Within five (5) Business Days of receipt of a Registration Request, the Partnership shall give written notice to each other Holder regarding such proposed Registration, and such notice shall offer such other Holders the opportunity to include in the Registration such number of Registrable Units as each such Holder may request. Each such Holder shall make its request in writing to the Partnership within three (3) Business Days after the receipt of any such notice from the Partnership, which request shall specify the number of Registrable Units intended to be disposed

of by such Holder. For the avoidance of doubt, the Energy Transfer Parties shall not be entitled to be Demanding Holders until the expiration of the Holding Period.

(b) In connection with an underwritten offering of Registrable Units pursuant to this Section 2.01, the Demanding Holders shall have the right to select the managing underwriter or underwriters to lead the offering, subject to the Partnership's consent, not to be unreasonably withheld or delayed. The Partnership shall not be required to effect more than (i) two (2) underwritten offerings of Registrable Units in any 360-day period on behalf of ETE and ETP and (ii) two (2) underwritten offerings of Registrable Units in any 360-day period on behalf of USAC Holdings; *provided, however*, that if any Series A Preferred Holder is conducting or actively pursuing an underwritten offering pursuant to Section 2.03 of the Series A Preferred Registration Rights Agreement on any date after three years from the date hereof, then the Partnership may suspend any right of USAC Holdings, the Energy Transfer Parties or any of their respective Affiliates to require the Partnership to conduct an underwritten offering on their behalf pursuant to this Section 2.01, except that the Partnership may only suspend the right of USAC Holdings or the Energy Transfer Parties to require the Partnership to conduct an underwritten offering pursuant to this Section 2.01 once in any six-month period and in no event for a period that exceeds an aggregate of 60 days in any 180-day period or 90 days in any 365-day period. If the Partnership, USAC Holdings, the Energy Transfer Parties or any of their respective Affiliates is conducting or actively pursuing a securities offering of USAC Common Units with anticipated gross offering proceeds of at least \$50 million (other than in connection with any at-the-market offering or similar continuous offering program), then the Partnership may suspend any Series A Preferred Holder's right to require the Partnership to conduct an underwritten offering pursuant to Section 2.03 of the Series A Preferred Registration Rights Agreement on such Series A Preferred Holder's behalf pursuant thereto; *provided, however*, that the Partnership may only suspend such Series A Preferred Holder's right to require the Partnership to conduct an underwritten offering pursuant to Section 2.03 of the Series A Preferred Registration Rights Agreement once in any six-month period and in no event for a period that exceeds an aggregate of 60 days in any 180-day period or 90 days in any 365-day period.

(c) In connection with an underwritten offering of Registrable Units pursuant to this Section 2.01, if the managing underwriter(s) advise the Partnership that in their opinion the number of USAC Common Units proposed to be included in such offering exceeds the number of USAC Common Units that can be sold in such offering without being likely to materially delay or jeopardize the success or timing of the offering (including the price per unit of the USAC Common Units proposed to be sold in such offering), the Partnership shall include in such Registration and offering:

(i) With respect to any underwritten offering occurring (i) prior to the expiration of the Holding Period, (ii) after the expiration of the Holding Period but prior to eighteen months from the Closing Date, (iii) after eighteen months from the Closing Date but prior to the two-year anniversary of the Closing Date and USAC Holdings beneficially owns less than 1,000,000 Registrable Units or (iv) on any date following the two-year anniversary of the Closing Date, then in the case of clause (i), (ii), (iii) and (iv), (A) first, the number of USAC Common Units that the Demanding Holder proposes to sell and (B) second, the number of USAC Common Units requested to be included therein by other Holders that have elected to include Registrable Units in such underwritten offering pursuant to Section

2.01(a), pro rata among all such unitholders on the basis of the number of USAC Common Units requested to be included therein by all such unitholders or as such unitholders may otherwise agree. If the number of USAC Common Units that can be sold is less than the number of USAC Common Units proposed to be sold by the Demanding Holder, the amount of USAC Common Units to be sold shall be fully allocated to the Demanding Holder.

(ii) With respect to any underwritten offering occurring after the expiration of the Holding Period but prior to the two-year anniversary of the Closing Date and so long as USAC Holdings beneficially owns at least 1,000,000 Registrable Units, the amount of USAC Common Units to be sold shall be allocated such that USAC Holdings and the Energy Transfer Parties each receive 50% of the net proceeds from the sale.

(d) In connection with any Registrable Units offered pursuant to a Shelf Registration Statement under this Section 2.01, the Holders shall provide the Partnership with not less than three (3) Business Days' notice before selling or disposing of any such Registrable Units.

Section 2.02 Piggyback Registration.

(a) Commencing on the expiration of the Holding Period (or, in the case of USAC Holdings only, on the date hereof), if the Partnership proposes to file with the SEC (i) a Registration Statement to register any USAC Common Units for an underwritten offering under the Securities Act or (ii) a prospectus supplement relating to the sale of USAC Common Units pursuant to an effective "automatic" registration statement, so long as the Partnership is a WKSI at such time or, whether or not the Partnership is a WKSI, so long as the Registrable Units were previously included in the underlying shelf Registration Statement or are included on an effective Registration Statement, in each case for its own account and/or for another Person (except during the period from the date hereof until two years thereafter, for any Series A Preferred Holder) (such other Person, an "**Other Holder**"), other than on a registration statement on Form S-8 or Form S-4, and the form of registration statement to be used may be used for a registration of Registrable Units (a "**Piggyback Registration**"), the Partnership shall give five (5) Business Days' written notice to the Holders of its intention to file such registration statement and, subject to this Section 2.02, shall include in such Registration Statement and in any offering of USAC Common Units to be made pursuant to that Registration Statement all Registrable Units with respect to which the Partnership has received a written request for inclusion therein from any Holder within three (3) Business Days after such Holder's receipt of the Partnership's notice (*provided*, that only Registrable Units of the same class or classes as the USAC Common Units being registered may be included). The Partnership shall have no obligation to proceed with any Piggyback Registration and may abandon, terminate and/or withdraw such registration for any reason at any time prior to the pricing thereof. Any Holder shall have the right to withdraw such Holder's request for inclusion of such Holder's Registrable Units in such Piggyback Registration by giving written notice to the Partnership of such withdrawal at least two (2) Business Days prior to the time of the public announcement of the Partnership's intention to conduct such underwritten offering.

(b) If a Piggyback Registration is initiated for an underwritten offering on behalf of the Partnership or any Other Holder and the managing underwriter(s) advise the Partnership that in their opinion the number of USAC Common Units proposed to be included in such offering exceeds

the number of USAC Common Units that can be sold in such offering without being likely to materially delay or jeopardize the success or timing of the offering (including the price per unit of the USAC Common Units proposed to be sold in such offering), the Partnership shall include in such registration and offering (i) first, the number of USAC Common Units that the Partnership or, if such offering was initiated by any Other Holder, any Other Holder proposes to sell and (ii) second, the number of USAC Common Units requested to be included therein by the Holders and by any Series A Preferred Holder pursuant to the Series A Preferred Registration Rights Agreement that have elected to include Registrable Units in such Piggyback Registration, pro rata among all such Holders and Series A Preferred Holders on the basis of the number of USAC Common Units requested to be included therein by all such Holders and Series A Preferred Holders or as such Holders, Series A Preferred Holders and the Partnership may otherwise agree and (iii) third, the number of USAC Common Units requested to be included therein by other unitholders of USAC, pro rata among all such unitholders on the basis of the number of USAC Common Units requested to be included therein by all such unitholders or as such unitholders and the Partnership may otherwise agree. If the number of USAC Common Units that can be so sold is less than the number of USAC Common Units proposed to be sold by the Partnership or any Other Holder pursuant to the Piggyback Registration, the amount of USAC Common Units to be sold shall be fully allocated to the Partnership or such Other Holder, as applicable.

(c) In any Piggyback Registration under Section 2.02(b), the Partnership shall have the right to select the underwriter or underwriters for any offering conducted pursuant thereto.

