365 day period (or within a period of 545 days after receipt of such Net Recovery Proceeds if by the end of such initial 365 day period the Borrower or one or more other Restricted Subsidiaries shall have entered into an agreement with a third party to acquire such real property, equipment or other tangible long-term assets with such Net Recovery Proceeds), at which time a prepayment shall be required in an amount equal to such Net Recovery Proceeds that have not been so applied.

(iii) No later than the fifth Business Day following the date of receipt by the Parent or any Restricted Subsidiary of any Net Sale Proceeds exceeding \$1,000,000, the Borrower shall apply all such Net Sale Proceeds (A) first, to the redemption or repurchase of the outstanding Bonds and (B) second, to the prepayment of the Term Loans in accordance with Section 2.10(c) (provided that the Borrower may apply a portion of the Net Sale Proceeds to be applied in accordance with this clause (B) to redeem or repurchase Permitted First Lien Refinancing Debt in an amount not to exceed the Specified Redemption Amount); provided that, in the case of any Asset Sale, if the Borrower shall, prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer of the Borrower to the effect that the Borrower intends to cause the Net Sale Proceeds with respect to such Asset Sale (or a portion of such Net Sale Proceeds specified in such certificate) to be applied within 365 days after receipt of such Net Sale Proceeds to acquire real property, equipment or other tangible long-term assets to be used in the business of the Borrower or the other Restricted Subsidiaries, or to consummate any Permitted Acquisition permitted hereunder, then no prepayment shall be required pursuant to this paragraph in respect of such Net Sale Proceeds (or the portion of such Net Sale Proceeds specified in such certificate, if applicable) except to the extent of any such Net Sale Proceeds that have not been so applied by the end of such 365 day period (or within a period of 545 days after receipt of such Net Sale Proceeds if by the end of such initial 365 day period the Borrower or one or more other Restricted Subsidiaries shall have entered into an agreement with a third party to acquire such real property, equipment or other tangible long-term assets, or to consummate such Permitted Acquisition, with such Net Sale Proceeds), at which time a prepayment shall be required in an amount equal to such Net Sale Proceeds that have not been so applied.

(iv) No later than the first Business Day following the date of receipt by the Parent or any Restricted Subsidiary of any Net Issuance Proceeds from the incurrence of any Indebtedness of the Parent, the Borrower or any other Restricted Subsidiary (other than with respect to any Indebtedness permitted to be incurred by Section 6.02), the Borrower shall apply such Net Issuance Proceeds to the redemption, repurchase or prepayment, as applicable, on a *pro rata* basis, of (A) the outstanding Bonds and (B) Term Loans in accordance with Section 2.10(c).

(c) Call Protection. In the event that all or any portion of the Tranche B Term Loans are (i) prepaid through any voluntary prepayments, (ii) prepaid pursuant to Section 2.11(b)(iv) or (iii) repriced (including pursuant to any amendment, waiver or consent with respect to this Agreement) (in each case, in connection with (A) any amendment, waiver or consent with respect to this Agreement directed at, or the result of which would be, the lowering of the effective interest cost or the Weighted Average Yield of the Tranche B Term Loans (or portion thereof) or (B) the incurrence of any Indebtedness having an effective interest cost or Weighted Average Yield that is less than the effective interest cost or Weighted Average Yield of the Tranche B Term Loans (or portion thereof) so prepaid or repriced (a “Repricing Transaction”)) occurring on or prior to the date that is six months after the Effective Date, such prepayment or repricing will be made at 101.0% of the principal amount so prepaid or repriced. If all or any portion of the Tranche B Term Loans held by any Lender are effectively prepaid, refinanced or replaced pursuant to Section 2.19 as a result of, or in connection with, such Lender not agreeing or otherwise consenting to any amendment, waiver, or consent referred to in clause (iii) above (or otherwise in connection with a Repricing Transaction) occurring on or prior to the date that is six months after the Effective Date, such effective prepayment, refinancing or replacement of the Tranche B Term Loans of such Lender will be made at 101.0% of the principal amount of such Tranche B Term Loans so prepaid, refinanced or replaced.

Section 2.12 Fees.

(a) The Borrower agrees to pay to (i) the Administrative Agent, for its own account, its fees payable in the amounts and at the times set forth in the Engagement Letter and (ii) the Collateral Agent, for its own account, its fees payable in the amounts and at the times separately agreed upon among the Parent, the Borrower and the Collateral Agent (such fees, the “Agent Fees”).

(b) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent or the Collateral Agent, as applicable. Fees paid shall not be refundable under any circumstances.

Section 2.13 Interest.

(a) The Borrower shall pay interest on the unpaid principal amount of each ABR Loan made to the Borrower at a rate *per annum* equal to the Alternate Base Rate plus the Applicable Margin.

(b) The Borrower shall pay interest on the unpaid principal amount of each Eurodollar Loan made to the Borrower at a rate *per annum* equal to the Adjusted LIBO Rate for the Interest Period in effect for such Eurodollar Loan plus the Applicable Margin.

(c) Notwithstanding the foregoing, upon the occurrence and during the continuance of any Event of Default, all overdue principal, overdue interest, overdue fees and other overdue amounts shall thereafter bear interest (including post-petition interest in any proceeding under the U.S. Bankruptcy Code or other applicable bankruptcy laws) payable on demand at a rate *per annum* equal to (i) in the case of overdue principal of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other amount, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.13; provided that, in the case of overdue Eurodollar Loans of any Class, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective, if the Administrative Agent, at the written request (including a request through electronic means) of a Majority in Interest of Lenders of such Class, shall have so notified the Borrower, then such Eurodollar Loans shall thereupon become ABR Loans and shall thereafter bear interest payable upon demand at a rate which is 2.00% *per annum* in excess of the interest rate otherwise payable hereunder for ABR Loans. Payment or acceptance of the increased rates of interest provided for in this clause (c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

(d) Accrued interest on each Loan shall be payable by the Borrower in arrears (i) on each Interest Payment Date for such Loan and (ii) on the Maturity Date applicable thereto, provided that (A) interest accrued pursuant to paragraph (c) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) Each payment of interest on Loans of any Class by the Borrower shall be made for account of the relevant Lenders *pro rata* in accordance with the amounts of interest on Loans of such Class then due and payable to the respective Lenders.

Section 2.14 Alternate Rate of Interest. Subject to clause (c) below, if prior to the commencement of any Interest Period for a Eurodollar Borrowing of any Class:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by a Majority in Interest of Lenders of the applicable Class of Loans that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period,

then the Administrative Agent shall give written notice thereof to the Borrower and the Lenders of such Class as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and such Lenders in writing that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing of such Class to, or the continuation of any Borrowing of such Class as, a Eurodollar Borrowing shall be ineffective and such Borrowing shall be converted to an ABR Borrowing on the last day of the Interest Period applicable thereto, and (ii) if the Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing or shall be made as a Borrowing bearing interest at such rate as the Required Lenders shall agree adequately reflects the costs to the applicable Lenders of making the Loans comprising such Borrowing.

(c) Notwithstanding anything to the contrary in this Agreement or any of the other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error) or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to Borrower) that the Borrower or Required Lenders, as applicable, have determined, that:

(i) adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for any requested Interest Period, including because the applicable screen rate is not available or published on a current basis and such circumstances are unlikely to be temporary,

(ii) ICE (or its successor) or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Adjusted LIBO Rate or the applicable screen rate shall no longer be made available, or used for determining the interest rate of loans (the "Scheduled Unavailability Date"), or

(iii) syndicated credit facilities currently being entered into or amended, or that include language similar to that contained in this Section are being entered into or amended, are incorporating or adopting a new benchmark interest rate to replace the Adjusted LIBO Rate;

then, in each case, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace Adjusted LIBO Rate with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then existing

convention for similar syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “LIBO Successor Rate”), together with any proposed LIBO Successor Rate Conforming Changes and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to the Lenders and the Borrower unless, prior to such time, the Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment.

If no LIBO Successor Rate has been determined and the circumstances under clause (c)(x) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain Eurodollar Loans shall be suspended (to the extent of the affected Eurodollar Loans or Interest Periods) and (ii) the LIBO Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Loans (to the extent of the affected Eurodollar Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans (subject to the foregoing clause (ii)) in the amount specified therein.

Notwithstanding anything else herein, if any LIBO Successor Rate shall be less than zero, such rate shall be deemed to be zero for purposes of this Agreement.

Section 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining, continuing or converting to any Eurodollar Loan (or of maintaining its obligation to make any such Loan), to increase the cost to such Lender or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), in each case by an amount reasonably determined by such Lender to be material, then the Borrower will pay to such Lender, such additional amount or amounts as will compensate such Lender, for such additional costs incurred or reduction suffered.

(b) If any Lender determines in good faith and in its reasonable discretion that any Change in Law regarding capital or liquidity requirements, funding costs or otherwise has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), in each case by an amount reasonably determined by such Lender to be material, then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; and provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice is permitted to be revocable under Section 2.10(e) and is revoked in accordance herewith) or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event; provided that such Lender notifies the Borrower of such loss, cost or expense within 180 days of the incurrence thereof. Such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurodollar Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which

would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16, together with a calculation of such amount or amounts (the form of which is reasonably acceptable to the Administrative Agent), shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17 Taxes.

(a) Except as otherwise required by Governmental Rule, any and all payments by or on account of any Obligation shall be made free and clear of and without deduction or withholding for or on account of any Taxes; provided that, if by Governmental Rule any Taxes are required to be deducted or withheld from any such payments, then (i) the applicable Loan Party shall make such deductions or withholdings, (ii) the applicable Loan Party shall timely pay or cause to be paid the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Governmental Rule and (iii) to the extent that such Taxes consist of Indemnified Taxes, the sum payable by or on behalf of the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings of Indemnified Taxes applicable to additional sums payable under this Section 2.17(a)) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, the Borrower shall timely pay or cause to be paid any Other Taxes to the relevant Governmental Authority in accordance with applicable Governmental Rule.

(c) The Borrower shall indemnify or cause to be indemnified each Lender Party, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes payable or paid by such Lender Party (other than any penalties and interest resulting from gross negligence or willful misconduct, as determined by a final non-appealable judgment of the highest court of competent jurisdiction, of such Lender Party and without duplication of any amounts indemnified under Section 2.17(a)) (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17(c)) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability and setting forth in reasonable detail the calculation for such payment or liability delivered to the Borrower by a Lender Party, or by the Administrative Agent on its own behalf or on behalf of a Lender Party, shall be conclusive absent manifest error of such Lender Party or the Administrative Agent; provided that the Borrower shall not be required to compensate a Lender Party pursuant to this Section 2.17 for any Indemnified Taxes unless such Lender Party requests compensation from the Borrower not later than 365 days after the earlier of (i) the date on which the relevant Governmental Authority makes written demand upon such Lender Party for payment of such Indemnified Taxes, and (ii) the date on which such Lender Party has made payment of such Indemnified Taxes.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by or on behalf of the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

- i. in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party
- (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and
- (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

ii. executed originals of IRS Form W-8ECI;

iii. in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Non-U.S. Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E; or

iv. to the extent a Non-U.S. Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and

the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Recipient agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (f).

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) For purposes of this Section 2.17, the term “Governmental Rule” includes FATCA.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof, and any such payments not so distributed by the Administrative Agent within one Business Day of receipt thereof shall bear interest at a rate equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, which shall be payable by the Administrative Agent. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of (A) principal or interest in respect of any Loan or (B) any other amount due hereunder or under any other Loan Document shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, call premium, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and call premium then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and call premium and then due to such parties.

(c) Except to the extent otherwise provided herein: (i) each Borrowing of a particular Class shall be made from the relevant Lenders *pro rata* according to the amounts of their respective Commitments of such Class; (ii) each Borrowing of any Class shall be allocated *pro rata* among the relevant Lenders according to the amounts of their respective Commitments of such Class (in the case of the making of Loans) or their respective Loans of such Class that are to be included in such Borrowing (in the case of conversions and continuations of Loans); (iii) each payment or prepayment of principal of Tranche B Term Loans and Incremental Term

Loans of any Series by the Borrower shall be made for the account of the relevant Lenders *pro rata* in accordance with the respective unpaid principal amounts of the Loans of such Class held by them; and (iv) each payment of interest on Tranche B Term Loans and Incremental Term Loans of any Series by the Borrower shall be made for the account of the relevant Lenders *pro rata* in accordance with the amounts of interest on such Loans then due and payable to the respective Lenders.

(d) If any Lender shall, by exercising any right of set-off or counterclaim, through the application of any proceeds of Collateral or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their Loans; provided that (A) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (B) the provisions of this paragraph (d) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of, or sale of a participation in, any of its Loans to any assignee or participant, other than to the Borrower (as to which the provisions of this paragraph (d) shall apply (other than in the case of any payment made by the Borrower for the purchase of Term Loans pursuant to Section 9.04(f))). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of (i) the Federal Funds Effective Rate and (ii) a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(b) or 2.18(e), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (iii) any Lender exercises its rights under Section 2.20, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17 or eliminate such Lender's need to exercise rights under Section 2.20, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any such Lender in connection with the process of making any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender exercises its rights under Section 2.20, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.04), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (A) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 9.04, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and, if applicable, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (D) such assignment does not conflict with applicable law. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(c) If (i) any Lender has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent or (ii) any Lender has failed to consent to one or more Permitted Amendments set forth in any Loan Modification Offer (each such Lender, a "Non-Consenting Lender"), then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans and Commitments to one or more assignees; provided that (a) any such Non-Consenting Lender must be replaced with a Lender that grants the applicable consent, (b) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment and (c) the replacement Lender shall

purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. In connection with any such assignment, the Borrower, the Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04.

(d) Each Lender agrees that, if the Borrower shall have replaced such Lender in accordance with this Section 2.19, then such Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence the assignment of all of its interests, rights and obligations under this Agreement and deliver to the Administrative Agent any promissory note(s) evidencing the Loans assigned pursuant to such Assignment and Assumption; provided that the failure of any Lender replaced pursuant to this Section 2.19 to execute an Assignment and Assumption or deliver such promissory notes shall not render the related assignment invalid and such assignment shall be recorded in the Register and such promissory notes shall be deemed cancelled. Each Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, from time to time in the Administrative Agent's discretion, with prior written notice to such Lender, to take any action and to execute any such Assignment and Assumption or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (d).

Section 2.20 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Effective Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurodollar Loans, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurodollar Loans or to convert ABR Borrowings to Eurodollar Borrowings, as the case may be, shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), convert all such Eurodollar Borrowings of such Lender to ABR Borrowings, on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such conversion, the Borrower shall pay accrued interest on the amount so converted.

Section 2.21 [Reserved].

Section 2.22 Incremental Facilities. (a) The Borrower may on one or more occasions, by written notice to the Administrative Agent, request the establishment of Incremental Term Commitments, provided that, subject to calculation adjustments set forth in Section 1.04 with respect to any Incremental Facility being incurred in connection with a Limited Condition Transaction, the aggregate amount of all the Incremental Term Commitments established at any time shall not exceed the Permitted Incremental Amount at such time. Each such notice shall specify (A) the date on which the Borrower proposes that the Incremental Term Commitments shall be effective, which shall be a date not less than 10 Business Days (or such shorter period as may be agreed to by the Administrative Agent) after the date on which such notice is delivered to the Administrative Agent and (B) the amount of the Incremental Term Commitments being

requested (it being agreed that (x) any Lender approached to provide any Incremental Term Commitment may elect or decline, in its sole discretion, to provide such Incremental Term Commitment (and any such Lender that fails to respond to such approach shall be deemed to have declined to provide such Incremental Term Commitment, as the case may be)) and (y) any Person that the Borrower proposes to become an Incremental Term Lender, if such Person is not then a Lender, an Affiliate of a Lender or an Approved Fund must be an Eligible Assignee and must be reasonably acceptable to the Administrative Agent. The terms and conditions of any Incremental Term Commitments and the Incremental Term Loans to be made thereunder shall be, except as otherwise set forth herein or in the applicable Incremental Facility Agreement, identical to those of the Tranche B Term Commitments and the Tranche B Term Loans; provided that (i) if the Weighted Average Yield applicable to any Incremental Term Loans incurred within twelve (12) months after the Effective Date exceeds by more than 0.50% *per annum* the applicable Weighted Average Yield payable pursuant to the terms of this Agreement with respect to Tranche B Term Loans, then the Applicable Margin then in effect for Tranche B Term Loans shall automatically be increased to a level such that the Weighted Average Yield with respect to the Tranche B Term Loans is 0.50% *per annum* below the Weighted Average Yield with respect to such Incremental Term Loans, (ii) the weighted average life to maturity of any Incremental Term Loans shall be no shorter than the remaining weighted average life to maturity of the Tranche B Term Loans, (iii) no Incremental Term Maturity Date shall be earlier than the Tranche B Term Maturity Date, (iv) no Incremental Facility shall be guaranteed by any person that is not a Subsidiary Loan Party or otherwise a guarantor under the Guaranty Agreement and (v) each Incremental Facility will be secured by the same Collateral securing the Tranche B Term Loans and, as determined by the Borrower (i) rank *pari passu* or junior with the Tranche B Term Loans in right of payment and (ii) be secured by the Collateral on either a *pari passu* or junior basis with the Tranche B Term Loans (and to the extent subordinated in right of payment and/or security, subject to customary subordination and/or intercreditor documentation, as applicable). Any Incremental Term Commitments established pursuant to an Incremental Facility Agreement that have identical terms and conditions, and any Incremental Term Loans made thereunder, shall be designated as a separate series (each a “Series”) of Incremental Term Commitments and Incremental Term Loans for all purposes of this Agreement.

(b) The Incremental Term Commitments shall be effected pursuant to one or more Incremental Facility Agreements executed and delivered by the Parent, the Borrower, each Incremental Term Lender providing such Incremental Term Commitments and the Administrative Agent; provided that no Incremental Term Commitments shall become effective unless (i) no Default or Event of Default shall have occurred and be continuing on the date of effectiveness thereof, both immediately prior to and immediately after giving effect to such Incremental Term Commitments and the making of Loans thereunder to be made on such date (or, in the case that the proceeds of such Incremental Facility are being used to finance a Limited Condition Transaction, no Event of Default under Sections 7.01(b), 7.01(c), 7.01(g) and 7.01(h) shall have occurred and be continuing on the LCT Test Date), (ii) on the date of effectiveness thereof, the representations and warranties set forth in Article III hereof and in the other Loan Documents (or, in the case that the proceeds of such Incremental Facility are being used to finance a Limited Condition Transaction, the Specified Representations (conformed as necessary to apply only to such Permitted Acquisition and the acquired business or assets; it being understood that, for this purpose, any reference to “Material Adverse Effect” in the Specified Representations shall be understood to refer to “Material Adverse Effect” or such

similar definition as defined in the main transaction agreement governing such Permitted Acquisition)) shall be true and correct (A) in the case of the representations and warranties or Specified Representations, as applicable, qualified as to materiality, in all respects, and (B) otherwise, in all material respects, in each case on and as of such date, except in the case of any such representation and warranty or Specified Representation, as applicable, that expressly relates to a prior date, in which case such representation and warranty shall be so true and correct on and as of such prior date shall be correct, (iii) [reserved], (iv) the Borrower shall make any payments required to be made pursuant to Section 2.16 in connection with such Incremental Term Commitments and the related transactions under this Section and (v) the Parent and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent in connection with any such transaction. Each Incremental Facility Agreement may, without the consent of any Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section; provided, that for purposes of calculating the "Total Adjusted Net Leverage Ratio" in this clause (b), (i) to the extent the proceeds of any Incremental Facility are intended to be applied to finance a Limited Condition Transaction, at the election of the Borrower, the Total Adjusted Net Leverage Ratio shall instead be tested in accordance with Section 1.04.