(d) None of the Holders shall sell any Registrable Units in any offering pursuant to a Piggyback Registration unless it (i) agrees to sell such Registrable Units on the basis provided in the underwriting arrangements approved by the Partnership and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements, lockups and other documents reasonably required of such Holder under the terms of such arrangements.

Section 2.03 Suspension Periods. The Partnership may delay the filing or effectiveness of, or by written notice to the Holders suspend the use of, a Shelf Registration Statement in conjunction with a registration of Registrable Units pursuant to Section 2.01 (and, if reasonably required, withdraw any Shelf Registration Statement that has been filed), but in each such case only if USAC GP determines in good faith that (a) such delay would enable the Partnership to avoid disclosure of material information, the disclosure of which at that time would be adverse to the Partnership (including by interfering with, or jeopardizing the success of, any pending or proposed acquisition, disposition or reorganization), (b) such filing or use would render the Partnership unable to comply with applicable securities Laws or (c) obtaining any financial statements (including required consents) required to be included in any such Shelf Registration Statement (or incorporated therein) would be impracticable. Any period during which the Partnership has delayed the filing, effectiveness or use of a Registration Statement pursuant to this Section 2.03 is herein called a “**Suspension Period**.” In no event shall the number of days covered by (i) any one Suspension Period exceed 60 days and (ii) all Suspension Periods in any 360 day period exceed 120 days. The Holders shall keep the existence of each Suspension Period confidential.

Section 2.04 Obligations of the Partnership and the Holders. Whenever required under Section 2.01 to use commercially reasonable efforts to effect the registration of any Registrable Units, the Partnership shall:

(i) as expeditiously as possible, and in any event within 45 days of the applicable Registration Request, subject to the other provisions of this Agreement, prepare and file with the SEC a Registration Statement with respect to such Registrable Units and cause such Registration Statement to become effective not later than 120 days after the date of the filing of such Registration Statement;

(ii) use commercially reasonable efforts to prepare and file with the SEC such amendments and supplements to such Registration Statement and the Prospectus used in connection therewith as may be necessary to comply with the applicable requirements of the Securities Act and to keep such Registration Statement effective until the earliest date on which any of the following occurs: (A) all Registrable Units covered by such Registration Statement have been distributed in the manner set forth and as contemplated in such Registration Statement, (B) there are no longer any Registrable Units outstanding and (C) three (3) years from the date such Registration Statement becomes effective (the “**Effectiveness Period**”);

(iii) furnish to each selling Holder (A) as far in advance as reasonably practicable before filing a Registration Statement or any other registration statement contemplated by this Agreement or any supplement or amendment thereto, upon request, copies of reasonably complete drafts of all such documents proposed to be filed, and provide each such Holder the opportunity to object to any information pertaining to such Holder and its plan of distribution that is contained therein and make the corrections reasonably requested by such Holder with respect to such information prior to filing such Registration Statement or such other registration statement and the prospectus included therein or any supplement or amendment thereto, and (B) an electronic copy of such Registration Statement or such other registration statement and the prospectus included therein and any supplements and amendments thereto in order to facilitate the public sale or other disposition of the Registrable Units covered by such Registration Statement or other registration statement;

(iv) use reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement, or the lifting of any suspension of the qualification or exemption from qualification of any Registrable Units for sale in any jurisdiction in the United States;

(v) if applicable, use reasonable best efforts to register or qualify such Registrable Units under such other securities or blue sky laws of such U.S. jurisdictions as the Holders reasonably request and continue such registration or qualification in effect in such jurisdictions for as long as the applicable Registration Statement may be required to be kept effective under this Agreement (*provided*, that the Partnership will not be required to (A) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this subparagraph (v), (B) subject itself to taxation in any such jurisdiction or (C) consent to general service of process in any such jurisdiction);

(vi) the Partnership shall ensure that a Registration Statement when it becomes or is declared effective (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (and, in the case of any prospectus contained in such Registration Statement, in the light of the circumstances under which a statement is made). As soon as practicable following the effective date of a Registration Statement, but in any event within one (1) Business Day of such date, the Partnership will notify the selling Holders of the effectiveness of such Registration Statement.

(vii) promptly notify the Holders, at any time when delivery of a Prospectus relating to its Registrable Units would be required under the Securities Act, of (A) the occurrence of any event as a result of which the Prospectus included in such Registration Statement contains an untrue statement of a material fact or omits a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and prepare, as soon as practical, a supplement or amendment to such Prospectus so that, as thereafter delivered to any prospective purchasers of such Registrable Units, such Prospectus shall not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; (B) the Partnership's receipt of any written comments from the SEC with respect to any filing referred to in clause (A) and any written request by the SEC for amendments or supplements to such Registration Statement or any other registration statement or any Prospectus thereto the issuance or threat of issuance by the SEC of any stop order suspending the effectiveness of such Registration Statement or any other registration statement contemplated by this Agreement, or the initiation of any proceedings for that purpose, and (C) the receipt by the Partnership of any notification with respect to the suspension of the qualification of any Registrable Units for sale under the applicable securities or blue sky laws of any jurisdiction. The Partnership agrees to as promptly as practicable amend or supplement the Prospectus or take other appropriate action so that the Prospectus does not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing and to take such other action as is necessary to remove a stop order, suspension, threat thereof or proceedings related thereto;

(viii) upon request, furnish to each selling Holder, subject to appropriate confidentiality obligations, copies of any and all transmittal letters or other correspondence with the SEC or any other governmental agency or self-regulatory body or other body having jurisdiction (including any domestic or foreign securities exchange) relating to such offering of Registrable Units;

(ix) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the SEC, and make available to its security holders, as promptly as

practicable, an earnings statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 promulgated thereunder;

(x) use reasonable best efforts to cause the Registrable Units to be registered with or approved by such other governmental agencies or authorities as may be necessary by virtue of the business and operations of the Partnership to enable the selling Holders to consummate the disposition of such Registrable Units; *provided, however*, that the Partnership shall not be required to qualify or register as a foreign corporation or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or registered or where it would be subject to taxation as a foreign corporation;

(xi) in the case of an underwritten offering requested pursuant to Section 2.01(a), enter into an underwriting agreement containing such provisions (including provisions for indemnification, lockups, opinions of counsel and comfort letters) as are customary and reasonable for an offering of such kind;

(xii) in the case of an underwritten offering requested pursuant to Section 2.01(a), use reasonable best efforts to (A) cause the Partnership's independent accountants to provide customary "cold comfort" letters to the managing underwriter(s) of such offering in connection therewith and (B) cause the Partnership's counsel to furnish customary legal opinions to such underwriters in connection therewith; and

(xiii) use reasonable best efforts to cause all such Registrable Units to be listed on each National Securities Exchange on which securities of the same class issued by the Partnership are then listed.

(b) It shall be a condition precedent to the obligations of the Partnership to take any action pursuant to this Agreement that the Holders shall furnish to the Partnership such information regarding itself, the Registrable Units held by it, and the intended method of disposition of such securities as the Partnership shall reasonably request and as shall be required in connection with the action to be taken by the Partnership.

(c) The Holders agree by having their USAC Common Units treated as Registrable Units hereunder that, upon being advised in writing by the Partnership of the occurrence of an event pursuant to Section 2.04(a)(vii) when the Partnership is entitled to do so pursuant to Section 2.03, the Holders will immediately discontinue (and direct any other Persons making offers and sales of Registrable Units to immediately discontinue) offers and sales of Registrable Units pursuant to any Registration Statement until it is advised in writing by the Partnership that the use of the Prospectus may be resumed and is furnished with a supplemented or amended Prospectus as contemplated by Section 2.04(a)(vii), and, if so directed by the Partnership, the Holders will deliver to the Partnership all copies, other than permanent file copies then in the Holders' possession, of the Prospectus covering such Registrable Units current at the time of receipt of such notice.

(d) The Partnership may prepare and deliver an issuer free writing prospectus (as such term is defined in Rule 405 under the Securities Act) in lieu of any supplement to a Prospectus, and

references herein to any “supplement” to a Prospectus shall include any such issuer free writing prospectus. No seller of Registrable Units may use a free writing prospectus to offer or sell any such units without the Partnership’s prior written consent.