(c) Upon the effectiveness of an Incremental Term Commitment of any Incremental Term Lender, such Incremental Term Lender shall be deemed to be a "Lender" (and a Lender in respect of Commitments and Loans of the applicable Class) hereunder, and henceforth shall be entitled to all the rights of, and benefits accruing to, Lenders (or Lenders in respect of Commitments and Loans of the applicable Class) hereunder and shall be bound by all agreements, acknowledgements and other obligations of Lenders (or Lenders in respect of Commitments and Loans of the applicable Class) hereunder and under the other Loan Documents.

(d) [Reserved].

(e) Subject to the terms and conditions set forth herein and in the applicable Incremental Facility Agreement, each Lender holding an Incremental Term Commitment of any Series shall make a loan to the Borrower in an amount equal to such Incremental Term Commitment on the date specified in such Incremental Facility Agreement.

(f) The Administrative Agent shall notify the Lenders promptly upon receipt by the Administrative Agent of any notice from the Borrower referred to in Section 2.22(a) and of the effectiveness of any Incremental Term Commitments, in each case advising the Lenders of the details thereof and of the assignments required to be made pursuant to Section 2.22(e).

Section 2.23 Loan Modification Offers. (a) The Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a "Loan Modification Offer") to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an "Affected Class") to make one or more Permitted Amendments pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower. Such notice shall set forth (i) the terms and conditions of the requested Permitted

Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than 10 Business Days nor more than 30 Business Days after the date of such notice, unless otherwise agreed to by the Administrative Agent). Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “Accepting Lenders”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans and Commitments of such Affected Class as to which such Lender’s acceptance has been made. A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by the Parent, the Borrower, each applicable Accepting Lender and the Administrative Agent; provided that no Permitted Amendment shall become effective unless the Parent and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary’s certificates, officer’s certificates and other documents as shall reasonably be requested by the Administrative Agent in connection therewith. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new “Class” of loans and/or commitments hereunder.

Section 2.24 Refinancing Facilities. (a) The Borrower may, on one or more occasions, by written notice to the Administrative Agent, request the establishment hereunder of one or more additional Classes of term loan commitments (the “Refinancing Term Commitments”) pursuant to which each Person providing such a commitment (a “Refinancing Term Lender”) will make term loans to the Borrower (the “Refinancing Term Loans”). Each such notice shall specify (A) the date on which the Borrower proposes that the Refinancing Term Commitments shall be effective, which shall be a date not less than 10 Business Days (or such shorter period as may be agreed to by the Administrative Agent) after the date on which such notice is delivered to the Administrative Agent and (B) the amount of the Refinancing Term Commitments being requested (it being agreed that (x) any Lender approached to provide any Refinancing Term Commitment may elect or decline, in its sole discretion, to provide such Refinancing Term Commitment (and any such Lender that fails to respond to such approach shall be deemed to have declined to provide such Refinancing Term Commitment, as the case may be)) and (y) any Person that the Borrower proposes to become a Refinancing Term Lender, if such Person is not then a Lender, an Affiliate of a Lender or an Approved Fund must be an Eligible Assignee and must be reasonably acceptable to the Administrative Agent.

(b) The Refinancing Term Commitments shall be effected pursuant to one or more Refinancing Facility Agreements executed and delivered by the Parent, the Borrower, each Refinancing Term Lender providing such Refinancing Term Commitments, the Administrative Agent; provided that no Refinancing Term Commitments shall become effective unless (i) on the date of effectiveness thereof, no Default or Event of Default shall have occurred and be continuing or would result therefrom, (ii) on the date of effectiveness thereof, the representations and warranties set forth in Article III hereof and in the other Loan Documents shall be true and correct (A) in the case of the representations and warranties qualified or modified as to materiality in the text thereof, in all respects and (B) otherwise, in all material respects, in each

case on and as of such date, except in the case of any such representation and warranty that expressly relates to an earlier date, in which case such representation and warranty shall be so true and correct on and as of such earlier date, (iii) the Parent and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent in connection therewith and (iv) (A) substantially concurrently with the effectiveness thereof, the Borrower shall obtain Refinancing Term Loans thereunder and shall repay or prepay then outstanding Term Borrowings of any Class in an aggregate principal amount equal to the aggregate amount of such Refinancing Term Commitments (less the aggregate amount of accrued and unpaid interest with respect to such outstanding Term Borrowings and any reasonable fees, premium and expenses relating to such refinancing) and (B) any such prepayment of Term Borrowings of any Class shall be applied to reduce the subsequent scheduled repayments of Term Borrowings of such Class to be made pursuant to Section 2.10(a) in inverse order of maturity and, in the case of a prepayment of Eurodollar Term Borrowings, shall be subject to Section 2.16.

(c) The Refinancing Facility Agreement shall set forth, with respect to the Refinancing Term Commitments established thereby and the Refinancing Term Loans and other extensions of credit to be made thereunder, to the extent applicable, the following terms thereof: (i) the designation of such Refinancing Term Commitments and Refinancing Term Loans as a new "Class" for all purposes hereof, (ii) the stated termination and maturity dates applicable to the Refinancing Term Commitments or Refinancing Term Loans of such Class, provided that such stated termination and maturity dates shall not be earlier than the latest Maturity Date applicable to Term Loans, (iii) any amortization applicable thereto and the effect thereon of any prepayment of such Refinancing Term Loans, provided that the weighted average life to maturity of any Refinancing Term Loans shall be no shorter than the remaining weighted average life to maturity of the Class of Term Loans then having the longest weighted average life, (iv) the interest rate or rates applicable to the Refinancing Term Loans of such Class, (v) the fees applicable to the Refinancing Term Commitments of such Class, (vi) in the case of any Refinancing Term Loans, any closing fees or original issue discount applicable thereto, (vii) the initial Interest Period or Interest Periods applicable to the Refinancing Term Loans of such Class, (viii) any voluntary or mandatory commitment reduction or prepayment requirements applicable to the Refinancing Term Commitments or Refinancing Term Loans of such Class (which prepayment requirements, in the case of any Refinancing Term Loans, may provide that such Refinancing Term Loans may participate in any mandatory prepayment on a *pro rata* basis with other Term Loans, but may not provide for prepayment requirements that are more favorable to the Lenders holding such Refinancing Term Loans than to the Lenders holding any other Term Loans) and any restrictions on the voluntary or mandatory reductions or prepayments of Refinancing Term Commitments or Refinancing Term Loans of such Class, (ix) [reserved], (x) any financial covenant with which the Parent and the Borrower shall be required to comply (provided that any such financial covenant for the benefit of any Class of Refinancing Term Loans shall also be for the benefit of all other Classes of Loans), (xi) no Refinancing Term Loans shall be guaranteed by any person that is not that is not a Subsidiary Loan Party or otherwise a guarantor under the Guaranty Agreement and (xii) any Refinancing Term Loans will be secured by the same Collateral securing the Tranche B Term Loans and, as determined by the Borrower (A) rank *pari passu* or more junior basis in right of payment as the Term Loans being refinanced and (B) be secured by the Collateral with the same or more junior priority as the Term Loans

being refinanced (and to the extent subordinated in right of payment and/or security, subject to customary subordination and/or intercreditor documentation, as applicable). Except as contemplated by the preceding sentence, the terms of the Refinancing Term Commitments and Refinancing Term Loans shall be substantially the same as, or, taken as a whole, not materially more favorable to the investors providing such Refinancing Term Commitments and Refinancing Term Loans than, the terms of the Tranche B Term Commitments and the Tranche B Term Loans (except for covenants or other provisions applicable only to periods after the latest Maturity Date of the then outstanding Tranche B Term Loans); provided in each case, that a certificate of a Responsible Officer of the Borrower be delivered to the Administrative Agent at least five (5) business days prior to the incurrence of such Refinancing Term Loans, together with a reasonably detailed description of the material terms and conditions of such Refinancing Term Loans or drafts of the Refinancing Facility Amendment and other documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (c) shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent notifies the Borrower within such five (5) business day period that it disagrees with such determination (including a description of the basis upon which it disagrees with such determination). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Facility Agreement. Each Refinancing Facility Agreement may, without the consent of any Lender other than the applicable Refinancing Term Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section, including any amendments necessary to treat the applicable Refinancing Term Commitments and Refinancing Term Loans as a new “Class” of loans and/or commitments hereunder.

ARTICLE III. REPRESENTATIONS AND WARRANTIES

Each of the Parent and the Borrower represents and warrants to each Lender Party that:

Section 3.01 Organization; Power and Authority. Each Group Member (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has all requisite organizational power and authority to own its property and assets and to carry on its business as now conducted, (c) is qualified to do business and is in good standing in each jurisdiction where such qualification is required, except, in the case of the Borrower and the other Restricted Subsidiaries, where the failure to so qualify or be in good standing could not reasonably be expected to have a Material Adverse Effect, and (d) has the organizational power and authority to enter into the Transactions to be entered into by such Group Member.

Section 3.02 Ownership of Equity Interests; Subsidiaries.

(a) The Equity Interests in the Parent and each Restricted Subsidiary have been duly authorized and validly issued and are fully paid and non-assessable. 100% of the Equity Interests in the Borrower are owned, beneficially and of record, directly by the Parent, free and clear of any Lien, the Liens contemplated by the Security Documents and non-consensual Liens permitted under Section 6.01 arising by operation of law. There is no existing option, warrant, call, right, commitment or other agreement to which any Group Member is a

party requiring, and there is no Equity Interest in the Parent or any Restricted Subsidiary outstanding which upon conversion or exchange would require, the issuance of any additional Equity Interests in the Parent or any Restricted Subsidiary or other securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase an Equity Interest in the Parent or any Restricted Subsidiary. As of the Effective Date, the corporate and organizational structure of the direct owners of the Group Members is set forth on Schedule 3.02. The Borrower has delivered to the Administrative Agent and the Lenders a true and complete copy of the HFOTCO Company Agreement (including each amendment, modification or supplement thereto) as in effect on the Effective Date. As of the Effective Date, the Parent is not a party to, or otherwise subject to, any legal, regulatory, contractual or other restriction (other than the Loan Documents, the HFOTCO Company Agreement and the limited liability company agreement of the Parent) that limits or restricts in any manner the right of the Parent to exercise the incidents of ownership of the Equity Interests in the Borrower owned by the Parent, including the right to vote, transfer or encumber such Equity Interests and the rights to exercise any rights or remedies under the HFOTCO Company Agreement relating to such Equity Interests.

(b) As of the Effective Date, (i) the Parent does not have any Subsidiaries (other than the Borrower) and (ii) the Borrower does not have any Subsidiaries.

Section 3.03 Authorization; No Conflict. The Transactions to be entered into by each Loan Party (a) have been duly authorized by all limited liability company, corporate or other organizational action, as applicable, required to be taken or obtained by such Loan Party and (b) will not (i) violate in any material respect (A) any provision of any Legal Requirement, (B) any provision of the HFOTCO Company Agreement or the limited liability agreement or other constitutive documents of such Loan Party, as applicable, or (C) any provision of any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, Organizational Document or any other agreement or instrument to which such Loan Party is a party or by which it or any of its property is or may be bound, (ii) be in conflict in any material respect with, result in a material breach of or constitute (alone or with notice or lapse of time or both) a default under, or give rise to a right of or result in any cancellation or acceleration of any right or obligation (including any payment) or to a loss of a material benefit under, any such indenture, lease, agreement or other instrument, or (iii) result in the creation or imposition of any Lien upon or with respect to any property or assets now owned or hereafter acquired by such Loan Party, other than Liens permitted under Section 6.01.

Section 3.04 Enforceability. This Agreement and each other Loan Document to which any Loan Party is a party have been duly executed and delivered by such Loan Party and constitutes a legal, valid and binding obligation of such Loan Party, enforceable against the such Loan Party in accordance with its terms, subject to (a) the effects of bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 3.05 Governmental Approvals. No action, consent or approval of, registration, filing or declaration with, Permit from, notice to, or any other action by, any Governmental Authority is or will be required in connection with (a) the due execution, delivery and performance by any Loan Party of the Loan Documents to which it is a party, (b) the consummation of the

Transactions or (c) the grant by any Loan Party of the Liens granted or purported to be granted under the Security Documents to which it is a party or the validity, perfection and enforceability thereof or for the exercise by the Collateral Agent of its rights and remedies thereunder, except (i) such as are set forth on Schedule 3.05, (ii) filings necessary to perfect Liens created under the Loan Documents, (iii) such as have been made or obtained and are in full force and effect, (iv) such as may be required under applicable securities laws in connection with any disposition of the Equity Interests included in the Collateral, (v) such as are not required to consummate the Transactions occurring on the Effective Date but are required to be obtained or made after the Effective Date to enable any Loan Party to comply with requirements of any applicable Legal Requirement including those required to maintain the existence and good standing of such Loan Party and (vi) such as those the failure to obtain which could not reasonably be expected to have a Material Adverse Effect.

Section 3.06 Financial Statements. The Borrower has furnished to the Administrative Agent and the Lenders (a) the audited consolidated balance sheet and related statements of income, stockholders' equity and cash flows of the Parent and the Subsidiaries for the 2015, 2016 and 2017 Fiscal Years and (b) the unaudited consolidated balance sheet and related statements of income, stockholders' equity and cash flows of the Parent and the Subsidiaries for the Fiscal Quarter ended March 31, 2018. Such financial statements fairly present in all material respects the financial position of the Parent and the Subsidiaries as of the respective dates thereof and the results of its operations and cash flows for the respective periods then ended and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). As of the Effective Date, neither the Parent nor any Subsidiary has any material liabilities that are required to be disclosed in such financial statements of the Parent and the Subsidiaries for the Fiscal Quarter ended March 31, 2018, in accordance with GAAP, that are not reflected in such unaudited balance sheet (subject, in the case of any interim financial statements, to normal year-end adjustments).

Section 3.07 No Material Adverse Effect. Since December 31, 2017, there has been no change, event or loss affecting any Group Member that has resulted in or would reasonably be expected to result in, individually or in the aggregate, any Material Adverse Effect.

Section 3.08 Title to Properties; Possession Under Leases.

(a) Each Loan Party has good and indefeasible fee simple or valid leasehold title to all of the material properties and owned or leased by it, as the case may be (including all material owned or leased Real Property), in each case free and clear of Liens other than Liens permitted under Section 6.01. All material leases (including all material leases of Real Property) of each Loan Party as tenant are valid and subsisting and are in full force and effect in all material respects.

(b) As of the Effective Date, Schedule 3.08(b) sets forth a complete and accurate list of all Real Property owned in fee simple by the Parent, the Borrower or any other Restricted Subsidiary, showing the street address, county or other relevant jurisdiction, state and record owner thereof.

(c) As of the Effective Date, Schedule 3.08(c) sets forth a complete and accurate list of all leases of Real Property under which the Parent, the Borrower or any other Restricted Subsidiary is the lessee, showing the street address, county or other relevant jurisdiction, state, lessor, lessee, and expiration date thereof.

(d) As of the Effective Date, none of the Parent, the Borrower or any other Restricted Subsidiary (i) has received written notice, or has knowledge, of any pending or contemplated condemnation proceeding affecting any Mortgaged Property or any sale or disposition thereof in lieu of condemnation or (ii) is or could be obligated under any right of first refusal, option or other contractual right to sell, transfer or otherwise dispose of any Mortgaged Property or any interest therein.

Section 3.09 Litigation; Compliance with Laws.

(a) There are no actions, suits, investigations or proceedings at law or in equity or by or on behalf of any Governmental Authority or in arbitration now pending against, or, to the knowledge of the Parent or the Borrower, threatened in writing against or affecting, any of the Group Members or any business, property or rights of any of the Group Members which, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(b) The operations of the Parent, the Borrower and the other Subsidiaries are and have been conducted at all times in material compliance with all applicable financial recordkeeping and reporting requirements, including those of the Bank Secrecy Act, as amended by the U.S.A. Patriot Act, and the applicable anti-money laundering statutes of jurisdictions where the Parent, the Borrower and each other Subsidiary conduct business, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the “Anti-Money Laundering Laws”), and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Parent, the Borrower or any other Subsidiary with respect to the Anti-Money Laundering Laws is pending or, to the best knowledge of the Parent or the Borrower, threatened. The Loan Parties shall, promptly following a request by the Administrative Agent or any Lender, provide all such other documentation and information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable Anti-Money Laundering Laws.

(c) None of the Parent, the Borrower or any other Subsidiary, or any director or officer, or, to the knowledge of the Parent or the Borrower, any employee, agent or representative of Parent, the Borrower or any other Subsidiary, has taken or will take any action by or on behalf of the Parent, the Borrower or any other Subsidiary in furtherance of an offer, payment, promise to pay, or authorization or approval of the payment or giving of money, property, gifts of anything else of value, directly or indirectly, to any “government official” (including any officer or employee of a government or government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office) to influence official action or secure an improper advantage for the Parent, the Borrower or any other Subsidiary; and each of the Parent, the Borrower and the other Subsidiaries have

conducted their businesses in compliance with applicable anti-corruption laws and have instituted and maintain and will continue to maintain policies and procedures designed to promote and achieve compliance with such laws and with the representation and warranty contained herein.

(d) None of the Parent, the Borrower or any other Subsidiary or any director or officer thereof, or, to the knowledge of the Parent or the Borrower, any employee, agent, affiliate or representative of the Parent, the Borrower or any other Subsidiary, is a Person that is, or is owned or controlled by any Person that is:

(i) the subject or target of any sanctions administered or enforced by the United States Government (including the U.S. Department of Treasury's Office of Foreign Assets Control) (collectively, "Sanctions"); or

(ii) located, organized or resident in a country or territory that is the subject of Sanctions (including, without limitation, Cuba, Iran, North Korea, Sudan and Syria).

(e) As of the Effective Date, there are no material judgments against any Group Member or any property of such Group Member.

(f) None of the Group Members nor any of the Group Members' properties or assets are in violation of any currently applicable Legal Requirements (including any zoning, building, or Environmental Law, ordinance, code or approval or any building permit), or is in default with respect to any judgment, writ, injunction or decree of any Governmental Authority, where such violation or default could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 3.10 Federal Reserve Regulations.

(a) No Group Member is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying Margin Stock.

(b) No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, (i) to purchase or carry Margin Stock or to extend credit to others for the purpose of purchasing or carrying Margin Stock or to refund indebtedness originally incurred for such purpose, or (ii) for any purpose that entails a violation of, or that is inconsistent with, the provisions of the Regulations of the Board, including Regulation U or Regulation X.

Section 3.11 Investment Company Act. No Group Member is an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 3.12 Taxes.

(a) The Parent is properly classified (i) as a partnership or (ii) as a disregarded entity for federal income Tax purposes under Treasury Regulations Sections 301.7701-2 and -3 and any comparable provision of applicable state or local Tax law that permits such treatment, and no election under Treasury Regulations Section 301.7701-3(c) has been made with respect to the Borrower to be classified as an association taxable as a corporation for federal income tax purposes.

(b) The Borrower is properly classified (i) as a partnership or (ii) as a disregarded entity for federal income Tax purposes under Treasury Regulations Sections 301.7701-2 and -3 and any comparable provision of applicable state or local Tax law that permits such treatment.

(c) Each Group Member has timely (i) filed or caused to be filed all U.S. federal, state, local and other Tax returns and reports required to have been filed and (ii) paid all Taxes due and payable with respect to such Tax returns, and all other Taxes levied upon its properties, assets, income or franchises, to the extent such Taxes have become due and payable and before they have become delinquent except, in each case of clauses (i) and (ii), (x) for any Taxes the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings in accordance with Section 5.14 and with respect to which the relevant Group Member has established adequate reserves in accordance with GAAP or (y) the failure of which to file or pay (as applicable) could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 3.13 Disclosure and Projections.

(a) All written information (other than estimates, projections and information of a general economic or industry nature) concerning the Group Members and their respective businesses, including the Terminal Storage Facility, or otherwise prepared by, or as directed by, any Group Member or any representative of any Group Member, and made available to any Lender Party in connection with the Transactions, when taken as a whole and after giving effect to supplements made thereto by the applicable Group Member, is complete and correct in all material respects as of the Effective Date and does not, when taken as a whole, contain any untrue statement of a material fact as of the Effective Date or omit to state any material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements were made.

(b) Estimates, projections and information of a general economic or industry nature prepared by or on behalf of, or as directed by, the Group Members or any Affiliate or representative thereof that have been made available to any Lender Party on or prior to the Effective Date have been prepared in good faith based upon assumptions stated therein which the Borrower believes as of the Effective Date to be reasonable (it being understood that estimates, projections and information of a general economic or industry nature by their nature are inherently uncertain and no assurances are being given that the results reflected in such estimates, projections or information of a general economic or industry nature will be achieved).

Section 3.14 Employee Matters.

(a) No Group Member is engaged in any unfair labor practice that could reasonably be expected to have a Material Adverse Effect. There is (i) no unfair labor practice complaint pending against any Group Member, or to the Parent's or the Borrower's knowledge, threatened against any Group Member before the National Labor

Relations Board and no grievance or arbitration proceeding arising out of or under any collective bargaining agreement that is so pending against any Group Member or to the Parent's or the Borrower's knowledge, threatened against any Group Member or (ii) no strike or work stoppage in existence or threatened involving any of the Group Members or the Terminal Storage Facility, except those (with respect to any matter specified in clause (i) or (ii) above, either individually or in the aggregate) that could not reasonably be expected to have a Material Adverse Effect.

(b) The Parent does not sponsor, maintain or contribute to, or have any liability (except as a member of a controlled group) with respect to, any Plan. The Parent has no employees.

(c) The Borrower and each ERISA Affiliate has operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not, either individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Except as could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA (other than to make contributions on a timely basis to satisfy the minimum funding standards of ERISA or to pay required premiums on a timely basis to the PBGC, both of which have been timely paid) or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in Section 3 of ERISA), no Plan has failed, or is reasonably expected to, fail to satisfy the minimum funding standards of ERISA or the Code for any plan year or part thereof or a waiver of such standards or extension of any amortization period is sought or granted under Section 412 or 430 of the Code or Section 302 or 303 of ERISA, no Reportable Event has occurred or is reasonably expected to occur, and no event, transaction or condition has occurred or exists that could reasonably be expected, either individually or in the aggregate, to result in the incurrence of any such liability by any Group Member or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of any Group Member or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to such penalty or excise tax provisions or to Section 436(f), 412 or 430 of the Code or Section 4068 of ERISA.

(d) The present value of the aggregate benefit liabilities under each of the Plans (other than Multiemployer Plans), determined as of the end of such Plan's most recently ended plan year on the basis of the actuarial assumptions specified for funding purposes in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plan allocable to such benefit liabilities in an amount that could reasonably be expected, either individually or in the aggregate, to result in a Material Adverse Effect. Except as could not reasonably be expected to result in a Material Adverse Effect, no Plan is, or is reasonably expected to be in "at-risk" status (as defined in Section 303(i)(4) of ERISA or Section 430(i)(4) of the Code). The term "benefit liabilities" has the meaning specified in Section 4001 of ERISA and the terms "current value" and "present value" have the meaning specified in Section 3 of ERISA.

(e) Neither the Borrower nor the ERISA Affiliates have not incurred withdrawal liabilities (and are not subject to material contingent withdrawal liabilities) under Section 4201 or 4204 of ERISA in respect of Multiemployer Plans that could reasonably be expected, either individually or in the aggregate, to result in a Material Adverse Effect. The

Borrower and the ERISA Affiliates do not participate in, contribute to, or are otherwise required to contribute to, any Multiemployer Plan that is, or is reasonably expected to be in “critical” or “endangered” status as defined in Section 432 of the Code or Section 305 of ERISA and no Multiemployer Plan is insolvent under ERISA that could reasonably be expected, either individually or in the aggregate, to result in a Material Adverse Effect.

(f) The present value of all postretirement benefit obligations vested under each Plan (based on the assumptions used to fund such Plan, without regard to liabilities attributable to continuation coverage mandated by section 4980B of the Code) did not, as of the last annual valuation date applicable thereto, exceed the value of the assets of such Plan allocable to such vested benefits in an amount that could reasonably be expected to result in a Material Adverse Effect.

(g) The Transactions will not involve any non-exempt prohibited transaction under Section 406(a)(1)(A-D) of ERISA or in connection with which a tax could be imposed pursuant to Section 4975(c)(1)(A)-(D) of the Code.

Section 3.15 Environmental Matters; Hazardous Materials.

(a) There is no pending or, to the Parent’s or the Borrower’s knowledge, threatened, and, in the past two years, there has not been, any Environmental Claim against any Group Member or otherwise with respect to the Terminal Storage Facility or any other real properties or other assets now or formerly owned, leased or operated by any Group Member, and no Group Member has received any notice of any such Environmental Claim, and no proceeding has been instituted raising any such Environmental Claim, except, in the case of the Borrower and the other Restricted Subsidiaries, such as could not reasonably be expected to result in a Material Adverse Effect.

(b) The Group Members have obtained all material Permits required pursuant to any Environmental Law for the operation of the Terminal Storage Facility and all such material Permits are in full force and effect.

(c) Neither the Parent nor the Borrower has any knowledge of any facts which would reasonably be expected to give rise to any Environmental Claim, public or private, including any violation of Environmental Laws, any Release of Hazardous Materials or any damage to the Environment emanating from, occurring on or in any way related to the Terminal Storage Facility or any other real properties or other assets now or formerly owned, leased or operated by any Group Member, except, in the case of the Borrower and the other Restricted Subsidiaries and their respective real properties and assets, such as could not reasonably be expected to result in a Material Adverse Effect.

(d) No Hazardous Materials have been used, generated, manufactured, stored, released, transported or treated either by any Group Member or on, at, under or from the Terminal Storage Facility or any other real properties or other assets now or formerly owned, leased or operated by any Group Member, except, in the case of any of the foregoing, in the ordinary course of business and in material compliance with Environmental Laws and, in the case of the Borrower and the other Restricted Subsidiaries, in a manner that could not reasonably be expected to result in a Material Adverse Effect.

Section 3.16 Solvency. Immediately after giving effect to the Transactions to occur on the Effective Date, (a) the fair value of the aggregate assets of the Loan Parties, at a fair valuation, will exceed the debts and liabilities, direct, subordinated, contingent or otherwise, of the Loan Parties, (b) the present fair value of the property of the Loan Parties will be greater than the amount that will be required to pay the probable liability of the Loan Parties on their debts and other liabilities, direct, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured, (c) the Loan Parties will be able to pay their debts and other liabilities, direct, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured (after giving effect to any guarantees and credit support), and (d) the Loan Parties will not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the Effective Date (after giving effect to any guarantees and credit support).

Section 3.17 Licenses; Permits. The Group Members own or have the right to use all Permits, patents, copyrights, proprietary software, service marks, trademarks and trade names, or licenses thereof material to the operation of their business, without, to the Parent's and the Borrower's knowledge, conflict with the rights of others.

Section 3.18 No Default. As of the Effective Date, no Group Member is in default under any agreement or instrument to which it is a party or by which it is bound, which default, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 3.19 Collateral Matters. (a) The Security Agreement creates in favor of the Collateral Agent, for the benefit of the Secured Parties, a valid and enforceable security interest in the Collateral and (i) when the Collateral constituting certificated securities (as defined in the UCC) is delivered to the Collateral Agent, together with instruments of transfer duly endorsed in blank, the security interest created under the Security Agreement will constitute a fully perfected security interest in all right, title and interest of the pledgors thereunder in such Collateral, prior and superior in right to any other Person, (ii) when Control Agreements with respect to Collateral constituting deposit accounts and securities accounts maintained by the Loan Parties are executed and delivered by the parties thereto, the security interest created under the Security Agreement will constitute a fully perfected security interest in all right, title and interest of the Loan Parties in such Collateral, prior and superior in right to any other Person, and (iii) when financing statements in appropriate form are filed in the applicable filing offices, the security interest created under the Security Agreement will constitute a fully perfected security interest in all right, title and interest of the Loan Parties in the remaining Collateral to the extent perfection can be obtained by filing UCC financing statements, prior and superior to the rights of any other Person, except for rights secured by Liens permitted under Section 6.01.

(a) Each Mortgage, upon execution and delivery thereof by the parties thereto, will create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in all the applicable mortgagor's right, title and interest in and to the Mortgaged Properties subject thereto and the proceeds thereof, and when the Mortgages have been filed in the jurisdictions specified therein, the Mortgages will constitute a fully perfected security interest in all right, title and interest of the mortgagors in the Mortgaged Properties and the proceeds thereof, prior and superior in right to any other Person, but subject to Liens permitted under Section 6.01.

(b) Upon the recordation of intellectual property security agreements with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, and the filing of the financing statements referred to in paragraph (a) of this Section, the security interest created under the Security Agreement will constitute a fully perfected security interest in all right, title and interest of the Loan Parties in patents, trademarks, copyrights and exclusive copyright licenses in which a security interest may be perfected by filing in the United States of America, in each case prior and superior in right to any other Person, but subject to Liens permitted under Section 6.01 (it being understood that subsequent recordings in the United States Patent and Trademark Office or the United States Copyright Office may be necessary to perfect a security interest in patents, trademarks, copyrights and exclusive copyright licenses acquired by the Loan Parties after the Effective Date).

(c) Each Security Document, other than the Intercreditor Agreement and any Security Document referred to in the preceding paragraphs of this Section, upon execution and delivery thereof by the parties thereto and the making of the filings and taking of the other actions provided for therein, will be effective under applicable law to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a valid and enforceable security interest in the Collateral subject thereto, and will constitute a fully perfected security interest in all right, title and interest of the Loan Parties in the Collateral subject thereto, prior and superior to the rights of any other Person, except for rights secured by Liens permitted under Section 6.01.

Section 3.20 Insurance. The insurance required by Section 5.13 is in full force and effect and all premiums due and payable in respect of such insurance have been paid.

Section 3.21 Pari Passu Obligations. The Obligations of the Loan Parties rank at least *pari passu* in priority of payment with all other unsecured and secured Indebtedness for borrowed money of the Loan Parties (subject to Section 2.01 of the Intercreditor Agreement).

Section 3.22 Use of Proceeds. The proceeds of the Borrowings on the Effective Date have been applied in accordance with Section 5.01.

Section 5.06 Maintenance of Records; Access to Properties and Inspections. Each of the Parent and the Borrower shall, and shall cause the other Restricted Subsidiaries to, maintain all financial records to be able to prepare financial statements in accordance with GAAP and permit any Persons designated by the Administrative Agent or, upon the occurrence and during the continuation of an Event of Default, any Lender to visit and inspect the financial records and the other properties of the Group Members, including the Terminal Storage Facility, in any case, at reasonable times, upon reasonable prior notice to the Parent and the Borrower, and as often as reasonably requested (but no more than two such visits in any Fiscal Year, other than while an Event of Default is continuing) and to make extracts from and copies of such financial records, and permit any Persons designated by the Administrative Agent or, upon the occurrence and

(b) Each of the Parent and the Borrower shall, and shall cause each of the other Restricted Subsidiaries to, obtain, maintain in full force and effect and comply with all Permits necessary to the ownership of their respective properties or to the conduct of their respective businesses, including the operation of the Terminal Storage Facility, except to the extent that a failure to do so could not reasonably be expected to have a Material Adverse Effect.

(a) If any Subsidiary is formed or acquired, or any Unrestricted Subsidiary is converted into a Restricted Subsidiary, after the Effective Date, the Parent and the Borrower will, if such Subsidiary is a Designated Subsidiary, as promptly as practicable, and in any event within 30 days (or with respect to the requirements set forth in clauses (e) and (g) of the definition of “Collateral and Guarantee Requirement”, if applicable, 60 days) (or, in each case, such longer period as the Collateral Agent and the Administrative Agent may agree to in writing), notify the Collateral Agent and the Administrative Agent thereof and cause the Collateral and Guarantee Requirement to be satisfied with respect to such Subsidiary and with respect to any Equity Interests in or Indebtedness of such Subsidiary owned by any Loan Party.

(b) The Parent may designate a Domestic Subsidiary meeting the criteria set forth in clause (b)(ii) of the definition of the term “Designated Subsidiary” as a Designated Subsidiary; provided that the Parent and the Borrower shall have caused the Collateral and Guarantee Requirement to be satisfied with respect to such Subsidiary.

Each of the Parent and the Borrower agrees not to effect or permit any change referred to in the preceding sentence unless all filings have been made under the UCC or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral.

(b) Each of the Parent and the Borrower shall furnish to the Collateral Agent and the Administrative Agent prompt written notice of (i) the acquisition by any Loan Party of, or any real property or leasehold interest otherwise becoming, a Mortgaged Property after the Effective Date and (ii) the acquisition by any Loan Party of any other material assets after the Effective Date, other than any assets constituting Collateral under the Security Documents in which the Collateral Agent shall have a valid, legal and perfected security interest (with the priority contemplated by the applicable Security Document) upon the acquisition thereof.

Each of the Parent and the Borrower shall provide to the Collateral Agent and the Administrative Agent, from time to time upon request, evidence reasonably satisfactory to the Administrative Agent as to the perfection and priority of the Liens created or intended to be created by the Security Documents.

Section 5.13 Maintenance of Insurance.

For the avoidance of doubt, the maintenance by SemGroup or one or more Affiliates of SemGroup of insurance policies on behalf of Parent, Borrower and the other Restricted Subsidiaries shall constitute compliance with this Section 5.13(a) if such policies otherwise satisfy the requirements specified in this Section 5.13(a).

(b) Each of the Parent and the Borrower shall, within 30 days after each annual policy renewal date, deliver to the Administrative Agent and the Collateral Agent evidence (which, in the case of clause (i) below, shall be in the form of one or more certificates of insurance) that (i) the insurance requirements of this Section 5.13 have been implemented and are being complied with in all material respects, and (ii) the applicable Group Member has paid all insurance premiums then due and payable.

Section 5.15 [Reserved].

Section 5.16 Maintenance of Ratings. The Borrower shall use commercially reasonable efforts to maintain any ratings of the Tranche B Term Facility by Moody's and S&P, including by making available information requested by, and otherwise cooperating with requests made by, Moody's and S&P.

The designation of any Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary existing at such time.

(a) On or before the date that is five (5) Business Day days after the Effective Date, or such later date as may be agreed to by the Administrative Agent in its sole discretion, the Borrower will deliver, or cause to be delivered, (i) to the Administrative Agent, a fully executed amended and restated Guaranty Agreement, in form and substance substantially similar to the Guaranty Agreement as in effect on the Effective Date and an opinion of Gibson, Dunn & Crutcher LLP regarding such amended and restated Guaranty Agreement in a form substantially similar to the opinion delivered on the Effective Date and (ii) to the Agents, in form and substance reasonably satisfactory to the Agents, a reaffirmation agreement with respect to the Mortgages in effect on the Effective Date and an opinion of legal counsel regarding such Mortgages.

The Lenders further acknowledge and agree that so long as the Administrative Agent shall make any determination to be made by it hereunder or under any other Loan Document in good faith, the Administrative Agent shall have no liability in respect of such determination to any Person. Neither the Administrative Agent nor any of its Affiliates shall be responsible for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement, any other Loan Document or any other instrument or document referred to or provided for herein or therein or for any failure of the Borrower or any other Loan Party to perform its obligations hereunder or thereunder, or for the validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of, any Lien or security interest created or purported to be created under any Security Documents or any other instrument or document referred to or provided for therein.

ARTICLE IX. MISCELLANEOUS

Section 9.01 Notices.

(a) Notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy, to the applicable address set forth on Schedule 9.01.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures set forth in Section 9.16 or as otherwise approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, the Collateral Agent and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; and provided, further, that approval of such procedures may be limited to particular notices or communications.

(c) All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service, sent by telecopy or (to the extent permitted by paragraph (b) above) electronic means or on the date five Business Days after

dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

Section 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by each of the Loan Parties in this Agreement and the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such Persons or on their behalf, and shall continue in full force and effect until the Discharge Date. Without prejudice to the survival of any other agreements contained herein, the indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.16, 2.17, 8.05 and 9.05) shall survive the Discharge Date and the earlier resignation or removal of any Agent.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed and delivered by each of the Borrower and the Lender Parties and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrower, each Lender Party and their respective permitted successors and assigns.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written consent of each Lender (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), the Arrangers and, to the extent expressly contemplated hereby, the Related Parties of any of the Lender Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, each Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it), with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Administrative Agent; provided that the consent of the Administrative Agent shall not be required for an assignment of any Term Commitment or Term Loan to an Eligible Assignee that is a Lender, an Affiliate of a Lender or an Approved Fund; and

(B) the Borrower; provided that the consent of the Borrower shall not be required (1) for an assignment of any Term Commitment or Term Loan, or (2) for an assignment during any period in which an Event of Default under Sections 7.01(b), (c), (g) or (h) has occurred and is continuing; provided, further, that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to an Eligible Assignee that is a Lender, an assignment of the entire remaining amount of the assigning Lender's Loans of any Class or contemporaneous assignments to related Approved Funds that equal at least \$1,000,000 in the aggregate, the amount of Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall be equal to an aggregate amount that is an integral multiple of \$1,000,000 and shall not be less than \$1,000,000, unless the Administrative Agent otherwise consents; provided that related Approved Funds shall be aggregated for purposes of determining compliance with such minimum assignment amounts;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption; and

(D) the assignee, if it shall not already be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender hereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04.

(iv) Promptly upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and any written consent to such assignment required by paragraph (b)(i) of this Section 9.04, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph. In addition, notwithstanding anything to the contrary herein, without the consent of the Administrative Agent, no such assignment shall be made to any Lender, if after giving effect to such assignment, the Lender bears a relationship to the Borrower described in Section 108(e)(4) of the Code.

(v) In connection with all assignments, there shall be delivered to the Borrower and the Administrative Agent such forms, certificates or other evidence, if any, with respect to Tax withholding matters as the assignee under such Assignment and Assumption Agreement is required to deliver pursuant to Section 2.17, together with payment by such assigning Lender (or, in the case of any assignment pursuant to Section 2.19(b) or (c), by the Borrower) to the Administrative Agent of a registration and processing fee of \$3,500.

(vi) (A) Notwithstanding the foregoing, no other assignment or transfer may be made to an Affiliated Lender unless the Affiliated Lender Limitation shall be satisfied after giving effect thereto.

(B) In connection with an assignment to an Affiliated Lender, (1) the Affiliated Lender shall have identified itself in writing as an Affiliated Lender to the assigning Term Lender and the Administrative Agent prior to the execution of such assignment and (2) the Affiliated Lender shall be deemed to have represented and warranted to the assigning Term Lender and the Administrative Agent that the Affiliated Lender Limitation shall be satisfied after giving effect to such assignment.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more Eligible Assignees (other than any Affiliated Lender) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Parent, the Borrower and the Lender Parties shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) such Participant does not bear a relationship to the Borrower described in Section 108(e)(4) of the Code; provided, further, that in the case of clause (D), such participation shall be permitted if made with the consent of the Administrative Agent. Any agreement or instrument (oral or written) pursuant to which a Lender sells such a

participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that (x) such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 9.04(a)(i) or clause (ii), (iii), (iv), (v), (vi), (vii), (viii) or (ix) of the first proviso to Section 9.08(b) that affects such Participant and (y) no other agreement (oral or written) with respect to such Participant may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which shall not be unreasonably withheld). A Participant that would be a Non-U.S. Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) as though it were a Non-U.S. Lender.