(e) It is understood and agreed that the Partnership shall not have any obligations under this Article II at any time following the termination of this Agreement, unless an underwritten offering in which any Holder participates has been priced, but not completed, prior to the applicable date of such termination, in which event the Partnership’s obligations under this Section 2.04 shall continue with respect to such offering until it is so completed.

(f) If a Registration Statement required by Section 2.01 does not become or is not declared effective within 180 days after the date it is filed with the SEC (the “**Filing Date**”), then the Holders requesting such registration shall be entitled to a payment (with respect to each Registrable Unit held by such Holders), as liquidated damages and not as a penalty, of 0.25% per annum of the Issue Price for each 30-day period immediately following the 180th day after the Filing Date (the “**Liquidated Damages**”), until such time as such Registration Statement becomes effective or is declared effective or the Registrable Units covered by such Registration Statement are no longer outstanding.

(g) The Liquidated Damages shall be paid to the Holders requesting registration in cash within ten (10) Business Days of the end of each such 30-day period. Any payments made pursuant to this Section 2.04(g) shall constitute such Holders’ exclusive remedy for such events. The Liquidated Damages imposed hereunder shall be paid to such Holders in immediately available funds. In no event will the aggregate amount of Liquidated Damages paid to the Holders exceed 6% of the aggregate value of the USAC Common Units to be sold by the Holders under the applicable Registration Statement, valued using the Issue Price (the “**Liquidated Damages Cap**”). If the Partnership certifies that it is unable to pay the Liquidated Damages in cash because such payment would result in a breach under any of the Partnership’s or its subsidiaries’ credit facilities filed as exhibits to the Partnership’s SEC documents, then the Partnership may pay the Liquidated Damages in kind in the form of the issuance of additional USAC Common Units. Upon any issuance of USAC Common Units as Liquidated Damages, the Partnership shall promptly prepare and file an amendment to the applicable Registration Statement prior to its effectiveness adding such USAC Common Units to such Registration Statement as additional Registrable Units. The determination of the number of USAC Common Units to be issued as the Liquidated Damages shall be equal to such amounts divided by the volume weighted average price of the USAC Common Units on the National Securities Exchange for the five (5) consecutive trading days ending on the last trading day ending before the date on which the Liquidated Damages payment is due. In addition to being subject to the Liquidated Damages Cap, the payment of Liquidated Damages to the Holders shall cease at such time as the Registrable Units of the Holders become eligible for resale without limitation as to volume under Rule 144 of the Securities Act.

Section 2.05 Expenses of Registration. All expenses incurred in connection with any Registrations pursuant to Section 2.01 and any Registration pursuant to Section 2.02 of this Agreement, and any offerings under the Registration Statements filed in such Registrations, excluding underwriters’ discounts and commissions, but including without limitation all

registration, filing and qualification fees, word processing, duplicating, printers' and accounting fees (including the expenses of any special audits or "cold comfort" letters required by or incident to such performance and compliance), fees of the Financial Industry Regulatory Authority, Inc. or listing fees, messenger and delivery expenses, all fees and expenses of complying with state securities or blue sky laws (including the reasonable fees and disbursements of counsel for the underwriters in connection with blue sky qualifications), and the fees and disbursements of counsel for the Partnership ("**Registration Expenses**"), shall be paid by the Partnership. The Holders shall bear and pay the underwriting commissions and discounts applicable to securities offered for their account in connection with any Registrations made pursuant to this Agreement.

Section 2.06 Indemnification. The Partnership shall indemnify, to the fullest extent permitted by Law, the Holders against all losses, claims, damages, liabilities, judgments, costs (including reasonable costs of investigation) and expenses (including reasonable attorneys' fees) relating to the Registrable Units arising out of or based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus or any amendment thereof or supplement thereto or arising out of or based upon any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except insofar as the same are made in reliance and in conformity with information furnished in writing to the Partnership by any Holder or to the Partnership by any participating underwriter for use in connection with any such Registration Statement or Prospectus, or amendment or supplement thereto. In connection with an underwritten offering in which any Holder participates conducted pursuant to a registration effected hereunder, the Partnership shall indemnify each participating underwriter to the same extent as provided above with respect to the indemnification of the Holders.

(a) In connection with any Registration Statement in which any Holder is participating, such Holder shall furnish to the Partnership in writing such information as the Partnership reasonably requests for use in connection with any such Registration Statement or Prospectus, or amendment or supplement thereto, and such Holder shall indemnify to the fullest extent permitted by Law, the Partnership and its officers and directors, against all losses, claims, damages, liabilities, judgments, costs (including reasonable costs of investigation) and expenses (including reasonable attorneys' fees) arising out of or based upon any untrue or alleged untrue statement of material fact contained in the Registration Statement or Prospectus, or any amendment or supplement thereto, or arising out of or based upon any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, but only to the extent that the same are made in reliance and in conformity with information furnished in writing to the Partnership by or on behalf of such participating Holder expressly for use therein. In connection with an underwritten offering conducted pursuant to a registration effected hereunder, the participating Holders shall indemnify each participating underwriter to the same extent as provided above with respect to the indemnification of the Partnership.

(b) Any Person entitled to indemnification hereunder shall (1) give prompt written notice to the indemnifying Person of any claim with respect to which it seeks indemnification and (2) permit such indemnifying Person to assume the defense of such claim with counsel reasonably satisfactory

to the indemnified Person. Failure to so notify the indemnifying Person shall not relieve it from any liability that it may have to an indemnified Person. The indemnifying Person shall not be subject to any liability for any settlement made by the indemnified Person without its consent (but such consent will not be unreasonably withheld). An indemnifying Person who is entitled to, and elects to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (in addition to one local counsel) for all Persons indemnified (hereunder or otherwise) by such indemnifying Person with respect to such claim (and all other claims arising out of the same circumstances), unless in the reasonable judgment of any indemnified Person there may be one or more legal or equitable defenses available to such indemnified Person that are in addition to or may conflict with those available to another indemnified Person with respect to such claim, in which case each such indemnified Person shall be entitled to use separate counsel. The indemnifying Person shall not consent to the entry of any judgment or enter into or agree to any settlement relating to a claim or action for which any indemnified Person would be entitled to indemnification by any indemnified Person hereunder unless such judgment or settlement imposes no ongoing obligations on any such indemnified Person and includes as an unconditional term the giving, by all relevant claimants and plaintiffs to such indemnified Person, a release, reasonably satisfactory in form and substance to such indemnified Person, from all liabilities in respect of such claim or action for which such indemnified Person would be entitled to such indemnification.

(c) The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified Person or any officer or director of such indemnified Person and shall survive the transfer of securities and the termination of this Agreement, but only with respect to offers and sales of Registrable Units made before such termination.

(d) If the indemnification provided for in or pursuant to this Section 2.06 is due in accordance with the terms hereof, but is held by a court to be unavailable or unenforceable in respect of any losses, claims, damages, liabilities or expenses referred to herein, then each applicable indemnifying Person, in lieu of indemnifying such indemnified Person, shall contribute to the amount paid or payable by such indemnified Person as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying Person, on the one hand, and of the indemnified Person, on the other hand, in connection with the statements or omissions which result in such losses, claims, damages, liabilities or expenses as well as any other relevant equitable considerations. The relative fault of the indemnifying Person, on the one hand, and of the indemnified Person, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying Person or by the indemnified Person, and by such Person's relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

Section 2.07 Lockup. The Holders shall, in connection with any underwritten offering of the Partnership's securities, upon the request of the underwriters managing the underwritten offering of the Partnership's securities, agree in writing not to effect any sale, disposition or distribution of any Registrable Units (other than that included in the registration) without the prior written consent

of the underwriters for such period of time as such underwriters may specify, but in no event to exceed ten (10) days prior to the date of the Prospectus and forty-five (45) days from the date of the Prospectus.