(d) Each Lender that sells a participation, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans (or other rights or obligations) held by it (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Loans) to any Person, except to the extent that such disclosure is necessary to establish that such Commitments or Loans are in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such Loan (or other right or obligation) hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Notwithstanding anything to the contrary contained in this Section 9.04 or any other provision of this Agreement, the Borrower may repurchase outstanding Term Loans, and each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Term Loans to the Borrower, on the following basis:

(i) The Borrower may conduct one or more modified Dutch auctions (each, an “Auction”) to repurchase all or any portion of the Term Loans, provided that (A) the Borrower delivers a notice of such Auction to the Auction Manager and the Administrative Agent (for distribution to the Term Lenders) no later than 12:00 noon, New York City time, at least five Business Days in advance of a proposed commencement date of such Auction, which notice shall specify (1) the dates on which such Auction will commence and conclude, (2) the maximum principal amount of Term Loans that the Borrower desires to repurchase in such Auction and (3) the range of discounts to par at which the Borrower would be willing to repurchase the Term Loans, (B) the maximum dollar amount of such Auction shall be no less than an aggregate amount of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof, (C) such Auction shall be open for at least two Business Days after the date of the commencement thereof, (D) such Auction shall be open for participation by all the Lenders on a ratable basis, (E) a Lender that elects to participate in such Auction will be permitted to tender for repurchase all or a portion of such Lender’s Term Loans, (F) each repurchase of Term Loans shall be of a uniform, and not varying, percentage of all rights of the assigning Lender hereunder with respect thereto (and shall be allocated among the Term Loans of such Lender in a manner that would result in such Lender’s remaining Term Loans being included in each Term Borrowing in accordance with its applicable share thereof), (G) at the time of the commencement and conclusion of such Auction, no Default or Event of Default shall have occurred and be continuing, (H) [reserved] and (I) such Auction shall be conducted pursuant to such procedures as the Auction Manager may establish, so long as such procedures are consistent with this Section 9.04(f) and are reasonably acceptable to the Administrative Agent and the Borrower. In connection with any Auction, the Auction Manager and the Administrative Agent may request one or more certificates of a Responsible Officer of the Parent and the Borrower as to the satisfaction of the conditions set forth in clauses (G) and (H) above.

(ii) Repurchases by the Borrower of Term Loans pursuant to this Section 9.04(f) shall not constitute voluntary prepayments for purposes of Section 2.10 or 2.11. The aggregate principal amount of the Term Loans of any Class repurchased by the Borrower pursuant to this Section 9.04(f) shall be applied to reduce the subsequent scheduled repayments of Term Loans of such Class to be made pursuant to Section 2.10(a) in inverse order of maturity. Upon the repurchase by the Borrower pursuant to this Section 9.04(f) of any Term Loans, such Term Loans shall, without further action by any Person, be deemed cancelled and no longer outstanding (and may not be resold by the Borrower) for all purposes of this Agreement and the other Loan Documents, including with respect to (A) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (B) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (C) the determination of Required Lenders, or for any similar or related purpose, under this Agreement or any other Loan Document. The Administrative Agent is authorized to make appropriate entries in the Register to reflect any cancellation of the Term Loans repurchased and cancelled pursuant to this Section 9.04(f). Any payment

made by the Borrower in connection with a repurchase permitted by this Section 9.04(f) shall not be subject to the provisions of Section 2.16. Failure by the Borrower to make any payment to a Lender required to be made in consideration of a repurchase of Term Loans permitted by this Section 9.04(f) shall not constitute a Default or an Event of Default under Section 7.01(a). Each Lender shall, to the extent that its Term Loans shall have been repurchased and assigned to the Borrower pursuant to this Section 9.04(f), relinquish its rights in respect thereof. Except as otherwise set forth in this Section 9.04(f), the provisions of this Section 9.04 shall not apply to any repurchase of Term Loans pursuant to this Section 9.04(f).

Section 9.05 Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable and documented out-of-pocket expenses incurred by the Agents and the Arrangers in connection with the preparation, negotiation, execution, and closing of this Agreement and the other Loan Documents, or by the Agents and the Arrangers in connection with the initial syndication of the Commitments or the administration of this Agreement and the other Loan Documents (including, in each case, reasonable expenses incurred in connection with initial and ongoing due diligence and initial and ongoing Collateral examination (including reasonable travel expenses) and the reasonable fees, disbursements and the charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with any amendments, modifications, supplements or waivers of the provisions hereof or thereof and any other documents or matters requested by the Borrower in connection with this Agreement or any other Loan Documents (whether or not the transactions contemplated by the Loan Documents shall be consummated) (which shall be limited to the reasonable and documented fees, charges and disbursements of Simpson Thacher & Bartlett LLP, counsel for the Administrative Agent and the Arrangers, and Bracewell LLP, counsel for the Collateral Agent, or counsel replacing such counsel, and not more than one counsel in each jurisdiction in which Collateral is located), (ii) all actual costs and reasonable expenses of creating, perfecting, recording, maintaining and preserving Liens in favor of the Collateral Agent, for the benefit of the Secured Parties, including filing and recording fees, expenses and Taxes, stamp or documentary Taxes, search fees and reasonable fees, expenses and disbursements of Simpson Thacher & Bartlett LLP, counsel for the Administrative Agent and the Arrangers, and Bracewell LLP, counsel for the Collateral Agent, or counsel replacing such counsel, (iii) [reserved], (iv) all reasonable and documented out-of-pocket expenses incurred by the Agents and the Arrangers in connection with the enforcement or protection of their rights (including any costs of settlement) in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder (which shall be limited to, in connection with any such enforcement or protection, the reasonable fees, charges and disbursements of Simpson Thacher & Bartlett LLP and Bracewell LLP, counsel for the Administrative Agent and/or the Collateral Agent, or counsel replacing such counsel, and not more than one counsel in each jurisdiction in which Collateral is located), and (v) from and after the occurrence of an Event of Default, the reasonable and documented fees, expenses, charges and disbursements of the Lender Parties, including the reasonable and documented fees, charges and disbursements of one transaction counsel, one local or foreign counsel in each relevant jurisdiction (if necessary), and one financial or restructuring advisor for the Agents, the Arranger and the Lenders (as a group), and in the case of any conflict of interest, one conflicts counsel for any such affected individual or group of Agents, Arrangers or Lenders, and costs of settlement,

in each case incurred during any workout, restructuring or negotiations in connection with this Agreement or any other Loan Document or in connection with the custody, use or preservation of, or the sale of, collection from or realization upon, any of the Collateral, including the reasonable expenses of re-taking, holding, preparing for sale or lease, selling or otherwise disposing of or realizing on the Collateral.

(b) The Borrower agrees to indemnify each Lender Party, their respective Related Parties and each of their respective directors, trustees, officers, employees, investment advisors and agents (each such Person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable and documented counsel fees, charges and disbursements, incurred by or asserted against any Indemnitee (including any such losses, claims, damages, liabilities and related expenses claimed or asserted by any of the Group Members) arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations hereunder or thereunder or the consummation of the Transactions, (ii) any Loan or the use of the proceeds therefrom or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto, in all cases, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) result from the gross negligence or willful misconduct of such Indemnitee or a material breach in bad faith by such Indemnitee of its express obligations under this Agreement, in each case, as determined by the final, non-appealable judgment of a court of competent jurisdiction (treating, for this purpose only, any Lender Party and its Related Parties as a single Indemnitee), or (B) arise out of any proceeding that does not involve an act or omission of any Group Member or any of any Group Member’s Affiliates and that is brought by an Indemnitee against any other Indemnitee (other than any such proceedings which relate to claims against any Arranger, the Administrative Agent or the Collateral Agent). Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable and documented counsel or consultant fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (1) any Environmental Claim to the extent related in any way to any of the Group Members or the Terminal Storage Facility or (2) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any Real Property, any property owned, leased or operated by any predecessor of any of the Group Members or the Terminal Storage Facility, or, to the extent related in any way to any of the Group Members, any property at which any of the Group Members has sent Hazardous Materials for treatment, storage or disposal; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses result from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties or a material breach in bad faith by such Indemnitee of its express obligations under this Agreement, in each case, as determined by a final, non-appealable judgment of a court of competent jurisdiction. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the resignation or

removal of any Agent, the consummation of the Transactions, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of any Lender Party. All amounts due under this Section 9.05 shall be payable promptly upon (and in any event within 30 days after) written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Section 9.05(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(d) No Indemnatee shall be liable for, and the Borrower hereby agrees not to assert any claim against any Indemnatee, on any theory of liability, for consequential, incidental, indirect, punitive or special damages arising out of or otherwise relating to the Loan Documents, any of the Transactions, any Loan or the use of the proceeds thereof. No Indemnatee referred to in Section 9.05(b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement of the other Loan Documents or the transactions contemplated hereby or thereby.

Section 9.06 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender Party and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender Party or such Affiliate to or for the credit or the account of the Borrower, against any and all obligations of the Loan Parties, now or hereafter existing under this Agreement or any other Loan Document held by such Lender Party or their respective Affiliates, irrespective of whether or not such Lender Party shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured or are owed to a branch, office or Affiliate of such Lender Party different from the branch, office or Affiliate holding such deposit or so obligated. The rights of each Lender Party under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender Party or its Affiliates may have. Each Lender Party agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 9.07 APPLICABLE LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF ANY OTHER LAW.

Section 9.08 Waivers; Amendment.

(a) No failure or delay of any Lender Party in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of

steps to enforce any such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Lender Parties hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document, or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower or any other Loan Party in any case shall entitle such Person to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Sections 2.22, 2.23 and 2.24, in the Guaranty Agreement, in the Security Documents and in the Second Lien Intercreditor Agreement (at any time when the Second Lien Intercreditor Agreement is in effect), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Parent, the Borrower, the Administrative Agent and the Required Lenders and (y) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are party thereto and consented to by the Required Lenders (in the case of clauses (x) and (y), at the Borrower's expense); provided, however, that no such agreement shall:

(i) waive any condition set forth in Section 4.01(p) or (q) without the written consent of a Majority in Interest of the Lenders;

(ii) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan, without the prior written consent of each Lender directly affected thereby;

(iii) increase or extend any Commitment of any Lender or decrease the fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender);

(iv) extend or waive any date for payment of principal of any Loan or reduce the amount due on any such date or extend any date on which payment of interest on any Loan or any fee (including any Agent Fee) is due, without the prior written consent of each Lender directly affected thereby;

(v) amend or modify the provisions of Section 2.18(b) or 2.18(d) in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender;

(vi) amend or modify the provisions of this Section 9.08 or the definition of the terms "Required Lenders" or "Majority in Interest" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the

prior written consent of each Lender (it being understood that, without the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Effective Date);

(vii) except as expressly permitted under Section 9.17, release the Parent or any Subsidiary Loan Party from its Guarantee under the Guaranty Agreement, or limit its liability in respect of such Guarantee, without the written consent of each Lender;

(viii) except as expressly permitted under Section 9.17 or Section 3.07(a) of the Intercreditor Agreement (other than clause (iii) thereof), release all or substantially all of the Collateral from the Liens of the Security Documents without the consent of each Lender; or

(ix) change the order of priority of payments set forth in Section 7.03, Section 5.04 of the Security Agreement or Section 2.01 of the Intercreditor Agreement, without the prior written consent of each Lender;

provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder without the prior written consent of the Administrative Agent or the Collateral Agent, as the case may be, acting as such at the effective date of such agreement, as applicable and (B) any amendment, waiver or other modification of this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders of a particular Class (but not the Lenders of any other Class), may be effected by an agreement or agreements in writing entered into by the Parent, the Borrower, the Administrative Agent and the requisite number or percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any assignee of such Lender.

(c) Without the consent of any Lender, the Parent, the Borrower and the Administrative Agent and/or the Collateral Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, in each case at the Borrower's expense, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to or protect any security interest for the benefit of the Secured Parties in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the other provisions of this Section 9.08, the applicable Loan Parties and the Administrative Agent and/or the Collateral Agent may (but shall have no obligation to) amend or supplement the Loan Documents without the consent of any other Lender Party for the purpose of (i) curing any ambiguity, defect, inconsistency or typographical or drafting error, (ii) making any change that would provide any additional rights or benefits to the Lender Parties and (iii) making, completing or confirming any grant of Collateral permitted or required by this Agreement or any of the Security Documents or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Security Documents.

(e) Limitation on Voting Rights of Affiliated Lenders.

(i) Notwithstanding anything to the contrary set forth herein, no Affiliated Lender shall have any right to (and no Affiliated Lender shall) (A) consent to any waiver, amendment, modification, consent or other such action with respect to any of the terms of this Agreement or any other Loan Document, (B) require any Lender Party to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Loan Document, (C) otherwise vote on any matter relating to this Agreement or any other Loan Document, (D) attend any meeting (whether in person, by telephone or other means) with any Lender Party, except any portion thereof attended (at the invitation of the Administrative Agent) by representatives of the Borrower, or receive any information or material (in whatever form) prepared by or on behalf of, or otherwise provided by, any Lender Party, other than any such information or material that has been made available by the Administrative Agent to the Borrower, (E) have access to the Platform or (F) make or bring any claim, in its capacity as a Lender, against any Lender Party with respect to the duties and obligations of such Persons under the Loan Documents, provided that (1) any waiver, amendment or other modification of this Agreement or any other Loan Agreement, or any consent to any departure by an Loan Party therefrom, of the type referred to in Section 9.08(b) that directly affects any Affiliated Lender shall require the prior written consent of such Affiliated Lender and (2) without the prior written consent of such Affiliated Lender, no waiver, amendment or other modification of this Agreement or any other Loan Agreement, and no consent to any departure by an Loan Party therefrom, shall (x) deprive any Affiliated Lender, in its capacity as Lender, of its share of any payments that Lenders of the same Class are entitled to share on a *pro rata* basis hereunder or (y) affect any Affiliated Lender, in its capacity as Lender, in a manner that is disproportionate to the effect of such waiver, amendment, modification or consent on the other Lenders of the same Class.

(ii) If a proceeding under the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law shall be commenced by or against any Loan Party prior to the time when the Obligations have been paid in full, then each Affiliated Lender (A) shall promptly give notice to the Administrative Agent of any solicitation of such Affiliated Lender for a vote, or of such Affiliated Lender's receipt of a ballot to vote, in or in connection with such proceeding and (B) irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Obligations in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Obligations as the Administrative Agent directs; provided that the Administrative Agent shall so vote with respect to the Obligations as directed by the Required Lenders; provided further that no such vote with respect to the Obligations held by such Affiliated Lender shall treat such Obligations in a manner less favorable than the proposed treatment of the same class or type of the Obligations held by Lenders that are not Affiliated Lenders. To give effect to the foregoing right of the Administrative Agent to vote on behalf of any

Affiliated Lender with respect to the Obligations, each Affiliated Lender hereby constitutes and appoints the Administrative Agent and any officer or agent of the Administrative Agent, with full power of substitution, as such Affiliated Lender's true and lawful attorney-in-fact with full power and authority in the place of such Affiliated Lender and in the name of such Affiliated Lender or in its own name, to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney, may be necessary or desirable to accomplish the purposes hereof, which appointment as attorney is irrevocable and coupled with an interest; provided that the Administrative Agent shall not exercise the foregoing rights in such capacity until the commencement by or against any Loan Party of a proceeding under the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law. Each Affiliated Lender agrees to execute any and all further documents and instruments, and take all such further actions, as the Administrative Agent may reasonably request to effectuate the provisions of this Section 9.08(e)(ii).

(f) LIBO Successor Rate. Notwithstanding anything to the contrary herein, the Borrowers and the Administrative Agent may amend this agreement to incorporate and reflect any LIBO Successor Rate and any related LIBO Successor Rate Conforming Changes contemplated by Section 2.14(c), which amendments may be effectuated without requiring the consent of any Lender except to the extent required by Section 2.14(c).

Section 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate, provided that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

Section 9.10 Entire Agreement. This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Engagement Letter (and any separate letter agreements with respect to fees payable to the Administrative Agent or the Collateral Agent) shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO

(A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission or electronic transmission in “.pdf” or comparable format shall be as effective as delivery of a manually signed original.

Section 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement or any provision hereof.

Section 9.15 Jurisdiction; Consent to Service of Process.

(a) Each of the Parent and the Borrower and each Lender Party hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States sitting in New York City, New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State Court or, to the extent permitted by law, in such federal court. Each of the Parent and the Borrower further irrevocably consents to the service of process in any action or proceeding in such courts by the mailing thereof by any parties thereto by registered or certified mail, postage prepaid, to the Parent or the Borrower, as the case may be, at the address specified therefor on Schedule 9.01. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Lender Party may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against any Loan Party or its properties in the courts of any jurisdiction in which the Borrower or any of its properties is located.

(b) Each of the Parent and the Borrower and each Lender Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 9.16 Communications.

(a) Delivery.

(i) Each of the Parent and the Borrower hereby agrees that it will use all reasonable efforts to provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any Default or Event of Default under this Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications collectively, the “Communications”), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at the address referenced on Schedule 9.01. Nothing in this Section 9.16 shall prejudice the right of any Arranger, any Lender Party, the Parent or the Borrower to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document.

(ii) The Administrative Agent agrees that receipt of the Communications by the Administrative Agent at the email address referenced on Schedule 9.01 shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender’s email address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such email address.

(b) Posting.

(i) Each of the Parent and the Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks, SyndTrak or a substantially similar electronic transmission system (the “Platform”). Each of the Parent and the Borrower acknowledges and agrees that the list of Disqualified Lenders shall be deemed suitable for posting and may be posted by the Administrative Agent on the Platform, including the portion of the Platform that is designated for Public Side Lender Representatives.

(ii) The Platform is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the accuracy or completeness of the Communications, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Affiliates or any of their respective officers, directors, employees, agents advisors or representatives (collectively, “Agent Parties”) have any liability to the Parent, the Borrower, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Parent’s, the Borrower’s or the Administrative Agent’s transmission of communications through the internet, except to the extent the liability of any Agent Party is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Agent Party’s gross negligence or willful misconduct.

(c) Non-Public Information.

(i) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Parent, the Borrower or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain Private Side Information. Each Lender represents to the Parent, the Borrower and the Administrative Agent that (A) it has developed compliance procedures regarding the use of Private Side Information and that it will handle Private Side Information in accordance with such procedures and applicable law, including Federal, state and foreign securities laws, and (B) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain Private Side Information in accordance with its compliance procedures and applicable law, including Federal, state and foreign securities laws.

(ii) The Parent, the Borrower and each Lender acknowledge that, if information furnished by the Parent or the Borrower pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Platform, (A) the Administrative Agent may post any information that the Parent or the Borrower has indicated as containing Private Side Information solely on that portion of the Platform as is designated for Private Side Lender Representatives and (B) if the Parent or the Borrower has not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains Private Side Information, the Administrative Agent reserves the right to post such information solely on that portion of the Platform as is designated for Private Side Lender Representatives. Each of the Parent and the Borrower agrees to clearly designate all information provided to the Administrative Agent by or on behalf of the

Parent or the Borrower that is suitable to be made available to Public Side Lender Representatives, and the Administrative Agent shall be entitled to rely on any such designation by the Parent and the Borrower without liability or responsibility for the independent verification thereof.

Section 9.17 Release of Liens. (a) In the event that any Loan Party Disposes of all or any portion of any of its assets to any Person (other than a Loan Party) in a transaction permitted by Section 6.04, the Administrative Agent and the Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrower and at the Borrower's expense to (i) release any Liens created by any Loan Document in respect of such assets and (ii) if such Disposition is a sale of the Equity Interests in a Subsidiary, release such Subsidiary as a Guarantor under the Guaranty Agreement. In addition, if the Borrower or any other Restricted Subsidiary enters into any lease or sublease with, or grants any easement, right-of-way, permit, license, restriction or the like to, any Person (other than a Loan Party or any other Affiliate of the Parent or any Subsidiary) in a transaction permitted by Section 6.04, the Administrative Agent and the Collateral Agent may (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrower and at the Borrower's expense to subordinate any Liens created by any Loan Document with respect to such lease, sublease, easement, right-of-way, permit, license, restriction or the like to such Person. In connection with any such transaction, the Administrative Agent and the Collateral Agent may rely conclusively (and without further inquiry) on a certificate provided to it upon its reasonable request by any Loan Party to the effect that such transaction is permitted by Section 6.04.

(b) In the event that any Subsidiary Loan Party becomes an Unrestricted Subsidiary pursuant to Section 5.17, the Administrative Agent and the Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrower and at the Borrower's expense to (i) release any Liens created by any Loan Document in respect of the assets of such Unrestricted Subsidiary and the Equity Interests in such Unrestricted Subsidiary and (ii) release such Subsidiary as a Guarantor under the Guaranty Agreement. In connection with the foregoing, the Administrative Agent and the Collateral Agent may rely conclusively (and without further inquiry) on a certificate provided to it upon its reasonable request by any Loan Party to the effect that such transaction is permitted by Section 5.17.

Section 9.18 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors, it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding

relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to the Parent, the Borrower or any other Subsidiary and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to any Agent, any Lender or any Affiliate of any of the foregoing on a nonconfidential basis from a source other than the Parent or the Borrower. For purposes of this Section, “Information” means all information received from the Parent or the Borrower relating to the Parent, the Borrower or any other Subsidiary or their businesses that is confidential or proprietary in nature or that is clearly identified as confidential at the time of delivery thereof, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by the Parent or the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 9.19 U.S.A. Patriot Act. Each Lender and each Agent hereby notifies the Loan Parties that pursuant to the requirements of the U.S.A. Patriot Act, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow the Lender Parties to identify the Loan Parties in accordance with the U.S.A. Patriot Act.

Section 9.20 No Fiduciary Duty. Each Lender Party and their respective Affiliates (collectively, solely for purposes of this paragraph, the “Lender Parties”), may have economic interests that conflict with those of the Loan Parties. Each of the Parent and the Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lender Parties and the Loan Parties, their respective equityholders or their respective Affiliates. Each of the Parent and the Borrower acknowledges and agrees that (a) the transactions contemplated by the Loan Documents are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Loan Parties, on the other, (b) in connection with such transactions (and any matters or processes leading to such transactions), each of the Lender Parties is acting solely as a principal and not the agent or fiduciary of any Loan Party, any of its affiliates or any of their respective management, equityholders, creditors or any other Person, (c) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Loan Party with respect to the transactions contemplated hereby or by the other Loan Documents or the matters or processes leading thereto (irrespective of whether any Lender Party has advised or is currently advising any Loan Party on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (d) each Loan Party has consulted its own legal and financial advisors to the extent it deemed appropriate. Each of the Parent and the Borrower further acknowledges and agrees that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each of the Parent and the Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Loan Party, in connection with such transaction or the process leading thereto.

Section 9.21 Acknowledgment and Consent to Bail-in of EEA Financial Institutions. Solely to the extent any Lender that is an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Documents or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Documents; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 9.22 Existing Credit Agreement; No Novation. On the Effective Date, the Existing Credit Agreement shall be amended and restated in its entirety by this Agreement as and in the manner set forth in the Restatement Agreement.

FORM OF SOLVENCY CERTIFICATE

This Solvency Certificate, dated as of [], 2018 (this “Solvency Certificate”), is delivered pursuant to Section 4.01(b) of the Amended and Restated Credit Agreement, dated as of June [], 2018 (as may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among Buffalo Gulf Coast Terminals LLC, a Delaware limited liability company (the “Parent”), HFOTCO LLC, a Texas limited liability company (the “Borrower”), the Lenders party thereto from time to time, Toronto Dominion (Texas) LLC, as Administrative Agent, and Bank of America, N.A., as Collateral Agent. Each capitalized term used but not otherwise defined in this Certificate shall have the meaning assigned to such term in the Credit Agreement.

It is understood that the Administrative Agent and the other Secured Parties are relying on the truth and accuracy of this Solvency Certificate in connection with the Transactions.

Each of the undersigned hereby certifies, on behalf of the Parent or the Borrower, as applicable, in his or her capacity as a duly elected, qualified and acting Responsible Officer of the Parent or the Borrower, as applicable, and not in such Responsible Officer’s individual capacity, as follows:

1. I am a duly elected, qualified and acting Responsible Officer of the Parent or the Borrower, as applicable, having the title set forth next to my signature below, and, as such, I am authorized to execute and deliver this Certificate on behalf of the Parent or the Borrower, as applicable.

2. I am generally familiar with the properties, businesses and assets of the Loan Parties and have reviewed the provisions of the Credit Agreement and the other Loan Documents that are relevant to the furnishing of this Solvency Certificate and the contents of this Solvency Certificate, and in my opinion I have made, or caused to be made under my supervision, such examination or investigation as is necessary to enable me to express an informed opinion as to the matters referred to in this Solvency Certificate. The financial information and assumptions that underlie and form the basis for the representations made in this Solvency Certificate were reasonable when made and were made in good faith and continue to be reasonable as of the date hereof.

3. On the date hereof, immediately after giving effect to the Transactions, the fair value of the aggregate assets of the Loan Parties, at a fair valuation, exceeds the debts and liabilities, direct, subordinated, contingent or otherwise, of the Loan Parties.

4. On the date hereof, immediately after giving effect to the Transactions, the present fair value of the property of the Loan Parties is greater than the amount that will be required to pay the probable liabilities of the Loan Parties on their debts and other liabilities, direct, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured. I have assumed that in this context “present fair value” means the price available upon the sale of such assets by a willing seller to a willing buyer, where material information as to the asset and the market for such asset is known to both, and where the sale is executed with commercially reasonable promptness.

5. On the date hereof, immediately after giving effect to the Transactions, the Loan Parties are able to pay their debts and other liabilities, direct, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured (after giving effect to any guarantees and credit support).

6. On the date hereof, immediately after giving effect to the Transactions, the Loan Parties do not have unreasonably small capital with which to conduct the businesses in which they are engaged as such businesses are now conducted and are proposed to be conducted following the date hereof (after giving effect to any guarantees and credit support). I have assumed for purposes of reaching this conclusion that “unreasonably small capital” depends upon the nature of the particular business or businesses conducted or to be conducted, and I have reached my conclusion based on the needs and anticipated needs for capital of the businesses conducted or anticipated to be conducted by the Loan Parties in light of the projections made on the date hereof and available credit capacity (as the same may be restricted by the terms and conditions of the Loan Documents).

* * *

IN WITNESS WHEREOF, the undersigned Responsible Officers have executed and delivered this Solvency Certificate on behalf of the Parent or the Borrower, as applicable, and have made the certifications and statements contained herein, as of the date first above written.

PRIORITIES AND AGREEMENTS WITH RESPECT TO SHARED COLLATERAL

(a) **Subordination.** (i) Notwithstanding the date, time, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection of any Liens granted to any Second Lien Authorized Representative or any Second Lien Secured Party on the Shared Collateral or of any Liens granted to the First Lien Collateral Agent or the First Lien Secured Parties on the Shared Collateral (or any actual or alleged defect in any of the foregoing) and notwithstanding any provision of the UCC, any applicable law, any Second Lien Document or any First Lien Document or any other circumstance whatsoever, each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, hereby agrees that (a) any Lien on the Shared Collateral securing any First Lien Obligations now or hereafter held by or on behalf of the First Lien Collateral Agent, any First Lien Authorized Representative or other agent

or trustee therefor or any First Lien Secured Party, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior in all respects and prior to any Lien on the Shared Collateral securing any Second Lien Obligations and (b) any Lien on the Shared Collateral securing any Second Lien Obligations now or hereafter held by or on behalf of any Second Lien Authorized Representative or other agent or trustee therefor or any Second Lien Secured Party, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Shared Collateral securing the First Lien Obligations. All Liens on the Shared Collateral securing the First Lien Obligations shall be and remain senior in all respects and prior to all Liens on the Shared Collateral securing any Second Lien Obligations for all purposes, whether or not such Liens securing any Series of First Lien Obligations are subordinated to any Lien securing any other obligation of the Parent, the Borrower, any other Grantor or any other Person or otherwise subordinated, voided, avoided, invalidated or lapsed.

(b) **Nature of First Lien Obligations.** Each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, acknowledges that (a) a portion of the First Lien Obligations is revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, (b) the terms of the First Lien Documents and the First Lien Obligations may be amended, supplemented or otherwise modified, and the First Lien Obligations, or a portion thereof, may be Refinanced from time to time and (c) the aggregate amount of the First Lien Obligations may be increased, in each case, without notice to or consent by any Second Lien Authorized Representative or Second Lien Secured Party and without affecting the provisions hereof. The Lien priorities provided for in Section 2.01 shall not be altered or otherwise affected by any amendment, supplement or other modification, or any Refinancing, of either the First Lien Obligations or the Second Lien Obligations, or any portion thereof. As between the Parent, the Borrower and the other Grantors and the Second Lien Secured Parties, the foregoing provisions will not limit or otherwise affect the obligations of the Parent, the Borrower and the other Grantors contained in any Second Lien Document with respect to the incurrence of additional First Lien Obligations.

(c) **Prohibition on Contesting Liens.** Each of the Second Lien Authorized Representatives, for itself and on behalf of its Second Lien Secured Parties, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, priority or enforceability of any Lien securing the First Lien Obligations held (or purported to be held) by or on behalf of the First Lien Collateral Agent, any First Lien Authorized Representative or other agent or trustee therefor or any First Lien Secured Party in any First Lien Collateral. Notwithstanding anything to the contrary contained in this Agreement, no provision in this Agreement shall be construed to prevent or impair the rights of the First Lien Collateral Agent or any First Lien Authorized Representative to enforce this Agreement (including the priority of the Liens securing the First Lien Obligations as provided in Section 2.01) or any of the First Lien Documents.

(d) **No New Liens.** The parties hereto agree that, so long as the Discharge of the First Lien Obligations has not occurred, (a) none of the Grantors shall, or shall permit any of its Subsidiaries to, grant or permit any additional Liens on any asset to secure any Second Lien

Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset to secure the First Lien Obligations and (b) if any Second Lien Authorized Representative or any Second Lien Secured Party shall hold any Lien on any asset of any Grantor or any other Person securing any Second Lien Obligation that are not also subject to the first-priority Liens securing the First Lien Obligations under the First Lien Security Documents, such Second Lien Authorized Representative or Second Lien Secured Party (i) shall notify the First Lien Collateral Agent promptly upon becoming aware thereof and, unless such Grantor or other Person shall promptly grant a similar Lien on such asset to the First Lien Collateral Agent as security for the First Lien Obligations, shall assign such Lien to the First Lien Collateral Agent as security for the First Lien Obligations (but may retain a junior lien on such asset subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to the First Lien Collateral Agent, shall be deemed to hold and have held such Lien for the benefit of the First Lien Collateral Agent as security for the First Lien Obligations. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to the First Lien Collateral Agent, the First Lien Authorized Representatives or the First Lien Secured Parties, each Second Lien Authorized Representative agrees, for itself and on behalf of its Second Lien Secured Parties, that any amounts received by or distributed to any Second Lien Secured Party pursuant to or as a result of any Lien granted in contravention of this Section 2.04 shall be subject to Section 4.02.

(e) **Perfection of Liens.** Except for the agreements of the First Lien Collateral Agent pursuant to Section 5.05 hereof, none of the First Lien Collateral Agent, the First Lien Authorized Representatives or the First Lien Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Second Lien Authorized Representatives or the Second Lien Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the First Lien Secured Parties and the Second Lien Secured Parties and shall not impose on the First Lien Collateral Agent, the First Lien Authorized Representatives, the First Lien Secured Parties, the Second Lien Authorized Representatives, the Second Lien Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

3. ENFORCEMENT

(a) **Exercise of Remedies.** (i) So long as the Discharge of the First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Parent, the Borrower or any other Grantor, (i) neither any Second Lien Authorized Representative nor any Second Lien Secured Party will (A) exercise or seek to exercise any rights or remedies (including setoff) with respect to any Shared Collateral in respect of any Second Lien Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (B) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other First Lien Collateral by the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party in respect of the First Lien Obligations, the exercise of any right by the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party (or any

agent or sub-agent on their behalf) in respect of the First Lien Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the First Lien Documents or otherwise in respect of the First Lien Collateral or the First Lien Obligations, or (C) object to the forbearance by the First Lien Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of First Lien Obligations and (ii) except as otherwise provided herein, the First Lien Collateral Agent, the First Lien Authorized Representatives and the First Lien Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without any consultation with or the consent of any Second Lien Authorized Representative or any Second Lien Secured Party; provided, however, that (1) in any Insolvency or Liquidation Proceeding commenced by or against the Parent, the Borrower or any other Grantor, any Second Lien Authorized Representative may file a claim or statement of interest with respect to its Second Lien Obligations, (2) any Second Lien Authorized Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the First Lien Obligations or the rights of the First Lien Collateral Agent, the First Lien Authorized Representatives or the First Lien Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (3) any Second Lien Authorized Representative and the Second Lien Secured Parties may exercise their rights and remedies as unsecured creditors, as provided in Section 5.04, and (4) any Second Lien Authorized Representative may exercise the rights and remedies provided for in Section 6.03. In exercising rights and remedies with respect to the First Lien Collateral, the First Lien Collateral Agent, the First Lien Authorized Representatives and the First Lien Secured Parties may enforce the provisions of the First Lien Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(ii) So long as the Discharge of the First Lien Obligations has not occurred, each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, agrees that it will not, in the context of its role as secured creditor, take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff) with respect to any Shared Collateral in respect of Second Lien Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of the First Lien Obligations has occurred, except as expressly provided in the proviso in clause (ii) of Section 3.01(a), the sole right of the Second Lien Authorized Representatives and the Second Lien Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Second Lien Obligations pursuant to the Second Lien Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of the First Lien Obligations has occurred.

(iii) Subject to the proviso in clause (ii) of Section 3.01(a), (i) each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that neither such Second Lien Authorized Representative nor any of its Second Lien Secured Parties will take any action that would hinder any exercise of remedies undertaken by the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party with respect to the Shared Collateral under the First Lien Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, hereby waives any and all rights it or any of its Second Lien Secured Parties may have as a junior lien creditor or otherwise to object to the manner in which the First Lien Collateral Agent, the First Lien Authorized Representatives or the First Lien Secured Parties seek to enforce or collect the First Lien Obligations or the Liens granted on any of the First Lien Collateral, regardless of whether any action or failure to act by or on behalf of the First Lien Collateral Agent, any First Lien Authorized Representative or any other First Lien Secured Party is adverse to the interests of the Second Lien Secured Parties.

(iv) Each Second Lien Authorized Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Second Lien Document shall be deemed to restrict in any way the rights and remedies of the First Lien Collateral Agent, the First Lien Authorized Representatives or the First Lien Secured Parties with respect to the First Lien Collateral as set forth in this Agreement and the First Lien Documents.

(v) Until the Discharge of the First Lien Obligations, the First Lien Collateral Agent (acting at the direction of the Applicable First Lien Secured Parties) shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of the First Lien Obligations, the Designated Second Lien Authorized Representative (acting at the direction of the Applicable Second Lien Secured Parties) shall have the exclusive right to exercise any right or remedy with respect to the Collateral, and the Designated Second Lien Authorized Representative (acting at the direction of the Applicable Second Lien Secured Parties) shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Second Lien Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Second Lien Authorized Representatives, or for the taking of any other action authorized by the Second Lien Security Documents; provided, however, that nothing in this Section shall impair the right of any Second Lien Authorized Representative or other agent or trustee acting on behalf of the Second Lien Secured Parties to take such actions with respect to the Collateral after the Discharge of the First Lien Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Second Lien Secured Parties or the Second Lien Obligations.

(b) **Cooperation.** Subject to the proviso in clause (ii) of Section 3.01(a), each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, agrees that, unless and until the Discharge of the First Lien Obligations has occurred, it will not commence, or join with any Person (other than the First Lien Secured Parties and the First Lien Collateral Agent upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Second Lien Documents or otherwise in respect of the Second Lien Obligations.

(c) **Actions upon Breach.** Should any Second Lien Authorized Representative or Second Lien Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party (in its or their own name or in the name of the Parent, the Borrower or any other Grantor) or the Parent, the Borrower or any Grantor may obtain relief against such Second Lien Authorized Representative or Second Lien Secured Party by injunction, specific performance or other appropriate equitable relief. Each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, hereby (i) agrees that the damages of the First Lien Collateral Agent, the First Lien Authorized Representatives and the First Lien Secured Parties from the actions of such Second Lien Authorized Representative or any of its Second Lien Secured Parties may at any time be difficult to ascertain and may be irreparable and waives any defense that the Parent, the Borrower, any other Grantor or the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party cannot demonstrate damage or be made whole by the awarding of damages and (ii) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party.

4. PAYMENTS

(a) **Application of Proceeds.** From and after the occurrence and during the continuance of any First Lien Event of Default, so long as the Discharge of the First Lien Obligations has not occurred, the Shared Collateral or Proceeds thereof received in connection with the sale or other disposition of, or collection on, such Shared Collateral upon the exercise of remedies shall be applied by the First Lien Collateral Agent to the First Lien Obligations in the order specified in the First Lien Intercreditor Agreement until the Discharge of the First Lien Obligations has occurred. Upon the Discharge of the First Lien Obligations, the First Lien Collateral Agent shall deliver promptly to the Designated Second Lien Authorized Representative any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Second Lien Authorized Representative to the Second Lien Obligations in the order specified in the relevant Second Lien Documents.

(b) **Payments Over.** Any Shared Collateral or Proceeds thereof received by any Second Lien Authorized Representative or any Second Lien Secured Party in connection with the exercise of any right or remedy (including setoff) relating to the Shared Collateral in contravention of this Agreement shall be segregated and held in trust for the benefit of and forthwith paid over to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The First Lien Collateral Agent is hereby authorized to make any such endorsements as agent for each Second Lien Authorized Representative or any Second Lien Secured Party. This authorization is coupled with an interest and is irrevocable.

5.
OTHER AGREEMENTS

(a) **Releases.** (i) Each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any Subsidiary), the Liens granted to the Second Lien Authorized Representatives and the Second Lien Secured Parties upon such Shared Collateral to secure Second Lien Obligations shall terminate and be released, automatically and without any further action, concurrently with the termination and release of all Liens granted upon such Shared Collateral to secure First Lien Obligations. Upon delivery to a Second Lien Authorized Representative of an Officer's Certificate stating that any such termination and release of Liens securing the First Lien Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Second Lien Secured Parties and the Second Lien Authorized Representatives) and any necessary or proper instruments of termination or release prepared by the Parent, the Borrower or any other Grantor, such Second Lien Authorized Representative will promptly execute, deliver or acknowledge, at the Parent's, the Borrower's or such other Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, to release the Liens on the Second Lien Collateral as set forth in the relevant Second Lien Documents.

(ii) Each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, hereby irrevocably constitutes and appoints the First Lien Collateral Agent and any officer or agent of the First Lien Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Lien Authorized Representative or such Second Lien Secured Party or in the First Lien Collateral Agent's own name, from time to time in the First Lien Collateral Agent's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(iii) Unless and until the Discharge of the First Lien Obligations has occurred, each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, hereby consents to the application, whether prior to or after an event of default under any First Lien Document of proceeds of Shared Collateral to the repayment of First Lien Obligations pursuant to the First Lien Documents, provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Second Lien Authorized Representatives or the Second Lien Secured Parties to receive proceeds in connection with the Second Lien Obligations not otherwise in contravention of this Agreement.