Section 2.08 Limitation on Subsequent Registration Rights. From and after the date hereof, except for the Series A Preferred Registration Rights Agreement and the registration rights pursuant to the Partnership Agreement, the Partnership shall not, without the prior written consent of the Holders of a majority of the outstanding Registrable Units, enter into any agreement with any current or future holder of any securities of the Partnership that would allow such current or future holder to require the Partnership to include securities in any registration statement filed by the Partnership on a basis other than expressly subordinate to the piggyback rights of the Holders of Registrable Units hereunder; *provided; however*, that in no event shall the Partnership enter into any agreement that would permit another holder of securities of the Partnership to participate on a *pari passu* basis (in terms of priority of cut-back based on advise of underwriters) with a Demanding Holder requesting Registration or an underwritten offering pursuant to Section 2.01.

Section 2.09 Sale Restrictions. Each of the Energy Transfer Parties agrees not to publicly or privately sell, dispose of or distribute any USAC Common Units (including any USAC Common Units issuable upon the conversion of any derivative securities) that are beneficially owned by such Holder, or issue (publicly or privately) any derivative securities whose value is based on USAC Common Units, until the expiration of the Holding Period. For the avoidance of doubt, notwithstanding anything to the contrary contained in this Agreement, the Partnership Agreement and the Transaction Agreements, the Energy Transfer Parties shall have no right to publicly or privately sell, dispose of or distribute any USAC Common Units (including any USAC Common Units issuable upon the conversion of any derivative securities), or issue (publicly or privately) any derivative securities whose value is based on USAC Common Units, prior to the expiration of the Holding Period. Commencing on the expiration of the Holding Period, each of the Energy Transfer Parties agrees not to effect any sale, disposition or distribution of greater than ten (10) million USAC Common Units by either Energy Transfer Party in any six-month period; *provided, however*, that the foregoing shall not restrict the ability of any Energy Transfer Party to sell, dispose of or distribute USAC Common Units to any Person concurrently with the sale, transfer or other disposition of the GP Owner Equity (as defined in the Restructuring Agreement) in accordance with Section 2.5(a) of the Restructuring Agreement. Nothing contained in this Section 2.09 shall prohibit any sale, disposition or distribution of USAC Common Units by the Energy Transfer Parties to any of its Affiliates so long as such Affiliate agrees to be bound by the terms of this Section 2.09.

ARTICLE III

MISCELLANEOUS

Section 3.01 Termination. Except as provided in Section 2.06, this Agreement and all obligations of the Partnership and each of the Holders hereunder shall terminate and have no further force or effect as of the date on which the aggregate beneficial ownership of the Holders is less than 1,000,000 USAC Common Units.

Section 3.02 Interpretations. In this Agreement, unless a clear contrary intention appears: (a) the singular includes the plural and vice versa; (b) reference to a Person includes such Person's successors and assigns but, in the case of a Party, only if such successors and assigns are permitted by this Agreement, and reference to a Person in a particular capacity excludes such Person in any other capacity; (c) reference to any gender includes each other gender; (d) references to any Schedule, Section, Article and subsection refer to the corresponding Schedules, Sections, Articles and subsections of this Agreement unless expressly provided otherwise; (e) references in any Section or Article or definition to any clause means such clause of such Section, Article or definition; (f) "hereunder," "hereof," "hereto" and words of similar import are references to this Agreement as a whole and not to any particular provision of this Agreement; (g) the word "or" is not exclusive, and the word "including" (in its various forms) means "including without limitation"; (h) each accounting term not otherwise defined in this Agreement has the meaning commonly applied to it in accordance with GAAP; (i) references to "days" are to calendar days; and (j) all references to money refer to the lawful currency of the United States. The Article and Section titles and headings in this Agreement are inserted for convenience of reference only and are not intended to be a part of, or to affect the meaning or interpretation of, this Agreement.

Section 3.03 Amendment and Modifications. This Agreement may be amended, modified or supplemented only by written agreement of the Partnership and Holders holding a majority of the then outstanding Registrable Units; *provided, however*, that notwithstanding the foregoing, any amendment, modification or supplement hereto that adversely affects one Holder, solely in its capacity as a holder of the USAC Common Units, in a manner that is materially different from the other Holders (in such capacity) shall require the consent of the Holder so affected.

Section 3.04 Waiver of Compliance. Except as otherwise provided in this Agreement, any failure of any of the Parties to comply with any obligation, covenant, agreement or condition herein may be waived by the Party entitled to the benefits thereof only by a written instrument signed by the Party granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

Section 3.06 Transfer or Assignment of Registration Rights. The rights to cause the Partnership to register Registrable Units under Article II may be transferred or assigned by each Holder to one or more transferees or assignees of Registrable Units or securities convertible into Registrable Units; *provided, however*, that (a) unless any such transferee or assignee is an Affiliate of, and after such transfer or assignment continues to be an Affiliate of, such Holder, the amount of Registrable Units or securities convertible into Registrable Units, as applicable, transferred or assigned to such transferee or assignee shall represent at least \$50 million of Registrable Units (determined by multiplying the number of Registrable Units owned by the average of the closing price on the National Securities Exchange for the USAC Common Units for the ten (10) trading days preceding the date of such transfer or assignment), (b) the Partnership is given written notice prior to any said transfer or assignment, stating the name and address of each such transferee or assignee and identifying the securities with respect to which such registration rights are being transferred or assigned and (c) each such transferee or assignee assumes in writing responsibility for its portion of the obligations of such transferring Holder under this Agreement.

Section 3.07 Recapitalization, Exchanges, Etc. Affecting Units. The provisions of this Agreement shall apply to the full extent set forth herein with respect to any and all units of the

Partnership or any successor or assign of the Partnership (whether by merger, consolidation, sale of assets or otherwise) that may be issued in respect of, in exchange for or in substitution of, the Registrable Units, and shall be appropriately adjusted for combinations, unit splits, recapitalizations, pro rata distributions of units and the like occurring after the date of this Agreement.

Section 3.08 Third Party Beneficiaries. This Agreement shall be binding upon and, except as provided below, inure solely to the benefit of the Parties hereto and their respective successors and permitted assigns. None of the provisions of this Agreement shall be for the benefit of or enforceable by any Person other than the Parties, including any creditor of any Party or any of their Affiliates, except that Section 2.07 shall inure to the benefit of the Persons referred to therein. No Person other than the Parties shall obtain any right under any provision of this Agreement or shall by reason of any such provision make any claim in respect of any liability (or otherwise) against any other Parties hereto.

Section 3.09 Other Registration Rights. The Parties hereby acknowledges and agree that the registration rights provided for in this Agreement with respect to the Registrable Units are the sole and exclusive registration rights of the Energy Transfer Parties and their Affiliates (as defined in the Partnership Agreement) with respect to the Registrable Units beneficially owned by the Energy Transfer Parties and their Affiliates. For the avoidance of doubt, the Energy Transfer Parties hereby acknowledge and agree that the registration rights under Section 7.13 of the Partnership Agreement, will no longer be available to the Energy Transfer Parties and its Affiliates with respect to their Registrable Units and the Energy Transfer Parties for itself and for and on behalf of its Affiliates renounces any claim to the registration rights under Section 7.13 of the Partnership Agreement with respect to their Registrable Units.

Section 3.10 Entire Agreement. This Agreement and the Transaction Agreements constitute the entire agreement and understanding of the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both oral and written, among the Parties or between any of them with respect to such subject matter.

Section 3.11 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law in any jurisdiction by any applicable Governmental Authority, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement in such jurisdiction or affect the validity, legality or enforceability of any provision in any other jurisdiction, such provision shall be invalid, illegal or unenforceable only to the extent strictly required by such Governmental Authority, to the extent any such provision is deemed to be invalid, illegal or unenforceable, each Party agrees that it shall use its reasonable best efforts to cause such Governmental Authority to modify such provision so that such provision shall be valid, legal and enforceable as originally intended to the greatest extent possible and to the extent that the Governmental Authority does not modify such provision, each Party agrees that it shall endeavor in good faith to exercise or modify such provision so that such provision shall be valid, legal and enforceable as originally intended to the greatest extent possible.

Section 3.12 Facsimiles; Electronic Transmission; Counterparts. This Agreement may be executed by facsimile or other electronic transmission (including scanned documents delivered by email) by any Party and such execution shall be deemed binding for all purposes hereof, without delivery of an original signature being thereafter required. This Agreement may be executed in one or more counterparts, each of which, when executed, shall be deemed to be an original and all of which together shall constitute one and the same document.