(iv) Notwithstanding anything to the contrary in any Second Lien Security Document, in the event the terms of a First Lien Security Document and a Second Lien Security Document each require any Grantor (i) to make payment in respect of any item of Shared Collateral, (ii) to deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) to register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder,

(v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both the First Lien Collateral Agent and any Second Lien Authorized Representative or Second Lien Secured Party, such Grantor may, until the Discharge of the First Lien Obligations has occurred, comply with such requirement under the Second Lien Security Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the First Lien Collateral Agent.

(b) **Insurance and Condemnation Awards.** Unless and until the Discharge of the First Lien Obligations has occurred, the First Lien Collateral Agent and the First Lien Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the First Lien Documents, (a) to be named as additional insured and loss payee under any insurance policies maintained from time to time by any Grantor, (b) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (c) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of the First Lien Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of the First Lien Obligations, to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties pursuant to the terms of the First Lien Documents, (ii) second, after the occurrence of the Discharge of the First Lien Obligations, to the Designated Second Lien Authorized Representative for the benefit of the Second Lien Secured Parties pursuant to the terms of the applicable Second Lien Documents and (iii) third, if no Second Lien Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Lien Authorized Representative or any Second Lien Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the First Lien Collateral Agent in accordance with the terms of Section 4.02.

(c) **Amendments to Second Lien Security Documents.** (i) Without the prior written consent of the First Lien Collateral Agent and each First Lien Authorized Representative (acting in accordance with the applicable First Lien Documents), no Second Lien Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Lien Security Document, would be prohibited by or inconsistent with any of the terms of this Agreement. Each Grantor

agrees to deliver to the First Lien Collateral Agent copies of (i) any amendments, supplements or other modifications to the Second Lien Security Documents and (ii) any new Second Lien Security Documents promptly after effectiveness thereof, and each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that each Second Lien Security Document shall include the following language (or language to similar effect reasonably approved by the First Lien Collateral Agent):

“Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the [Second Lien Authorized Representative] pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the First Lien Secured Parties (as defined in the Intercreditor Agreement referred to below), including liens and security interests granted to Bank of America, N.A., in its capacity as collateral agent for the First Lien Secured Parties, and (ii) the exercise of any right or remedy by the [Second Lien Authorized Representative] hereunder is subject to the limitations and provisions of the Second Lien Intercreditor Agreement dated as of [], 20[] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), by and among Buffalo Gulf Coast Terminals LLC, HFOTCO LLC, the other grantors party hereto, Bank of America, N.A., in its capacity as collateral agent for the First Lien Secured Parties, [Second Lien Authorized Representative] and the other parties thereto. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern.”

(ii) In the event that the First Lien Collateral Agent or the First Lien Secured Parties enter into any amendment, waiver or consent in respect of any of the First Lien Security Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any First Lien Security Document or changing in any manner the rights of the First Lien Collateral Agent, the First Lien Secured Parties, the Parent, the Borrower or any other Grantor thereunder (including the release of any Liens in First Lien Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of the comparable Second Lien Security Documents without the consent of any Second Lien Authorized Representative or any Second Lien Secured Party and without any action by any Second Lien Authorized Representative, the Parent, the Borrower or any other Grantor; provided, however, that written notice of such amendment, waiver or consent shall have been given to each Second Lien Authorized Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

(d) **Rights as Unsecured Creditors.** Notwithstanding anything to the contrary in this Agreement, the Second Lien Authorized Representatives and the Second Lien Secured Parties may exercise rights and remedies as unsecured creditors against the Parent, the Borrower and any other Grantor in accordance with the terms of the Second Lien Documents and applicable law. Nothing in this Agreement shall prohibit the receipt by any Second Lien Authorized Representative or any Second Lien Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Lien Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Lien Authorized Representative or any Second Lien Secured Party of rights or remedies as a secured creditor in respect of Shared

Collateral. In the event any Second Lien Authorized Representative or any Second Lien Secured Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Lien Obligations, such judgment lien shall be subordinated to the Liens securing First Lien Obligations on the same basis as the other Liens securing the Second Lien Obligations are so subordinated to such Liens securing First Lien Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the First Lien Collateral Agent, the First Lien Authorized Representatives or the First Lien Secured Parties may have with respect to the First Lien Collateral.

(e) **Gratuitous Bailee for Perfection.** (i) The First Lien Collateral Agent acknowledges and agrees that if it shall at any time hold a Lien securing any First Lien Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of the First Lien Collateral Agent, or of agents or bailees of the First Lien Collateral Agent (such Shared Collateral being referred to herein as the “Pledged or Controlled Collateral”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the First Lien Collateral Agent shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Second Lien Authorized Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Lien Security Documents and subject to the terms and conditions of this Section 5.05.

(ii) In the event that the First Lien Collateral Agent (or its agents or bailees) has Lien filings against intellectual property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, the First Lien Collateral Agent agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Second Lien Authorized Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Second Lien Security Documents, subject to the terms and conditions of this Section 5.05.

(iii) Except as otherwise specifically provided herein, until the Discharge of the First Lien Obligations has occurred, the First Lien Collateral Agent shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the First Lien Documents as if the Liens under the Second Lien Security Documents did not exist. The rights of the Second Lien Authorized Representatives and the Second Lien Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(iv) The First Lien Collateral Agent shall have no obligation whatsoever to the Second Lien Authorized Representatives or any Second Lien Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of the First Lien Collateral Agent under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as subagent and gratuitous bailee for the relevant Second Lien Authorized Representative for purposes of perfecting the Lien held by such Second Lien Authorized Representative.

(v) The First Lien Collateral Agent shall not have by reason of the Second Lien Security Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Lien Authorized Representative or any Second Lien Secured Party, and each, Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, hereby waives and releases the First Lien Collateral Agent from all claims and liabilities arising pursuant to the First Lien Collateral Agent's role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(vi) Upon the Discharge of the First Lien Obligations, the First Lien Collateral Agent shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Designated Second Lien Authorized Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by the First Lien Collateral Agent or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Lien Authorized Representative is entitled to approve any awards granted in such proceeding. The Parent, the Borrower and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify the First Lien Collateral Agent for loss or damage suffered by the First Lien Collateral Agent as a result of such transfer, except for loss or damage suffered by the First Lien Collateral Agent as a result of its own willful misconduct or gross negligence. The First Lien Collateral Agent has no obligation to follow instructions from the Designated Second Lien Authorized Representative in contravention of this Agreement.

(vii) None of the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party shall be required to marshal any present or future collateral security for any obligations of the Parent, the Borrower or any Subsidiary to the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party under the First Lien Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

(f) When Discharge of First Lien Obligations Deemed to Not Have Occurred. If, at any time after any Discharge of the First Lien Obligations has occurred, the Parent, the Borrower or any Subsidiary incurs any First Lien Obligations (other than in respect of the payment of indemnities surviving the Discharge of the First Lien Obligations), then such Discharge of the First Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of the incurrence of such

First Lien Obligations as a result of the occurrence of such Discharge of the First Lien Obligations) and the documents evidencing or governing such First Lien Obligations shall automatically be treated as First Lien Documents for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the First Lien Collateral Agent of amendments, waivers and consents hereunder and the administrative agent, collateral agent, trustee and/or similar representative acting on behalf of the holders of such First Lien Obligations shall be the First Lien Collateral Agent for all purposes of this Agreement. Upon receipt of notice of the incurrence of such First Lien Obligations (including the identity of the new First Lien Collateral Agent), each Second Lien Authorized Representative (including the Designated Second Lien Authorized Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrower), including amendments or supplements to this Agreement, as the Borrower or the new First Lien Collateral Agent shall reasonably request in writing in order to provide the new First Lien Collateral Agent the rights of the First Lien Collateral Agent contemplated hereby, (b) deliver to the new First Lien Collateral Agent, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Second Lien Authorized Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new First Lien Collateral Agent is entitled to approve any awards granted in such proceeding.

6. INSOLVENCY OR LIQUIDATION PROCEEDINGS.

(a) **Financing Issues.** Until the Discharge of the First Lien Obligations has occurred, if the Parent, the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to the Parent's, the Borrower's or any other Grantor's obtaining financing under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law ("**DIP Financing**"), then each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that (a) it will raise no objection to and will not otherwise contest such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the First Lien Obligations are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Lien Obligations are so subordinated to Liens securing the First Lien Obligations under this Agreement and (y) to any "carve-out" for professional and United States Trustee fees agreed to by the First Lien Collateral Agent or the First Lien Authorized Representatives, (b) it will raise no

objection to (and will not otherwise contest) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of the First Lien Obligations made by the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party, (c) it will raise no objection to (and will not otherwise contest) any lawful exercise by any First Lien Secured Party of the right to credit bid First Lien Obligations at any sale in foreclosure of any First Lien Collateral, (d) it will raise no objection to (and will not otherwise contest) any other request for judicial relief made in any court by any First Lien Secured Party relating to the lawful enforcement of any Lien on any First Lien Collateral or (e) it will raise no objection to (and will not otherwise contest or oppose) any order relating to a sale or other disposition of any asset of any Grantor for which the First Lien Collateral Agent has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the First Lien Obligations and the Second Lien Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the First Lien Obligations rank to the Liens on the Shared Collateral securing the Second Lien Obligations pursuant to this Agreement. Each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that notice received two Business Days prior to the entry of an order approving such usage of cash or other collateral or approving such financing shall be adequate notice.

(b) **Relief from the Automatic Stay.** Until the Discharge of the First Lien Obligations has occurred, each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the First Lien Collateral Agent.

(c) **Adequate Protection.** Each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party for adequate protection, (b) any objection by the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party to any motion, relief, action or proceeding based on the First Lien Collateral Agent's, any First Lien Authorized Representative's or any First Lien Secured Party's claiming a lack of adequate protection or (c) the payment of interest, fees, expenses or other amounts of the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party under Section 506(b) or 506(c) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the First Lien Secured Parties (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law and the First Lien Collateral Agent and the First Lien Secured Parties do not object to the adequate protection being provided to the First Lien Secured Parties, then each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, may seek or request adequate protection in the form of a replacement Lien on such additional collateral, which Lien is subordinated to the Liens securing the First Lien Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing

the Second Lien Obligations are so subordinated to the Liens securing the First Lien Obligations under this Agreement and (ii) in the event any Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, seeks or requests adequate protection and such adequate protection is granted in the form of additional collateral, then such Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, agrees that the First Lien Collateral Agent shall also be granted a senior Lien on such additional collateral as security for the First Lien Obligations and any such DIP Financing and that any Lien on such additional collateral securing the Second Lien Obligations shall be subordinated to the Liens on such collateral securing the First Lien Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the First Lien Secured Parties as adequate protection on the same basis as the other Liens securing the Second Lien Obligations are so subordinated to such Liens securing the First Lien Obligations under this Agreement.

(d) **Preference Issues.** If any First Lien Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Parent, the Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (a “Recovery”), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the First Lien Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the First Lien Secured Parties shall be entitled to a Discharge of the First Lien Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

(e) **Separate Grants of Security and Separate Classifications.** Each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, acknowledges and agrees that (a) the grants of Liens pursuant to the First Lien Security Documents and the Second Lien Security Documents constitute two separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Lien Obligations are fundamentally different from the First Lien Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the First Lien Secured Parties and the Second Lien Secured Parties in respect of the Shared Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims

held by the Second Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest (whether or not allowed or allowable) before any distribution is made in respect of the Second Lien Obligations, with each Second Lien Authorized Representative, for itself and on behalf of its Second Lien Secured Parties, hereby acknowledging and agreeing to turn over to the First Lien Collateral Agent amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Lien Secured Parties.

(f) **No Waivers of Rights of First Lien Secured Parties.** Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Lien Secured Party, including the seeking by any Second Lien Secured Party of adequate protection or the asserting by any Second Lien Secured Party of any of its rights and remedies under the Second Lien Documents or otherwise.

(g) **Application.** This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

(h) **Other Matters.** To the extent that any Second Lien Authorized Representative or any Second Lien Secured Party has or acquires rights under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, agrees not to assert any such rights without the prior written consent of the First Lien Collateral Agent, provided that if requested by the First Lien Collateral Agent, such Second Lien Authorized Representative shall timely exercise such rights in the manner requested by the First Lien Collateral Agent, including any rights to payments in respect of such rights.

(i) **506(c) Claims.** Until the Discharge of the First Lien Obligations has occurred, each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, agrees that it will not assert or enforce any claim under Section 506(c) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the First Lien Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

(j) **Reorganization Securities.** If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the First Lien Obligations and the Second Lien Obligations, then, to the extent the debt obligations distributed on account of the First Lien Obligations and on account of the Second Lien Obligations are secured by Liens upon the same assets, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

7.
RELIANCE; ETC.

(a) **Reliance.** The consent by the First Lien Secured Parties to the execution and delivery of the Second Lien Documents to which the First Lien Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the First Lien Secured Parties to the Parent, the Company or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, acknowledges that it and its Second Lien Secured Parties have, independently and without reliance on the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Lien Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Second Lien Documents or this Agreement.

(b) **No Warranties or Liability.** Each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, acknowledges and agrees that none of the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the First Lien Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The First Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the First Lien Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the First Lien Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Lien Authorized Representatives and the Second Lien Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. None of the First Lien Collateral Agent, any First Lien Authorized Representative or any First Lien Secured Party shall have any duty to any Second Lien Authorized Representative or Second Lien Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Parent, the Borrower or any Subsidiary (including the Second Lien Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the First Lien Collateral Agent, the First Lien Authorized Representatives, the First Lien Secured Parties, the Second Lien Authorized Representatives and the Second Lien Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the First Lien Obligations, the Second Lien Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

(c) **Obligations Unconditional.** All rights, interests, agreements and obligations of the First Lien Collateral Agent, the First Lien Authorized Representatives, the First Lien Secured Parties, the Second Lien Authorized Representatives and the Second Lien Secured Parties hereunder shall remain in full force and effect irrespective of:

(i) any lack of validity or enforceability of any First Lien Document or any Second Lien Document;

(ii) any change in the time, manner or place of payment of, or in any other terms of, all or any of the First Lien Obligations or Second Lien Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Bond Facility Agreement, the Credit Facilities Agreement or any other First Lien Document or of the terms of any Second Lien Document;

(iii) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First Lien Obligations or Second Lien Obligations or any guarantee thereof;

(iv) the commencement of any Insolvency or Liquidation Proceeding in respect of the Parent, the Borrower or any other Grantor; or

(v) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Parent, the Borrower or any other Grantor in respect of the First Lien Obligations or (ii) any Second Lien Authorized Representative or Second Lien Secured Party in respect of this Agreement.

8.

MISCELLANEOUS

(a) **Conflicts.** Subject to Section 8.18, in the event of any conflict between the provisions of this Agreement and the provisions of any First Lien Document or any Second Lien Document, the provisions of this Agreement shall govern.

(b) **Continuing Nature of this Agreement.** Subject to Section 6.04, this Agreement shall continue to be effective until the Discharge of the First Lien Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the First Lien Secured Parties may continue, at any time and without notice to any Second Lien Authorized Representative or Second Lien Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Parent, the Borrower or any Subsidiary constituting First Lien Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding.

(c) **Severability.** In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

(d) **Waivers; Amendments; Joinder Agreements.** (i) No failure or delay on the part of any party hereto in exercising any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Security Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege hereunder. The rights and remedies herein expressly provided of the parties hereto are cumulative and not exclusive of any rights or remedies which they would otherwise have. No waiver of any provision of this Agreement, or consent to any departure by any party hereto herefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(ii) Neither this Agreement nor any provision hereof may be terminated, waived, amended, supplemented or otherwise or modified (other than as supplemented pursuant to any First Lien Authorized Representative Joinder Agreement, Second Lien Authorized Representative Joinder Agreement or Grantor Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each First Lien Authorized Representative (acting in accordance with the applicable First Lien Documents) and each Second Lien Authorized Representative (acting in accordance with the applicable Second Lien Documents); provided that no such termination, waiver, amendment, supplement or modification shall amend, modify or otherwise affect the rights or obligations of any Grantor without such Grantor's prior written consent.

(iii) Notwithstanding the foregoing:

(1) without the consent of any Secured Party, any First Lien Authorized Representative may become a party hereto by execution and delivery of an First Lien Authorized Representative Joinder Agreement in accordance with Section 6.18(a) of the First Lien Security Agreement and upon such execution and delivery, such First Lien Authorized Representative and the First Lien Secured Parties and First Lien Obligations of the Series for which such First Lien Authorized Representative is acting shall be subject to the terms hereof;

(2) without the consent of any Secured Party, any Second Lien Authorized Representative may become a party hereto by execution and delivery of a Second Lien Authorized Representative Joinder Agreement in accordance with Section 8.10(b) of this Agreement and upon such execution and delivery, such Second Lien Authorized Representative and the Second Lien Secured Parties and Second Lien Obligations of the Series for which such Second Lien Authorized Representative is acting shall be subject to the terms hereof; and

(3) without the consent of any party hereto, any Subsidiary or direct or indirect parent company of the Parent may become a party hereto by execution and delivery of a Grantor Joinder Agreement in accordance with Section 8.08 and upon such execution and delivery, such Subsidiary or direct or indirect parent company of the Parent shall be subject to the terms hereof.

(e) **Information Concerning Financial Condition of the Parent, the Borrower and the Subsidiaries.** The First Lien Collateral Agent, the First Lien Authorized Representatives, the First Lien Secured Parties, the Second Lien Authorized Representatives and the Second Lien Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Parent, the Borrower and the Subsidiaries and all endorsers or guarantors of the First Lien Obligations or the Second Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien Obligations or the Second Lien Obligations. The First Lien Collateral Agent, the First Lien Authorized Representatives, the First Lien Secured Parties, the Second Lien Authorized Representatives and the Second Lien Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the First Lien Collateral Agent, any First Lien Authorized Representative, any First Lien Secured Party, any Second Lien Authorized Representative or any Second Lien Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the First Lien Collateral Agent, the First Lien Authorized Representatives, the First Lien Secured Parties, the Second Lien Authorized Representatives and the Second Lien Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

(f) **Subrogation.** Each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of the First Lien Obligations has occurred.

(g) **Application of Payments.** Except as otherwise provided herein, all payments received by the First Lien Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the First Lien Obligations as the First Lien Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the First Lien Documents. Except as otherwise provided herein, each Second Lien Authorized Representative, on behalf of itself and its Second Lien Secured Parties, assents to any such extension or postponement of the time of payment of the First Lien Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the First Lien Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

(h) **Additional Grantors.** If any Subsidiary or direct or indirect parent company of the Parent grants a security interest pursuant to any Security Document to secure any Series of Secured Obligations, the Parent and the Borrower will, substantially concurrently therewith, cause such Subsidiary or direct or indirect parent company of the Parent, if not already a party hereto, to become a party hereto as a “Grantor”. Upon execution and delivery by the First Lien Collateral Agent, the Designated Second Lien Authorized Representative and such

Subsidiary or direct or indirect parent company of the Parent of a Grantor Joinder Agreement, such Subsidiary or direct or indirect parent company of the Parent shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any Grantor Joinder Agreement shall not require the consent of any other party hereto. The rights and obligations of each party hereto hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

(i) **Dealings with Grantors.** Upon any application or demand by the Parent, the Borrower or any other Grantor to the First Lien Collateral Agent, the Applicable First Lien Secured Parties, the Designated Second Lien Authorized Representative or the Applicable Second Lien Secured Parties to take or permit any action under any of the provisions of this Agreement or under any Security Document (if such action is subject to the provisions hereof), the Parent, the Company or such other Grantor, as appropriate, shall furnish to the Designated Second Lien Authorized Representative or the First Lien Collateral Agent a certificate of an appropriate officer (an “Officer’s Certificate”) stating that all conditions precedent, if any, provided for in this Agreement or such Security Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Security Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

(j) **Additional First Lien Obligations; Additional Second Lien Obligations.** (i) On or after the date hereof and so long as such Indebtedness is permitted to be incurred under the First Lien Documents and Second Lien Documents then in effect, the Borrower may from time to time designate Indebtedness to be secured on a *pari passu* basis with the First Lien Obligations as First Lien Obligations under this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of Section 6.18(a) of the First Lien Security Agreement.