Section 3.13 Descriptive Headings. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement

Section 3.14 Governing Law. This Agreement and all questions relating to the interpretation or enforcement of this Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware without regard to the Laws of the State of Delaware or any other jurisdiction that would call for the application of the substantive laws of any jurisdiction other than the State of Delaware.

Section 3.15 Consent to Jurisdiction. Each Party hereby agrees that service of summons, complaint or other process in connection with any Proceedings contemplated hereby may be made in accordance with Section 3.05 addressed to such Party at the address specified pursuant to Section 3.05. Each of the Parties irrevocably submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware, or in the event, but only in the event, that such court does not have jurisdiction over such action or proceeding, to the exclusive jurisdiction of the Superior Court of the State of Delaware (Complex Commercial Division) or, if the subject matter jurisdiction over the matter that is the subject of any such Proceedings is vested exclusively in the federal courts of the United States of America, the United States District Court for the District of Delaware, and any appellate courts of any thereof (collectively, the “**Courts**”), for the purposes of any Proceeding arising out of or relating to this Agreement or any transaction contemplated hereby (and agrees not to commence any Proceeding relating hereto except in such Courts as provided herein). Each of the Parties further agrees that service of any process, summons, notice or document hand delivered or sent in accordance with Section 3.05 to such Party’s address set forth in Section 3.05 will be effective service of process for any Proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence. Each of the Parties irrevocably and unconditionally waives any objection to the laying of venue of any Proceeding arising out of or relating to this Agreement or the transactions contemplated hereby or thereby in the Courts, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding brought in any such court has been brought in an inconvenient forum. Notwithstanding the foregoing, each Party agrees that a final judgment in any Proceeding properly brought in accordance with the terms of this Agreement shall be conclusive and may be enforced by suit on the judgment in any jurisdiction or in any other manner provided at law or in equity.

Section 3.16 WAIVER OF JURY TRIAL. EACH PARTY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT.

Section 3.17 Specific Enforcement. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed, or were threatened to be not performed, in accordance with their specific terms or were otherwise breached. It is accordingly agreed that, in addition to any other remedy that may be available to it, including monetary damages, each of the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement exclusively in the jurisdiction provided in Section 3.14, and all such rights and remedies at law or in equity may be cumulative. The Parties further agree that no Party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 3.16 and each Party waives any objection to the imposition of such relief or any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

TRANSITION SERVICES AGREEMENT

This Transition Services Agreement (this “**Agreement**”), dated as of April 2, 2018 (the “**Effective Date**”), is by and among USA Compression Partners, LP, a Delaware limited partnership (“**USAC**”), CDM Resource Management LLC, a Delaware limited liability company (“**CDM Resource**”), and CDM Environmental & Technical Services LLC, a Delaware limited liability company (“**CDM Environmental**” and, together with CDM Resource, the “**Compression Group Entities**” and, each, a “**Compression Group Entity**”) and Energy Transfer Partners, L.P., a Delaware limited partnership (“**ETP**”). USAC, the Compression Group Entities and ETP are sometimes referred to individually as a “**Party**” and collectively as the “**Parties**.”

WHEREAS, ETP, Energy Transfer Partners GP, L.P., a Delaware limited partnership, ETC Compression, LLC, a Delaware limited liability company, USAC, and solely for purposes of Section 5.18(b), Section 10.1 and Section 10.5 therein, Energy Transfer Equity, L.P., a Delaware limited partnership entered into a Contribution Agreement dated January 15, 2018 (the “**Contribution Agreement**”) and agreed as a condition of the Closing of the transactions contemplated thereby to enter into a transition services agreement in a form mutually agreeable to such parties; and

WHEREAS, ETP desires to provide certain transition services to USAC and its Affiliates (as defined herein) and USAC desires to accept such services on the terms set forth herein.

NOW, THEREFORE, in consideration of the premises and the mutual agreements set forth herein, and for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the Parties hereby agree as follows:

**ARTICLE I
SERVICES****Section 1.1 Services to be Provided to USAC.**

(a) ETP shall provide to USAC and its Affiliates the services set forth on Schedule 1.1 (the “**Services**”), as may be requested by USAC from time to time. If, after the date hereof, USAC desires to amend Schedule 1.1 to provide for the provision of additional Services, Schedule 1.1 may be amended by mutual agreement of the Parties and, in such instance, ETP shall provide such additional services as part of the Services. For purposes of this Agreement, “**Affiliate**” shall mean, with respect to any Person, any other Person that directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with, the Person in question. As used herein, the term “control” (including, with correlative meanings, “controlled by” and “under common control with”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through ownership of voting securities, by contract or otherwise. For the avoidance of doubt, for purposes of this Agreement, USAC, on the one hand, and ETP, on the other, shall not be considered Affiliates.

(b) Each Operational Support Employee who performs Services hereunder (each a “**Service Employee**”) shall be solely employed by ETP or an Affiliate thereof during the period

that he or she performs Services, and with respect to such employment during such period, ETP (or such Affiliate) shall be solely responsible, and shall satisfy all obligations, with respect to each Service Employee for: payment of all wages and other compensation, provision of all leaves and benefits, satisfaction of all labor, employment and employee benefits laws, maintenance of all health and welfare insurance (including workers' compensation insurance), recordkeeping obligations, immigration compliance, and payroll taxes and tax withholdings, in each case, during the period that such Service Employee performs Services. USAC and its Affiliates shall have no right or authority to terminate any Service Employee's employment with ETP (or an Affiliate thereof) during the term of this Agreement.

(c) Each employee from the Compression Group Entities who accepts an employment offer with USAC and becomes an employee of USAC or an affiliate, effective as of Closing or post-closing, will be referred to as a **“Transitioning Employee”** for purposes of this Agreement.

(d) In providing the Services, ETP shall comply with all applicable Laws and shall ensure that all Service Employees have all required licenses and certifications, and shall use commercially reasonable efforts to ensure all Service Employees have all required training. ETP shall perform the Services with the same quality of workmanship, professionalism and standards, as such services were performed by ETP and its Affiliates immediately prior to the Effective Date, in all material respects.

Section 1.2 **Service Coordinators.** ETP and USAC shall each nominate a representative to act as the primary contact person for such entity (each, a **“Service Coordinator”** and collectively, the **“Service Coordinators”**) with respect to the performance and receipt of the Services. Unless otherwise agreed upon by the Parties, all communications relating to this Agreement and to the Services provided hereunder (other than day-to-day communications and billings relating to the actual provision of the Services) shall be directed to the Service Coordinators. The initial Service Coordinators and their contact information is set forth on Schedule 1.2. ETP and USAC may each replace its respective Service Coordinator at any time by providing notice in accordance with Section 7.2 of this Agreement.

Section 1.3 **Cooperation.** Each Party shall use commercially reasonable efforts to cooperate reasonably with the other Parties in all matters relating to the provision and receipt of the Services and to minimize the expense, distraction and disturbance to each Party.

Section 1.4 **Resources.** Except as otherwise expressly provided in this Agreement, ETP shall be responsible for providing the facilities, personnel, software, equipment, and other resources necessary to provide the Services.

Section 1.5 **Data Security.** The Parties will work together to implement a mutually agreeable means for access to one another's operating environment as necessary to provide the Services in a manner that is not detrimental to any Party's network security or operating environment.

Section 1.6 **Data; Intellectual Property.**

(a) All USAC Data is, or upon creation will be, and shall remain the property of USAC or its applicable Affiliate. ETP hereby irrevocably assigns, transfers and conveys, and shall cause ETP's Affiliates and subcontractors to assign, transfer and convey, to USAC or its designee without further consideration all of its and their rights, title and interest in, to and under USAC Data created as part of the Services. For purposes of this Agreement, "**USAC Data**" shall mean all data that (i) is or has been obtained, developed or produced by ETP or ETP's Affiliates or subcontractors in connection with the provision of the Services and relates to USAC or its Affiliates or (i) relates to USAC or its Affiliates to which ETP or ETP's Affiliates or subcontractors have access in connection with the provision of the Services.