(ii) On or after the date hereof and so long as such Indebtedness is permitted to be incurred under the First Lien Documents and Second Lien Documents then in effect, the Borrower may from time to time designate Indebtedness to be secured on a second lien, subordinated basis to the First Lien Obligations as Additional Second Lien Obligations under this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of this Section 8.10(b). In order for such Indebtedness (the “New Second Lien Obligations”) to be secured on a second lien, subordinated basis to the First Lien Obligations as Additional Second Lien Obligations under this Agreement:

(1) the Borrower shall have delivered to the First Lien Collateral Agent and the Designated Second Lien Authorized Representative (A) a certificate signed by a Responsible Officer of the Parent and the Borrower (1) identifying the New Second Lien Obligations and the initial aggregate principal amount or face amount thereof, (2) stating that the New Second Lien Obligations are designated as Additional Second Lien Obligations for purposes hereof, and (3) representing that the designation of the New Second Lien Obligations as Additional Second Lien Obligations complies with the provisions of the First Lien Documents and Second Lien Documents then in effect, and (B) true and complete copies of each of the operative agreements evidencing or governing such New Second Lien Obligations (the “New Second Lien Documents”), certified as being true and correct by a Responsible Officer of the Parent and the Borrower;

(2) the representative (as determined by the First Lien Collateral Agent and the Designated Second Lien Authorized Representative) acting on behalf of the holders of the New Second Lien Obligations (the “New Second Lien Authorized Representative”), the First Lien Collateral Agent, the Designated Second Lien Authorized Representative and each Loan Party shall have executed and delivered a Second Lien Authorized Representative Joinder Agreement pursuant to which the New Second Lien Authorized Representative shall have become a Second Lien Authorized Representative under this Agreement, and the New Second Lien Obligations and the holders thereof (the “New Second Lien Secured Parties”) shall have become subject to, and bound by, this Agreement;

(3) all filings, recordations and/or amendments or supplements to the Second Lien Security Documents necessary or desirable in the reasonable judgment of the Designated Second Lien Authorized Representative to confirm and perfect the Liens securing the New Second Lien Obligations shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordings have been taken in the reasonable judgment of the Designated Second Lien Authorized Representative), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments have been taken in the reasonable judgment of the Designated Second Lien Authorized Representative); and

(4) the New Second Lien Documents shall provide, in a manner reasonably satisfactory to the First Lien Collateral Agent and the Designated Second Lien Authorized Representative, that each New Second Lien Secured Party will be subject to and bound by the provisions of this Agreement in its capacity as a holder of the New Second Lien Obligations.

(iii) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law;

(iv) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any New York State or federal court;

(v) waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court; and (vi) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any action or proceeding referred to in this Section 8.11 any special, exemplary, punitive or consequential damages.

“Adjusted EBITDA” means, for any period, EBITDA for such period, ~~plus (i) the Crude Topping Unit EBITDA Adjustment, less (ii) the Interest Expense for such period in respect of the Bonds.~~

“Administrative Agent” means Bank of America, in its capacity as Administrative Agent for the Purchasers under the Bond Documents, and any successors or assigns in such capacity hereunder.

“Administrative Agent’s Office” means the Administrative Agent’s address as set forth on Schedule I or such other address or account as the Administrative Agent may from time to time notify to the Obligor and the Bondholders.

“**Applicable Percentage**” means, with respect to any Bondholder at any time, the percentage (carried out to the ninth decimal place) of the Total Exposure represented by the Bonds held by such Bondholder at such time. The Applicable Percentage of each Bondholder is set forth opposite the name of such Bondholder on Schedule II or in the Assignment and Assumption pursuant to which such Bondholder becomes a party hereto.

“**Applicable Spread**” means, for any day, a rate per annum that is a component of the LIBOR Term Indexed Rate, based upon the Super Senior Leverage Ratio as specified in the table below.

SUPER SENIOR LEVERAGE RATIO	APPLICABLE SPREAD
< 1.75:1.00	1.25%
> 1.75:1.00 < 2.75:1.00	1.40%
> 2.75:1.00	1.65%

Any increase or decrease in the Applicable Spread resulting from a change in the Super Senior Leverage Ratio shall become effective as of the first Business Day immediately following the date a Compliance Certificate is delivered pursuant to Section 5.08; provided, however, that if a Compliance Certificate is not delivered when due in accordance with such Section, then, upon the request of the Required Bondholders, an Applicable Spread of 1.65% shall apply, in each case as of the first Business Day after the date on which such Compliance Certificate was required to have been delivered and in each case shall remain in effect until the first Business Day following the date on which such Compliance Certificate is delivered. In addition, at all times while the Default Rate is in effect, an Applicable Spread of 1.65% shall apply.

Notwithstanding anything to the contrary contained in this definition, (a) the determination of the Applicable Spread for any period shall be subject to the provisions of this paragraph and (b) the initial Applicable Spread shall be 1.40% until the first Business Day immediately following the date a Compliance Certificate is delivered pursuant to Section 5.08 for the Fiscal Quarter ending September 30, 2014 to the Administrative Agent. Any adjustment in the Applicable Spread shall be applicable to all Bonds. If, as a result of any restatement of or other adjustment to the financial statements of the Obligor and its Subsidiaries or for any other reason, the Obligor, the Administrative Agent or the Bondholders determine that (i) the Super Senior Leverage Ratio as calculated by the Obligor as of any applicable date was inaccurate and (ii) a proper calculation of the Super Senior Leverage Ratio would have resulted in higher pricing for such period, the Obligor shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the Bondholders promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the Obligor under the U.S. Bankruptcy Code, automatically and without further action by the Administrative Agent or any Bondholder), an amount equal to the excess of the amount of interest and fees that should have

been paid for such period over the amount of interest and fees actually paid for such period. This paragraph shall not limit the rights of the Administrative Agent or any Bondholder, as the case may be, under any provision of this Agreement to payment of any Obligations hereunder at the Default Rate or under Article IX. The Obligor's obligations under this paragraph shall survive the repayment of all other Obligations hereunder. The Administrative Agent shall notify the Calculation Agent and the Trustee of any change in the Applicable Spread arising from the provisions set forth in this definition.

- ~~(a) with respect to any Fiscal Quarter ending on or prior to September 30, 2016, 8.50 to 1.00; and~~

(b) Subject to the provisions of paragraph (c) below, such Bondholder shall afford the Obligor the reasonable opportunity, at the Obligor's sole cost and expense, to contest (i) the validity of any amendment to the Code which causes the interest on the Bonds to be included in the gross income of such Bondholder or (ii) any challenge to the validity of the Tax exemption with respect to the interest on the Bonds, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals); and

(c) As a condition precedent to the exercise by the Obligor of its right to contest set forth in paragraph (b) above, the Obligor shall, on demand, immediately reimburse such Bondholder for any and all reasonable and documented expenses (including reasonable and documented attorneys' fees for services that may be required or desirable, as determined by such Bondholder (in its sole discretion)) that may be incurred by the Bondholder in connection with any such contest, and shall, on demand, immediately reimburse the Bondholder for any payments, including any Taxes, interest, penalties or other charges payable by such Bondholder for failure to include such interest in its gross income.

Section 2.05 Maximum Interest Rate. (a) If the amount of interest payable for any period in accordance with the terms hereof or the Bonds exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Rate, then interest for such period shall be payable in an amount calculated at the Maximum Rate.

(b) Any interest that would have been due and payable for any period but for the operation of the immediately preceding paragraph (a) shall accrue and be payable as provided in this paragraph (b) and shall, less interest actually paid to each Bondholder for such period, constitute the "**Excess Interest Amount**." If there is any accrued and unpaid Excess Interest Amount as of any date, then the principal amount with respect to which interest is payable shall bear interest at the Maximum Rate until payment to each Bondholder of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no principal amount with respect to the Bonds remains unpaid, to the extent permitted by law and upon receipt by the Trustee of a Favorable Opinion of Bond Counsel, which the Obligor shall promptly request upon the request of the Administrative Agent or any Bondholder, the Obligor shall pay to the Administrative Agent for the ratable benefit of each Bondholder a fee equal to any accrued and unpaid Excess Interest Amount.

Section 2.06 Obligations Absolute. The payment obligations of the Obligor under this Agreement shall be unconditional and irrevocable herein and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including without limitation the following:

- (a) any lack of validity or enforceability of this Agreement, the Bonds or any of the other Bond Documents;
- (b) any amendment or waiver of or any consent to departure from all or any of the Bond Documents;

(c) the existence of any claim, set-off, defense or other right which the Obligor may have at any time against the Purchasers, any other Bondholder or any other person or entity, whether in connection with this Agreement, the other Bond Documents, the transactions contemplated herein or therein or any unrelated transaction; or

(d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Section 2.07 No Bond Rating; CUSIP. The Obligor shall not be required to maintain a rating on the Bonds. The Bonds delivered to the Purchasers on the Closing Date shall not bear CUSIP numbers; however, if any of the Bonds are subsequently transferred to the Securities Depository (as defined in the Indentures) pursuant to Section 2.20 of any of the respective Indenture, the Bondholder Representative shall have the right (with the consent of the Obligor, not to be unreasonably withheld and to the extent CUSIP numbers are legally obtainable) to obtain CUSIP numbers for such Bonds and, in such event may obtain replacement Bonds pursuant to the respective Indenture which bear such CUSIP numbers.

Section 2.08 Bondholder Consent to Subsequent Indexed Mode. (a) On or before the date that is one hundred twenty (120) days prior to the Mandatory Purchase Date, the Obligor may provide written notice to the Bondholders of its desire to change the interest rate Mode of the Bonds (including remarketing for a new Interest Period in the LIBOR Term Indexed Mode) and requesting the Bondholders to purchase such Bonds in such new Mode or for such new Interest Period or provide the liquidity or credit enhancement necessary to facilitate the conversion of the Bonds to such new Mode. The Bondholders will make reasonable efforts to respond to such request within sixty (60) days after receipt of all information necessary, in the Bondholders' reasonable judgment, to permit the Bondholders to make an informed credit decision. The Bondholders may, in their sole and absolute discretion, decide to accept or reject any such request, and no consent shall become effective unless all of the Bondholders shall have consented thereto in writing. In the event the Bondholders fail to definitively respond to such request within such sixty (60) day period, the Bondholders shall be deemed to have refused to grant such request. The consent of the Bondholders, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance satisfactory to the Bondholders (which may include, but not be limited to, the delivery of a "no adverse effect opinion" of Bond Counsel to the Bondholders with respect to the tax-exempt status of the Bonds as a result of such conversion or remarketing). In the event the Obligor and the Bondholders fail to document in writing their agreement of the proposed terms of the succeeding Interest Period(s), the Obligor shall continue to be required to repurchase the Bonds on the Mandatory Purchase Date at the Mandatory Tender Purchase Price.

Section 2.09 Optional Redemptions and Purchases. The Obligor may, upon notice to the Administrative Agent, at any time and from time to time undertake an optional redemption or purchase of Bonds pursuant to the terms of the Indenture; provided, that, (a) unless otherwise agreed by the Administrative Agent, such notice shall be received by the Administrative Agent at least 30 days prior to the date of such proposed optional redemption or purchase in lieu of redemption of Bonds, and (b) any such optional redemption or purchase in lieu of redemption of Bonds shall be in denominations authorized by the Indenture. Any redemption or purchase of the Bonds shall be accompanied by all accrued interest on the amount prepaid. In addition, in connection with any such redemption or purchase of the Bonds, the Obligor shall pay to each Bondholder any additional amounts required to be paid to such Bondholder pursuant to Section 2.15.

Section 2.10 Mandatory Conversions and Redemptions.

(a) No later than the fifth Business Day following the date of receipt by the Parent or any Restricted Subsidiary of any Net Recovery Proceeds exceeding \$1,000,000, the Obligor shall apply all such Net Recovery Proceeds (A) first, to mandatory redemption or purchase of the outstanding Bonds pursuant to Section 4.01H of the Indenture and in accordance with Section 2.10(d) and (B) second, to the prepayment of Term Loans under the HFOTCO Credit Facilities (provided, that the Obligor may apply a portion of the Net Recovery Proceeds to be applied in accordance with this clause (B) to redeem or repurchase Permitted First Lien Refinancing Debt in an amount not to exceed the Specified Redemption Amount); provided, further, that, in the case of any Recovery Event (other than any Recovery Event in respect of a Total Loss), if the Obligor shall, prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer of the Obligor to the effect that the Obligor intends to cause the Net Recovery Proceeds with respect to such Recovery Event (or a portion of such Net Recovery Proceeds specified in such certificate) to be applied within 365 days after receipt of such Net Recovery Proceeds to acquire real property, equipment or other tangible long-term assets to be used in the business of the Obligor or the other Restricted Subsidiaries or to demolish, repair or restore the real property or equipment damaged as a result of a casualty, then no prepayment shall be required pursuant to this paragraph in respect of such Net Recovery Proceeds (or the portion of such Net Recovery Proceeds specified in such certificate, if applicable) except to the extent of any such Net Recovery Proceeds that have not been so applied by the end of such 365 day period (or within a period of 545 days after receipt of such Net Recovery Proceeds if by the end of such initial 365 day period the Obligor or one or more other Restricted Subsidiaries shall have entered into an agreement with a third party to acquire such real property, equipment or other tangible long-term assets with such Net Recovery Proceeds), at which time a prepayment shall be required in an amount equal to such Net Recovery Proceeds that have not been so applied.

(b) No later than the fifth Business Day following the date of receipt by the Parent or any Restricted Subsidiary of any Net Sale Proceeds exceeding \$1,000,000, the Obligor shall apply all such Net Sale Proceeds (A) first, to first, to mandatory redemption or purchase of the outstanding Bonds pursuant to Section 4.01H of the Indenture and in accordance with Section 2.10(d) and (B) second, to the prepayment of the Term Loans under the HFOTCO Credit Facilities (provided, that the Obligor may apply a portion of the Net Recovery Proceeds to be applied in accordance with this clause (B) to redeem or repurchase Permitted First Lien Refinancing Debt in an amount not to exceed the Specified Redemption Amount); provided, further, that, in the case of any Asset Sale, if the Obligor shall, prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer of the Obligor to the effect that the Obligor intends to cause the Net Sale Proceeds with respect to such Asset Sale (or a portion of such Net Sale Proceeds specified in such certificate) to be applied within 365 days after receipt of such Net Sale Proceeds to acquire real property, equipment or other tangible long-term assets to be used in the business of the Obligor or the other Restricted Subsidiaries, or to consummate any Permitted Acquisition permitted hereunder, then no prepayment shall be required pursuant to this paragraph in respect of such Net Sale Proceeds (or the portion of such Net Sale Proceeds specified

in such certificate, if applicable) except to the extent of any such Net Sale Proceeds that have not been so applied by the end of such 365 day period (or within a period of 545 days after receipt of such Net Sale Proceeds if by the end of such initial 365 day period the Obligor or one or more other Restricted Subsidiaries shall have entered into an agreement with a third party to acquire such real property, equipment or other tangible long-term assets, or to consummate such Permitted Acquisition, with such Net Sale Proceeds), at which time a prepayment shall be required in an amount equal to such Net Sale Proceeds that have not been so applied.

(c) No later than the first Business Day following the date of receipt by the Parent or any Restricted Subsidiary of any Net Issuance Proceeds from the incurrence of any Indebtedness of the Parent, the Obligor or any other Restricted Subsidiary (other than with respect to any Indebtedness permitted to be incurred by Section 6.02), the Obligor shall apply such Net Issuance Proceeds to the redemption, repurchase or prepayment, as applicable, on a pro rata basis, of (A) the outstanding Bonds pursuant to Section 4.01H of the Indenture and in accordance with Section 2.10(d) and (B) Term Loans under the HFOTCO Credit Facilities.

(d) Payments made on account of the optional or mandatory redemption or purchase of the Bonds made pursuant to Section 2.09 or Section 2.10(a), (b) or (c), shall be applied ratably to each Series of Bonds and to each Bondholder as nearly as practicable in accordance with their Applicable Percentage, giving effect to the minimum Bond denominations in the Indenture.

(e) The Obligor shall give all notices required to be given to the Trustee pursuant to the terms of the Indenture to effectuate any optional or mandatory redemption or purchase of the Bonds to be made pursuant to Section 2.09 or Section 2.10(a), (b) or (c).

Section 2.11 Fees. The Obligor shall pay to the Administrative Agent and the Collateral Agent, each for its own account, fees in the amounts and at the times specified in the Agency Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

Section 2.12 Sharing of Payments by Bondholders. If any Bondholder shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of (a) any Obligations due and payable to such Bondholder hereunder and under the other Bond Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Bondholder at such time to (ii) the aggregate amount of the Obligations due and payable to all Bondholders hereunder and under the other Bond Documents at such time) of payments on account of the Obligations due and payable to all Bondholders hereunder and under the other Bond Documents at such time obtained by all the Bondholders at such time or (b) Obligations owing (but not due and payable) to such Bondholder hereunder and under the other Bond Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing (but not due and payable) to such Bondholder at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Bondholders hereunder and under the other Bond Documents at such time) of payments on account of the Obligations owing (but not due and payable) to all Bondholders hereunder and under the other Bond Documents at such time obtained by all of the Bondholders at such time, then, in each case under clauses (a) and (b) above, the Bondholder receiving such greater proportion shall (A) notify the Administrative Agent of such fact, and (B) purchase (for

cash at face value) participations in the Bonds of the other Bondholders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Bondholders ratably in accordance with the aggregate amount of Obligations then due and payable to the Bondholders or owing (but not due and payable) to the Bondholders, as the case may be, provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (x) any payment made by or on behalf of the Obligor pursuant to and in accordance with the express terms of this Agreement, or (z) any payment obtained by a Bondholder as consideration for the assignment of or sale of a participation in any of its Bonds to any assignee or participant.

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Bondholder acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Bondholder were a direct creditor of such Loan Party in the amount of such participation.

Section 2.13 Taxes.

(a) Except as otherwise required by Governmental Rule, any and all payments by or on account of any Obligation shall be made free and clear of and without deduction or withholding for or on account of any Taxes; provided that, if by Governmental Rule any Taxes are required to be deducted or withheld from any such payments, then (i) the applicable withholding agent shall make such deductions or withholdings, (ii) the applicable withholding agent shall timely pay or cause to be paid the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Governmental Rule and (iii) to the extent that such Taxes consist of Indemnified Taxes, the sum payable by or on behalf of the Obligor to the applicable Bondholder Party (or to the Issuer on behalf of or for the benefit of such Bondholder Party) shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings of Indemnified Taxes applicable to additional sums payable under this Section 2.13(a)) the applicable Bondholder Party receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, the Obligor shall timely pay or cause to be paid any Other Taxes to the relevant Governmental Authority in accordance with applicable Governmental Rule.