(b) All Intellectual Property (i) created, conceived or developed in whole or in part by ETP or ETP's Affiliates or subcontractors in connection with the Services and (i) based on, derivative of, or created, conceived or developed as a result of access to any assets of USAC or its Affiliates, will be the property of USAC or its applicable Affiliate ("**Services IP**"). ETP hereby irrevocably assigns, transfers and conveys, and shall cause ETP's Affiliates and subcontractors to assign, transfer and convey, to USAC or its designee without further consideration all of its and their rights, title and interest in, to and under Services IP created, conceived or developed as part of the Services.

Section 1.7 **Discontinuation of Services.** At any time during the Transition Services Period (as defined below), USAC may, in its sole discretion, without cause and in accordance with the terms and conditions hereunder, request the discontinuation of one or more specific Services by providing written notice to ETP at least five (5) Business Days in advance of the date upon which such discontinuation is intended to take effect. For the avoidance of doubt, such request may include a request by USAC for the discontinuation of services provided by one or more Service Employees.

Section 1.8 **Employment Offers.** USA Compression Management Services, LLC ("**USAC Management**"), in its sole discretion, may make offers of employment at any time following the Effective Date through the expiration of the Transition Services Period to those Service Employees of their choosing. For purposes of this Agreement, unless otherwise extended by the Parties and agreed to in writing, the "**Transition Services Period**" shall mean the period commencing on the Effective Date up to and including the date that is ninety (90) days following the Effective Date. ETP and USAC shall reasonably cooperate to permit USAC Management to make offers of employment to any Service Employees prior to the expiration of the Transition Services Period, which cooperation shall include, to the extent permitted by applicable law, allowing reasonable access to any Service Employees during normal business hours in order to conduct screening and interviews in connection with employment offer determinations. ETP shall not (and shall cause its Affiliates not to) take any action (or omit to take any action) with the intent to directly or indirectly discourage any Service Employee from accepting any offer of employment made pursuant to this Section 1.8. The Parties acknowledge that the acceptance of employment offers, if any, made by USAC Management to a Service Employee is solely at the discretion of the individual Service Employee to whom offers of employment may be made.

ARTICLE II LIMITATIONS

Section 2.1 **Force Majeure**. The Parties shall not have any liability or responsibility, and shall be excused from performance for, any interruption, delay, impairment or other failure to fulfill any obligation under this Agreement to the extent and so long as the fulfillment of such obligation is interrupted, delayed, impaired, prevented or frustrated as a result of or by natural disaster, hurricane, earthquake, floods, fire, catastrophic weather conditions, diseases or other elements of nature or acts of God, acts of war (declared or undeclared), insurrection, riot, embargoes, or terrorist acts ("**Force Majeure Event**"). A Party impacted by a Force Majeure Event shall promptly notify the other Parties of its delay in performance, describing in reasonable detail the circumstances causing such delay, and shall resume the performance of its obligations as promptly as reasonably practicable.

Section 2.2 **Interim Basis Only**. Each Party acknowledges that the purpose of this Agreement is for ETP to provide USAC and its Affiliates with Services on an interim basis. Accordingly, at all times from and after the Effective Date, the Parties shall use commercially reasonable efforts to obtain any approvals, permits or licenses, implement any computer systems and take, or cause to be taken, any and all other actions necessary or advisable for USAC or its designated Affiliate to provide such Services, as applicable, for itself upon the date that Services are no longer provided hereunder.

ARTICLE III PAYMENT

Section 3.1 **Fees**. In consideration for the applicable Services, USAC shall pay to ETP the fees set forth below (the "**Fees**"):

(a) reimbursement or payment for all costs and expenses incurred by ETP or its Affiliates (including cash compensation and benefits as described in Schedule 1.1 – Human Resources) with respect to the Service Employees for those hours actually worked by the Service Employees in performing the Services; and

(b) any reasonable and documented out-of-pocket costs incurred by ETP with respect to each Service Employee's performance of Services;

provided, however, that with respect to each Service Employee, no amount accrued following the earlier of (i) the expiration of the Transition Services Period applicable to the Services performed by such Service Employee; (ii) the date that the Services related to such Service Employee are discontinued pursuant to Section 1.7; or (iii) the date that a Service Employee's employment or service relationship with ETP terminates, shall be a Fee.

Section 3.2 **Billing and Payment Terms**.

(a) ETP shall invoice USAC within thirty (30) days after the end of each calendar month (such invoice to set forth a description of the Services provided and reasonable documentation

to support the charges thereon) during which Services have been provided hereunder for the Fees for all Services that ETP delivered during the preceding month. All undisputed Fees associated with such invoice shall be payable within thirty (30) days after USAC's receipt of the invoice.

(b) In the event of a good-faith dispute as to the amount of any invoice or portion thereof submitted by ETP to USAC, USAC will pay all undisputed charges on such invoice in accordance with the provisions of Section 3.2(a) above, and will provide written notice to ETP within thirty (30) days of receipt of such invoice regarding the disputed amount and the reasons each such charge is disputed. ETP shall promptly provide USAC with sufficient records relating to the disputed charge so as to enable the Parties to resolve the dispute. If the Parties fail to agree as to the amount or propriety of any invoice or any portions thereof within fifteen (15) days after USAC's receipt of ETP's supporting documentation, then either Party may pursue dispute resolution in accordance with Section 7.9 of this Agreement.

Section 3.3 **Sales Taxes.** All consideration under this Agreement is exclusive of any sales, transfer, value-added, goods or services tax or similar gross receipts based tax (including any such taxes that are required to be collected or withheld, but excluding all other taxes including taxes based upon or calculated by reference to income, receipts or capital) imposed against or on Services provided ("**Sales Taxes**") by ETP and such Sales Taxes will be added to the consideration where applicable. Such Sales Taxes shall be separately stated on the relevant invoice. All taxable goods and Services for which USAC is compensating or reimbursing ETP shall be set out separately from non-taxable goods and Services, if practicable. USAC shall be responsible for any such Sales Taxes and shall either (a) remit such Sales Taxes to ETP (and ETP shall remit such amounts to the applicable taxing authority) or (a) provide ETP with a certificate or other acceptable proof evidencing an exemption from liability for such Sales Taxes.

Section 3.4 **Reconciliation of Net Cash.** Notwithstanding any provision to the contrary, the cost (including any component of Fees) of any Service provided by ETP to USAC and its Affiliates that has been taken into account in the calculation of the Purchase Price Adjustment Amount pursuant to the Contribution Agreement shall not constitute Fees that ETP is entitled to receive under this Agreement and shall not otherwise be payable or reimbursable by USAC or its Affiliates.

ARTICLE IV CONFIDENTIALITY

Section 4.1 **Confidentiality.** Each Party acknowledges and agrees that the terms and conditions of this Agreement and any information provided by one Party (or any Person providing or receiving Services on such Party's behalf) to the other Party (or any Person providing or receiving Services on such Party's behalf) in connection with the provision or receipt of the Services shall constitute Confidential Information. Each Party shall, and shall cause its Affiliates and subcontractors to, maintain in confidence and not disclose to any Person, other than its representatives and advisors, nor use, other than in the provision of the Services, any Confidential Information or any non-public information relating to the other Party or its Affiliates provided in connection herewith, except as and to the extent required by Law.

ARTICLE V
DISCLAIMER OF WARRANTIES; INDEMNITY

Section 5.1 **Disclaimer of Warranties.** EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEITHER PARTY MAKES, AND EACH PARTY EXPRESSLY DISCLAIMS, ANY AND ALL REPRESENTATIONS OR WARRANTIES WHATSOEVER, WHETHER EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE SERVICES TO BE PROVIDED UNDER THIS AGREEMENT, INCLUDING WARRANTIES WITH RESPECT TO MERCHANTABILITY, OR SUITABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT OF ANY SOFTWARE OR HARDWARE PROVIDED HEREUNDER, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE OR TRADE USAGE. NOTHING IN THIS AGREEMENT IS INTENDED TO LIMIT ANY RIGHTS OR REMEDIES OF EITHER PARTY UNDER THE CONTRIBUTION AGREEMENT.

Section 5.2 **Indemnity.**

(a) USAC hereby agrees to indemnify, defend and hold harmless ETP, its Affiliates and its and their respective directors, officers, owners, managers, members, employees, controlling persons, agents, representatives, contractors, subcontractors, successors and assigns (collectively, "**ETP Indemnified Persons**") from and against any and all Losses incurred by any ETP Indemnified Person arising out of or resulting from (i) the negligence or the intentional or willful misconduct of any of USAC Indemnified Persons (as defined below) or (i) the breach of this Agreement by USAC Indemnified Persons, in each case, REGARDLESS OF WHETHER SUCH LOSSES ARE THE RESULT OF OR CAUSED BY THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT OF ANY OF ETP INDEMNIFIED PERSONS, EXCEPT TO THE EXTENT SUCH LOSSES RESULT FROM (X) THE NEGLIGENCE OR THE INTENTIONAL OR WILLFUL MISCONDUCT OF ANY OF ETP INDEMNIFIED PERSONS OR (Y) THE BREACH OF THIS AGREEMENT BY ANY ETP INDEMNIFIED PERSON. Notwithstanding the foregoing, any ETP Indemnified Person entitled to receive indemnification under this Section 5.2(a) shall act in good faith and use its reasonable efforts to mitigate the amount of any Losses for which it seeks indemnification, including making a good faith effort to recover from insurers under applicable insurance policies and from other persons who may be liable so as to reduce the amount of any Losses hereunder. If the amount of any Losses at any time subsequent to the making of an indemnity payment in respect thereof, is reduced by recovery, settlement or otherwise under or pursuant to any insurance coverage, or pursuant to any claim, recovery, settlement or payment by or against any other person, the amount of such reduction, less any costs, or expenses incurred in connection therewith, will promptly be repaid by the ETP Indemnified Persons to USAC.

(b) ETP agrees to indemnify, defend and hold harmless USAC, its Affiliates and its and their respective directors, officers, owners, managers, members, employees, controlling persons, agents, representatives, contractors, subcontractors, successors and assigns (collectively, "**USAC Indemnified Persons**") from and against any and all Losses incurred by any USAC Indemnified Person arising out of or resulting from: (i) any claim made by or on behalf of a Service

Employee (including any claim for personal injury or death) that arises from or relates to the Services, (i) the negligence or the intentional or willful misconduct of any Service Employee or ETP Indemnified Person, or (i) the breach of this Agreement by any ETP Indemnified Person, in each case, arising out of, resulting from or in any way incident to or in connection with the performance of (or failure to perform) the Services pursuant to this Agreement, REGARDLESS OF WHETHER SUCH LOSSES ARE THE RESULT OF OR CAUSED BY THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT OF ANY OF USAC INDEMNIFIED PERSONS, EXCEPT TO THE EXTENT SUCH LOSSES RESULT FROM (X) THE NEGLIGENCE OR THE INTENTIONAL OR WILLFUL MISCONDUCT OF ANY OF USAC INDEMNIFIED PERSONS OR (Y) THE BREACH OF THIS AGREEMENT BY ANY USAC INDEMNIFIED PERSON. Notwithstanding the foregoing, any USAC Indemnified Person entitled to receive indemnification under this Section 5.2(b) shall act in good faith and use its reasonable efforts to mitigate the amount of any Losses for which it seeks indemnification, including making a good faith effort to recover from insurers under applicable insurance policies and from other persons who may be liable so as to reduce the amount of any Losses hereunder. If the amount of any Losses at any time subsequent to the making of an indemnity payment in respect thereof, is reduced by recovery, settlement or otherwise under or pursuant to any insurance coverage, or pursuant to any claim, recovery, settlement or payment by or against any other person, the amount of such reduction, less any costs, or expenses incurred in connection therewith, will promptly be repaid by the USAC Indemnified Persons to ETP.

(c) The remedies provided in this Agreement shall not be cumulative with any duplicative remedy available pursuant to the Contribution Agreement. Nothing contained in this Section 5.2 shall limit or alter the obligation of any Party to indemnify any other Party pursuant to the Contribution Agreement.

ARTICLE VI TERM AND TERMINATION

Section 6.1 **Term of Agreement.** Except as otherwise expressly set forth in this Agreement, this Agreement shall become effective, and each Service shall commence, on the Effective Date, and this Agreement shall remain in force, and each Service shall continue until the date that is ninety (90) days from the date of this Agreement (the “**End Date**”), unless earlier terminated by a Party as provided in Section 6.2.

Section 6.2 **Termination.**

(a) **Termination by USAC.** This Agreement, or any Service provided hereunder, as applicable, may be terminated by USAC prior to the End Date upon written notice to the other Parties, if:

(i) ETP fails to perform or otherwise breaches this Agreement and such failure or breach is not cured, to the reasonable satisfaction of USAC, within thirty (30) days of written notice thereof; or

(ii) ETP makes a general assignment for the benefit of creditors or becomes insolvent, or a receiver is appointed for, or a court approves reorganization or arrangement proceedings for, such Party.

(b) **Termination by ETP.** This Agreement, or any Service provided hereunder, as applicable, may be terminated by ETP prior to the End Date upon written notice to the other Parties, if:

(i) USAC fails to perform or otherwise breaches this Agreement and such failure or breach is not cured, to the reasonable satisfaction of ETP, within thirty (30) days of written notice thereof; or

(ii) USAC makes a general assignment for the benefit of creditors or becomes insolvent, or a receiver is appointed for, or a court approves reorganization or arrangement proceedings for, such Party.

(c) **Partial Termination.** USAC may, on five (5) Business Days' prior written notice to ETP, terminate any Service. Upon termination of any Service in accordance with the prior sentence, such terminated Service shall be deleted from Schedule 1.1, and USAC shall have no obligation to continue to use or pay for any such Service following the effective date of such termination; *provided, however*, that this Agreement shall remain in effect until the End Date, or until otherwise terminated pursuant to this [Section 6.2\(b\)](#) or [Section 6.2\(a\)](#) above. Any termination notice delivered by USAC shall specify in detail the Service or Services to be terminated, and the effective date of such termination.

Section 6.3 **Effect of Termination.**

(a) In the event that this Agreement expires or is terminated for any reason, each Party agrees and acknowledges that the obligations of the Parties to provide the Services hereunder shall immediately cease. Upon cessation of ETP's obligation to provide any Service, USAC shall stop using, directly or indirectly, such Service.

(b) In the event that this Agreement expires or is terminated for any reason, upon request, each Party shall return to the other Party or, at the other Party's option, destroy (subject to standard data retention and archiving policies) all books, records or files owned by such other Party and used in connection with the provision of Services that are in their possession as of the termination date.

(c) The following matters shall survive the expiration or termination of this Agreement: (i) the rights and obligations of each Party under Article V, this Article VI and Article VII, and (ii) the obligations under Article III of USAC to pay the applicable Fees for Services furnished prior to the effective date of termination.

There are no other warranties, representations or other agreements between the Parties in connection with the subject matter. No amendment, supplement, modification or waiver of this Agreement shall be binding unless executed in writing by all Parties.

Section 7.4 **Waiver of Compliance.** Any failure of USAC, on the one hand, or ETP, on the other hand, to comply with any obligation, covenant, agreement or condition contained herein may be waived only if set forth in an instrument in writing signed by the Party or Parties to be bound by such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any other failure.

Section 7.5 **Amendment and Modifications.** This Agreement may not be amended or modified except by an instrument in writing signed by the Parties and that expressly refers to this Agreement.