(c) The Obligor shall indemnify or cause to be indemnified each Bondholder Party, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes payable or paid by such Bondholder Party (other than any penalties and interest resulting from gross negligence or willful misconduct, as determined by a final non-appealable judgment of the highest court of competent jurisdiction, of such Bondholder Party and without duplication of any amounts indemnified under Section 2.13(a)) (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13(c)) and any reasonable expenses arising

therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability and setting forth in reasonable detail the calculation for such payment or liability delivered to the Obligor by a Bondholder Party, or by the Administrative Agent on its own behalf or on behalf of a Bondholder Party, shall be conclusive absent manifest error of such Bondholder Party or the Administrative Agent; provided that the Obligor shall not be required to compensate a Bondholder Party pursuant to this Section 2.13 for any Indemnified Taxes unless such Bondholder Party requests compensation from the Obligor not later than 365 days after the earlier of (i) the date on which the relevant Governmental Authority makes written demand upon such Bondholder Party for payment of such Indemnified Taxes, and (ii) the date on which such Bondholder Party has made payment of such Indemnified Taxes.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by or on behalf of the Obligor to a Governmental Authority, the Obligor shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) (i) Any Bondholder that is entitled to an exemption from or reduction of withholding Tax with respect to payments under any Bond Document shall deliver to the Obligor and the Administrative Agent (with a copy to the Trustee), at the time or times reasonably requested by the Obligor or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Obligor or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Bondholder, if reasonably requested by the Obligor or the Administrative Agent, shall deliver such other documentation prescribed by Governmental Rule or reasonably requested by the Obligor or the Administrative Agent as will enable the Obligor or the Administrative Agent to determine whether or not such Bondholder is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Bondholder's reasonable judgment such completion, execution or submission would subject such Bondholder to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Bondholder.

(ii) Without limiting the generality of the foregoing,

(A) any Bondholder that is a U.S. Person shall deliver to the Obligor and the Administrative Agent (with a copy to the Trustee) on or prior to the date on which such Bondholder becomes a Bondholder under this Agreement (and from time to time thereafter upon the reasonable request of the Obligor or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Bondholder is exempt from U.S. federal backup withholding Tax;

(B) any Non-U.S. Bondholder shall, to the extent it is legally entitled to do so, deliver to the Obligor and the Administrative Agent (in such number of ~~copies~~originals as shall be requested by the recipient and with a copy being delivered to the Trustee) on or prior to the date on which such Non-U.S. Bondholder becomes a Bondholder under this Agreement (and from time to time thereafter upon the reasonable request of the Obligor or the Administrative Agent), whichever of the following is applicable:

i. in the case of a Non-U.S. Bondholder claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Bond Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Bond Document, IRS Form W-8BEN or IRS W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

ii. executed originals of IRS Form W-8ECI; or

iii. in the case of a Non-U.S. Bondholder claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Non-U.S. Bondholder is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Obligor within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed originals of IRS Form W- 8BEN or IRS Form W-8BEN-E; or

iv. to the extent a Non-U.S. Bondholder is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Bondholder is a partnership and one or more direct or indirect partners of such Non-U.S. Bondholder are claiming the portfolio interest exemption, such Non-U.S. Bondholder may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Bondholder shall, to the extent it is legally entitled to do so, deliver to the Obligor and the Administrative Agent (in such number of ~~copies~~originals as shall be requested by the recipient and with a copy being delivered to the Trustee) on or prior to the date on which such Non-U.S. Bondholder becomes a Bondholder under this Agreement (and from time to time thereafter upon the reasonable request of the Obligor or the Administrative Agent), executed originals of any other form prescribed by Governmental Rule as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Obligor or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Bondholder Party under any Bond Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Bondholder Party were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Bondholder Party shall deliver to the Obligor and the Administrative Agent (with a copy to the Trustee) at the time or times prescribed by Governmental Rule and at such time or times reasonably requested by the Obligor or the Administrative Agent such documentation prescribed by Governmental Rule (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Obligor or the Administrative Agent as may be necessary for the Obligor, the Administrative Agent and, if applicable, the Trustee to comply with their obligations under FATCA and to determine that such Bondholder Party has complied with such Bondholder Party's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Bondholder Party agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Obligor, the Administrative Agent and, if applicable, the Trustee in writing of its legal inability to do so.

(f) Each Bondholder shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Bondholder (but only to the extent that the Obligor has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Obligor to do so), (ii) any Taxes attributable to such Bondholder's failure to comply with the provisions of Section 9.06(h) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Bondholder, in each case, that are payable or paid by the Administrative Agent in connection with any Bond Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Bondholder by the Administrative Agent shall be conclusive absent manifest error. Each Bondholder hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Bondholder under any Bond Document or otherwise payable by the Administrative Agent to the Bondholder from any other source against any amount due to the Administrative Agent under this paragraph (f).

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.13 (including by the payment of additional amounts pursuant to this Section 2.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.13 with respect to the Taxes giving rise to such refund), net

of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) For purposes of this Section 2.13, the term “**Governmental Rule**” includes FATCA.

(i) On or before the date that the initial Administrative Agent (or any successor or replacement Administrative Agent) becomes an Administrative Agent hereunder, it shall deliver to the Obligor two duly executed originals of either (i) if the Administrative Agent is a U.S. Person, IRS Form W-9, or (ii), in the case of an Administrative Agent that is not a U.S. Person, (A) a duly completed IRS Form W-8ECI or (B) any other U.S. Tax form requested by the Obligor that the Administrative Agent can legally provide which establishes that payments made to such Administrative Agent are not subject to U.S. withholding Tax.

Section 2.14 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, a Bondholder;

(ii) subject any Bondholder Party to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on a Bondholder or the London interbank market any other condition, cost or expense affecting this Agreement;

and the result of any of the foregoing shall be to increase the cost to any such Bondholder Party with respect to this Agreement, the Bonds, or the making, maintenance or funding of the purchase price of the Bonds, or to reduce the amount of any sum received or receivable by such Bondholder Party hereunder (whether of principal, interest or any other amount), in each case by an amount

reasonably determined by such Bondholder Party to be material, then, upon request of such Bondholder Party, the Obligor will pay to such Bondholder Party, such additional amount or amounts as will compensate such Bondholder Party, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If a Bondholder determines that any Change in Law affecting such Bondholder or any such Bondholder's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Bondholder's capital or liquidity or on the capital or liquidity of such Bondholder's holding company, if any, as a consequence of this Agreement or the Bonds to a level below that which such Bondholder or such Bondholder's holding company could have achieved but for such Change in Law (taking into consideration such Bondholder's policies and the policies of such Bondholder's holding company with respect to capital adequacy), in each case by an amount reasonably determined by such ~~Lender~~ Bondholder to be material, then from time to time the Obligor will pay to such Bondholder, such additional amount or amounts as will compensate such Bondholder or such Bondholder's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Bondholder Party setting forth in reasonable detail the amount or amounts necessary to compensate such Bondholder Party or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Obligor shall be conclusive absent manifest error. The Obligor shall pay such Bondholder Party the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of a Bondholder Party to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Bondholder Party's right to demand such compensation; provided that the Obligor shall not be required to compensate such Bondholder Party pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than 180 days prior ~~to~~ to the date that such Bondholder Party notifies the Obligor of the Change in Law giving rise to such increased costs or reductions and of such Bondholder Party's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.15 LIBOR Breakage Fee. In the event any Bondholder shall incur any loss, cost, or expense (including, without limitation, any loss, cost, or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired or contracted to be acquired by such Bondholder to purchase or hold the Bonds or the relending or reinvesting of such deposits or other funds or amounts paid or prepaid to the Bondholder) as a result of any purchase, redemption, or other prepayment of the Bonds on a date other than a LIBOR Index Reset Date for any reason, including, without limitation pursuant to Section 2.9 or Section 2.10, whether before or after default, and whether or not such payment is required by any provision of this Agreement or the Indenture, then upon the demand of such Bondholder, with copy to the Administrative Agent, the Obligor shall pay to such Bondholder a premium in such amount as will reimburse such Bondholder for such loss, cost, or expense. If such Bondholder requests such premium, it shall provide to the Obligor a certificate setting forth the computation of the loss, cost, or expense giving rise to the request for such premium in reasonable detail and such certificate shall be conclusive if reasonably determined.

Section 2.16 Survival. All of the Obligor's obligations under this Article II shall survive the termination of this Agreement, the repayment, satisfaction or discharge of all other Obligations and resignation of the Administrative Agent or the Collateral Agent.

ARTICLE III REPRESENTATIONS AND WARRANTIES ~~THAT:~~

Each of the Parent and the Obligor represents and warrants to each Bondholder Party that:

Section 3.01 Organization; Power and Authority. Each Group Member (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has all requisite organizational power and authority to own its property and assets and to carry on its business as now conducted, (c) is qualified to do business and is in good standing in each jurisdiction where such qualification is required, except, in the case of the Obligor and the other Restricted Subsidiaries, where the failure to so qualify or be in good standing could not reasonably be expected to have a Material Adverse Effect, and (d) has the organizational power and authority to enter into the Transactions to be entered into by such Group Member.

Section 3.02 Ownership of Equity Interests; Subsidiaries.

(a) The Equity Interests in the Parent and each Restricted Subsidiary have been duly authorized and validly issued and are fully paid and non-assessable. 100% of the Equity Interests in the Obligor are owned, beneficially and of record, directly by the Parent, free and clear of any Lien other than the Terminated Liens (which shall be released on or prior to the Closing Date), the Liens contemplated by the Security Documents and non-consensual Liens permitted under Section 6.01 arising by operation of law. There is no existing option, warrant, call, right, commitment or other agreement to which any Group Member is a party requiring, and there is no Equity Interest in the Parent or any Restricted Subsidiary outstanding which upon conversion or exchange would require, the issuance of any additional Equity Interests in the Parent or any Restricted Subsidiary or other securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase an Equity Interest in the Parent or any Restricted Subsidiary. As of the Closing Date, the corporate and organizational structure of the direct owners of the Group Members is set forth on Schedule 3.02. The Obligor has delivered to the Administrative Agent and the Bondholders a true and complete copy of the HFOTCO Company Agreement (including each amendment, modification or supplement thereto) as in effect on the Closing Date. To the extent that the proceeds of any Specified Equity Contribution are used to repay Indebtedness, such Indebtedness shall not be deemed to have been repaid for purposes of calculating the financial covenants set forth in Section 6.14 for any period of four consecutive Fiscal Quarters of the Parent in which EBITDA shall have been increased as a result of such Specified Equity Contribution.

ARTICLE VIII ADMINISTRATIVE AGENT

Section 8.01 Appointment and Authority. Each of the Bondholders hereby irrevocably appoints, designates and authorizes Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Bond Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto, including, without limitation, the power to deliver notices to the Trustee in connection with the Bonds upon the direction of the Required Bondholders and to take all such other actions with respect to the Bond Documents as the Required Bondholders may direct. Except as expressly provided in Sections 8.06 and 8.10, the provisions of this Article are solely for the benefit of the Administrative Agent and the Bondholders, and neither the Obligor nor any Loan Party shall have rights as a third party beneficiary of any such provision. It is understood and agreed that the use of the term “agent” herein or in any other Bond Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

Section 8.02 Rights as a Bondholder. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Bondholder as any other Bondholder and may exercise the same as though it were not the Administrative Agent and the term “**Bondholder**” or “**Bondholders**” shall, unless otherwise expressly indicated or unless the

context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust, financial, advisory, underwriting or other business with any Loan Party or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Bondholders or to provide notice to or consent of the Bondholders with respect thereto.

Section 8.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Bond Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and its Related Parties:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Bond Documents that the Administrative Agent is required to exercise as directed in writing by the Required Bondholders (or such other number or percentage of the Bondholders as shall be expressly provided for herein or in the other Bond Documents) or the Secured Parties in accordance with the provisions of the Intercreditor Agreement, provided that Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Bond Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Bond Documents, have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

Neither the Administrative Agent nor any of its Related Parties shall be liable for any action taken or not taken by the Administrative Agent under or in connection with this Agreement or any other Bond Document or the transactions contemplated hereby or thereby (i) with the consent or at the request of the Required Bondholders (or such other number or percentage of the Bondholders as shall be necessary) or the Secured Parties in accordance with the provisions of the Intercreditor Agreement, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.01 and 7.02) or (ii) in the absence of its own gross negligence, willful misconduct, or material breach in bad faith of its express material obligations hereunder or under any other Bond Document, as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall not be deemed to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Obligor or a Bondholder or notice of default under the Indenture is received by the Administrative Agent from the Trustee.

Neither the Administrative Agent nor any of its Related Parties have any duty or obligation to any Bondholder or participant or any other Person to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Bond Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Bond Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition or representation and warranty set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (A) be obligated to ascertain, monitor or inquire as to whether any Bondholder or Participant or prospective Bondholder or Participant is a Disqualified Institution or (B) have any liability with respect to or arising out of any assignment or participation of Bonds, or disclosure of confidential information, to any Disqualified Institution.

Section 8.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying and shall not incur any liability for relying upon, any notice, request, certificate, communication, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall be fully protected in relying and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the purchase of Bonds, that by its terms must be fulfilled to the satisfaction of a Bondholder, the Administrative Agent may presume that such condition is satisfactory to such Bondholder unless the Administrative Agent shall have received notice to the contrary from such Bondholder prior to the purchase of such Bond. Each Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. For purposes of determining compliance with the conditions specified in Section 4.01, each Bondholder that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Bondholder unless the Administrative Agent shall have received notice from such Bondholder prior to the proposed Closing Date specifying its objections.

Section 8.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Bond Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative

Agent and any such sub-agent, and shall apply to any activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 8.06 Resignation of Administrative Agent.

(a) **Notice of Resignation of Administrative Agent.** The Administrative Agent may at any time give notice of its resignation to the Bondholders and the Obligor. Upon receipt of any such notice of resignation, the Required Bondholders shall have the right, in consultation with the Obligor, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Bondholders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Bondholders) (the “**Resignation Effective Date**”), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Bondholders, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) **Effect of Resignation or Removal of Administrative Agent.** With effect from the Resignation Effective Date (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Bond Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Bondholders under any of the Bond Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) except for any indemnity payments or other amounts then owed to the retiring Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Bondholder directly, until such time, if any, as the Required Bondholders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Administrative Agent (other than as provided in Section 2.16 and other than any rights to indemnity payments or other amounts owed to the retiring Administrative Agent as of the Resignation Effective Date), and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Bond Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Obligor to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Obligor and such successor. After the retiring Administrative Agent’s resignation hereunder and under the other Bond Documents, the provisions of this Article and **Section 9.04** shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Section 8.07 Non-Reliance on Administrative Agent and Other Bondholders. Each Bondholder acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Bondholder or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Bondholder also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Bondholder or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Bond Document or any related agreement or any document furnished hereunder or thereunder.

Section 8.08 No Other Duties, Etc; No Partnership. Anything herein to the contrary notwithstanding, (a) none of the titles listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Bond Documents, except in its capacity, as applicable, as the Administrative Agent, any Arranger or a Bondholder hereunder, and (b) no action taken by the Administrative Agent, any Arranger or any Bondholder hereunder or pursuant hereto, shall be deemed to constitute any such Persons, a partnership, association, joint venture or other entity.

Section 8.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Bond shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Obligor) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any Bond and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Bondholders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Bondholders and the Administrative Agent and their respective agents and counsel and all other amounts due the Bondholders and the Administrative Agent under Sections 2.11 and 9.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Bondholder to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Bondholders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under 2.11 and 9.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Bondholder any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Bondholder to authorize the Administrative Agent to vote in respect of the claim of any Bondholder in any such proceeding.

The Bondholders hereby irrevocably authorize the Collateral Agent, at the direction of the Required Bondholders, to credit bid all or any portion of the Secured Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the U.S. Bankruptcy Code, including under Sections 363, 1123 or 1129 of the U.S. Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Collateral Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Collateral Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles; ~~provided~~ that any actions by the Collateral Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Bondholders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Bondholders contained in clauses (a) through (j) of Section 9.01 of this Agreement, and (iii) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Bondholders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Secured Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 8.10 Collateral and Guaranty Matters.

(a) In the event that any Loan Party Disposes of all or any portion of any of its assets to any Person (other than a Loan Party) in a transaction permitted by Section 6.04, the Administrative Agent and the Collateral Agent shall promptly (and the Bondholders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Obligor and at the Obligor's expense to (i) release any Liens created by any Bond Document in respect of such assets and (ii) if such Disposition is a sale of the Equity Interests in a Subsidiary, release such Subsidiary as a guarantor under the Guaranty Agreement. In addition, if the Obligor or any other Restricted Subsidiary enters into any lease or sublease with, or grants any easement, right-of-way, permit, license,

In connection with any such transaction, the Administrative Agent and the Collateral Agent may rely conclusively (and without further inquiry) on a certificate provided to it upon its reasonable request by any Loan Party to the effect that such transaction is permitted by Section 6.04.

(b) In the event that any Subsidiary Loan Party becomes an Unrestricted Subsidiary pursuant to Section 5.17, the Administrative Agent and the Collateral Agent shall promptly (and the Bondholders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Obligor and at the Obligor's expense to (i) release any Liens created by any Bond Document in respect of the assets of such Unrestricted Subsidiary and the Equity Interests in such Unrestricted Subsidiary and (ii) release such Subsidiary as a Guarantor under the Guaranty Agreement. In connection with the foregoing, the Administrative Agent and the Collateral Agent may rely conclusively (and without further inquiry) on a certificate provided to it upon its reasonable request by any Loan Party to the effect that such transaction is permitted by Section 5.17.

The Collateral Agent and the Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Collateral Agent or the Administrative Agent be responsible or liable to the Bondholders for any failure to monitor or maintain any portion of the Collateral.

such participant is made with the Obligor's prior written consent or (ii) to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. For the avoidance of doubt, each Bondholder shall be responsible for the indemnity under Section 9.04(d) without regard to the existence of any participations.

Any agreement or instrument pursuant to which a Bondholder sells such a participation shall provide that such Bondholder shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Bondholder will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 9.01 that affects such Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Bondholder; provided that such Participant agrees to be subject to Section 2.13 as though it were a Bondholder (it being understood that the documentation required under Section 2.13(e) shall be delivered to the participating Bondholders). The entries in the Participant Register shall be conclusive absent manifest error, and such Bondholder shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

For purposes of this Section, “**Information**” means all information received from the Parent or the Obligor relating to the Parent, the Obligor or any Subsidiary or any of their respective businesses that is confidential or proprietary in nature or that is clearly identified as confidential at the time of delivery thereof, other than any such information that is available to the Bondholders, the Administrative Agent or the Trustee on a nonconfidential basis prior to disclosure by the Obligor or any Subsidiary. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) Press Releases. The Loan Parties and their Affiliates agree that they will not in the future issue any press releases or other public disclosure using the name of the Administrative Agent or any Bondholder or their respective Affiliates or referring to this Agreement or any of the Bond Documents without the prior written consent of the Administrative Agent and such Bondholder, unless (and only to the extent that) the Loan Parties or such Affiliate is required to do so under law and then, in any event the Loan Parties or such Affiliate will consult with such Person before issuing such press release or other public disclosure. The Bondholder Parties agree that they will not in the future issue any press releases or other public disclosure using the name of the Loan Parties or their respective Affiliates or referring to this Agreement or any of the Bond Documents without the prior written consent of the Obligor, unless (and only to the extent that) the Bondholder Parties are required to do so under law and then, in any event the Bondholder Parties will consult with the Obligor before issuing such press release or other public disclosure.

The rights of each Bondholder Party and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Bondholder Party or its Affiliates may have. Each Bondholder Party agrees to notify the Obligor and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 9.09 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Bond Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Bondholders and when the Bondholders shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. All representations and warranties made hereunder and in any other Bond Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and the Bondholders, regardless of any investigation made by the Bondholders or on its behalf and notwithstanding that the Bondholders may have had notice or knowledge of any Default at the time of the purchase of the Bonds, and shall continue in full force and effect as long as any Obligation hereunder shall remain unpaid or unsatisfied.

Section 9.11 Severability. If any provision of this Agreement or the other Bond Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Bond Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER BOND DOCUMENT SHALL AFFECT ANY RIGHT THAT THE PURCHASERS MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER BOND DOCUMENT AGAINST THE OBLIGOR OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) Waiver of Venue. THE OBLIGOR IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER BOND DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER BOND DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.14 No Advisory or Fiduciary Relationship.