Section 7.6 **Assignment.** This Agreement and the rights, interests or obligations hereunder may not be assigned by any of the Parties, whether by operation of Law or otherwise; *provided, however*, that **(a)** upon notice to ETP and without releasing USAC from any of their obligations or liabilities hereunder, USAC may assign or delegate any or all of its rights or obligations under this Agreement to any Affiliate of USAC or any Person with or into which USAC or any Affiliate of USAC merges or consolidates, **(a)** upon notice to USAC and without releasing ETP from any of their obligations or liabilities hereunder, ETP may assign or delegate any or all of its rights or obligations under this Agreement to any Affiliate of ETP or any Person with or into which

ETP or any Affiliate of ETP merges or consolidates, and (a) nothing in this Agreement shall limit USAC's ability to make a collateral assignment of its rights under this Agreement to any institutional lender that provides funds to USAC or USAC's designee without the consent of ETP. ETP shall execute an acknowledgment of such assignment(s) and collateral assignments in such forms as USAC or their institutional lenders may from time to time reasonably request; *provided, however*, that unless written notice is given to ETP that any such collateral assignment has been foreclosed upon, ETP shall be entitled to deal exclusively with USAC as to any matters arising under this Agreement. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

Section 7.7 **Severability**. If any term or other provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of applicable Laws, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transaction is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Transaction is consummated as originally contemplated to the fullest extent possible.

Section 7.8 **Rules of Construction**.

(a) All references in this Agreement to Articles, Sections, subsections, Schedules, Exhibits and other subdivisions are to Articles, Sections, subsections, Schedules, Exhibits and other subdivisions of or to this Agreement unless otherwise specified. The Exhibits and Schedules attached to this Agreement constitute a part of this Agreement and are incorporated herein for all purposes. Titles appearing at the beginning of any Articles, Sections, subsections, Schedules, Exhibits or other subdivisions of this Agreement are for convenience only, do not constitute any part of this Agreement and shall be disregarded in construing the language hereof.

(b) If a term is defined as one part of speech (such as a noun), it shall have a corresponding meaning when used as another part of speech (such as a verb). Unless the context of this Agreement clearly requires otherwise, (i) words importing the masculine gender shall include the feminine and neutral genders and vice versa, (i) any reference to a Person shall include its permitted successors and assigns, (i) whenever this Agreement refers to a number of days, such number shall refer to calendar days unless Business Days are specified and whenever any action must be taken hereunder on or by a day that is not a Business Day, then such action may be validly taken on or by the next day that is a Business Day, (i) any reference to a Governmental Authority shall include any Person succeeding to its functions and capacities, (i) all agreements, documents, exhibits, schedules and other instruments defined or referenced herein shall mean such agreements, documents, exhibits, schedules and other instruments as the same may be amended, revised, modified, supplemented or waived to the extent permitted by and in accordance with the terms thereof and the terms of this Agreement, (i) the word "or" is not exclusive, the words "includes" or "including" shall mean "including, without limitation" and the words "this Agreement," "hereof," "hereby," "herein," "hereunder" and similar terms in this Agreement shall refer to this Agreement

Section 7.9 **Governing Law; Consent to Jurisdiction; Waiver of Jury Trial**. The provisions of Section 9.1 of the Contribution Agreement are hereby incorporated by reference, mutatis mutandis, as if fully set forth herein.

Section 7.10 **Parties in Interest**. This Agreement shall be binding upon and inure solely to the benefit of each Party and its successors, permitted assigns and transferees. Nothing in this Agreement, express or implied, is intended to confer upon any other Person any rights or remedies of any nature whatsoever under or by reason of this Agreement except as expressly set forth herein.

Section 7.11 **Relationship of the Parties**. Each Party and its Affiliates, as applicable, shall be acting as an independent company in performing under this Agreement, and shall not be considered or deemed to be an agent, employee, joint venturer or partner of the other Party or any of its Affiliates, as applicable. Each Party and its Affiliates, as applicable, shall, at all times, maintain complete control over its personnel and operations, and shall have sole responsibility for staffing, instructing and compensating its personnel. Neither Party (nor its Affiliates, as applicable) shall have, or shall represent that it has, any power, right or authority to bind the other Party (or its Affiliates, as applicable) to any obligation or liability, to assume or create any obligation or liability or transact any business in the name or on behalf of the other Party (or its Affiliates, as applicable), or make any promises or representations on behalf of the other Party (or its Affiliates, as applicable), unless agreed to in writing.

Section 7.12 **Counterparts**. This Agreement may be executed and delivered (including by facsimile transmission or other electronic means) in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart.

SCHEDULE 1.1

SERVICES

Human Resources

- ETP or an Affiliate thereof will continue to employ and manage all day-to-day activities of all Service Employees from the Closing Date through the Transition Services Period, or, if earlier, with respect to an individual Service Employee, until the date (if any) such Service Employee commences employment as a Transferred Employee (the “**Post-Closing Employment Period**”). Cash compensation (including, without limitation, base salaries, hourly wages, overtime pay, cash bonus or incentive compensation, severance or termination pay, and reimbursements for business expenses or travel, including all payroll and employment taxes associated therewith) and employee benefits for the Service Employees will be paid or provided by ETP (or an Affiliate thereof) in accordance with the compensation structure and policies as in place from time to time. ETP or its Affiliates shall process all payroll items for the Service Employees (including withholding, tax filing and payments, reconciling payroll ledgers, and check distributions or direct deposits) and shall coordinate services with all applicable health and welfare benefit providers.
- During the Transition Services Period, ETP shall not transfer any Service Employees to any other position within ETP’s organization or to any of its Affiliates (other than with USAC’s prior consent) and shall take no action that adversely interferes with the performance of services by the Service Employees as contemplated herein, *provided, however*, that ETP may transfer any Service Employee with respect to whom USAC has informed ETP of its decision not to extend an offer of employment. ETP shall not employ or engage any additional employees or consultants to perform the services intended to be performed by the Service Employees hereunder unless such individuals are intended to replace the services or duties previously provided by a terminated Service Employee.
- ETP or an Affiliate thereof shall provide the Service Employees with employee health and welfare benefits under ETP’s or its Affiliates’ benefit plans that are made available to other similarly situated employees of ETP (or its Affiliate) generally during the Post-Closing Employment Period.

USA Compression Partners and Energy Transfer Complete Previously Announced Transactions

Austin and Dallas, Texas, April 2, 2018 – USA Compression Partners, LP (NYSE: USAC) (“USAC”), Energy Transfer Partners, L.P. (NYSE: ETP) (“ETP”) and Energy Transfer Equity, L.P. (NYSE: ETE) (“ETE”) today announced that USAC has (i) completed its previously announced acquisition of the CDM compression business (“CDM”) from ETP, in exchange for \$1.232 billion in cash (including customary closing adjustments), approximately 19.2 million USAC common units and approximately 6.4 million USAC Class B units, and (ii) cancelled its incentive distribution rights and converted its economic general partner interest into a non-economic general partner interest, in exchange for the issuance to its general partner of 8.0 million USAC common units. The USAC Class B units issued to ETP will not pay quarterly cash distributions for the first four quarters following closing and will convert into USAC common units on a one-for-one basis after such time. USAC funded the cash consideration for the transaction with proceeds from the issuance in private placements of preferred units and senior notes, and borrowings under its revolving credit facility.

In addition to the above transactions, ETE completed its acquisition of USAC’s general partner and approximately 12.5 million USAC common units from USA Compression Holdings, LLC in exchange for \$250 million in cash.

CDM currently owns and operates approximately 1.6 million horsepower of natural gas compression and is focused primarily on large horsepower applications. The acquisition of CDM is expected to provide significant benefits for USAC unitholders as the combined business will have increased geographic coverage and will be one of the leading domestic compression providers. The acquisition further expands USAC’s geographic presence into regions where USAC was previously underrepresented and results in USAC having broad coverage across U.S. regions. As part of its overall service offerings, CDM also provides a full range of gas treating and emissions testing services. CDM’s treating activities are complementary to USAC’s growing station services offerings, in which USAC provides turnkey gas handling solutions for customers. With over 70% of horsepower greater than 1,000 horsepower and an average unit size of approximately 700 horsepower, the CDM fleet has an average age of approximately 7 years and a current operating utilization rate of over 90%. On a pro forma combined basis, USAC owns and operates a compression fleet of approximately 3.4 million horsepower.

The transaction is expected to strengthen ETP’s balance sheet by allowing ETP to use the cash proceeds from the transactions to reduce leverage.
